THE BEVERLY HILTON HAS A BRIGHTER IDEA: MEASURE HH WILL CREATE A NEW PARK FOR BEVERLY HILLS

IN 2008, BEVERLY HILLS VOTERS APPROVED A PLAN for the Beverly Hilton that allowed for two residential buildings, 18 stories along Santa Monica Boulevard and eight stories along Wilshire Boulevard. Before ground is broken on these two buildings, the Beverly Hilton has a brighter idea. Measure HH lets Beverly Hills voters improve that plan by creating a 1.7-acre garden and park at the Beverly Hilton, at Wilshire and Merv Griffin Way, made possible by consolidating the two buildings into a single 26-story structure along Santa Monica Boulevard. With new amenities and a beautiful new park at the gateway to our city — without any additional square footage or traffic — Measure HH is a brighter idea for Beverly Hills.

An Initiative measure to amend the Beverly Hilton Specific Plan to combine the 8 story Wilshire condominium building with the 18 story Santa Monica condominium building resulting in one 26 story building with additional height and to replace the Wilshire building with 1.7 acres of garden open space that is generally open to the public subject to reasonable restrictions determined by the property owner.

“But will the show go on?” [Issue 886]

Ask yourself this simple question: With the ongoing construction, the traffic, the tour buses, the tourists swarming our streets, etc. - Has the quality of life in Beverly Hills for our families improved or declined in the last twenty years?

Well, if it's up to Beny Alagem, co-owner of the Beverly Hilton and the Waldorf Astoria, with the Hilton's proposed 375 foot skyscraper (over twice the height of the tallest building in Beverly Hills), “You ain't seen nothing yet!”

Rather than dwell on the Hilton's slick, expensive and deceptive advertising, the Hilton's self-serving tea and cookie get-togethers, and the so called public “park” that the Hilton owns and controls, let's talk about measure HH.

This is a ballot initiative, which is Beny Alagem's clever way of attempting to by-pass our City Planning Commission, City Government, and the mandated environment protection laws of the State of California, which are designed to protect us. This is the first time in Beverly Hills 100 year history that a developer is using a

ballot initiative.

If HH passes, (and Mr. Alagem is spending many millions to assure that it will), Measure HH will open the floodgates to a horde of other developers who will be encouraged to use the same initiative process to escape having to comply with our development laws, including costly environmental studies. Our City Zoning laws controlling height and density will be thrown out the window!

As former Board Members of the Beverly Hills North Homeowners Association and longtime residents, we ask you to take the time to consider the consequences of voting yes on HH. We need to look no further than unbridled over development and continual traffic jams on Sunset in West Hollywood, or on Lincoln Blvd in Marina del Rey.

Fortunately, we residents do have the power to protect our City and require that all developers comply with existing laws - environmental protection laws, our General Plan, and our existing zoning laws. But, we must join together and not give our vote away to greedy developers!

Fellow residents, we urge you to join us, the signatories to this letter, and vote NO on ballot initiative HH.

Recreation & Parks Commission begins conversation on Coldwater Canyon Park

The Recreation and Parks Commission

invited the public to share their input on the new play space being created at Coldwater Canyon Park, during its Sept. 27 meeting.

The current playground equipment requires replacement, according to the staff report.

Architectural consulting firm March Studio was hired by the City to gather information about the northern portion of the park, bordered by North Beverly Drive

and Sutton Way, where the playground is located. Firm representative Summer Vaughn presented the studio's findings at the Commission meeting.

She noted the arbor that borders the south end of the playground provides "minimal amount of shade for the playground" and a general lack of shade for both the picnic area and the playground was pointed out as a concern.

Public comments echoed the findings

Howard Rosoff

presented by Vaughn.

Resident Jenna Streit, along with her four-year-old son Sidney Streit and his preschool friend Shalini Bahkru, came to the meeting to share their thoughts on improving the playground.

"[My son] loves the swings and I would get such heatstroke and so would he. We love what's been done at Roxbury," Strite said in reference to the renovations recently made at the park.

Commissioner Howard Rosoff, who is a project liaison with Vice Chair Susan Gersh, explained all presented information will receive thorough evaluation before the Commission comes back with recommendations.

"We're just at the beginning of the process," Rosoff said. "Obviously, there are differences between Roxbury and

NOTICE OF PUBLIC HEARING

HEARING DATE: October 13, 2016
TIME: 1:30 PM, or as soon thereafter as the matter may be heard
LOCATION: Commission Meeting Room 280-A
Beverly Hills City Hall
455 North Rexford Drive
Beverly Hills, CA 90210

The Planning Commission of the City of Beverly Hills, at its REGULAR meeting on Thursday, October 13, 2016, will hold a public hearing beginning at 1:30 PM, or as soon thereafter as the matter may be heard to consider:

A request for a **Conditional Use Permit, a Development Plan Review, and an Extended Hours Permit** for the property located at **469 N. Doheny Drive (Café Amici at Hotel Beverly Terrace)**. The Applicant was previously granted a Conditional Use Permit and Development Plan Review to allow the following operations at the hotel:

- Operation of a restaurant within the hotel that is open to the public; and
- Operation of open air dining associated with the hotel restaurant.

The previously granted entitlements have expired, and the Applicant is requesting a new Conditional Use Permit and Development Plan Review to allow the same operations as previously granted, with amendments to allow the following:

- An expanded open air dining area (increasing total outdoor seats from 24 to 42) and to determine that the parking demand for the expanded open air dining area can be met with the existing parking supply and valet operations, and additional parking is not required to be provided;
- To allow the restaurant to be open to the public on Sundays; and
- To allow the restaurant to be open to the public beyond the standard hours of operation for a property located in a commercial-residential transition area and beyond those hours previously approved by the original Development Plan Review and Conditional Use Permit. An Extended Hours Permit is requested to allow the hours of operation to be expanded to accept members of the public (not only hotel guests) between the hours of 7 A.M. to 11 P.M. daily.

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. Upon review, the project appears to qualify for exemption from CEQA. Accordingly, the Planning Commission will consider a recommendation to find the project exempt from the environmental review requirements of CEQA as a Class 1 Categorical Exemption (minor alterations to an existing facility) pursuant to Sections 15301 of Title 14 of the California Code of Regulations.

Any interested person may attend the meeting and be heard or present written comments to the Commission. According to Government Code Section 65009, if you challenge the Commission's action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing. Any written comments received prior to or during the public hearing will be considered as part of the public record.

If there are any questions regarding this notice, please contact **Alek Miller, Assistant Planner** in the Planning Division at **(310) 285-1196**, or by email at **amiller@beverlyhills.org**. Copies of the application and associated project materials are on file in the Community Development Department, and can be reviewed by any interested person at 455 North Rexford Drive, Beverly Hills, CA 90210.

"Hilton's donation raises questions regarding PTAs and their 501c3 status" [Issue 886]

Beverly Hills Weekly Issue #886 revealing the attempt by the Beverly Hilton and the Yes on Measure HH campaign to corrupt the PTAs of our schools was shocking. The essence is this: In return for \$20,000 per school, he PTA presidents were required to deliver at least 50 members to a campaign event at the Hilton.

The fact that this effort was led by Lee Egerman, son of former Mayor Mark Egerman, a registered Hilton lobbyist, is further proof of lengths to which the Hilton will go to buy a vote.

This called "pay to play" is illegal. It was a heavy handed attempt by the Hilton to gain access to or the endorsement of the PTAs. If the *Weekly* hadn't called Lee Egerman for comment, exposing the scheme and forcing him to redirect the Measure HH money to BHEF, our PTAs would be in jeopardy of losing their charitable status and being subjected to harsh reprimand by the PTA 33rd Council or worse.

Now we have to watch what happens at BHEF, whose President, Monique Gibbons, is a highly visible supporter of Measure HH, having even appeared in a commercial for them. Keep an eye on the members of the Board. If you start to see them endorsing Measure HH, then you will know they were bought by the tainted money.

For those not acquainted with me my 3 siblings and I not only went through the entire Beverly Hills school system but my mother, Muriel Finerman, was both El Rodeo PTA President and President of the Beverly Hills PTA Council. My father, Dr. Wilmore Finerman, was one of the founders of the Beverly Hills Municipal League and had been asked by our city to be sure such projects benefitted the residents. My parents and grandparents Marion and Dr. Morris Weinstein were active in the community for decades to improve our com-

munity's quality and maintain it against special interests.

Editor's note: The following letter was written in response to the "Yes on HH Supporters" letter by Sherry Hackett and David Loftus

I am responding to your letter of Sept. 27, which arrived [Sept. 29]. You claim that the new plan, under measure HH, "which creates one single, consolidated 26-story building and adds an expansive 1.7 acre garden open to Beverly Hills residents", is better for the residents of Beverly Hills.

I disagree. The 26-story building is a giant ugly skyscraper, 375 feet tall. If built, it would be the tallest building in Beverly Hills, taller than most of the buildings on the Wilshire corridor. The "expansive garden" is a mere 0.6 acres bigger than the open space in the current approved plan. And it is not a public park. It is a private space that will be controlled by the Hilton Hotel and closed to the public for private events. Measure HH benefits Beny Alagem and the Hilton Hotel. It does not and will not benefit most of the residents of our city.

More importantly, by bypassing the land use planning and approval process and going directly to the public, Mr. Alagem has corrupted both the process and the City, the distortion, exaggerations, and outright lies in his campaign rival those of Donald Trump. To take only one example, in the flyer accompanying the letter, a large park is mentioned twice. The garden you mention is private space, not a public park. Even if it were, I would vote again Measure HH. It sets a bad precedent for land use in Beverly Hills. If Measure HH passes, we can anticipate similar efforts to build inappropriate buildings in other locations in the City.

Select Recreation & Parks Commissioners express dissatisfaction with Kusama fencing

Although it was not on the agenda, some Recreation and Parks Commissioners expressed their discontent with the new fence installed around Yayoi Kusama's "Hymn of Life: Tulips," at a meeting on Sept. 27.

"I'm sick about it," said Vice Chair Susan Gersh. "I drove by today and saw the fence that was up around the Kusama and it destroys the visual aesthetics of the piece."

Susan Gersh

Commissioner Robert Anderson expressed concern about the use of redwood chips at the base of the fence, as opposed to decomposed granite.

"I see, instead of decomposed granite which we all approved of, redwood chips," Anderson said. "It looks tacky, in my opinion, and I thought we all agreed it was decomposed granite that was going to go around it."

Robert Anderson

The Kusama was originally surrounded by plants, but the City began considering fencing options after it was determined that the plants did not provide a protective barrier. Both the Fine Art and Recreation & Parks Commissions have been involved in the fencing process, which has exceeded a year.

Health and Safety Commission learns about seismic retrofit program

The Health and Safety Commission received a presentation on a proposed seismic retrofit program to help make the City more resilient to earthquakes, at its meeting on Sept. 26.

The proposed ordinance applies to wood-frame, soft-story buildings with soft, weak or open front walls built prior to 1978, according to the staff report. The ordinance requires strengthening of the first floor of these buildings through the addition of steel framing.

The program was first presented to City Council in January 2016.

The United States Geological Survey predicts there is a 50 percent probability that a magnitude 6.0 earthquake will

Myra Lurie

occur in the next 25 years close to Beverly Hills, according to the presentation given by Senior Plan Review Engineer Arlene Eskandari.

"This is in the best case scenario," Eskandari said in reference to the statistic. "We know major earthquakes [happen] without any notification."

A soft-story building has large openings on the first floor, such as windows or tuck-under parking.

Survey showed approximately 300 buildings were identified as vulnerable wood-frame, soft-story buildings in Beverly Hills making up approximately

1,800 living units, according to the presentation. The most common method to retrofit these types of buildings is the installation of steel frames.

The cost for the retrofit of existing wood-frame, soft-story buildings is estimated to be between \$5,000 and \$10,000 per unit. The City of Los Angeles adopted its version of the retrofit ordinance in 2015 and was used as a benchmark for these prices.

The proposed ordinance doesn't allow the retrofit costs to pass-through to tenants.

"There would be no financial burden on tenants to do this kind of retrofit work," Eskandari said.

Several Commissioners noted they were pleased with the thoroughness of the presentation.

"Having lived in the Valley and having gone through the Northridge earthquake and seeing so many apartment buildings 'pancaked,' I think this is excellent," said Commissioner Myra Lurie.

The public will receive notice before the program is presented to the Council for approval and adoption.

Friday, between 9:00 a.m. and 3:00 p.m. and some weekends from 8:00 a.m. to 6:00 p.m.

The North Santa Monica Boulevard reconstruction project is scheduled to break ground in early 2017. The project will completely rebuild the roadway between Doheny Drive and Wilshire Boulevard. The project design includes "green street" drainage, new decorative street lights, drought tolerant landscaping and widening a portion of the roadway on the south side between Canon Drive and Wilshire Boulevard.

Obama and U.S. Banks Don't Want You to Know About this IRS "Cheat Code" ...

Obama would like you to think that the ONLY way to save for retirement is by putting money into the stock market. You get an IRA or 401(k) and then you load up on stocks and bonds, right? You feed the Wall Street beast.

But I'm sure that I don't need to tell you that this "beast" can bite the hand that feeds it. It bit Americans hard in 2008, when Wall Street tanked and took the nation down with it. Now, there are indications that it may soon do it again.

These 4 Market Crash Signals Are Flashing Red

Many experts - like Peter Schiff and Gerald Celente - are predicting "imminent stock market crash". Now you can add John Hussman's name to the list.

Hussman, a former professor of economics, uses four signals to predict stock market peaks and crashes. These signals correctly predicted the peaks in 1972, 2000 and 2007. Each of these peaks was followed by a dramatic crash.

Now, for the first time since the last financial crisis, ALL FOUR signals have appeared again.

This is why it's time to consider getting your retirement out of stocks and bonds and into assets that will help you weather the coming financial storm.

Thankfully **you have options.**

Did you know that you can move your retirement savings out of stocks, and KEEP your tax-advantaged status?

Have you heard about Section 408(m)(3)?

It's a little-known cousin of Section 401(k) of IRS code. I like to call it the "cheat code" that unlocks investments you simply can't find on Wall Street. Here's what I mean...

Section 408(m)(3) lets you open a Precious Metals "Self Directed" IRA and put REAL gold and silver into a tax-advantaged account.

Here are four good reasons to consider this IRS "cheat code" ...

REASON #1: Unlike stocks, gold and silver will NEVER go to zero. They will always be worth something.

REASON#3: Since 2001, gold has MASSIVELY outperformed the stock market, by over six times!

REASON#2: Precious metals can protect you during times of economic uncertainty (like right now), and are a hedge against inflation.

REASON#4: Gold and silver are recognized around the world as currency. This means you could use precious metals to pay for goods and services if something catastrophic ever happened to the dollar, a scenario that looks more probable every year.

While you still can

Fabrizio Fantella Piccolo Paradiso Manager

How did you become the manager at Piccolo Paradiso?

I'm from right outside Milano, between Milano and Lake Como in a city called Monza, they are famous because they race cars there.

I came [to the U.S.] in like 1990 for the first time because I had a couple of friends here. Really just a vacation trip, coast to coast. I was 26 years old. I ended up staying for almost two years. I went back to Italy and then moved here again in 2000.

I have been working [for Piccolo Paradiso] for 14 years now. In Italy I worked in bars. When I decided to stay in [the U.S.], I met [owner Giacomino Drago] while I was looking for a job. At Piccolo Paradiso, I started as a waiter.

This restaurant was just opening. Maybe three or four years after I started working here, the manager left and I

started working as the assistant to the new manager. By 2008, I was kind of in charge of this restaurant.

What do you like about working in Beverly Hills?

When you move from Italy, and you go to a city like Los Angeles [and] you think it's so big and that you're going to get lost. You think it might be hard to make friends. But Beverly Hills is like a very small town in the end. Everybody knows each other. It makes me feel more like at home, like I'm back in Italy where everybody knows each other. I love that.

What is the most challenging part of your job?

The most challenging is to keep the quality consistent with both food and service. When you work for Drago, you have all the support from them, and that helps with the quality. I can cover most of the positions in the restaurant. I can be a bartender because I was one. I started as a waiter. I know how to bus tables. The position is versatile.

Describe your favorite dish at Piccolo Paradiso.

Just one? It's hard because we have so many. But I think pasta is my favorite. I know it doesn't look like I eat a lot of pasta. We have the Garganelli Montanara,

which is a home-made penne with mushroom, sausages and truffle. We're also known for fish like the Branzino. A lot of other restaurants have the Branzino but usually they do it filet, we do the whole fish. Before, when we had less people we used to clean it at the table. It's a little challeng-

ing now that the restaurant is more crowded.

What makes Piccolo Paradiso unique from the other

four Beverly Hills' restaurants in the Giacomino Drago group?

I remember when I first started, [Piccolo Paradiso] was like Giacomino's little baby. He was doing a few different things with the environment, a little more quiet than Il Pastaio. We always work with reservation here, which is unique. It's very reliable. We can spend more time with our customers, compared to other restaurants that are faster paced.

Five years ago, owner Giacomino Drago told the Weekly [Issue 627] his restaurants are successful because

“[his family operates [them]. It's not only owned by a husband and wife but also the people that work there. The others have become more like a family.” Do you agree?

Yes, of course. I kind of feel like part of the family. It's been 14 years. For me, it's the place I have worked almost my entire life. The family feelings are his so you don't feel like you have a boss, you feel more like you have a father. That's a great support. Giacomino is the boss, but in a different way.

What has changed about restaurants in Beverly Hills over the last five years?

There's so many more Italian restaurants then before. There's more competition, especially this area, south of Wilshire. It's good because it makes the quality higher. It makes us better. We're doing well as an Italian restaurant, we're known in the neighborhood.

Do you plan on opening your own restaurant in the future?

I did already in my past. Right now, no. I'm happy like this. But you never know in life.

Traditional polling places to be replaced by vote centers

A measure authored by Senator Ben Allen (D – Santa Monica) and Senator Robert Hertzberg (D – Van Nuys) to transform the way elections are conducted was signed into law by Governor Jerry Brown on Sept. 29.

SB 450 authorizes counties to replace neighborhood polling places with conveniently located vote centers and allow voting in the 10 days preceding and election; it also requires every voter to be mailed a vote-by-mail ballot.

“Our current system of limiting voters to casting their ballot at a single location on a

single day has failed, as our voter turnout rates have continued to decline toward record lows” Allen wrote in a statement. “People lead increasingly complicated lives; we should provide them with maximum flexibility when it comes to voting.”

Under SB 450, voters will be able to vote in person at vote centers located at public spots throughout their county for the 10 days prior to an election, including two weekends. Also, every voter will receive a vote by mail ballot that can be returned by mail, or dropped off at any vote center.

Prohibition on public financing of campaigns repealed

On Sept. 29, legislation authored by Senator Ben Allen (D – Santa Monica) to remove current law's prohibition on public

financing of campaigns was signed into law by Governor Jerry Brown.

“Californians are demanding greater accountability from their elected officials, and rightfully so,” Allen wrote in a statement. “Anything we can do to empower communities to reduce the influence of money in campaigns is a good thing.”

Local governments and the state are prohibited from adopting public campaign financing systems due to a provision that became law as part of Proposition 73 in 1988. While char-

ter cities such as Los Angeles are exempt from the prohibition under the state Constitution, general law cities, counties, districts, and state government are covered by the current ban.

The new law enacted last Thursday, SB 1107, does not create, or require any government to establish, a public campaign financing program; it simply restores the option for local governments and the state to do so.

Norman football team to play host to Paysinger brothers-coached Hawthorne Friday staff includes three other former BHHS coaches

By Steven Herbert

Former principal and football coach Carter Paysinger will be coaching against Beverly High for the first time Friday night when the Normans play host to Hawthorne in the Ocean League football opener for both schools.

Paysinger is in his first season as the Cougars offensive coordinator, calling their plays, working under a younger brother, Donald Paysinger.

Donald Paysinger had some openings on his coaching staff after several coaches left because of conflicts with their jobs, he said in an interview this week.

Donald Paysinger said his older brother "wanted to coach and wasn't doing anything and asked me if we had room."

Donald Paysinger turned to three other former Norman coaches to fill vacancies on his coaching staff - Chuck Kloes, the offensive line coach, Wayne Monroe, the running backs coach, and Derrick Robinson, the defensive line coach.

Donald Paysinger, who succeeded his brother as Beverly Hills' coach in 2009, has been Hawthorne's coach since 2013, guiding the Cougars to a 10-25 record.

The Normans are 2-33 during that same span.

Donald Paysinger attributed this season's 1-4 record to injuries and playing "tough teams."

Hawthorne has been held to seven points or less in each of its last three games.

Weather kept Beverly Hills from fully capitalizing on former coach Charlie Stansbury's plan to have the team not play the week before its league opener and thus give it more practice time. A heat alert forced the team to practice in one of the school's gyms instead of at Nickoll Field Sept. 26-27.

However, the week off did give several players the opportunity to recover from injury and illness, coach Steve Geanakos said.

Geanakos said he expects his team to have between 36 and 40 players in uniform, while Donald Paysinger said he expected his team to have about 40.

"Our numbers have grown since last

UNITE HERE VERSUS WANDA BATTLE CONTINUES

Hotel union fuels dispute with developers

By Madelyn Pariser

In a series of claims and counterclaims, the UNITE HERE continues to allege that the Wanda Group has used foreign money to influence the upcoming November ballot against Measure HH.

Last week, Sacramento attorney Gary Winuk filed a complaint with the California Fair Political Practices Commission and the Federal Election Commission on behalf of UNITE HERE Local 11, an international labor union

representing hotel workers, against Wanda for using foreign funds to finance the Beverly Hills Residents and Businesses to Preserve Our City.

The committee was created by Wanda in opposition of the Beverly

Hilton initiative to build a 375 foot tower and garden, which Beverly Hills voters will decide Nov. 8.

Wanda has submitted plans to the

City for the construction of 9900 Wilshire, One Beverly Hills, a \$1.2 billion project that would include 193 condominiums and 134 hotel rooms. The project is located next to the Hilton.

In a written statement, Winuk claims the \$1.2 million contribution made to the ballot measure committee "is one of the largest foreign contributions ever made in United States history to influence an American election."

The contribution was made by Lakeshowre East Parcel P, LLC, according to a campaign pre-election dis-

closure filed with the City and obtained by the Weekly.

"The incredible size of this contribution by a company with no ties to Beverly Hills shows that it would not have been made absent the participa-

"It is disappointing that a lawyer of Mr. Winuk's background with the FPPC would stoop to spreading such false and untrue statements without a shred of evidence."

tion of the Wanda Group," Winuk wrote.

Beverly Hills Residents and Businesses to Preserve Our City consultant Adam Englander cited a lack of evidence behind Winuk's claims.

"Once again, Mr. Winuk shows his allegiance to Oasis West Realty, the owner of the Beverly Hilton, who has so far spent over \$5,000,000 on their City of Beverly Hills Initiative in the past 9 months alone," Englander said. "Let me be clear: There has been no foreign contributions made in this election by opponents of Measure HH. It is disappointing that a lawyer

of Mr. Winuk's background with the FPPC would stoop to spreading such false and untrue statements without a shred of evidence."

UNITE HERE represents more than 20,000 workers, including the unionized employees of the Beverly Hilton Hotel.

UNITE HERE research analyst Rachel Torres noted in an email that the hotel workers union asked state and federal election officials to investigate whether Wanda had violated campaign laws.

No violation of labor, workers' union laws are in question.

Two Hilton hotels owned

independently of the Beverly Hilton appear on the union's website under the hotel guide listing properties to boycott, which includes the Los Angeles Airport Hilton and Towers and the Hilton Long Beach.

UNITE HERE is not new to disputes

with Beverly Hills hotels. The Beverly Hills Hotel is also on the aforementioned list as a property to boycott.

In 2014, the hotel boycott against the Beverly Hills Hotel, organized by UNITE HERE, went viral after celebrities like Ellen DeGeneres publicized that hotel owner Hassanal

Bolkiah, the Sultan of Brunei, had authorized Shariah law in his Southeast Asian nation, meaning adulterers and homosexuals can be stoned to death.

The union drew focus to the Shariah Law issue in an effort to try to force the hotel to unionize.

UNITE HERE is pursuing the claim against Wanda alleging the process of how development gets approved or denied should be transparent, according to Torres.

"Hotel workers have fought to ensure good jobs at the Beverly Hilton and other area hotels," Torres said to the *Los Angeles Times*. "We do not want to see illegal foreign contributions from a company that has no such history and has made no such commitment attempt to take away our quality jobs and undermine our standard."

year and their numbers have kind of gone down a little bit," Geanakos said.

"Maybe near the end of the game if we can keep it close, maybe we have enough players to give some guys a break and have some more stamina to last through to the end of the game."

The Normans lost to Hawthorne, 42-35 last season in a game it led 35-27 in the fourth quarter.

Like each of Beverly Hills' previous five opponents this season, Hawthorne has more speed and size than the Normans (0-5), Geanakos said.

Geanakos said he hoped his players

have developed skills "to play someone that's faster and bigger."

"We've been working on those things to try to squeak out first downs, squeak out some more scores, get a win here somewhere," Geanakos said.

Norman coach Miranda LeBrun praised the play of Beverly Hills middle blockers Taylor Dubelko and Paris Rosen in the loss in the nonleague match at Beverly High Sept. 15.

"We had opportunities to play better and play up to a team that was a little bit

more experienced," LeBrun said. "The first couple (sets) we didn't do too well. In the third set we did improve our play ... but it was a little too late to turn it on."

What's Next?

The Normans are scheduled to play host to Culver City today and Lawndale Monday in Ocean League matches beginning at 3:15 p.m.

Norman freshman No. 1 singles player Hannah Kimura won both of her final sets 6-1 in a nonleague match Sept. 21 at Beverly High.

If you are considering bidding on this property
lien, you should understand that there are risks
involved in bidding at a trustee auction. You will
be bidding on a lien, not on the property itself.
Placing the highest bid at a trustee auction does
not automatically entitle you to free and clear
ownership of the property. You should also be
aware that the lien being auctioned off may be
a junior lien. If you are the highest bidder at
the auction, you are or may be responsible for
paying off all liens senior to the lien being auc-
tioned off, before you can receive clear title to
the property. You are encouraged to investigate
the existence, priority, and size of outstanding
liens that may exist on this property by contact-
ing the county recorder's office or a title insur-
ance company, either of which may charge you
a fee for this information. If you consult either
of these resources, you should be aware that
the same lender may hold more than one mort-
gage or deed of trust on the property. NOTICE
TO PROPERTY OWNER: The sale date shown
on this notice of sale may be postponed one
or more times by the mortgagee, beneficiary,
trustee, or a court, pursuant to Section 2924g
of the California Civil Code. The law requires that
information about trustee sale postponements
be made available to you and to the public, as a
courtesy to those not present at the sale. If you
wish to learn whether your sale date has been

NOTICE OF PETITION TO ADMINISTER ESTATE OF HARRY B. SWERDLOW
Case No. 16STPB04207

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of HARRY B. SWERDLOW

A PETITION FOR PROBATE has been filed by Edith L. Swerdlow in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Edith L. Swerdlow be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Oct. 20, 2016 at 8:30 AM in Dept. No. 29 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of FRANK FICSOR.

A PETITION FOR PROBATE has been filed by ZOLTAN FICSOR in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that GABOR SZABO, ESQ. be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 10/24/16 at 8:30AM in Dept. 99 located at 111 N. HILL ST., LOS ANGELES, CA 90012

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate

the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 714-730-2727 or visit this Internet Web site www.ndscorp.com/sales, using the file number assigned to this case 15-20225-SP-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale.
