BUT WILL THE SHOW GO ON?

Hilton debate status unclear after written demands from Oasis West

Why I Opposed the Beverly Hilton Initiative in 2008 – *But I Support the Yes on HH Initiative Now*

— Robert K. Tanenbaum, Former Mayor of Beverly Hills

During my eight-year tenure on the Beverly Hills City Council, my service as Mayor for two terms, and my current role as President of the Beverly Hills North Homeowners Association, I have been steadfastly committed to maintaining and enhancing the quality of life for all the residents of our precious city.

In 2008, when my colleagues and I at the Beverly Hills North Homeowners Association scrutinized the proposed Beverly Hilton expansion project, we committed to placing the matter on the ballot for a vote of our residents. We did not support passage of the project back then, but felt voters should have the opportunity to decide its fate.

Fast forward to 2016. As I've taken a comprehensive look at Measure HH, **I believe strongly that this new plan is better suited to our community, and the Beverly Hills North Homeowners Association agrees.**

Quite simply, we support the tradeoff the new plan provides: the removal of an approved eight-story residential building near El Rodeo School in exchange for a new 1.7 acre green parkland garden and adding additional height to an already-approved 18-story building, bringing it to 26 stories.

Having dug into the specifics of this matter, I offer the following clarifications to Beverly Hills residents:

- | | |
|----------|---|
| 1 | Measure HH, the Hilton Initiative, adds NO NEW USES or SQUARE FEET to the project beyond what was already approved by Beverly Hills voters in 2008. |
| 2 | The Hilton Initiative is not a free for all without guidelines, standards, or numerous legal requirements. The 89 specific conditions, 20 "standard" City of Beverly Hills conditions and 32 pages of mitigation measures adopted by the Planning Commission and City Council in 2008 CONTINUE TO APPLY TO THE PROJECT AS PROPOSED IN MEASURE HH. |
| 3 | The Beverly Hilton's owner has made meaningful, binding commitments to the people of Beverly Hills in a covenant he signed and filed with Los Angeles County. This covenant makes clear that the 1.7-acre garden will be open to the public and will always remain a garden, never to be developed in the future. It also guarantees that Beverly Hills residents will be provided with two hours of free parking while visiting the garden. |
| 4 | The new garden and all landscaping will be irrigated with recycled graywater from showers and sinks. The graywater system is not being eliminated. |
| 5 | Measure HH delivers more financial benefit to the City of Beverly Hills. If the Initiative is passed, according to the City's own study, Measure HH will generate \$33 million more than the original plan approved in 2008. |

We should show loyalty to our city's long-established, highly successful, iconic merchants and employers like the Beverly Hilton. These valuable economic engines not only deliver excellent and world-renowned services, but also furnish revenue and jobs for our city, year after year.

And in this case, the Hilton is delivering a better plan, a greener plan, and one that delivers more benefit to the City of Beverly Hills. For the good of our city, I urge all residents to vote YES on Measure HH.

Paid for by Yes on HH – Residents for The Beverly Hills Garden & Open Space Initiative, with major funding by Oasis West Realty LLC / The Beverly Hilton. See www.beverlyhills.org for campaign funding information.

An Initiative measure to amend the Beverly Hilton Specific Plan to combine the 8 story Wilshire condominium building with the 18 story Santa Monica condominium building resulting in one 26 story building with additional height and to replace the Wilshire building with 1.7 acres of garden open space that is generally open to the public subject to reasonable restrictions determined by the property owner.

Critiquing the *Beverly Hills Courier*

It is becoming more and more clear that *Courier* articles lack the requisite degree of objectivity and accuracy to raise the *Courier* above a gossipy, opinionated tabloid desperate to taint and sensationalize news reports—all in an effort to try to help the Hilton win on its HH measure.

For instance, the *Courier's* pro-Hilton September 16, 2016, article entitled “Wanda War on Hilton Initiative Heating Up” by Victoria Talbot, inaccurately states that the effort to defeat the Hilton is not a grassroots campaign, and is sponsored by Wanda. In fact the Wanda group is not the only group which opposes HH. The Southwest Homeowners Association opposes HH and has made its own No on HH signs. The Municipal League opposes HH and its chairman has scheduled a debate with Robert Tanenbaum who is in favor of HH. Tanenbaum has misrepresented that all board members of the Beverly Hills North Homeowners Association are in favor of HH, when in fact, board members Lou Lipofsky and Victor Bardack oppose HH. Individuals,

myself included, have put up their own No on HH Facebook pages, and numerous residents who have no connection to Wanda, are doing their best individually and in small groups, to educate their neighbors, including preparing flyers and e-mails.

So many false, misleading, malicious, and unprofessional articles in the *Courier* involving the Hilton, our mayor, and our city attorney not only demonstrate a lack of concern for the truth, but have caused many of us to wonder how much the *Beverly Hills Courier* has received from the Hilton and its representatives for advertising; what gifts have been provided to *Courier* personnel by the Hilton; and what the Hilton and its representatives have promised to give to *Courier* personnel.

A number of us are also thinking that the *Courier* is not a reputable enough paper to contain City of Beverly Hills notices, just as the City would not want to post its notices in a disreputable tabloid. In fact, some of us think that the City should cease dealing with the *Beverly Hills Courier* and only provide notices in the more reputable *Weekly* and/or by e-mail to residents instead.

The *Courier's* poor conduct and reputation has a topic of conversation by knowledgeable residents for quite some time. In fact Councilmember Willie Brien even devoted a good part of his

Hilton's donation raises questions regarding PTAs and their 501c3 status

Emails obtained by *Beverly Hills Weekly* indicate a move by supporters of the Hilton to influence the BHUSD PTAs into endorsing Measure HH.

In a series of emails addressed to multiple PTA leaders, attorney and Citizens Oversight Committee member Lee Egerman suggest that the PTAs bring voters to a meeting on Sept. 28 at the Hilton.

Egerman wrote in the emails about corresponding with Hilton Oasis West Realty CEO Beny Alagem regarding a donation, initially a matching gift then changed to an outright donation, for the Beverly Hills elementary schools and Beverly High.

The emails state Alagem will make a donation of \$20,000 to each of the five schools, at the Sept. 28 presentation in favor of the HH initiative.

"I know the HH Initiative is controversial, but I think having approximately 50 people from each of the five schools attend the meeting where [Alagem] is going to announce the \$100,000 gift is crucial to

show our thanks and appreciation for the generous donation," Egerman writes in the email.

The emails point out the Hilton is prohibited from making a presentation at a PTA event. PTAs have 501c3, nonprofit status and are prohibited from participating in political campaigns.

"[It] appears that having the Hilton make a presentation at a PTA event is prohibited," Egerman writes. "In light of this fact, my suggestion would be for each school to see if there are individuals at each school willing to make phone calls to get attendance at an event hosted at the Hilton, with each school committing to bringing 50 or so people."

Egerman told the *Weekly* to clarify stating the donation will be made to the Beverly Hills Education Foundation, also a 501c3 nonprofit corporation.

"I'm for any group that wants to give to our schools and give to our community. Obviously, any individual can attend any political event they want. It's not a PTA event, it's not sponsored by the PTA, [and] it's not affiliated with the PTA," Egerman said.

The PTA Council maintains a donation can be made within the guidelines of the 501c3 status.

"[My] role is to help guide and inform all five Beverly Hills school sites in an advisory capacity. We are always appreciative of

any donations given to our schools for their betterment," PTA Council Co-President Rose Kaiserman said in an email statement. "That said, when any donation is being made to our school PTAs, we will always instruct them to follow CAPTA rules and guidelines without exception. Our number one priority is to look out for our children's well being and to protect our PTAs, as well as our 501c3 status."

Egerman's wife, Jill Egerman, is the co-executive vice president of the Horace Mann PTA

Egerman also provided summaries on the elementary schools' positions regarding a donation from the Hilton in the series of emails:

- "El Rodeo has serious reservations about doing anything other than an appropriate acknowledgement of the potential \$25,000 matching contribution/ gift."

- "Beverly Vista and Horace Mann, after confirmation by the appropriate people, would be willing to allow Hilton to present at a PTA meeting and would be willing to have (and are confident they could get) individuals, who volunteer to do so, to have quotes attributed to them (but not in their capacity as PTA members), and to have individuals, who volunteered to do so, make calls to gather people for an informational meeting re: the Hilton Initiative (but not in their capacity as PTA members.)"

- "Hawthorne: did not attend the meetings and I have not gotten any information from them yet."

"There's no PTA involvement, and the event is not required or mandatory and any individual can come if they want to come and any individual can choose not to come if they don't want to come," Egerman said.

Hilton spokesperson Marie Garvey faces off with Mirisch at City Council

Hilton spokesperson Marie Garvey appeared before the City Council on Tuesday to criticize Mayor John Mirisch for his recent Huffington post column "The Hilton Chronicles: Seven Strikes and You're Out."

Marie Garvey

Mirisch questioned Garvey's motives in the Hilton project.

"Well, I think every woman knows what the Mayor is calling me in his blog," Garvey said. "I stand here for every woman who has ever had the misfortune of being called a whore."

She quoted an excerpt from Mirisch's column that reads, "as if Marie Garvey is not herself 'out only for personal and economic gain' and as if she wouldn't say the Hilton skyscraper is an abomination if you paid her enough. (And as if there aren't a few choice English words for what that makes her...)"

She reprimanded Mirisch for attacking individuals who disagree with him on Measure HH.

"You used a word that I didn't," Mirisch said. "Talk about the pot calling the kettle black. It's very interesting how some people can dish it out but they can't take it. Some friendly advice, try sticking to the facts."

Vice Mayor Nancy Krasne apologized to Garvey.

"Please know in the City where we embrace civility that is not appropriate at any time, by anyone, under any circumstances so thank you for coming forward," Krasne said.

Garvey, a Manhattan Beach resident, started her own public relations firm in 1994.

"Marie Garvey could be just the right person to put the 'Manhattan' back into Manhattan Beach," Mirisch wrote in his column.

One Beverly Hills returns to Planning Commission

9900 Wilshire, also known as One Beverly Hills, came before the Planning Commission again on Tuesday with revised plans to improve traffic and parking, among other concerns previously raised by the Commissioners.

The Commission discussed the project on Aug. 23 and directed staff and the applicant to return with improvements regarding traffic, parking, construction management and the development agreement.

Regardless of proposed revisions, animosity between One Beverly Hills and the Beverly Hilton Hotel remained high.

"Quite frankly, the applicant is trying to shove a square peg in a round hole. The square peg

The Council of the City of Beverly Hills, at its regular meeting to be held on **Tuesday, October 18, 2016, at 7:00 p.m.**, in the Council Chamber of the City Hall, 455 N. Rexford Drive, Beverly Hills, California, will hold a public hearing to consider adoption of:

AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING THE BEVERLY HILLS MUNICIPAL CODE TO ESTABLISH A WATER SUPPLY FEE

and

A RESOLUTION OF THE COUNCIL OF THE CITY OF BEVERLY HILLS AMENDING THE COMPREHENSIVE SCHEDULE OF TAXES, FEES & CHARGES TO ESTABLISH A WATER SUPPLY FEE.

The proposed ordinance and resolution will establish a water supply fee that will pay for the cost of facilities to provide additional local water supplies needed as new connections are established or new development / redevelopment occurs. The proposed fee is in addition to the City's current water capacity charge adopted in 2015 and will help maintain the City's goal of reducing its reliance on imported Metropolitan Water District water.

Copies of the proposed Ordinance, Resolution and the related fee study are available for review or purchase in the Office of the City Clerk, Room 290, 455 N. Rexford Drive, Beverly Hills, California. These documents can also be found at www.beverlyhills.org. Any interested person may attend the meeting and be heard. is 200,000 feet of new commercial, high intensity use. The round hole is the previously approved low intensity residential project. It is completely different," said Oasis West Realty President Ted Kahan. "There are many many new issues and we will have to live with the consequences for decades. We've done our own studies and I can tell you unequivocally our data shows very different results."

Prior to the meeting in August, the development proposed for 9900 Wilshire was approved in 2008 for 235 residential units and over 15,000 square feet of commercial building. The group has modified the original plan to convert excess condo and retail space into a 134 room luxury hotel.

"A tremendous amount of knowledge and analysis over literally the past 10 years [has gone into this site] so we're very comfortable with the conclusions," said Athens Group COO Jay Newman. "Ultimately we're a luxury hotel and it has to work, not only for the community, but also for our customers."

One Beverly Hills presented several options to alleviate concerns Commissioners previously raised regarding left turn access in the hotel's motor court. However, Commissioners still took several issues with the project, including Commission Alan Block who "[didn't] like the loading dock opposite the entrance of the Hilton."

"Part of the problem in all this is the [Hilton's] new project doesn't come before us and we have very limited ability to address this," said Commissioner Howard Fisher.

Hilton attorney George Mhlsten was critical of the Commission's actions toward the Hilton.

"I'm disturbed by some of the actions I've seen in the last two meetings by this Commission and the inability of the Beverly Hilton to be able to present important information about the potential impacts of the Wanda project," Mhlsten said.

Former BHUSD Board member Lewis Hall, who was defeated for re-election last November, expressed concern during public comment about the possibility of a sniper attack from the roof of the One Beverly Hills towards El Rodeo School, across Wilshire Boulevard.

The discussion will be continued to Sept. 26 for an hour and a half.

Planning Commission revisits 332-336 N Oakhurst

At a meeting last Monday, the Planning Commission revisited the proposal for the construction of a 31-unit condominium at 332-336 N Oakhurst Drive, partially located in Los Angeles. The proposal previously came before the Commission in October 2015.

The portion of the building in the City would contain seven units (or fractions thereof), while the remaining 24 residential units would be in the part of the building located in Los Angeles, according to the staff report.

All residents of the building will qualify

to apply for Beverly Hills preferential parking permits, according to City Planner Ryan Gohlich. In addition, people who live in the entirety of the building will be eligible to vote in the City, according to Commissioner Howard Fisher.

Commissioner Alan Block asked staff about the possibility of pushing the building back 25 feet so it is behind the property line and no longer in the City.

"We could [have had] the building have no curb cuts in the city of Beverly Hills and go as high as we choose as long as we are behind the property line," said project attorney Murray Fischer. "We tried to incorporate the Beverly Hills requirements and development standards in what was compatible with the neighborhood."

Prior to Monday's meeting, a group of residents formed the Concerned Citizens of Beverly Hills/ Beverly Grove because the project demolishes two buildings designed by the first licensed woman architect in Los Angeles Edith Northman.

Northman is recognized on the City's Master Architect list; therefore, a 30-day hold is triggered on demolition permits. During the hold it is possible the property could be called up for review by the Council or the Cultural Heritage Commission in order to further assess whether the individual properties are eligible for local landmark status, according to Gohlich.

"This kind of [redesign] is part of what I call, 'The Great Wall of Los Angeles.' Large-scale buildings are going up around Beverly Hills," said Chair of the City's centennial initiative "The Next 100 Years" Woody Clark. "As a city we should be taking some action. There's a better solution than what this developer wants to do. [We should] try to find a developer to preserve the historical structure, but maximize its ongoing use."

Since coming before the Commission in October 2015, the applicant has redesigned the project to reduce the number of stories in the Beverly Hills portion from four to three, as well as the number of stories in the Los Angeles portion closest to Beverly Hills from five to four, according to the staff report. In addition, there was a reconfiguration of open space to create a central courtyard.

"We asked the developer to go back and to modify," said Vice Chair Lori Greene Gordon. "And I know everyone says this project is significantly better than the prior project, [but that] doesn't make it the best."

The Commission agreed, 4-1, to continue the item on Oct. 13. Gordon voted against the return of the project.

Committee member Jason Rund expressed concerns about hiring new consultants for the audit, more specifically Pamela Johnson who generated a bill of \$19,000 for the month of July.

"I think the concerns from an efficiency stand point [are] that we don't have either a duplication of services or redundancy of services," Rund said. "Or when she [wants] to take a look at everything are we taking two steps backward when we're ready to go forward?"

Johnson was hired to consult on the construction management services, according to Aharoni. Superintendent Steve Kessler ensured the committee her services have been "100 percent [helpful]" in improving disconnect between the business office and "[management of] the facilities issues."

Fine Arts Commission reviews fund balance

The Fine Arts Commission reported its total fund balance through July 31 of \$3,655,349, during its meeting last Friday.

Six of the projects listed under "Work in

progress" in the Fine Art deposits received through July 31 were already completed, according to Commission Chair Alan Kaye. The projects include renovations to the Belvedere restaurant on Santa Monica Boulevard and tenant improvement at Barneys on Wilshire Boulevard.

"Under 'work in progress,' nothing seems to get updated," Kaye said. "All of those ought to, I believe, be completed and put into the fund."

The first payment of 50 percent has been made to the Marian Goodman Gallery for the "World on Hind Legs" sculpture by William Kentridge and it is anticipated to arrive in Los Angeles on Sept. 24. Kentridge's piece will be featured on the Burton Way median as part of the Green Streets project. The payment was not reflected in the total fund budget as it was made after July 31, according to Recreation Services Manager Brad Meyerowitz.

Obama and U.S. Banks Don't Want You to Know About this IRS "Cheat Code" ...

Obama would like you to think that the ONLY way to save for retirement is by putting money into the stock market. You get an IRA or 401(k) and then you load up on stocks and bonds, right? You feed the Wall Street beast.

But I'm sure that I don't need to tell you that this "beast" can bite the hand that feeds it. It bit Americans hard in 2008, when Wall Street tanked and took the nation down with it. Now, there are indications that it may soon do it again.

These 4 Market Crash Signals Are Flashing Red

Many experts - like Peter Schiff and Gerald Celente - are predicting "imminent stock market crash". Now you can add John Hussman's name to the list.

Hussman, a former professor of economics, uses four signals to predict stock market peaks and crashes. These signals correctly predicted the peaks in 1972, 2000 and 2007. Each of these peaks was followed by a dramatic crash.

Now, for the first time since the last financial crisis, ALL FOUR signals have appeared again.

This is why it's time to consider getting your retirement out of stocks and bonds and into assets that will help you weather the coming financial storm.

Thankfully you have options.

Did you know that you can move your retirement savings out of stocks, and KEEP your tax-advantaged status?

Have you heard about Section 408(m)(3)?

It's a little-known cousin of Section 401(k) of IRS code. I like to call it the "cheat code" that unlocks investments you simply can't find on Wall Street. Here's what I mean...

Section 408(m)(3) lets you open a Precious Metals "Self Directed" IRA and put REAL gold and silver into a tax-advantaged account.

Here are four good reasons to consider this IRS "cheat code" ...

REASON #1:
Unlike stocks, gold and silver will NEVER go to zero. They will always be worth something.

REASON#3:
Since 2001, gold has MASSIVELY outperformed the stock market, by over six times!

REASON#2:
Precious metals can protect you during times of economic uncertainty (like right now), and are a hedge against inflation.

REASON#4:
Gold and silver are recognized around the world as currency. This means you could use precious metals to pay for goods and services if something catastrophic ever happened to the dollar, a scenario that looks more probable every year.

While you still can

Beverly Hills resident Freda Rosen passes

Freda Rosen, a resident of Beverly Hills for more than 50 years, passed away peacefully on Sunday, September 18. She was 87.

Rosen was born Freda Laulicht in New York City in 1928, the eldest of three children of Dan and Sadelle Laulicht, though it was her aunts Ethel and Rose Flashenberg who really raised her.

She played blonde bombshell Rita Wedemeyer in the June 1956 episode of "The Honeymooners," "Alice and the Blonde," among a host of other modeling and stage acting credits before giving up acting to raise her family.

She and her husband, comedy writer Arnie Rosen, moved from New York to Beverly Hills with their three sons in 1965. Arnie, who won Emmies for "The Phil Silvers Show" and "The Carol Burnett Show," passed away in 1980.

Freda earned her Bachelor's degree at

the age of 65 and her Master's degree at 67, counseled couples and individuals for a decade afterwards, and was an active volunteer for many years at

The Maple Counseling Center of Beverly Hills and the Los Angeles Free Clinic.

She is survived by her three devoted sons, Jim (Nathalie) of Los Angeles, Andrew of Austin, Texas, and Don (April) of Beverly Hills. She was the loving grandmother of seven (Hailey, Corrie, Amanda, Estella, Melina, Teddy, and Emily).

She will also be fondly remembered by her best friend for more than 50 years, Adele Nadel, her companion in recent years, Janet Alvarez, and numerous friends and relatives on both coasts.

In lieu of flowers, the family respectfully requests that donations be made in Freda's name to the Maple Counseling Center, 9107 Wilshire Blvd., Beverly Hills, CA 90210.

Rep. Ted Lieu introduces legislation to give homeless veterans access to legal services

Congressman Ted Lieu (D-Torrance)

introduced the Legal Services for Homeless Veterans Act of 2016 on Sept. 21.

This legislation would authorize the Department of Veterans Affairs to enter into agreements with third parties to provide pro bono legal services to homeless and at-risk Veterans across the country. A recent study by the VA found that at least five out of the top 10 problems leading to homelessness among Veterans cannot be solved without legal help.

“Affordable legal services are a key com-

ponent to solving Veteran homelessness, but the VA does not presently have the flexibility it needs to adequately fund those services,” Lieu said in an official statement. “We

Ted Lieu

must do more to fuel partnerships between law firms and civil legal-aid, community health and housing organizations that are doing cutting-edge work to address Veteran homelessness in Los Angeles and across the nation. The Legal Services for Homeless Veterans Act is an important step to ensure that no Veteran who has served our nation in uniform ever needs to fight for a roof over their head.”

BHHS football team loses to Cerritos Normans to play host to Peninsula Friday night

By Steven Herbert

Michael Revah ran two yards for a touchdown in the third quarter of Beverly High’s 43-6 loss to Cerritos Friday night in a nonleague football game at Nickoll Field.

The Normans “came out slow” and allowed a touchdown on the Dons first possession, Normans coach Steve Geanakos said.

“Then they get excited about it” and allow only one more touchdown, until then final three minutes of the first half when Cerritos (2-1) scored twice more to take a 28-0 halftime lead, Geanakos said.

Linebackers Harrison Van Pelt, Kenny Villanueva and Juan Fimbres drew praise

Hilton debate status unclear after written demands from Oasis West

By Madelyn Pariser

EMAIL FROM OASIS WEST REALTY PRESIDENT TED KAHAN TO CITY COUNCIL AND CITY STAFF:

[Thank you] for the information you provided regarding the proposed City Forum on Measure HH. Having reviewed the materials, on behalf of the proponents of Measure HH, please be advised of the following:

1. We will not agree to participate if any City official, elected or staff, who has taken a public position on the Initiative participates in the Forum. This is the only way to be sure that no one is seen as speaking on behalf of the City. Otherwise, there can be no assurance that the Forum will be unbiased as promised by the City.

2. We will not agree to participate if anyone from Wanda, the Athens group or any of their respective consultants participates in the Forum. It will mislead the public into a false narrative that this is a debate between the Beverly Hilton and Wanda. The public is supposed to be getting information that helps make a choice on how to vote, not to perpetuate an attack based PR campaign.

3. As discussed at the ad hoc recent meeting on the Forum, graphics should be limited to a simple site plan and the text of the initiative, including the underlining Specific Plan. This will eliminate the possibility that distorted and misleading graphics will be shown.

4. For reasons stated above, we must have the opportunity to approve all speakers on behalf of the opposition to Measure HH before agreeing to participate.

Thank you for your consideration of our position.

Measure HH supporters are refusing to participate in the Sept. 29 debate on the Hilton initiative scheduled to take place in the Council Chamber unless a list of several demands are met.

According to emails obtained by *Beverly Hills Weekly*, Oasis West Realty President Ted Kahan wrote out a list of four criteria that must be met for the proponents of Measure HH to take part in the forum.

"It is unprecedented in the history of American politics for a political campaign to have veto power over the other side's speakers in a debate," said No on HH consultant Adam Englander in an email statement. "In addition to picking his opposing team's players, Kahan also wants to nullify the First Amendment Rights of Beverly Hills residents who choose to lead the opposition to the Hilton's ill-conceived tower initiative."

Following Kahan's demands, City Council extended the deadline during Tuesday's study session from Sept. 20 at 5 p.m. to Sept. 23 at 5 p.m. for the opponents and proponents of the initiative to submit speaker participant names.

"From my perspective, the City is not

hosting this. This is something [that is] being hosted by the League of Women

"[We] must have the opportunity to approve all speakers on behalf of the opposition to Measure HH before agreeing to participate."
—Ted Kahan, Oasis West Realty President

Voters. I think the City should not be involved in this whatsoever," said Councilmember Lili Bosse. "If the Hilton is not participating then there's no debate. I am not going to support us choosing people to represent an initiative. That's not our place, in my opinion."

The email from Kahan was read into the record by Councilmember

Julian Gold.

"I think it's unfortunate that certain sides would say they have to vet,"

said Mayor John Mirisch.

"I think it's unfortunate that certain sides would say they have to vet. Imagine that at the presidential debates, if each side has to say we're only going to debate against so and so? That would be kind of humorous."
— John Mirisch, Mayor

"Imagine that at the presidential debates, if each side has to say we're only going to debate against so and so? That would be kind of humorous."

Englander compared it to opposing baseball teams.

"Kahan's demands are akin to the manager of the San Francisco Giants demanding that the Los Angeles Dodgers not allow Clayton Kershaw to pitch against the Giants while further demanding that the

Dodgers only play their AAA farm club in the game," Englander said.

The undersigned caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (844) 477-7869 or visit this Internet Web site WWW.STOXPOSTING.COM, using the file number assigned to this case 043646-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. FOR SALES INFORMATION: (844) 477-7869 CLEAR RECON CORP. 4375 Jutland Drive Suite 200 San Diego, California 92117

NOTICE OF PETITION TO ADMINISTER ESTATE OF HARRY B. SWERDLOW Case No. 16STPB04207

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of HARRY B. SWERDLOW

A PETITION FOR PROBATE has been filed by Edith L. Swerdlow in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Edith L. Swerdlow be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Oct. 20, 2016 at 8:30 AM in Dept. No. 29 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

THE **FACTS** ABOUT MEASURE HH

DEVELOPER CLAIMS:

Measure HH (Hilton Tower Initiative) just combines an 8 story building with an 18 story building.

FACT:

Measure HH creates a 375 foot high skyscraper, which would be the tallest building in Beverly Hills, more than twice the height of the next tallest building in Beverly Hills. (Measure HH, page 6)

DEVELOPER CLAIMS:

Measure HH creates a new 1.7 acre "public garden".

FACT:

Measure HH adds only 26,616 square feet more open space from the already-approved 2008 project. That's a meager 0.61 of an acre. Measure HH also allows the developer to close the so-called "public garden" whenever it wants to hold a paid party or event. (Measure HH, pages 2 & 6)

DEVELOPER CLAIMS:

Measure HH has the same environmental requirements as the current project.

FACT:

Measure HH removes the requirement to use graywater (recycled water) in the Waldorf Astoria and condominiums, reducing its environmental sustainability. Graywater will only be used for outdoor landscape purposes. This means more total water use during a time when everyone else is conserving water. (Measure HH, page 4)

DEVELOPER CLAIMS:

There will be no impacts to the residential neighbors to the north.

FACT:

There are many unstudied impacts. One example: The Hilton Pool is moving to the roof of the new Conference Center across from homes on Wilshire. There will be no City restrictions on loud music or hours of operation that other hotel rooftops such as the Peninsula have. This means late-night loud pool parties near our homes. (Measure HH, pages 6 & 7)

DEVELOPER CLAIMS:

Measure HH has sufficient parking.

FACT:

Beyond the new private event space, there are 10 new "staff units" in the condominium tower. No one knows how many parking spaces will be needed without an environmental report. Where will all these new cars park? (Measure HH, page 3)

DEVELOPER CLAIMS:

A covenant will make the "open space" permanent.

FACT:

The developer could have made this part of Measure HH. Instead, they maintain complete control over the Hilton "private gardens". They can even build an office building or retail stores on the "open space."

DEVELOPER CLAIMS:

There will be 2-hour free parking for Beverly Hills residents to use the "garden".

FACT:

There is nothing in Measure HH about 2-hour free parking for residents.

DEVELOPER CLAIMS:

Measure HH will generate millions of new dollars for the City.

FACT:

There is nothing in Measure HH that guarantees new money to the City or our schools. By using a loophole, the developer avoids negotiations with the City, thereby keeping all the gigantic windfall profits the new skyscraper will generate while our City and schools get pennies.
