“But will the show go on?” [Issue 886]

We have lived in or close to Beverly Hills most of our lives. We both attended elementary and high school here and our children have as well. We care greatly about our city and felt compelled to share our thoughts regarding why we support Measure HH:

- Something will be built whether Measure HH passes or not, and we prefer one large building on Santa Monica Blvd with green space across from El Rodeo School instead of 2 smaller buildings. Measure HH is simply a more attractive alternative.

- While we would not generally support a project that bypasses the Planning Commission and process that would otherwise be required, we believe that there are extenuating circumstances that make this plan of action acceptable.

- Measure HH does not add additional rooms or change the use of the single building from what has already been approved through the normal Planning process. After the original plan was approved, those in opposition put the project to a

referendum, which was also approved. So when those opposing the project didn't like the decision of the Planning process they required a vote of the people, and now that it is going to a vote of the people, those in opposition aren't satisfied with a vote of the people. At some point this just isn't fair to the property owner.

- The owners of the Beverly Hilton have been positive and generous members of the Beverly Hills community for many years. Sometimes, knowing the people behind the business is an important consideration. We have known Adele and Beny Alagem for over 25 years, and have seen firsthand, their generosity and leadership in support of so much in our community, and without fanfare. Their actions speak volumes to us and are an important part of our decision to support this plan.

We hope that others will agree that the tradeoff of one taller building on the Century City side of the property in exchange for a large park area open to residents and across from an elementary school is a smart choice, and will join us in voting YES on Measure HH.

FPPC dismisses complaint against Wanda Group

The Fair Political Practices Commission declined to open an investigation into a complaint filed by UNITE HERE Local 11, an international labor union, alleging the Wanda Group used foreign funds to finance a California campaign committee.

In a letter addressed to UNITE HERE's attorney Gary Winuk, FPPC Chief of Enforcement Galena West wrote that the complaint "did not provide evidence to substantiate the allegation that a foreign principal was the source of the money," for Beverly Hills Residents and Businesses to Preserve Our City, a committee formed to oppose Measure HH.

Beverly Hills Residents and Businesses to Preserve Our City consultant Adam Englander called the complaint "frivolous" in a written statement and cited the FPPC's response as proof of the claims irrelevancy.

"Attorney Gary Winuk, head of the Sacramento office of the Kaufman Legal Group, was unable to even clear the initial hurdles necessary for the FPPC to open an

investigation," Englander wrote. "The speed at which the FPPC reached their finding further demonstrates the frivolous nature of this accusation against Wanda Beverly Hills Properties, LLC and demonstrates that the allegations were based purely on innuendo and speculation."

The letter from the FPPC arrived days after UNITE HERE circulated a press release claiming to reveal "additional evidence" in support of the complaint made against Wanda.

Winuk did not return calls from the Weekly seeking comment.

"One Beverly Hills" continues; Commission expected to vote Thursday

"One Beverly Hills," the development proposed for 9900 Wilshire, appeared before the Planning Commission for the fourth time, during a six-hour meeting on Oct. 10. The Commissioners began deliberation on the Wanda Group's proposed modifications, which include the creation of 134 room luxury hotel and 193

condominiums. The Commissioners unanimously voted in favor continuing the discussion on Thursday at 1:00 p.m., and directed city staff to return with a prepared

resolution in accordance to the comments and conditions suggested during the meeting. They are expected to vote at the Oct. 13 meeting.

At the Oct. 10 meeting, the conversation focused on the location of the loading dock, hotel access from Santa Monica Boulevard, parking and construction management.

Several conditions of approval were discussed by the Commissioners, including:

former mayors serving as spokespeople/lobbyists for the Hilton initiative know that.

I'm wondering why they would support Measure HH and denigrate the authority of the City Council members' respected positions, positions that they themselves fought so hard to hold?

Also omitted by the HH Initiative is the review of the Planning Commission. By circumventing the normal process within the City, which includes, at the very least, an EIR, hotelier/developer Beny Alagem has found a way to avoid providing a possibly damning report on the impact on the environment, the residents and our safety.

We are not Century City or the Wilshire Corridor. Our "village-like" low profile is part of our charm and has been honored both by our citizens and the General Plan.

Will this high-rise cast a giant shadow for much of the day over El Rodeo or any of its neighbors? If HH prevails, how deep a hole has to be excavated for a 26-story skyscraper? What does it do to air quality while it's being dug? How long does that go on? How will any of the multiple caravans of construction vehicles (dump trucks removing dirt, cement mixers queuing up to pour the foundation) be staged? How will this impact traffic?

We would know the answers to these questions had the development process been followed and been made available to us. With so many unknowns, how can we possibly give this a go ahead?

"Measure Y ballot arguments released" [Issue 887]

Residents beware!

Your next property tax increase [is] courtesy of the "players" on the BHUSD school board. Here is your opportunity to show the current school board we are angry for pushing a bond that will, again, raise our property taxes.

[School board] we don't trust you because:

1. You promised they would not raise property taxes with the last bond. You lied.
2. You have consistently demonstrated a lack of transparency, discretion and accountability
3. You are wasteful of past bond money.
4. Your plan to use the bond money from Measure Y to construct a 3-story underground parking lot at the high school to block Metro is ridiculous!
5. Your first priority now is to use funds to seismically repair and retrofit all of the schools as required by the State of California, Seismic Safety Commission, for public schools.

6. Measure Y means more money to pay lawyers and litigation, Karen Christiansen; the ongoing war to fight Metro and employee lawsuits.

7. With more than \$300 million from the last bond, eight years ago, what can they show? One building at one school, Horace Mann. How did that one building cost \$300 million?

Don't be fooled by the ads that promote the \$260 million bond as helping our children.

Vote No on Y.

AN ORDINANCE OF THE CITY OF BEVERLY HILLS AMENDING THE BEVERLY HILLS MUNICIPAL CODE TO ESTABLISH A WATER SUPPLY FEE

and

A RESOLUTION OF THE COUNCIL OF THE CITY OF BEVERLY HILLS AMENDING THE COMPREHENSIVE SCHEDULE OF TAXES, FEES & CHARGES TO ESTABLISH A WATER SUPPLY FEE.

The proposed ordinance and resolution will establish a water supply fee that will pay for the cost of facilities to provide additional local water supplies needed as new connections are established or new development / redevelopment occurs. Copies of the proposed Ordinance, Resolution and the related fee study are available for review or purchase in the Office of the City Clerk, Room 290, 455 N. Rexford Drive, Beverly Hills, California. These documents can also be found at www.beverlyhills.org. Any interested person may attend the meeting and be heard. Deliberation between the Commissioners lasted several hours. Commissioner Howard Fisher advised his colleagues against preventing the process from moving forward.

“We’re starting to micromanage the process, is my concern,” Fisher said.

The Beverly Hilton hotel did not miss the opportunity to complain about its potential neighbors.

After Beverly Hilton failed to make a presentation during the last meeting on Sept. 26, the representatives returned to Monday’s meeting with transportation consultant Patrick Gibson, who argued that Wanda underestimated the number of loading trips the hotel will receive on a recurring basis.

Hilton attorney George Muhlsten asserted the study presented by Gibson represents the factual numbers and insisted Wanda had not backed up its findings with evidence.

“There really isn’t a discrepancy,” Muhlsten said. “We are the only party who has provided hard counts based on video data. Wanda hasn’t presented any quantifiable data.”

Athens Group COO Jay Newman asserted that Wanda “[stands] behind [their] number” and cited the supplemental environmental impact report to show there “will not be any new environmental impacts” from the proposed changes.

“The Hilton themselves have been bringing all these heavy duty construction trucks on to what they have turned into a construction site,” Newman said. “We’re not going to do that. All of our construction activity will be confined to the site. It’s so strange to hear them complaining about these trucks when they themselves are the ones utilizing the trucks.”

The project will return to the Planning Commission on Thursday.

Hilton expected to spend \$1,000 per vote

The Beverly Hills Garden & Open Space Initiative spent over \$2 million on campaign expenses from July 1 to Sept. 24, campaign finance documents show.

If expenditures continue at this pace, Oasis West Realty will have spent \$1,000 per vote in favor of the initiative.

Payees run the gamut from the Rabbinical Council of California to Sick Stitching, an embroidering company specializing in quality embroidered logos (see chart below).

An 83-page campaign disclosure form for the project, which is slated to appear on the November 8th ballot, reveals over \$76,000

Beverly Hills North Homeowners and Municipal League take the stage to debate Measure HH

The Beverly Hills North Homeowners Association hosted its debate about the Measure HH initiative on Oct. 6 at the Beverly Hilton Hotel. Beverly Hills North Homeowners Association President and former mayor Robert K. Tanenbaum debated Municipal League Chairman Thomas A. White.

In 2008, City Council

approved the Hilton's Specific Plan for the construction of a new 170-room luxury hotel and two residential buildings at eight and 18-stories high.

Measure HH amends the Specific Plan by consolidating the previously approved residential buildings into a single 26-story building and creates a 1.7 acre public park.

"The entitlement is for 18 and eight, and no park," Tanenbaum said in reference to the Hilton's Specific Plan. "I don't think that's what's in the best interest of our city."

White advised the City against "buying the same thing twice" and quoted a Hilton ad that ran in Issue 467 of the Weekly in 2008, promising the City a 1.3 acre garden.

"We are entitled to the 1.3 acre public garden," White said. "We will get a reduction of .4 acres, and [that's] about the size of the footprint of the building that would go on top of the 18-story building."

Tanenbaum brought up grievances with City Council officials while defending his pro-Hilton argument.

"When I see my old friend [Mayor] John Mirisch, sometimes I don't recognize him," Tanenbaum said in reference to Mirisch's

(Left to right): Robert K. Tanenbaum and Thomas A. White

public stance against Measure HH. "I asked [Mirisch] to debate me, and he refused to do that. I then asked if the Beverly Hills North Homeowners Association could use City Hall for the town hall [debate]. That was rejected, which is unfortunate because my feeling is that the chamber is a public chamber. It doesn't belong to three members of City Council."

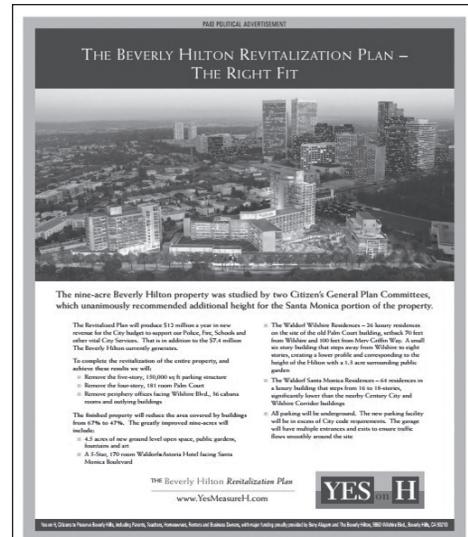

The Council previously agreed to host an independently moderated debate on the Hilton initiative in the Council Chamber, but the event was cancelled after Measure HH supporters refused to participate unless given the opportunity to approve all speakers opposing the initiative.

The Council has scheduled an informational community forum on Oct. 18, where city staff will present publically available information on the measure, and an impartial moderator will read submitted questions from the community, with responses submitted by both sides.

TEN FORMER SCHOOL BOARD MEMBERS ON WHY YOU SHOULD VOTE NO ON MEASURE Y

The undersigned former BHUSD school board presidents/ members strongly urge a NO vote on Measure Y. This is because of the current board's poor record of mismanagement, incompetence and fiscal irresponsibility. While the academic performance levels of the schools sink lower and lower, Measure Y presumes that we entrust the school board to fix the issues plaguing our school district by handing them a check. This is not the solution.

This week we received higher LA County property tax bills, even though 8 years ago Measure E promised not to raise them. The board accelerated Measure E, and did so 3 times, without voter approval. As a result, the unified school portion of the bill has more than doubled, an increase of 119 percent. During the past year unified school taxes increased almost 50 percent.

A "yes" vote for Measure Y would further increase our already \$1 billion school bond debt from Measures S, K, and E - principal and interest.

The board has wasted our money and violated our trust. Since the passage of the last bond, eight years ago, the only completed project has been one building at Horace Mann School. Millions of our dollars were spent on expensive attorneys and lawsuits, money that should have gone to ensuring the safety and security of our children. The board has grossly mismanaged its funds, while performance audits by independent auditors, Harvey M. Rose & Associates raised

many new, disturbing concerns which remain unresolved. The board has tied property values to a salary formula, an unsustainable policy, and the only one of its kind in the state of California.

Our district continues to spend dollars it does not have, putting at risk the future solvency of our entire school system.

The hastily drawn Measure Y will fall short of finishing the high school; a \$100 million shortfall remains. And they will be back for more. Items on the bond list have no connection to academic performance.

- Is a 3-level underground parking structure at [Beverly High], at a cost of \$36 million going to improve our district's dismal academic performance?

- Will the millions of dollars allocated from Measure Y for underground parking at other sites somehow stimulate academic progress in our community's schools?

- Bond funds cannot pay for root academic needs, technological software, hardware, professional development or other training to restore academic excellence. If Measure Y should pass, No Citizens' Oversight Committee is required to ensure funds are spent in accordance with the sparse list of projects.

We say, "No on Measure Y."

Two out of five sitting board members have refused to support the bond and voted against putting Measure Y on the ballot. They are deeply concerned. Placing a bond issue on the ballot without the support of a

unanimous board is unprecedented and establishes dangerous policy.

This community is entitled to transparency, accountability and the intelligent use of our money.

The school board needs to regain our trust and not put a hastily presented bond before the voters.

The taxpayers of this city deserve to realize successful results from the passage of Measure E projects before placing their trust in the promises of yet another bond. We urge a NO vote on Measure Y.

new Bike Share station at the northeast corner of Wilshire Boulevard and North Doheny Drive.

The Commissioners also supported the installation of an additional station on South La Peer Drive near the corner of Olympic Boulevard, with preference for the location to be directly on Olympic Boulevard, pending further engineering analysis.

Some Commissioners expressed concerns about visibility of the proposed station on

La Peer Drive and Vice Chair David Seidel suggested moving it directly to Olympic Boulevard.

"If [the station] is up La Peer [Drive] it's not really visible," Seidel said. "I think one of the advantages of, not only the system but also safety in general, is [the station is visible] as cars drive along. I'd like a closer look at [the La Peer Drive station] being on Olympic Boulevard itself."

The locations were chosen due to their close proximity to public transit, employment

centers, and commercial activity, according to the staff report.

"I like both sites and I'm not opposed to the site on La Peer north of Olympic," Seidel said. "I think it would be better on Olympic [Boulevard]."

The City officially launched the Bike Share pilot program on May 10. The system currently has 50 bicycles in circulation at eight operating stations. As of Sept. 1, the program has 676 active members with around 1,894 overall trips. The Wilshire Boulevard/

Beverly Drive station is the most utilized at about 415 rentals.

The adoption of the Bike Share program also included implementation of a helmet pilot program, where Bike Share members can obtain a free helmet, based on availability and inventory, from City Hall at the Cashier's desk on weekdays and the Conference and Visitors Bureau, 9400 S. Santa Monica Blvd., on weekends.

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of FRANK FICSOR.
A PETITION FOR PROBATE has been filed by ZOLTAN FICSOR in the Superior Court of California, County of LOS ANGELES.
THE PETITION FOR PROBATE requests that GABOR SZABO, ESQ. be appointed as personal representative to administer the estate of the decedent.
THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act . (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.
A HEARING on the petition will be held in this court as follows: 10/24/16 at 8:30AM in Dept. 99 located at 111 N. HILL ST., LOS ANGELES, CA 90012
IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.
IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representa-

tive appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

NOTICE OF PETITION TO ADMINISTER ESTATE OF AHARON IPALE
Case No. 16STPB04660

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of AHARON IPALE

A PETITION FOR PROBATE has been filed by David Ipale in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that David Ipale be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Nov. 1, 2016 at 8:30 AM in Dept. No. 99 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
