## Planning commission approves 42 in-lieu parking spaces for the Palm Restaurant

The Planning Commission approved 42 in-lieu parking spaces on Feb. 27 for the Palm Restaurant with a 5 – 0 vote.

The restaurant will be located at 267 Canon Drive. Previously, the space was used for retail, where one parking space was required per 350 square feet.

The Palm Restaurant is converting the retail use to approximately 1,876 square feet of dining and bar use, with the remaining space used for restaurant operations, such as kitchen space, storage and restrooms. The building use change requires additional parking spaces.

The applicant is unable to provide on-site parking for 42 spaces. To meet the municipal code requirements of one parking space per 45 square feet, the restaurant proposed 12 on-site parking spaces, with the other 30 parking spaces to be available in four nearby offsite parking facilities that are within walking distance to the restaurant.

City staff analyzed current city data for parking availability and concluded that approximately 250 to 300 parking spaces are available in nearby parking structures. According to city staff, the available park-

ing spaces are sufficient to accommodate the additional 30 offsite parking spaces for the restaurant.

Senior Planner Ryan Gohlich said that the City has a priority list of who should be served by the City's parking facilities.

"The top priority is to serve retail, restaurant [and] other type uses of the City," Gohlich said.

The next priority would be monthly parking passes the City issues to business for employee parking, and third on the priority list would be vehicle inventory storage for auto dealerships. These parking space leases are encouraged to maximize parking space usage.

"The goal is to provide parking that serves the retail and restaurant uses in the [area]," Gohlich said. "In the event that we reach [full parking] capacity, the first [parking spaces] we would look at relocating or terminating leases [for] would be the vehicle [inventory] storage, and then we would go up from there."

Palm Restaurant representative Hamid Gabbay said that because of restaurant design the needed parking spaces might go down to 41 instead of 42.

"It is a lot smaller than the restaurant in West Hollywood, but [on] the other hand it is a little bit more efficient in terms of spacing goes," Gabbay said. "[Palm Restaurant is] actually having smaller spaces overall because retail space to rent has become very expensive, but they wanted to have a flagship restaurant in Beverly Hills."

The approval included that the resolution

## City Council ignores BHUSD attorneys, approves 9900 Wilshire demolition

9900 Wilshire project rendering

The City Council approved the demolition of the former Robinsons-May building at 9900 Wilshire project for a new multi-use project with a 4 – 1 vote on Tuesday.

Councilmember Julian Gold, Nancy Krasne and Willie Brien and Vice Mayor Lili Bosse voted for the approval with Mayor John Mirisch against.

The 9900 Wilshire project was approved at the April 9th, 2008 City Council meeting to demolish the previous Robinsons-May department store and associated parking structure and be replaced by a mixed-use project. Conditions for the project included demolition to occur during the summer when the nearby El Rodeo School is out of session.

Stegeman and Kastner was jointly selected by the BHUSD and the City to oversee the construction management plan for the 9900 Wilshire project.

On Tuesday at approximately 3:30 p.m., an e-mail was sent by the District's attorney to Mirisch and the City Manager Jeff Kolin, which said, "The district board had considered, but has not yet approved, Stegeman and Kastner, Inc. to provide construction management plans for the 9900 Wilshire project."

"We request that you remove this item from your agenda this evening," Mirisch read to the City Council, who did not receive the e-mail.

The e-mail did not state the reasons why the school district is opposed to approving Stegeman and Kastner.

Community Development Director Susan Healy Keene said that demolition will take up to 50 days, which would take up most of the summer while El Rodeo is not in session. According to Kolin, the upcoming summer is an ideal time since El Rodeo is undergoing a sewer line improvement project and no students will be present on the campus, whereas plans are uncertain for next year.

According to Keene, the District is waiting to receive seismic reports for the project, and that information will not be available until, at the earliest, the end of March.

"The challenge here is there's about eight weeks of mitigation work that needs to happen before demolition occurs," Keene said. "The [demolition time] window begins to close."

According to Keene, Superintendent Gary Woods was notified that Stegeman and Kastner was selected on December 12, and went to the Board of Education on Jan. 21. If the district does not agree with the City on a coordinator within a 14-day calendar period, the director of community development will

have the authority to select a coordinator.

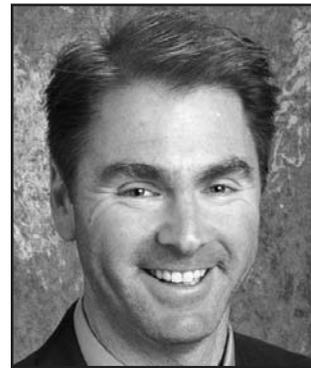

"This is where I'm having a challenge: Wait until 3:30 on the day of the meeting, and then you say, 'I don't want this to go forward, we're exercising a right that expired a month and a half ago or a month ago,'" Brien said. "It's really not fair to the developer unless they're willing to waive this requirement that demolition has to occur when school is out of session. If there's some legitimate reason that they have we can certainly come back as a council in our own emergency session, but I think that this is not right to do."

Mirisch said that the results of a seismic report would be relevant for construction mitigation and there would be different mitigation if there is a fault line at the location.

"I would like to be able to ask why do they have an issue with it," Mirisch said. "There may be a reason why they didn't send us a letter until now. Considering they're our partners I personally can't move forward with this right now without knowing more."

The contracted services will be in the amount of \$717,647 and will be paid for by the developer. Services will last until June 30, 2016. The BHUSD will have a week to hold an emergency meeting to give a response or additional immediate objections to the project.

## Painter takes the helm at El Rodeo

Kevin Painter

Kevin Painter began his first day as interim El Rodeo Principal on Monday.

"[El Rodeo] is a great school, it's a great community, [has] great families, [has a] great PTA, and ultimately we have great kids," Painter said. "I'm going into this with the mindset that I'm going to be the next permanent principal."

Painter plans to bring in programs to enhance the school curriculum and learning environment at El Rodeo.

"We've steadily gone down a couple points every year to the point where we're under 900 API," Painter said. "We have the lowest score of all the K-8. Relatively speaking, we're still a high performing school, but I think we have the ability to turn that around."

Painter said that early intervention will be able to help students in targeted instruction for areas that they are struggling in. Painter is also planning to bring in an accelerated reader program in the next few weeks, which the other schools already have.

"I feel like I have the necessary skills to take El Rodeo in the right direction," Painter said. "I'm not going to turn things around in three months, but I can start the conversation and try to bring a couple of new programs that will definitely affect the kids directly. At the end of the day if I can say that the decisions I'm making are student-based in the best interest of one, ten or 700 students here at El Rodeo I think I can go home each night feeling satisfied."

Painter served as assistant principal at El

Rodeo for seven years. His wife, Gabi Landau Painter, is a second grade teacher at Beverly Vista, and he has two children attending Beverly Vista; Isabela who is nine and is a third grader at Beverly Vista, and Jesse, who is six and is in kindergarten.

## Meet the upcoming 2014 – 2015 PTA Presidents

### Lorraine Eastman – Hawthorne

Lorraine Eastman

Lorraine Eastman joined Hawthorne's PTA seven years ago with this current school year as her fourth year as co-president. Before becoming president, she was able to use her business expertise from her flower and gift basket business, Fraiche Gifts, by serving on the PTA board and revising Hawthorne's PTA spending.

"Our biggest goal is making sure that our teachers have everything that they need to teach and to engage our students," Eastman said. "The main thing is really making our teachers happy and allowing them to have all the tools necessary to do that. We always want to provide for them."

Eastman has three children. Two attend Hawthorne School: Adina, 7, in the first grade and Shayna, 11, in the fifth grade. Her eldest son, Brendan, is 15 years old and is a freshman at Beverly High.

### Tara Cucci – Hawthorne

Tara Cucci

Tara Cucci moved to Beverly Hills in 2002. She has two daughters: Emma Gregory is 18 and is in her first year at college, and Hayden Cucci is six, and is a first grader at Hawthorne.

Cucci was a

member of the PTA while her daughter Emma was attending Hawthorne, and became co-president "the second time around PTA" this current school year while Hayden is attending Hawthorne. Cucci will continue as co-president for the 2014 – 2015 school year.

According to Cucci, her favorite project at Hawthorne so far are the gardens that the kindergarten, elementary, and middle school students work on. Parent volunteers teach garden lessons related to the common core curriculum, and the middle school students have a garden club. The students take care of the radishes, carrots, and lettuces, and in a few weeks, get to plant strawberries.

This year also marks Hawthorne's centennial celebration.

"I've been doing some research for our centennial, and it's really funny reading the articles because [the PTA is] still doing the same thing [a hundred years ago]," Cucci said. "Even way back when, parents, teachers, and everybody obviously were all needed to make a good school district."

Cucci said that the upcoming Hawthorne Centennial celebration will be held in conjunction with the Spirit Day Carnival in October. She has been working with the City's archivist to find old photos and articles in preparation for the Centennial celebration.

### Glenna Baron – Beverly Vista

Glenna Baron

Glenna Baron first got involved in Beverly Vista's PTA board by being on the community service committee. Baron herself has volunteered through the Cedars Sinai Pediatrics volunteer program, the annual Feed the Hungry event at Beverly Vista, and PATH, People Assisting the Homeless. She is currently a part-time, special education preschool classroom instructional assistant at Beverly Vista, and is also Beverly Vista's PTA co-president. The next school year will be her first year as PTA president.

"My goal is to keep increasing parent involvement and membership in the PTA and to continue building a sense of community

within the school and with the parents," Baron said. "I'm excited about working with the different schools and helping continue to build Beverly Vista's parent involvement."

Baron has two boys attending Beverly Vista: Benji is 12 and is in the sixth grade, and Evan is nine and is in the third grade. This is also her third year as Beverly Hills Pack 100 Cub Scout's Den Leader.

Other PTA presidents will be profiled in future weeks.

### BHUSD hires general counsel on four-month trial basis

The Board of Education voted unanimously to hire Vincent Ewing from Alvarez-Glasman and Colvin Attorneys at Law on a four-month trial basis for general counsel services.

"[Ewing] has expertise in special ed[ucation], personnel matters, the education codes, municipal codes, and understands how cities operate," Superintendent Gary Woods told Board members at the meeting on Feb. 25. "He also has experience reviewing legal bills, and one of our reasons for looking at general counsel at the district level is to help coordinate, organize and really hold our legal

bills to a critical eye."

By having a four-month trial contract, the district will be able to evaluate if the position is effective for the district, with cost taken into consideration.

Contract details show \$8,550 retained for the first 60 hours of general service per month. Non-litigation services outside of general legal services will be billed at \$185 an hour, and special legal services will be billed at \$195 an hour.

"This is not just another attorney," Board member Howard Goldstein said. "It's somebody that's going to help our superintendent be relieved of coordinating counsel of trying to review billings. This is the first positive step I've seen in freeing Dr. Woods to give him the opportunity to work with district staff to actually get a handle on what's going on from an education standpoint."

According to Woods, the general counsel will be physically available to the Board in open and closed sessions, and he will be able to confer with other attorneys in his law firm for further advice.

"We seem to be a district that often requires some special components in terms of our

The Board of Education voted unanimously to hire a general counsel position for BHUSD on August 27, 2013. In January, Donald Davis was chosen for the position but was not hired due to confidential personnel discussions held in closed session and contractual budgetary matters.

"[The current general counsel contract] is at a significantly less cost than we had attempted," Woods said. "This could be almost half the cost if it goes long-term than what we were proposing."

She told students how she handled her disappointment and how she handled the media coverage. money itself is important in terms of what people want to happen and how they want to see things continue, so the question becomes how is it being spent?"

The COC oversees bond proceeds, expenditures and audits associated with the Measure E fund and needs a minimum of seven members.

Fred Fenster resigned from the COC due to his law firm representing the school, and Fran Cohen resigned due to work schedule conflicts.

"It is not only recommended but also required under law," Board member Howard Goldstein said. "We must look to the Citizens' Oversight Committee if we are to explain to

this community why we need to have a replacement bond."

According to Clark, there is consideration for extending the bond funds by drawing down more funds. The amount of money that was passed by the voters is available for issuance, but needs to be taken out.

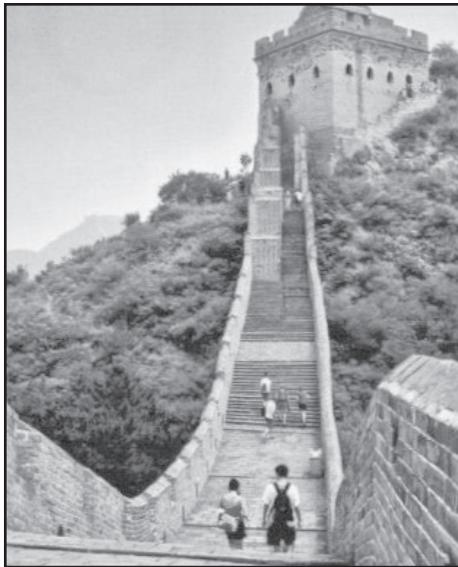

Current members are Bradley Gibbons, Chris Kiper, Craig Davis, Jerid Maybaum, Joe Safier, Mathew Mokhtarzadeh, Shirley Zaragoza, Steve Hendry and Woody Clark.

The district is seeking applicants for voluntary two-year positions for a taxpayers' organization member, a business organization member, a senior citizens' organization member, an at-large member, a parent or guardian member, a parent or guardian/PTA member,

an individual with a construction background and an individual with a finance background.

### BHHS girls' lacrosse team loses season opener

The Beverly High girls' lacrosse team opened its season by losing to Peninsula, 18-6, Tuesday in a nonleague game at Beverly High.

Natasha Kashani had four goals and two assists for the Normans. NairobiHilaire Seabrooks had a goal and an assist and fellow Beverly Hills junior Olivia Rehbindler also scored.

Norman goaltender Inbar Avrahami made 25 saves.

Montana McIntyre and Seabrooks drew praise from Beverly Hills coach Kate Marks for their play in their varsity debuts.

The Normans trailed 12-5 at halftime. "We were not prepared to play that game," Marks said. "We made Peninsula look very good."

Marks said the loss was the result of a lack of a feeder program.

"We expect our teams to fare well against schools that have middle school programs," Marks said.

"It's pretty crazy to expect us to compete against girls who have been playing since grade 6 or 7 or even 8. How do we stand a chance when our girls literally just picked up a stick in November?"

Beverly Hills had been scheduled to open its season Saturday in the Rose Bowl Tournament, which was canceled because of rain.

## STANDING ROOM ONLY CROWD SUPPORTS PAYSINGER

Steven Fenton calls for Lewis Hall's resignation

By Nancy Yeang

A standing crowd appeared at Tuesday's Board of Education meeting to support Beverly High Principal Carter Paysinger.

"We are not here to criticize [the Board]," former BHEF President Jonathan Prince said. "We are here to voice our support and to praise the Principal of our city's only high school, Carter Paysinger."

Prince highlighted Paysinger's achievements as principal over his past three years at Beverly High.

According to Prince, Paysinger has delivered the three highest Academic Performance Index statewide test scores in Beverly High's history, also averaging the highest API score, 868, while previous principals delivered scores averaging 829, 823, and 815.

Despite cuts to the arts program, the-

atre arts, choral music, and instrumental music departments continue to provide a platform for students to practice their talent, and perfect their craft, who later become professionals.

According to Prince, nearly 40 percent of Beverly High students engage in some

type of athletic activity.

"He has done all of this with steep declines in student population and with extremely limited budgets," Prince said.

"As well as, in the last year, under the onerous burden of political threats, legal maneuverings, leaks of private information of the LA Times, he has shown, what Hemingway would have called, 'extreme grace under pressure.'"

Last week, former Board of Education member Steven Fenton handed a declaration to current Board members at the Feb. 25 meeting saying they were not the leak. The draft report summarizes a review conducted in August 2013 on Beverly Hills Sports Academy's camp operations when Paysinger and two other coaches started the camp approximately 15 years ago.

"Somebody broke the law by disclos-

declaration and he's the only one who didn't vote to approve the investigation into who leaked that information. In my opinion, we can only draw one logical conclusion to these facts."

Board members are required to fill out a Statement of Economic Interests form, Form 700 that requires board members to disclose personal financial interests, which includes businesses and assets. If funds are being considered to be approved by the board, and if in any way the funds result to any personal gains to any members of the board, then the member must recuse himself/herself from the decision to not cause a conflict of interest.

Hall reportedly filed a form 700 that omits some of his business activities.

Hall did not return a phone call from the *Weekly*.

"In my opinion, 'fair' got thrown out the window months ago," Fenton said.

"Now it's about doing the right thing, and the right thing includes Lewis Hall resigning."

### Beverly High's fourth annual Edible Books Festival

Beverly High's fourth annual Edible Books Festival was held at Beverly High's Bosse Library to celebrate National Read Across America Day on Feb. 28.

"I struggled with something the kids could do at the high school level to celebrate reading and I came up on something that occurs at [a] University level, and that was the Edible book festival, but [it] had never been done at a high school level before," Librarian Karen Boyarsky said. "We tried it four years ago and we were overwhelmed with how creative the students were, and so we've been doing it every year."

Beverly High students and staff created edible bites related to different books. They competed individually or in groups of up to four people.

Nine winners for categories including, "Most Creative" and "Best Use of Food" were selected by this year's judges: Art teacher Melony Bronder, ASB student representative Isaac Spector, Culinary Arts teacher Rick Leece, English teacher Phil Chang and Foreign language teacher Corinne Carlson.

## LIFE INSURANCE OPPORTUNITIES SEMINAR FEATURING BARRY KAYE, CLU:

**HOW I TURNED \$1 MILLION A YEAR INTO \$35 MILLION FOR MY HEIRS WITH LIFE INSURANCE!**

Please join us on **March 18th** for an informational meeting to review the reasons wealthy people own life insurance, and the choices, options and plan designs that you should take advantage of.

**Our featured guest speaker, Barry Kaye, CLU**, insurance expert and author of 8 books on insurance and estate planning, spent his 47-year career helping some of America's wealthiest families save billions of tax dollars. At this meeting he will talk about how he expects to **turn \$1 million a year into \$35 million** for his best client. But hurry--seating is extremely limited and this is likely the last opportunity to hear Barry speak!

There are crucial changes in the new estate tax laws that impact high net worth individuals. Additionally, if you own \$500,000 or more of life insurance, your policy could be used to increase the value of your IRA or Pension up to 10 fold, create value for your favorite charities, or fund a Dynasty trust that benefits multiple generations of your family. You might also be able to sell your policy for more than its cash surrender value if you don't need or want it any longer!

Alan Kaye Insurance Agency, Inc. is a life insurance specialist and our goal is to help our clients grow and preserve wealth by delivering the best life insurance products to accomplish their planning goals. Properly planned and executed life insurance solutions may increase the value of your IRA's, retirement funds and annuities up to 20 times tax free for your heirs and charities, may reduce your estate tax costs up to 90%, and may reduce or eliminate premiums on your existing life insurance policies.

**Please join us on Tuesday, March 18th for a complimentary Life Insurance Opportunities Seminar and lunch – 12:00 noon, The Capital Grille (at the Beverly Center) 8614 Beverly Blvd., Los Angeles Please RSVP (310) 277-9400**

I look forward to meeting you then.

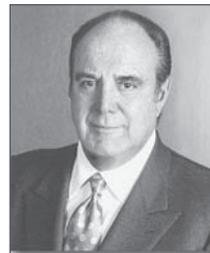

Sincerely,

Alan L. Kaye, CLU, ChFC

### I TURNED \$1,000,000 A YEAR INTO \$35 MILLION

That is a 25% yearly after tax return over 10 years based on government actuarial assumptions that a 80-year old woman will live for 9.6 years and an 85 year old man will live for 6 years, and a properly drawn irrevocable trust can allow the insurance to be both income and estate tax free.

Barry Kaye, CLU,  
Insurance planning  
expert and author of  
8 books including  
*Die Rich and How  
to Save a Fortune on  
Your Estate Taxes.*

*I'm Barry Kaye. Five years ago I retired and after 47 years in the business, I don't sell life insurance anymore! I am not licensed. I receive no commissions. But I still have great ideas and enthusiasm! Please call 310.277.9400 and join me on March 18 to hear more!*
