“Brien slams The Courier, does not indicate resignation date” [Issue 860]

It is time that Dr. Brien retires from the Beverly Hills City Council. Without a doubt he is a lame duck Councilman whose vote and input may have a long effect on a city he is leaving in a very short time.

One can think that the only reason he hasn't resigned yet or even announced a date yet is that he's trying to protect his friend Lyn Konheim and the Beverly Hills Land Company in the tree removal debacle on Santa Monica Blvd. in a city he won't be living in. We need a new, unbiased Councilperson to look into this mess, not a lame duck.

“Board forms advisory committee, increases K-3 camp to 23” [Issue 861]

The teachers at Beverly Vista feel it is important to let you know that when the first mention of increasing class size came up at the March 8, 2016 meeting we began voicing our opinions. We held a site meeting, spoke with colleagues at other sites, and union leadership was contacted. The direction we were given was that the district and union were working together to come up with contract language that would address our concerns, support student learning and be educationally sound.

We believe this increase negatively impacts student learning and instruction in the following ways:

- 15% less individual attention
- 15% more differentiation
- With no support services, we lack the time to serve our diverse population with small groups and 1 to 1 instruction to meet the needs of 15% more students (Prior to class-size reduction, other support services/teachers were available, such as Special Reading, EL, classroom aides, etc.)
- Recent introduction and increased rigor of Common Core, NGSS, Stem, and Technology-based assessments/benchmarks/CAASPP with instruction to 15% more students
- Less time working with small groups and 1 to 1
- Less technology available within the

Brien to step down early May

Nearly six months after announcing his plans to resign, Councilmember Willie Brien has stated he will officially step down May 2.

Willie Brien

Following Brien's announcement last year, the Council repealed provisions in the municipal code regarding vacancies through the

full reading of an ordinance introduced in November. The Council can now appoint someone to the opening or conduct a special election.

Whether elected or appointed, Brien's successor will hold office for the outgoing councilmember's unexpired term. Brien was elected first in 2009, reelected in 2013 and his second term ends in 2017.

Marjorie Pressman passes

Philanthropist and community leader Marjorie Pressman passed away Monday. She was 94.

Pressman and her husband Rabbi Jacob were an influential force in the Los Angeles Jewish Community. They were married in 1942, after meeting in high school, and had been together 73 years at the time of Pressman's passing last October.

Together, the couple helped grow Temple Beth Am and found the Brandeis-Bardin Institute, the University of Judaism, West Coast Camp Ramah, Los Angeles Hebrew High School and the Maple Center.

"[Marjorie] was not an observer, not a rabbi's accompanist," Rabbi Jacob Pressman told the *Jewish Journal* in 2008. "She was a power in herself. She endorsed all the things that were important to me. She could have had any career, but she suppressed herself, and always gave me the limelight."

Recognizing she possessed leadership skills, Pressman worked to extend the Torah Fund through the Women's League for Conservative Judaism. She later helped revitalize the Olympic Jewish Temple and Center, now Temple Beth Am, by expanding programming to include art shows, speaking events for authors and celebrity concerts.

Her son, legendary, 38-year Beverly High choral director Joel Pressman, passed away in 2013.

The family has requested that donations in memory of Marjorie be designated to Temple Beth Am, the Rabbi Jacob Pressman Scholarship Fund of the

Pressman Academy or Friends of Sheba Medical Center.

Pressman's survivors include her children Daniel and Judy; five grandchildren and three great-grandchildren.

Funeral services were held at Temple Beth Am on Wednesday morning.

Brien commends Supreme Court decision

A unanimous Supreme Court upheld Monday the "one person, one vote" principle for drawing legislative districts by counting every resident and not just eligible voters.

"I think it was a great day for the Supreme Court and it was a great day for individuals in the Court's upholding of the well-established principle of one person, one vote," said Councilmember Willie Brien.

Brien's grandfather, former U.S. Chief Justice Earl Warren, famously wrote in 1964, "People, not land or trees or pastures vote"—a concept that became the foundation of the one person, one vote holding.

"If I recall correctly, [Earl] wrote he believed that the one person, one vote decision was one of the most important that the Court ever made, in part because it upheld the voting rights of individuals and really focused around the democratic principles that we're founded on," Brien said.

Tse reelected as BHEA President

Beverly Hills Education Association President Telly Tse, first appointed to the position in 2014, was reelected Wednesday.

"In the last two years, BHEA has seen significant gains in salary and health benefits," Tse said. "I think the relationship with the district and the Board [of Education] is a lot better than it was two years ago. At the same time, I think there are still certain challenges related to some of the school administrators that we face, so there's a lot of work to be done. I'm confident that working with my members, we'll be able to do so."

Among the achievements Tse listed on his campaign flyer was having worked with the bargaining team to achieve a nine-percent salary increase, which has been challenged by certain Board members.

"We plan on defending the salary formula," Tse said. "We feel teachers are important in our district and the salary formula reflects that."

Tse is a special education teacher at Beverly High. While a full-time certificated faculty member teaches 5/5s, union presidents receive 2/5s release time for serving in the position.

No other candidates ran against him in the election.

classroom

- More crowded classroom environment
- More communication with parents
- More benchmark testing (including 1 to 1 assessments)
- More correcting/grading
- Not only will classroom teachers be affected, but specialists
- Research shows that class size reduction does increase learning – findings from Center for Public Education at end of letter

Subsequently, the board approved an increase to K-3 class size from 20:1 to 23:1 on March 29, 2016, without our voices being heard or professional experience or expertise being considered. This abrupt change has raised even greater concerns amongst our staff for many reasons.

• A day after board policy was changed our previously closed Kindergarten class of 20 received a transfer taking the class to 21. Last year when this occurred it was because all district classes at the grade level were full at 20. Currently there are Kindergarten classes with 16-19 students

at the other sites. In addition last year teachers were compensated or another teacher added when there was overflow in a grade level.

• The teachers who currently work in BHUSD in Kindergarten – 3rd were not surveyed nor were their professional opinions taken into consideration. In the March 31, 2016, Beverly Hills Weekly, an article stated, "Board member Noah Margo mentioned that no faculty members have spoken out against the new policy. "That tells me one thing—that it's not that big of an issue," Margo said.

• We were assured by our BHEA that a conceptual agreement was being negotiated with the district about class size that would be fair and equitable. A class size at a specific grade level would not increase in numbers until all classes in the district were filled at 20, and a teacher with more than 20 would be compensated. Currently Beverly Vista has 3 Kindergarten classes at 21, 20, and 20, while Hawthorne has three classes at 16 (over 30% increase in 16 to 21 students to give instruction) * How is this equitable? *If parents have the right to choose the school of their preference, how does this maintain the

balance? *Why is 21 students' learning environment being changed with only 38 days left?

• We question that the interpretation of our negotiated contract can change immediately upon change in board policy. *Please note the bolded language, while the other language seems to be for 2009-2012.

c. Elementary (K-5) Grade Level Average Class Size K-3 20/1*

(If the district no longer participates in the CSR program, average class size shall be 29/1)

*For the 2009-2010, 2010-2011 and 2011-2012 school years, the district shall make every effort to maintain maximum K-3 class sizes of 20/1. However, should fiscal considerations make it necessary due to reductions in state aid, the district shall be given the flexibility to allow maximum K-3 homeroom class sizes of 22/1. All students receiving instruction by a K-3 general education teacher at any point in the day shall be included in the 22/1 average class size. The district does not intend to increase K-3 class sizes to 22/1 in order to enable a K-3 reduction in force. If the district opts to increase

class size to a maximum of 22/1, then the average class size will remain at 20/1. If the district no longer participates in the CSR program, average class size shall be 29/1. For the 2012- 2013 school year and subsequent years, class size limits shall revert to the language in Section 1, Part c, above.

*What is the rationale for the board policy change?

We applaud Mrs. Korbatov for dissenting on this issue, while we also appreciate Noah Margo and Howard Goldstein's quick responses to discussing and meeting with the teachers on this issue.

Lieu announces legislation to expand Santa Monica Mountain park space

Congressman Ted Lieu (D-Torrance), who represents Beverly Hills, announced the Santa Monica Mountains National Recreation Area Boundary Adjustment Study Act at a press conference March 31.

“Whether it is conserving the Ballona Wetlands, preserving our beaches or creating more opportunities for recreation in our urban areas like the Baldwin Hills and San Pedro, this bill is a first step toward making more federal resources for our trails, beaches and open space,” Lieu said in a statement.

The new legislation authorizes a three-year Special Resource Study on

whether to add the entire Santa Monica Bay coastline—from Venice Beach in Los Angeles to Rat Beach in Torrance, as well as the Ballona Wetlands, Ballona Creek, Baldwin Hills and San Pedro coastline—to the Santa Monica Mountains National Recreation Area.

The mixed-use development would take over 6.5 acres of city property and 0.5 acres of private property along Foothill Road at Third Street.

The \$1-million agreement covers appraisals, land-use planning studies, economic and financial studies and public notice costs.

Initially, the costs will be capped at \$150,000. If the city anticipates a need to increase expenditures, the developer will be given the option of wrapping up the process and being refunded the unexpended balance of the deposit or increasing the cap by \$100,000 and continuing the review process.

The concept for the project is a mixed-use development on city-owned property in the Entertainment Business District, bounded by Foothill Road, Maple Drive, Alden Drive and the alley north of Burton Way. The developers have called for a Request for Proposals (RFP) process to select a ground-lease development tenant.

City councilmembers were presented with the project proposal at a study session in February.

Board approves invoices for Beverly High arsenic cleanup

The Beverly High lacrosse field was shut down last August after the Department of Toxic Substances Control (DTSC) found levels of arsenic in the soil that exceeded the DTSC-established limit of 12 mg/kg.

Following the discovery, DTSC

removed and cleaned around 20 tons of soil, and at a study session Tuesday, the Board of Education approved an invoice totaling \$35,700 for the project.

As defined by the Center for Disease Control and Prevention, arsenic is a naturally occurring element that is found in combination with either inorganic or organic substances to form many different compounds.

Two elevated samples of 41.6 mg/kg and 79 mg/kg were found in surface soil in the southwestern part of the field; three slightly elevated levels were discovered in the same area at a depth of five feet, and slightly elevated levels were found in surface soils at the northern end of the field.

El Rodeo students and city team up for 2nd Annual Fun Run

On Wednesday, hundreds of El Rodeo students laced up their shoes for the 2nd Annual Fun Run, a pledge event featuring music, food and giveaways from local businesses.

"Our Fun Run is just one example of how our school, in spite of the construction we are experiencing, continues to be a vibrant community where children learn, grow and play with the strong support of an active community and staff," El Rodeo Principal Kevin Allen said in a statement.

For weeks, the school's nearly 740 students, staff and faculty had been raising money for the event.

Nine-year-old Ava Schulman and her 13-year-old brother Ryan, along with nine-year-old Brook Bronson, set up a makeshift cookie stand to sell their homemade chocolate chip cookies.

"This is how I wanted to raise money for my school for more technology," Ava said. "Making cookies is one way to do it."

City councilmembers, along with local firefighters and police, were all invited.

AN APPLE FOR THE TEACHER

A look at this year's Apple Award recipients

By Mina Riazi

JUDITH CHAN
Beverly Vista: Music teacher
2001 – present

Good things take time, as the old saying goes. A good music program? Try 15 years.

"This is my 15th year at Beverly Vista," said music teacher Judith Chan. "And I feel that in the last 15 years, I've really tried my best to build a program that was not here when I first came. It suddenly takes that much time for a music program to grow."

A vocal music teacher for over 20 years, Chan has developed a music program at Beverly Vista that is truly a powerhouse. In addition to providing K-8 students with a quality and rigorous musical education, Chan teaches the Kodaly method of singing and has been involved with the National Organization of American Kodaly Educators.

"When I got the Apple Award, I called my parents, but the second person I called was my 2nd-grade music teacher," Chan said. "I told her that it really all goes back to her, because she was the first teacher to tell my mother that I had a good voice, and that pretty much changed my whole life."

A word from Judith's Principal Christian Fuhrer: "Judith Chan is the consummate professional educator who cares so deeply for her program and the students she serves. Her dedication to teaching children music theory while providing them the opportunity to showcase their talents has benefitted thousands of students, not just at Beverly Vista, but at all of our schools throughout the district. Ms. Chan embodies what it means to be an effective and engaging educator and we are fortunate to have her."

CHRISTIAN FUHRER
Beverly Vista: Principal
BHUSD 2002 – present

When Beverly Vista Principal Christian Fuhrer made the leap from teacher to administrator in 2011, his family joked he was "joining the dark side."

"I'm not joining the dark, I'm going to take light to that side," Fuhrer said.

Fuhrer launched his BHUSD career in 2002, as a technology teacher at Horace Mann. For nine years, he co-wrote the district technology standards and co-created technology curriculum.

He later became Assistant Principal of Hawthorne, working with then-Principal Kathy Schaeffer to lead the school to California Distinguished School status. In 2014, he was named Principal of Beverly Vista.

"I'm extremely honored to be recognized for the work that I've done in the district," Fuhrer said. "And to be recognized by Superintendent [Steve] Kessler makes it that much more special since I've known him for so many years."

Around two years ago, Fuhrer and three other BHUSD educators formed adult performance band Sorry! through the Fairfax/Beverly School of Rock.

Fuhrer is married to Horace Mann first-grade teacher, Apple Award recipient and Sorry! bass player Christy. Their 13-year-old son Lucas currently attends seventh grade.

A word from Superintendent Steve Kessler: "It is my honor to award Principal Fuhrer the district administrator Apple Award for 2016. Since joining the district in 2002, Principal Fuhrer has made significant contributions to our district that has distinguished him as not only a gifted educator but also an outstanding educational leader."

HELEN HIXON
Horace Mann: STEM-Science teacher
BHUSD 2006 – present

Helen Hixon's teaching career at Horace Mann is bejeweled with many accomplishments, from starting the Horticulture Club to successfully leading the Science Olympiad program for four years.

"I got my master's in education, but I really learned about quality teaching from the other teachers at Horace Mann," Hixon said.

At the district level, Hixon has served as the subject-area specialist for middle school science. She brought recognition to the BHUSD by presenting at a recent California

STEM conference.

"To be recognized for all the work that I've done is amazing, but I also couldn't have done it by myself, because I had the most incredibly supportive administration, co-workers and PTA," Hixon said.

After retiring from the classroom at the end of this school year, Hixon plans move to the mountain community of Idyllwild.

DON JOHNSON
BHUSD Driver
2005 – present

For the past 11 years, Don Johnson has been committed to his job as the district driver, carrying endless materials across a bustling landscape.

"It's a huge honor and something I never expected," Johnson said of receiving an Apple Award. "[Superintendent Steve] Kessler called me into his office around two weeks ago and let me know, and it was a very nice surprise."

Upon retiring at the end of the 2015-2016 school year, Johnson plans to return to his home state of Michigan with his wife.

"It's nice to get the Apple Award and retire in the same year," Johnson said.

A word from Superintendent Steve Kessler: "Don Johnson's positive outlook and 'can do' attitude have made him a favorite around the district. He is totally deserving of the 2016 classified employee Apple Award as Mr. Johnson takes great pride in his work."

JANNA LIGHTNER
El Rodeo: 1st-grade teacher
BHUSD 1997 – present

For the past 19 years, Janna Lightner has taken on many different roles as an educator at El Rodeo, teaching kindergarten, first, second and fourth grades.

"I'm incredibly humbled to be honored with the Apple Award this year," Lightner said. "I have a daughter who's at Beverly Vista, and she's old enough to understand the significance of the honor. It's fantastic."

Lightner has been an active member of site council for nine years and has supported countless district teachers as a BTSA Induction support provider.

"It's my way of paying it forward for everything that others have done for me through the years," Lightner said.

A word from Janna's Principal Kevin Allen: "Janna is well respected by her colleagues across the district and loved by her peers here at El Rodeo. We are thrilled to be able to honor her for her years of service to the children in our community!"

JAMIE MARRS
Beverly High English and Service Learning teacher

A word from Jamie's Principal Dave Jackson: "She's a ball of energy at all times; besides being an English teacher, she's involved in our Link Crew and she's our service learning coordinator. I've been here since July and both [Jamie Marrs and Michele Mendelsohn] have made a huge impression on me."

Marrs was unavailable for comment.

MICHELE MENDELSON
Beverly High: Special Education teacher
BHUSD 1989 – present

Beverly High Special Education teacher Michele Mendelsohn first built a bond with the BHUSD as a second grader attending El Rodeo.

“I went to El Rodeo from second to eighth grade and Beverly [High] from ninth to 12th grade,” Mendelsohn said.

The longtime educator will be retiring at the end of the 2015-2016 school year, which marks her 37th year of teaching. During that time, she has taught every grade level.

“This has been my whole life,” she said.

Mendelsohn looks forward to spending more time with her husband Jerry and their daughters Amy and Molly during her retirement.

“As I retire and close this chapter of my life, being honored with the Apple Award is super, super special,” Mendelsohn said. “My friends and family give me apples all the time as gifts, and now I have my very own Apple Award.”

A word from Michele’s Principal Dave Jackson: “She’s got a bubbly personality and a huge heart and she will definitely be missed out of our special education program.”

AMY WHITNEY
Hawthorne: Second grade teacher
BHUSD 1997 – present

Before arriving at Hawthorne 19 years ago, second-grade teacher Amy Whitney taught in the Newport Mesa Unified School District.

The experienced educator has been an integral member of the second-grade instructional team at Hawthorne over the past 17 years, making invaluable contributions to the community.

“I’ve worked with wonderful colleagues and great students,” Whitney said.

With the support of former Hawthorne Principal Kathy Schaeffer and Beverly Vista Principal Christian Fuhrer, Whitney developed John Wooden’s Pyramid of Success program, which focuses on character development.

“It has allowed me to teach the most basic of life skills to my students and my own children,” Whitney said.

The 2016 BHUSD Apple Awards will be held on April 13 at 5:00 pm at the Beverly Hilton. Call (310) 557-0651 to RSVP.

NOTICE OF PETITION TO ADMINISTER ESTATE OF Mireille Henry
CASE NO. BP171734

To all heirs, beneficiaries, creditors, creditors, and persons who may otherwise be interested in the will or estate, or both, of: Mireille Henry

A PETITION FOR PROBATE has been filed by Corinne Verbeke-Hutin and Jean Yves Verbeke in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Patrick Phancoa be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act with limited authority . (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on 04/15/2016 at 8:30 a.m. in Dept. 9 located at 111 N Hill Street Los Angeles, CA 90012 Stanley Mosk Courthouse - Probate.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a formal Request for Special Notice (DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. The Wilshire Gardens at One Beverly Hills

One Beverly Hills' Wilshire Gardens are *truly public*

One Beverly Hills will feature three-quarter acre public gardens on Wilshire Boulevard and along Merv Griffin Way. It will also offer over 3 acres of additional green space, walkways and seating areas.

Our existing Development Agreement grants an easement to the City that will make the gardens a dedicated public garden. The Wilshire Gardens at One Beverly Hills will remain public as long as the project exists. And One Beverly Hills is required to maintain them without cost to the City.¹

One Beverly Hills is serious about environmental sustainability. The project will:

- Integrate state-of-the-art greywater reclamation technology throughout the project, including the hotel, to maximize the reuse of the site's precious water resources
- Utilize sustainable native landscaping
- Deploy weather-based irrigation systems to significantly decrease irrigation

To ensure the community's use and enjoyment of the Wilshire Gardens, One Beverly Hills will provide 20 valet spaces at a time for 2 hours of free parking.
