Courier coverage of Barry Brucker

There is nothing subtle about the *Courier's* political agenda: anti-Wanda, pro-Hilton. The massive advertising dollars paid by the Hilton to the *Courier*, the never ending op-eds, and the "news" columns supporting the Hilton and condemning the Wanda project were rampant. But when the power of the press becomes an instrument for personal humiliation and hateful ad hominem attacks, it deserves to be held accountable, and be condemned.

[Former Mayor] Barry Brucker has been a dedicated citizen. For years he served in multiple capacities to benefit our community. I have disagreed with him on many occasions, but never doubted his values or this ethics, as has the *Courier's* hit piece in its 11/25/16 edition which also attacked City Attorney Larry Wiener who has the very difficult job of appeasing very large personalities. While he and I have also had disagreements in the past, I have always found him conscientious and always striving to serve to the best of his ability.

The Nov. 25 hit piece was neither the first,

nor the most egregious of the *Courier's* ad hominem attacks on [Mayor] John Mirisch who dared to oppose the Hilton. First the *Courier* resurrected his dated marital dissolution as if that had anything to do with anything, other than to attempt to embarrass him, and undermine his opposition to the Hilton project, and then the *Courier* published his expense record as a Councilperson, but not that of any other Councilpersons to imply that it was suspect, but never claimed that it violated anything, much less any law.

The *Courier's* yellow journalism now attacked Barry Brucker, just because he dared to support the Wanda project. Not being satisfied with simply being critical, the *Courier* unjustly accused Brucker of unethical conduct and accused City Attorney Larry Wiener of being complicit. This deceitful attack is entirely premised on the alleged violation of BHMC 1-9-203B, namely that the current Wanda project was not new, but supposedly the one that Brucker voted upon years earlier. In order to support the position, the *Courier* distorted applicable law beyond recognition, the very law upon which presumptively Larry Wiener relied.

The *Courier's* dishonestly conflated the purpose behind two very different laws; corruption laws and laws protecting the public from environmental hazards (EPA). Remarkably the Hilton attempted to escape all EPA accountability, while Wanda sub-

jected itself to full accountability, by submitting to the process. By doing so, the Courier premised its entire hit piece on the false distinction between “new” and “supplemental” Environmental Impact Reports – a very nuanced and complicated EPA issue which the Court in City of Irvine v. County of Orange (2015) 238 Cal.App.4th 526, 538-40 addressed, and which lays bare the Courier’s self-serving prejudice.

In contrast to the purpose of the EPA, the purpose of BHMC 1-9-203B is to prevent corruption, the use of insider information for profit and to avoid any appearance of undue influence on City Officials. None of the facts even remotely apply. Brucker had no relationship with Wanda when he

cast votes years earlier. Wanda had never been involved when Brucker held office. Wanda’s involvement came only after the intercession of a bankruptcy, multiple changes of ownership, and the introduction of a brand new concept, namely a hotel, which was absent when Brucker cast his votes. This clearly exempts Brucker from criticism under BHMC 1-9-203B and fits neatly within the distinctions addressed in the Irvine Court discussion.

The Courier’s Tammany Hall reference is best directed (as is addressed in its footnote) at the stink generated by all former Councilpersons who use their former public service for their personal profit.

City Council approves second reading of Wanda’s “One Beverly Hills”

The City Council voted Tuesday to approve the second reading of the development agreement between the City and the Wanda Group for the construction of “One Beverly Hills.” The agreement was approved by a 4-1 vote. Vice Mayor Nancy Krasne dissented.

Opponents of the “One Beverly Hills” project have 30 days from the second reading, on Nov. 29, to circulate a petition of which they wish to force the issue to a referendum.

WeHo moves municipal elections to November beginning in 2020

In a move that could be replicated by the Beverly Hills City Council, West Hollywood will change its municipal election date from March of odd years to November of even years beginning in November 2020.

In August, the West Hollywood City Council voted to move its elections to coincide with state and national elections. The L.A. County Board of Supervisors approved the move at its meeting on Nov. 15.

The change is mandated by state law, SB415, requiring cities and counties with a low voter turnout to reschedule their municipal elections to coincide with general elections, where voter turnout is usually higher.

The candidates elected to the West Hollywood City Council on March 7, 2017 will have their terms reduced by four months.

WeHo Councilmember John Duran voted against the move to 2020, arguing that candidates for the West Hollywood City Council would be lost on a ballot that includes state offices and various ballot initiatives, according to *WEHoville*.

The Beverly Hills City Council and the BHUSD Board of Education have not yet voted on consolidating their elections with general elections in November 2020. It has also not been determined if the voter turnout for their municipal elections is low enough

for it to be mandated by the new state law.

Beverly Hills held its council election in April of even years up until 1994. When the statewide primary date was changed to March for 1996, the Council extended their terms to switch to March of odd years.

The statewide primary has since returned to June.

NOTICE OF PUBLIC HEARING

HEARING DATE: Thursday, December 8, 2016
TIME: 1:30 PM, or as soon thereafter as the matter may be heard
LOCATION: Commission Meeting Room 280-A
Beverly Hills City Hall (2nd Floor)
455 North Rexford Drive
Beverly Hills, CA 90210

The Planning Commission of the City of Beverly Hills, at its REGULAR meeting on Thursday, December 8, 2016, will hold a public hearing beginning at 1:30 PM, or as soon thereafter as the matter may be heard, to consider a request to amend a resolution that allows a new restaurant with a 100% valet-operated alternative parking facility to be constructed and operate with open air dining and extended hours on the commercial property located at **250-260 North Canon Drive**.

The Planning Commission previously considered the proposed project at meetings on September 19, 2016 and September 26, 2016. The Commission approved a Conditional Use Permit, Open Air Dining Permit, and Extended Hours Permit for the proposed project, contingent upon City Council approval of a Zone Text Amendment to allow alternative parking facilities to provide required parking in commercial zones as a pilot program.

The City Council made changes to the proposed Zone Text Amendment in public hearings on November 1, 2016 and November 15, 2016, before adopting the Ordinance on November 21, 2016. The changes made by the City Council require additional and revised conditions to be placed on the project’s Conditional Use Permit regarding employee parking, valet drop-off spaces, and City review of parking reductions and operations.

Therefore, the Planning Commission will consider approval of an amended Conditional Use Permit, Open Air Dining Permit, and Extended Hours Permit that includes the revised conditions necessary to comply with the Zone Text Amendment approved by the City Council. The proposed project at 250-260 North Canon Drive requires the following entitlements:

Conditional Use Permit. The proposed project includes a request for a Conditional Use Permit to allow the use of automobile elevators, mechanical parking lifts, and aisle parking to accommodate 102 code-required parking spaces for the new restaurant and existing office building on the subject property. The 100% valet-operated parking would be provided in three subterranean levels accessed from the alley.

Open Air Dining Permit. The proposed restaurant requires a permit for 6,257 square feet of open air dining (216 seats) on private property. The majority of this area (5,342 square feet) would be within the building that would have operable window systems on all three floors and a retractable roof. A smaller portion of this area (915 square feet) would be located in a ground-level courtyard with walls on four sides and no roof.

Extended Hours Permit. The proposed restaurant requires an Extended Hours Permit in order to receive patrons after 10 PM. The requested hours would allow the restaurant to receive patrons until 1:00 AM daily and to operate until 1:30 AM daily.

This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. The project appears to qualify for a Class 32 Categorical Exemption pursuant to Section 15332 of the State CEQA Guidelines for in-fill development projects. The Planning Commission will consider finding that the project will not have a significant environmental impact and is exempt from the provisions of CEQA.

Any interested person may attend the meeting and be heard or present written comments to the Commission. Please note that any communication received by the City becomes part of the public record.

According to Government Code Section 65009, if you challenge the Commission’s action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Emily Gable, Assistant Planner** in the Planning Division at (310) 285-1192, or by email at egable@beverlyhills.org. Copies of the project plans and associated application materials are on file in the Community Development Department, and can be reviewed by any interested person at 455 North Rexford Drive, Beverly Hills, CA 90210.

Sincerely,
Emily Gable, Assistant Planner

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Council of the City of Beverly Hills, at its meeting to be held on **Tuesday, December 6, 2016 at 7:00 p.m.**, or as soon thereafter as the matter may be heard, in the Council Chamber of the City Hall, 455 N. Rexford Drive, Beverly Hills, CA 90210, will hold a public hearing to consider:

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS AMENDING THE BEVERLY HILLS MUNICIPAL CODE TO ALLOW THE CONSTRUCTION OF DECKS THAT COVER PORTIONS OF DRIVEWAYS THAT LEAD TO SUBTERRANEAN PARKING TO BE LOCATED IN REQUIRED SIDE YARDS, STREET SIDE YARDS, PAD EDGE SETBACKS, AND REAR YARDS AT SINGLE-FAMILY RESIDENCES

Adoption of the Ordinance would amend portions of the Beverly Hills Municipal Code (BHMC) §10-3-2509 (Permissible Encroachments in Side Yards, Street Side Yards, Pad Edge Setbacks, and Rear Yards) to allow decks located at finished first floor level that cover portions of driveways that lead to subterranean parking as permissible encroachments in required side yards, street side yards, pad edge setbacks, and rear yards in the Hillside Area of the City. Said decks are currently allowed as permissible encroachments in the Central Area of the City. Additionally, BHMC §10-3-2409 (Permissible Encroachments in Side Yards, Street Side Yards, and Rear Yards) would be amended to ensure consistency between the regulations in the Central and Hillside Areas of the City. Lastly, the Floor Area definition applicable to a single-family residential zone in BHMC §10-3-100 would be clarified to expressly exempt the subterranean space created below the proposed decks from counting as floor area.

The City previously issued a public notice regarding the Planning Commission's consideration of the Zone Text Amendment. At its August 25, 2016 meeting, the Planning Commission adopted a resolution recommending that the City Council approve the requested Zone Text Amendment. At the City Council hearing on December 6, 2016, the Council will consider introducing the Ordinance. The City Council may adopt the Ordinance at a subsequent hearing, and the Ordinance would take effect on the 31st day thereafter.

The Zone Text Amendment has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 et seq.), and the environmental regulations of the City. The Amendment appears to qualify for a Class 3 Categorical Exemption pursuant to Section 15303 (New Construction or Conversion of Small Structures) and a Class 5 Categorical Exemption pursuant to Section 15305 (Minor Alterations in Land Use Limitations). The proposed zone text amendment would allow decks located at the finished first floor level of a single-family home that cover portions of driveways that lead to subterranean parking as a permissible encroachment in a required side yard, street side yard, pad edge setback, and rear yard in the Hillside Area of the City. The City Council will consider finding that the Amendment will not have a significant environmental impact and is exempt from the provisions of CEQA.

At the public hearing, the City Council will hear and consider all comments. All interested persons are invited to attend and speak on this matter. Written comments may also be submitted and should be addressed to the City Council, c/o City Clerk, 455 N. Rexford Drive, Beverly Hills, CA 90210. The comments should be received prior to the hearing date. Please note that any communication received by the City becomes part of the public record.

Please note that if you challenge the Council's action in regards to this matter in court, you may be limited to raising only those issues you or someone else raised at a public hearing described in this notice, or in written correspondence delivered to the City, either at or prior to the public hearing.

If there are any questions regarding this notice, please contact **Cynthia de la Torre, Assistant Planner** in the Beverly Hills Community Development Department, Planning Division, at (310) 285-1195, or by email at cdelatorre@beverlyhills.org. Local drive leads to lifesaving stem cell transplant

Natalie Sedghi Anvar was inspired to sign up community members for Gift of Life, a bone marrow and blood stem cell registry, after a family member was diagnosed with Leukemia and received a lifesaving stem cell transplant from an international donor.

Anvar, a 2001 Beverly High graduate,

organized a drive at Sinai Temple by reaching out to friends and family via email and Facebook.

Personal injury lawyer David Azizi, and his wife Rosalin, did not hesitate to register after learning about the drive.

About eight months later, Azizi got a call saying he was a match for someone in need of a stem cell transplant. He donated stem cells at the City of Hope last week in hopes of helping save the individual's life.

"It's really easy to organize these things," Anvar said. "The fact that it yielded something so incredible and people are willing to come out and help is really remarkable."

Five days prior to the donation, Azizi participated in a series of two injections per day to help increase his white blood stem cell count. The peripheral blood stem cell donation process itself took about four to six hours. Azizi told *the Weekly*, after it was over he got up and drove himself to work the same day.

"The process was relatively easy," Azizi said. "People feel like it's a big deal, [but] I honestly think if more people participated in the process and did a swab, there would be a lot more lives saved."

Azizi, a 1991 Beverly High grad, described the process as simple.

After one year, donors can meet their recipients if both parties agree.

"This may be a life changing event [for someone]," Azizi said. "Even though [I] don't know who I am donating to, it's another person. It's a human being. They deserve this chance. I feel honored to have been a match."

What's Next?

The Normans are scheduled to begin play in the 76th annual Beverly Hills High School Basketball Tournament Monday at 2 p.m. against Hamilton.

If Beverly Hills wins, it would play Wednesday at 3:30 p.m. against the winner of the El Camino Real-Leuzinger first-round game in a championship quarterfinal, while a loss would relegate it to a consolation quarterfinal at 8 p.m. Tuesday against the El Camino Real loser.

The tournament continues through Dec. 10.

CHORAL CONNOISSEUR

Beverly Hills' Music Man Nick Strimple celebrates his 70th birthday

By Madelyn Pariser

You've been the Los Angeles Zimriyah Chorale Music Director since 1998. The 19th annual Adat Ari El choral concert is honoring you on your 70th birthday. What does that feel like?

It was quite a surprise. It feels wonderful. I'm really honored. I think it's a validation of my work and I also think it's a validation of the values I try to live by.

There's a lot of responsibility that goes into something like this. I feel that, as grateful as I am to them for doing this, I can't stop and I have to keep plowing ahead and doing whatever I can to help.

The program is comprised of mostly music that I have written for the Jewish community. For instance, [there is] one piece on the program, "Hine Ma Tov" Psalm 133, I [originally] wrote for the Beverly Hills Presbyterian Church, but the Jewish community internationally has taken it on too. I suspect it's performed more frequently by Jewish choirs around the world than it is by other choirs.

In the process of putting the program together, I discovered that over the last 18 years I have actually written more music for the Jewish community than could fit [in] one concert. I was the music director at Beverly Hills Presbyterian for 35 years, and I wrote about two pieces a year for the Church, but I didn't realize how much I was writing for the Jewish community.

Tell us about working with the Beverly High Minnesingers in anticipation of the show?

We have a long relationship with the music program at Beverly High. My children graduated from Beverly High and my son [David Strimple] sang in the Madrigal Singers.

[The late Beverly High Choral Director] Joel Pressman and I were old friends from our days at USC. One of the pieces that we're doing was commissioned by the London Youth Choir, and it requires a separate youth choir. I asked [Beverly High Vocal Director] Stacey Kikkawa if the [Minnesingers] could do it because of my connection with them.

Stacey is one of the best high school choral directors in Southern California. Beverly High couldn't have found a better person to [continue] the tradition of excellence established by Joel.

We're very excited about their participation.

You're internationally recognized for your work with music related to the Holocaust. Tell us about that.

I was sort of drug into this area by representatives of the Czech government in 1985. Initially, I didn't really know what I was getting into and I was a little reluctant to do it. I programmed the music from the Theresienstadt Concentration camp [for] two concerts in Beverly Hills.

That created a whole new career

because survivors started contacting me and they wanted to share their experiences.

I was just learning the topic myself, nobody else was doing it. Now, I teach two classes on it at USC. [It] was the first university to put in classes dealing specifically with music related to the Holocaust.

You teach Sacred Music at USC.

What is unique about sacred music?

The program at USC is unique because it's a graduate program. Students can focus on either Christian music or Jewish music, some of the courses are taught together. [I teach] a course called "Music of the Great Liturgies," which is an examination of the Jewish liturgies and the various Christian liturgies and how they are similar and different.

We are the only university in the United States, I'm aware of, that is a non sectarian university that offers this kind of degree program.

There's something about the use of music when people are trying to approach god that fascinates me, and I think is very important.

How has teaching choral music changed over the years?

In the United States over the last 30 years, there has been a gradual move away from focusing on the classical repertoire, or what is sometimes referred to as Eurocentric repertoire.

The focus is now on music produced all over the world. There is a big push to study music from the Pacific Rim, countries like Japan, Korea and the Philippines. That's very interesting music because it's a combination of elements. The concept of a choir that stands together and performs was brought to these countries from Europe.

I think what separates the United States, in terms of choral music education, from Europe is this combination of emphasis on new music from the Pacific Rim combined with a continued study of Beethoven and Bach and Brahms.

Your wife, Toni Staser, was a long-time El Rodeo music teacher and administrator for the BHUSD. How has she influenced your career?

She's been very supportive. That's the biggest thing. Toni and our kids have been very supportive of what I do, especially the very strange turns of my career. Nobody expected me to get involved with the Holocaust and then with Jewish music on a bigger scale. It just happened.

I'm really glad it did.

At the time I started working with Holocaust [music], I was doing a lot of work in the entertainment industry writing film scores and working as an arranger. I pretty much gave that up when I started really getting involved with the Holocaust music. Even though working with Holocaust [music] is not as lucrative as arranging for Rod Stewart, [my] family still supported me, especially Toni.

"Toni and our kids have been very supportive of what I do, especially the very strange turns of my career. Nobody expected me to get involved with the Holocaust and then with Jewish music on a bigger scale. It just happened. I'm really glad it did."

As the former music director

of Beverly Hills Presbyterian Choral Director, what impact do you hope your music has had on the Beverly Hills community?

In terms of the churches, I know that I've been gone from Beverly Hills Presbyterian for about three and a half years, and they're still performing my music. I still get occasional emails from people at the church saying one of my pieces was done that morning and they were happy about that. My impact on music in Beverly Hills was probably limited to the church.

Toni had a much broader impact, in terms of the community, because of her positions at the schools. I've always thought of Toni as a kind of legend in Beverly Hills.

How do you describe Beverly Hills to people outside the City?

I tell them we've enjoyed our lives in Beverly Hills, or in close proximity to it, and it was a great place to raise our children.

Strimple's concert will be held at Adat Ari El synagogue on Dec. 9 at 8:15 p.m. The event is free and open to the public. Visit: adatariel.org.

NOTICE OF PETITION TO ADMINISTER ESTATE OF:

WENDY J. MOSS AKA WENDY J. SOKOL CASE NO. 16STPB05849

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of WENDY J. MOSS AKA WENDY J. SOKOL.

A PETITION FOR PROBATE has been filed by MARK ZAVIDOW in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that MARK ZAVIDOW be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's WILL and codicils, if any, be admitted to probate. The WILL and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act with limited authority. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 12/13/16 at 8:30AM in Dept. 79 located at 111 N. HILL ST., LOS ANGELES, CA 90012

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state

your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are

or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 888-988-6736 for information regarding the trustee's sale or visit this Internet Web site <http://www.qualityloan.com> , using the file number assigned to this foreclosure by the Trustee: CA-16-736937-BF . Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (714) 730-2727 for information regarding the trustee's sale or visit this Internet Web site -www.servicelinkASAP.com- for information regarding the sale of this property, using the file number assigned to this case: 128230. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. A-FN4598372 11/24/2016, 12/01/2016, 12/08/2016

NOTICE OF PETITION TO ADMINISTER ESTATE OF HERMAN ISTRIN

Case No. 16STPB06138

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of HERMAN ISTRIN

A PETITION FOR PROBATE has been filed by Marta Istrin in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Marta Istrin be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's lost will and codicils, if any, be admitted to probate. Copies of the lost will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on January 3, 2017 at 8:30 AM in Dept. No. 99 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
