### “Beverly Hills Concours d’Elegance”

No wonder none of the ads appearing in many newspapers for this event mention the price. It’s \$120 in advance and \$145 at the event. The food consisting of tri-tip sliders, chicken kabobs, penne pasta, mac and cheese, Caprese salad, classic Caesar salad and grilled Italian vegetables along with bread pudding and fresh fruit kabobs is being provided by Industry Events of Lomita.

I know not what kind of food Industry Events serves but aren’t there plenty of great restaurants in Beverly Hills that could cater the event?

For those of you who want to go to a car show and do not want to spend the price of admission for the Beverly Hills one and are willing to leave our city and head south and are ok with not having food provided, Culver City has a car show on May 9th where the admission is free.

### Christiansen judgment soars to \$18 million

Los Angeles County Superior Court Judge J. Stephen Czuleger granted former BHUSD Facilities Director Karen Christiansen’s project management firm Strategic Concepts, LLC \$4.3 million in prejudgment interest last Friday, bringing the total judgment against the district to \$18 million.

Attorneys Philip Kaufler and Hillel Chodos, who represented Christiansen in her lawsuit against the district alleging wrongful termination, had requested \$4 million in prejudgment interest and \$5 million in attorneys’ fees.

“Years ago the school district could have settled this matter for a fraction of the \$18 million judgment they now face,” Kaufler said. “On top of that, they have spent more than \$5 million in legal fees, which is still climbing. I am surprised there is not more outrage by the taxpaying residents of Beverly Hills.”

Requiring better substantiation on the claims, Czuleger deferred making a decision on the legal fees to May 22.

The attorneys’ fees will cover the last five years of litigation in the civil case.

Christiansen’s project management firm was awarded \$13.7 million early March

after a Los Angeles Superior Court jury unanimously decided that the district had breached its contract with the company.

Kaufler and Chodos represented Christiansen in the criminal case pro-bono because she was destitute.

According to Kaufler, the court determined that the attorneys' fees request only applies to the civil case, not the criminal one.

## Victim to sue Goldberg

Attorney Robert Thomas Moore plans to file a lawsuit on behalf of the 18-year-old woman allegedly assaulted by BHUSD Board of Education President Brian Goldberg early March.

According to Moore, the lawsuit alleges that Goldberg pushed down the young woman following a verbal altercation in the Tower Drive condominium building where they both reside.

The Los Angeles County District Attorney's office recently dropped the charges against Goldberg.

"My understanding is the District Attorney has declined to prosecute the matter criminally," Moore said. "In spite of what Mr. Goldberg may have said, that does not mean he has been vindicated. All that means is that the DA has decided not to file a criminal action. That's good news for Mr. Goldberg but it doesn't mean that he's innocent."

Goldberg, who has denied the accusations against him, read a letter at the April 14th Board meeting blaming the incident on several community members, including BHPD Police Chief David Snowden, Beverly Hills Weekly publisher Josh Gross and former Board member Steven Fenton, among others.

Moore, who has not yet determined a filing date, said that the young woman is currently in treatment for some of the injuries that she sustained.

## Board remains divided over multiple issues

In a meeting that lasted until midnight, Board of Education members clashed over the BHUSD auditorium closures Tuesday night, among other things.

With Superintendent Gary Woods absent from the hearing, Chief Academic Officer Jennifer Tedford served as acting Superintendent.

A motion made by Board member Noah Margo to reconsider the Beverly High, El Rodeo and Hawthorne auditorium closures approved at the April 14th meeting failed with a 2-3 vote Tuesday night.

Margo and Board Vice President Howard Goldstein, both who objected to the shutting down of the auditoriums, invited the Board to reconsider its decision.

Following the auditorium closures, the Board had requested that a structural engineer draft a one-page letter explaining whether the buildings are safe enough for occupancy.

Brett Hobza, a Principal from DLR Group, referenced two, one-page letters prepared by structural engineering firm Saiful Bouquet at the meeting Tuesday night.

"The ceiling in the auditorium is highly

damageable if subjected to strong ground-shaking," Hobza said, reading from one of the letters.

In statements prepared for Beverly High and Hawthorne, DLR Group called the indefinite occupancy of the buildings "not prudent."

According to Hobza, Saiful Bouquet has not yet endorsed the auditorium closures.

Buresh's future with the district grew uncertain Tuesday night following the Board's 3-2 vote to engage Hazard Young & Attea to search for a new Facilities Director; Board members Lisa Korbatov and Lewis Hall dissented.

As of Tuesday night, the buildings will remain closed indefinitely.

All three auditoriums have withstood three major earthquakes in the last 80 years with little to no damage.

### Beverly High enrollment declining; faculty overstaffed

Beverly High enrollment projections depict a loss of 98 students for the upcoming 2015-2016 school year.

“We will continue to evaluate this next school year, and if the pattern continues, as we believe it will, we will bring a proposal to the [Board of Education],” said BHUSD Chief Administrative Officer La Tanya Kirk-Carter. “It is ultimately up to the Board if notices are sent or anything like that.”

The district missed the March 15 deadline for noticing faculty layoffs.

Enrollment numbers dropped from 2009 to 2011 due to the phasing out of opportunity permits.

According to Kirk-Carter, the over-staffed high school is costing the district \$1.8 million annually.

# Q & A

## Higginbotham reports from Baltimore

University of Baltimore Law Professor Michael Higginbotham, a 1975 Beverly High graduate, with a first-hand report on this week's riots

**Q: Tell us what you saw.**

**A:** What I witnessed on Saturday afternoon and evening was what had transpired for five days previously and that was peaceful demonstrations. There were peaceful protestors that were marching on the streets; I'd say about 1,000 protestors, marching peacefully on the streets with signs talking about their concern for Freddie Gray, who died in police custody several weeks ago. And that was the culmination of about six days of peaceful protests. And then on Saturday evening at about 6:30 p.m., some of those protestors, some of

the 1,000 protestors, marched to Oriole Park stadium, the baseball stadium, and I'd say it was maybe 100 or so protestors that marched to Oriole Park. The baseball game had a start time of 7:05 pm so it was about 30 minutes before the start time of the game and those protestors began to throw things at the police officers who were manning some of the gates at Oriole Park. And that was the beginning of the violence that has occurred over the last couple of days in Baltimore. There was very little property destruction [Tuesday] night and very few arrests. There have been over 200 arrests over the last two days, but [Tuesday] night there were only 10 arrests. Police dispersed a large crowd [Tuesday night] after the curfew with smoke canisters because they were out after the curfew and they refused to leave. You do see some cars getting burned and you do see some stores being looted; we had a senior citizen home building being built and it got burned down. Things are definitely quieting down, and that is good. There is no place for the violence and it really needs to stop right now. I do think that it's really important for people of good will to be concerned about the causes of the rioting and those causes are the same causes that existed in 1968 when Baltimore had its largest riot.

scored twice; and Abi Hakimi was three-for-three and scored three runs.

Savannah Delpino singled, scored twice and drove in a run for the Normans (6-7, 1-3 in league play). Emma Carruth and Maytal Sarafian both drove in a run for Beverly Hills. Aleks Recuperero and Carli Stein both scored twice for the Normans.

Costas (2-2) pitched a complete game, allowing four runs (three earned) and nine hits in five innings, striking out four and walking two.

Beverly Hills scored once in the first, five times in the second, twice in the third, three times in both the fourth and fifth innings. The Cardinals scored twice in the second and once each in the third and fifth.

## WHERE WERE YOU WHEN SAIGON FELL? April 30, 1975

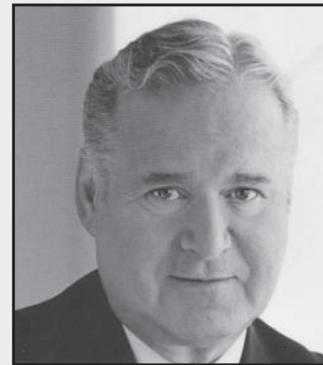

**IRA FRIEDMAN**  
FORMER TRAFFIC & PARKING COMMISSIONER

"I had taken the California Bar Examination in February and was anxiously awaiting the results which came out in May 1975. I was working at a small family-owned appliance store in Santa Monica at the time. I really did not give the fall of Saigon much thought as I thought when the United States started pulling its troops out of Vietnam it was a foregone conclusion that South Vietnam would not be able to survive on its own."

**LINDA BRISKMAN**  
FORMER MAYOR

"I remember the massive helicopter evacuation and thinking that all my guy friends from high school would at last be safe."

**ROBERT K. TANENBAUM**  
FORMER MAYOR

"I was in court [in Manhattan] involved in prosecuting self-proclaimed members of the Black Liberation Army who murdered, executed and assassinated two New York City officers and ultimately they were convicted after jury trial. The way we left Saigon was of course a terrible, unprofessional, and in my judgment, shabby, un-American way to leave anything. [The fall of Saigon] was a very dark day in the history of American decision-making with respect to foreign policy and with respect to not honoring a major commitment that we made."

**WILLIE BRIEN, M.D.**  
FORMER MAYOR

"I was a senior at Beverly Hills High School. I remember the scenes of helicopters evacuating Americans from Saigon. While I don't recall the details of the day, it was clear that the war was over and young Americans would no longer be fighting and dying abroad. Maybe a bit idealistic but many of us thought we would not see this type of war again in the future and we were all hopeful that a new dawn of politics would occur."

**MITCH DAWSON**  
FORMER PLANNING COMMISSIONER

"I was a young lawyer in a Beverly Hills law firm and I was representing a bank in Saigon that may have even been Bank of Saigon and then—no pun intended—it was gone. Although I don't have specific recollection of what I was doing on their behalf, it was probably for collection of funds due to them. Thus they no longer existed. And for the first time in my career, I lost a client. Thus I remember the day well, including the significant political ramifications."

#### ORDINANCE NO. 15-0-2675

AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING BEVERLY HILLS MUNICIPAL CODE SECTIONS 10-3-2806 AND 10-3-2850 REGARDING THE PERCENTAGE OF THE FRONT FAÇADE OF THE FIRST TWO STORIES OF LARGE-SCALE MULTI-FAMILY RESIDENTIAL PROJECTS THAT IS REQUIRED TO BE BUILT TO THE FRONT SETBACK LINE.

THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS HEREBY ORDAINS AS FOLLOWS:

**Section 1.** On January 8, 2015, the Planning Commission held a duly noticed public hearing after which it adopted Resolution No. 1739, recommending that the City Council amend portions of Title 10 (Planning and Zoning) of the Beverly Hills Municipal Code to authorize the Planning Commission to issue an R-4 Permit that would allow deviations from the requirement that a minimum of 60% of the front façade of the first two stories of a large-scale multiple residential project be built to the front setback line (collectively, the "Amendments"). On April 7, 2015, the City Council held a duly noticed public hearing, received public testimony, and thereafter introduced this Ordinance.

**Section 2.** This Ordinance and the Amendments were assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The City Council finds that adoption of the Amendments will not have a significant environmental impact and is exempt from CEQA pursuant to Section 15305 of Title 14 of the California Code of Regulations. The City Council finds that a Class 5 exemption is applicable to the Amendments because the Amendments result in minor changes in land use limitations pertaining to building modulation and setbacks, and applies to properties with an average slope not exceeding twenty percent. In addition, the Planning Commission adopted a Class 32 Categorical Exemption for the multi-family residential project associated with, and including, the Amendments. Thus, the City Council finds that the Amendments are exempt from CEQA pursuant to CEQA Guidelines Sections 15305 and 15032

**Section 3.** The Amendments are consistent with the objectives, principles, and standards of the General Plan. Specifically, General Plan

Policy "LU 7.1 – Character and Design" calls for requiring that multi-family dwellings and properties be designed to reflect the high level of architectural and landscape quality that distinguishes existing neighborhoods.

**Section 4.** The City Council hereby amends Subparagraph b. of Paragraph 3 of Subsection E of Section 10-3-2806 of Article 28 of Chapter 3 of Title 10 of the Beverly Hills Municipal Code to read as follows with all other provisions in Section 10-3-2806 remaining in effect without amendment:

- "b. Setback Requirement: A minimum of sixty percent (60%) and a maximum of seventy percent (70%) of the front facade of the first two (2) stories of a large scale multiple residential project shall be built to the front setback line.

The Planning Commission may issue an R-4 permit to allow less than 60% of the front façade of the first two (2) stories of a large-scale multiple residential development to be built to the front setback line if the Planning Commission finds that the proposed development would not have an adverse impact on the scale and massing of the streetscape."

**Section 5.** The City Council hereby amends Section 10-3-2850 of Article 28.5 of Chapter 3 of Title 10 of the Beverly Hills Municipal Code to add a new Subsection I. as follows with all other provisions in 10-3-2850 remaining in effect without amendment:

- "I. Subsection 10-3-2806 E.3.b. regarding the percentage of front façade of the first two (2) stories of a large scale multiple residential development that is required to be built to the front setback line."

**Section 6. Severability.** If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this Ordinance shall be and remain in full force and effect.

**Section 7. Publication.** The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the City within fifteen (15) days after its passage in accordance with Section 36933 of the Government Code, shall certify to the adoption of this Ordinance, and shall cause this Ordinance and his certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this City.

**Section 8. Effective Date.** This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the thirty-first (31st) day after its passage.
