“Holiday Lighting Budget to Exceed \$2 Million” [Issue #941]

In response to Rabbi Simcha A. Green’s letter in last week’s Weekly, I have to write that he seems clueless about what we celebrate during the holiday season.

The City of Beverly Hills does not emphasize Christmas or Chanukah (Hanukkah).

We are a diverse city of all faiths and respect those who have no religious faith.

We celebrate a holiday season that includes everyone, no matter what their beliefs are.

Why would he present a proposal for a Chanukah program in the amount of \$15,000

when we already (for many years) have a menorah at Two Rodeo and openly celebrate all things Jewish during the season and all year long?

Of course he was turned down.

No city council anywhere would ever grant a religiously biased proposal that tries to force an agenda on a celebration of all faiths.

This is a time when we must unite, not divide.

Rabbi Green must also get his facts straight.

Beverly Hills is not “the largest Jewish city in the entire USA” as he wrote.

New York City is.

Beverly Hills is not even close to being at the top of the list.

He also wrote that 70% of our city is Jewish.

No, it is not.

Persian Jews make up the largest segment of our Jewish population at roughly 25%.

All Jews combined make up over 50%, but far below his 70%.

Rabbi Green needs to use truthful numbers based on facts instead of making them up.

I do, however, agree with his statement that “All people deserve the right to worship freely without coercion.”

We do that here and with the utmost respect for all religions.

All people also have the right to have an unbiased holiday season.

That is something Rabbi Green just doesn’t accept or understand.

“Council Won’t Review 9200 Wilshire” [Issue #945]

The article “Council Won’t Review 9200 Wilshire” should have indicated that the development on 9200 Wilshire was an already approved project that received a reduction of ground floor commercial space from 14,000 square feet to about 7,000 square feet.

Council Defers Water Rates Increase

In a meeting that ran until almost 2:00 a.m. last Tuesday, the City Council opted to defer an item about an increase of rates and charges for water services and facilities furnished by the City due to the lengthy discussion it would require.

The water rate modification would include an increase between \$5.50 and \$6.50 for the average single-family residential customer, an increase between \$6.70 and \$7.60 for the average multi-family residential customer, and an increase between \$5.00 and \$5.75 for the average commercial customer.

These changes would be in line with staff's five-year water rates proposal, which cover, among other things, the costs of purchasing water from the Metropolitan Water District, the fixed costs of operating the water system materials and supplied, budgeted capital projects, and debt service payments.

Even though it was decided the item would be moved to a future date, the Council still allowed for comments from the public. West Hollywood Councilmember Lauren Meister pointed out that West Hollywood

customers are paying a rate of 25 percent higher than the same water service received by Beverly Hills customers.

She expressed frustration that the West Hollywood staff had asked City staff several questions about revenue and expenses, only to be provided with half-answered responses.

"The City of West Hollywood doesn't want our residents and businesses paying a 25 percent surcharge if it is not properly justified under the law," said Meister.

Beverly Hills purchased the Sherman water company 90 years ago, which is now West Hollywood—hence why approximately half of West Hollywood receives water from Beverly Hills. Meister said that she was told the surcharge is used to repay the original investment.

"We asked for these items so we could better understand the need for a 25 percent rate differential and why it is needed after 90 years if it was being charged to help recover the original investment that the City of Beverly Hills made in purchasing and building a potable water system."

Meister requested that the Council move the next meeting at least 60 days to allow West Hollywood to review the City's cost allocation study, which they had just received.

But that 60 days would not actually have been feasible. According to Public Works Director Shana Epstein, it takes 30 days

NOTICE OF PUBLIC HEARING AND NOTICE OF AVAILABILITY OF DRAFT ENVIRONMENTAL IMPACT REPORT

HEARING DATE: Thursday, December 14, 2017

TIME: 1:30 p.m., or as soon thereafter as the matter may be heard

LOCATION: Commission Meeting Room 280A – Beverly Hills City Hall, 2nd Floor
455 North Rexford Drive, Beverly Hills, CA 90210

PROJECT: 100 North Crescent Drive Beverly Hills Media Center Project

The City of Beverly Hills has prepared a Draft Environmental Impact Report (Draft EIR) for a proposed commercial office project located at **100 North Crescent Drive** as more fully described below. The Planning Commission will hold a public hearing to review and accept comments on the Draft EIR on **December 14, 2017 at 1:30 p.m.**, or as soon thereafter as the matter may be heard. The purpose of this meeting is to review the content and adequacy of the Draft EIR. The merits of the project will not be discussed at this meeting, however, the Planning Commission will make no decisions regarding approval or denial of the project. At a future date, a separate, noticed public hearing will be held by the Planning Commission to review the merits of the proposed project and develop a recommendation to the City Council regarding the project.

Project Location: The property is located in the City of Beverly Hills, at the northeast corner of the intersection of Wilshire Boulevard and North Crescent Drive. The 58,528 square foot site consists of 7 tied parcels that are currently developed with a three-story, 106,085-sf office building with one level of below grade office space and three levels of subterranean parking and Crescent Drive Mini Park. The existing building, constructed in 1989, was designed by Gin Dan Wong, an architect included on the City's List of Master Architects. The address for the project site is 100 North Crescent Drive, and the Assessor's Parcel Number is 4343-004-047.

Project Description: The proposed project would involve a comprehensive renovation of the existing three-story office building which would include the construction of two additional floors of commercial office space that would increase the building height from 43 feet to 72 feet. Proposed building additions include small additions of floor area on the three existing floors of the building as well as the addition of two additional stories, adding 55,070 square-feet of floor area to the building. The proposed building would total 161,155 square feet of floor area. The fourth floor additions include a 4,490 outdoor terrace area facing Crescent Drive, and the fifth floor addition includes outdoor terrace areas that allow for building circulation to indoor floor space on the fifth floor. The project would include upgrades to an existing screening room and conversion of existing office floor area to create a new 4,330 square-foot restaurant. The three levels of existing subterranean parking would remain. The proposed project would involve temporary closure of the eastern portion of Crescent Drive Mini Park to use the area for building construction staging for approximately 19 months and full closure of the park for 5 months to allow for modifications to the park. In addition to changes to the building, the applicant proposes changes to Crescent Drive Mini Park, including creating new seating areas and replacing landscaping with drought tolerant plants and replacing park furniture. The project would result in a five-story building with a floor area ratio (FAR) of 2.75. The project site is currently zoned C-3 for general commercial uses, and the project requests amendments to the General Plan and the Beverly Hills Municipal Code in order to allow the proposed height, density, and to utilize tandem spaces, compact spaces, lifts for stacked parking and valet serviced drive-aisle spaces to meet parking requirements, thereby increasing the number and types of parking spaces that can be used to meet on-site parking requirements from 317 to 465. The project would be designed to a LEED-Gold standard, and features would include the re-use and re-purposing of existing building materials and a new building façade consisting of high performance, low emission glazing.

Environmental Review: In accordance with the California Environmental Quality Act (CEQA), the City of Beverly Hills has prepared a Draft EIR to analyze potential environmental impacts associated with development of the project. Specifically, the Draft EIR analyzes the following potentially significant environmental effects of the project:

- Aesthetics
- Air Quality
- Cultural Resources
- Land Use and Planning
- Noise
- Transportation and Traffic
- Tribal Cultural Resources
- Mandatory Findings of Significance

Based on the studies in the Draft EIR, with mitigation, no significant environmental effects are anticipated regarding air quality, cultural resources, land use and planning, noise, transportation and traffic, or tribal cultural resources as a result of the project. However, environmental effects to aesthetics (shade and shadow) would remain significant and unavoidable after implementation of required mitigation.

The project site does not appear on the Hazardous Waste and Substances site "Cortese" list (Govt. Code Sect. 65962.5).

Public Review and Comment on Draft EIR: The Draft EIR is being circulated for the required 45-day public review period, from Monday, November 13, 2017 to Friday, January 5, 2018 (54 days). Written comments must be submitted during the comment period, and should be addressed to:

after the second reading before rates are effective. A 45-day option would also not be possible, as the last council meeting of the year is on December 19.

Wunderlich asked about the time period between making a decision and when the rates could be implemented.

“Pushing 60 days would go further into when the rates would be effective if approved,” said Epstein, noting that the revenue loss would be about \$166,000.

Councilmembers Robert Wunderlich and Lester Friedman said that they preferred the 30-day option as opposed to 60-days because water rates would be able to be implemented by mid January.

“I think we’re trying to be fiscally responsible with our water enterprise and I think we’re doing the right thing,” said Friedman.

Councilmember John Mirisch contended that pension reform would be a better was to be fiscally responsible.

“The money that we’re wasting on bloated pensions is money that we can be using to not have to stick it to our residents. Every single opportunity, when we can, we stick it to the residents mercilessly. It’s just not fair.”

Mayor Lili Bosse and Mirisch said that they would prefer the 60-day delay.

“I think it’s fair to have more time [but] I would rather us give the the 60 days so we could all do due diligence with West Hollywood and have Beverly Hills work alongside because I do see that they’re going to influence each other depending on what happens,” said Bosse.

Ultimately, the Council voted 3-2 to opt for the 30-day delay, with Bosse and Mirisch dissenting.

Harvard-Westlake Drops Plans for Controversial Parking Expansion

Last week, Harvard-Westlake School President Richard B. Commons announced the school has abandoned plans to build a new three-story, 750-space parking garage on the west side of Coldwater Canyon.

An athletic field surrounded by fencing and equipped with 14 light poles would have been constructed on the roof of the parking structure.

As a means of connecting the garage

Proposed bridge spanning Coldwater Canyon

and athletic field to the main campus, a 163-foot-wide pedestrian bridge spanning Coldwater Canyon would have been erected.

But several neighbors expressed frustration regarding the potential traffic implications, as traffic proceeds up the hill into Beverly Hills.

In the Weekly’s cover story, A Parking Predicament [Issue #798], “Save Coldwater Canyon” spokesperson Alex Izbicki discussed the safety hazards of implementing the parking plan.

“It makes no sense to create an unsafe situation and potentially bring forth massive public liability and exposure stemming from not only the unfortunate injuries and loss of life that could come from the bridge failure, but also, when seconds matter during an emergency, the catastrophic consequence of this collapsed bridge blocking a vital thoroughfare like Coldwater Canyon and impeding emergency vehicles from reaching those needing immediate medical attention and assistance,” said Izbicki.

According to the Daily News, Commons called the decision a “watershed moment” and indicated that a scaled-down project would not return in the future.

Drunk Driver Strikes BHPD Officer

Last weekend, an on-duty BHPD police officer was struck by a motorist while he was directing traffic at the scene of a traffic collision.

The officer sustained non-life threatening injuries.

The driver, who struck the officer on Gregory Way and Doheny, was arrested for DUI.

BHPD Lieutenant Elisabeth Albanese

would not release the name of the injured officer.

Expiring Permit Applications Receive Six Month Extension

The City Council opted last Tuesday to give a six-month extension to 33 building projects that have been active since January 1, 2016, submitted to the City prior to January 1, and were set to expire before the end of the year.

Building permit applications that were filed with the City prior to January 1 and that have been active after that time in 2016 but expired, will now be required to obtain their building permit by May 6 instead of March 7, 2018.

The Municipal Code provides a 365 day initial period in which to complete the plan check process for building permit applications. If a building doesn’t get the required permit in that time frame, the application expires unless the City formally extends the time by 180 days in response to a written request from the applicant if events beyond the applicant’s control prevented the applicant from obtaining a building permit.

Approximately 33 expired applications would be affected by this, but staff recommended giving the applicants an additional six months because staff had not previously strictly applied the expiration provision or formal extension requirement.

“What’s being proposed is fair and balanced, and gives those 33 applicants the ability to try and meet that with a very reasonable time,” said Mayor Lili Bosse.

In one letter submitted by One Beverly Hills, General Manager David Shu makes the case that the Wanda Project had “unique

issues” and “mitigating factors” that required a six month extension.

They requested the extension “due to the unique nature and considerable size of the OBH project,” wrote Shu.

Vice Mayor Julian Gold noted that he believes there was no ill intent behind the delays and that it wasn’t the fault of the property owners, but Mirisch argued that intention isn’t the point.

“I’m not making it at all a question of intentions, but professionalism—not following the law, not following protocol, however well-intentioned, I’m sure at a hospital doctors can overmedicate because they are probably well-intentioned but the results are not going to be good. There are consequences and here we are, and hopefully we’ll avoid them in the future,” said Councilmember John Mirisch.

He requested that if there is a question of buildings not conforming to code, they should have come directly to the Council for direction.

“When they don’t, this is what happens and it creates all sorts of issues,” said Mirisch. “It was avoidable in my opinion.”

128 and 130 South Carson Parcels Could Get an Overlay Zone

The Planning Commission voted 3-2 last Thursday to deny a rezone parcels 128 and 130 South Carson from an R-1 zoning designation, which is one-family residential, to an R-4 zoning designation, which is multiple residential. On separate 3-2 vote, they directed staff to instead explore an overlay zone on those blocks.

The decision follows the Planning Commission’s vote on October 12 to direct staff to return to the commission with a resolution recommending approval of the

rezoning request to the City Council.

Ten years ago the City Council approved a five-story mixed-use project at 8600 Wilshire Boulevard containing up to 26 condominium units and approximately 6,000 square foot which would be used for retail space.

At that time, the property owners of the two single-family parcels located adjacent to the project, 128 and 130 South Carson Road, requested that the City consider the rezoning of their parcels from single-family to multi-family zoning.

In December 2007, the Council directed staff to send the request through the Planning Commission. Then, in 2016, the Planning Commission and City Council Liaison Committee directed staff to process this request and bring the item forward for consideration by the Planning Commission and City Council.

Staff then consulted with the owners of the two properties to clarify the request. In a letter sent to the Planning Commission in September owner Eileen Finizza stated her reasoning for submitting the request, citing issues like concerns for impacts of privacy loss, parking loss, traffic and garage traffic from the adjacent development, and loss of value to her property due to the mixed-use project.

"If we knew it would be upzoned, we would have never bought this house," wrote Finizza. "The City Fathers originally designed Beverly Hills as an R-1 Residential Community. They did NOT

design it as a Commercial/Multiple Condos in an R-1 area."

At public comment on Thursday, both Finizza and 128 South Carson owner Mary Kirarni encouraged the Commission to go through with the project.

"None of the other neighbors have been affected like us," said Kirmani. "This is a very special, unique block which [is] all commercial, but [the] only residential is me and Eileen.

But several residents spoke in opposition of the project, many of which expressing that an R-4 was simply too large and inappropriate for the neighborhood. One such speaker included 102-year-old neighbor Betty Globe, who has lived at her home across from 130 South Carson for 65 years.

"The changes you want to make are not good for us," said Globe. "If it goes through to an R-4, we will have traffic. We will have noise. Our value of our houses will go down. Please don't let it go through."

Even though the resolution was already drafted, Commission Chair Lori Greene Gordon urged the commission to try and find a compromise that would be acceptable to both sides.

Commissioner Craig Corman reiterated a point from last month's discussion about how going from R-1 to R-4 is a "big jump" as it would allow three floors instead of two, which is different than the rest of the neighborhood.

He recommended creating an overlay zone that would only apply to 128 and 130 South Carson. The advantage of an overlay

zone, he said, would be that someone who wanted to purchase the properties could still build a single-family home on the lot because it wouldn't be rezoned.

Rezoning to an R-4 would subject that single-family home to setbacks.

"[The] concept of having a multi-family dwelling on each parcel, but smaller than an R-4—that's the best way to go," said Corman. "It protects the neighbors from having overly large structures and having whatever's built on these properties appear to be completely different from the R-1 structures. But it also gives something to the property owners who have been hurt by the properties behind them."

But Commissioner Alan Block noted that the Council essentially asked the Planning Commission to make a decision on the R-4 permit, which he said he felt would not depreciate the adjacent properties.

Block also expressed concern regarding the length at which the process of an overlay zone implementation could take.

The commission opted to deny the R-4 zone change and look into an overlay zone, with Commissioner Joe Shooshani and Block dissenting.

Public Works Talks Beverly Gardens Park Restoration

The Public Works Commission heard an update last Thursday on the eastern block of the Beverly Gardens Park, which is currently being restored.

The report outlined design development for the 10 eastern blocks of the project, which stretches from Doheny

to Crescent Drive. The blocks include Doheny Fountain Gateway, Oakhurst/Sierra Garden, Sierra/Alta Garden, Alta/Arden Pergola Garden, Arden/Hillcrest Garden, Maple/Palm Garden, Maple/Elm Rose Garden, Foothill/Elm Rose Garden, Alpine/Rexford Garden, and Rexford/Crescent Garden.

"We are [currently] developing planning documents and plan to go to bid in December," said City Architect Mandana Motahari.

Construction includes selective demolition of existing site concrete, new landscaping, curbs and decomposed granite walks, updated lighting fixtures and replacement of irrigation systems.

Motahari that the eastern block is slated to begin construction on February 15, 2018 and completion is expected in October 2018.

The Beverly Gardens Park Restoration Project was first initiated in 2011 by resident Steven Gordon, who led a private fundraising effort in order to offset costs to the City.

The restoration efforts began in 2014 when the City hired Mia Lehrer & Associates for consulting services to provide design, construction document development and bidding services in addition to construction administrating.

Previous phases of the project have included restoration of the Lily Pond and the restoration of the Electric Fountain Garden. In October 2016, the next phase to include the western blocks was presented

BOARD SHOWDOWN

Board President Mel Spitz challenges colleagues

By Olivia Anderson

In a tension-filled meeting on Tuesday, Board of Education President Mel Spitz delivered a stern rebuke to several emails Howard Goldstein sent out regarding a letter published in *Beverly Hills Weekly*, an article in the *Jewish Journal*, and the 2016 Bond Measure Y.

Spitz said that because the school district will face a large amount of challenge in the coming year, the Board will have to work collaboratively in order to achieve community support.

"My responses to Mr. Goldstein are, I believe, consistent with that imperative."

Spitz called attention to an email Goldstein addressed to him on November 1 about Former City Treasurer Eliot Finkel's letter to the editor in *Beverly Hills Weekly* where Finkel shared his recollections of the October 30 JPA liaison meeting.

In his email, Goldstein told Spitz that he would "leave it up to you to as Board president or Superintendent [Michael] Bregy to publicly comment about Mr. Finkel's inaccuracies."

It is unclear precisely what inaccuracies Goldstein was referring to.

Spitz contended that because he did not attend the liaison meeting, he should not be expected to publicly comment about Finkel's recollections of it.

He also responded to Goldstein's request for Spitz to ask the *Jewish Journal* to retract his "erroneous quote" in an article that referred to the BHUSD's long but unsuccessful battle to block Metro's plans to route a sub-way beneath Beverly High.

While Spitz said he did not recall making that statement, he stood firm in his criticism of the Board's strategy in opposing Metro, which he characterized as "costly and insufficiently effective."

But perhaps the crux of the hostility came when Board member Lisa Korbato tried to silence Spitz in responding to an email from Goldstein, denouncing a comment Spitz made about proposed Building C's three-level highly expensive subterranean parking structure at Beverly High that would be funded by Bond Measure Y.

"At no time had any Board ever approved three levels of subterranean parking under Building C," wrote Goldstein.

Therefore, [Spitz's] comment is nonsensical."

The Capital Facilities Plan Update, presented in December 2015, shows that the Board previously approved a proposed master plan for the high school that includes Building C's three-level subterranean parking structure.

That update described Building C as "a new gymnasium building with 373 underground spaces."

As Spitz was refuting Goldstein's comment, Korbato interrupted at one point by asking him to stop talking.

"I'm going to ask you politely to refrain from discussing this any longer," said Korbato. "You are delving into areas that are attorney-client privilege. You are getting dangerously close to things that are closed session."

Goldstein said that while he appreciated Spitz's comments, it was "not appropriate to

"I always welcome discussion in open session to be transparent"
—Mel Spitz

bring [them] up in this form."

But Spitz maintained that the items were indeed public. "I always welcome discussion in open session to be transparent," said Spitz. "I think we feel the same way about the tasks ahead of us and that we're going to have to work together very well in the next twelve months, and I think we will."

Friends of Greystone Hosts Consul General of Mexico

On November 12, Beverly Hills Architectural Commissioner Sharon Persovski and Friends of the Greystone Mansion President Susan Rosen hosted the Honorable Carlos Garcia de Alba, Consul

General of Mexico in Los Angeles, in an exclusive tour of the Greystone Mansion.

Greystone Mansion, completed in 1928 and designated in 1976 as a national historic site, was built by oil-tycoon Edward L. Doheny, who had made his fortune drilling for oil in Mexico and elsewhere. The home cost \$4 million to build and was the most expensive residential property built in California at that time.

Theatre 40 to Present an Evening of Music and Song

On November 19, vocalist Mary Normann, accompanied by pianist Jim Furnmston, will perform songs by Cole Porter, George Gershwin, Harold Arlen, Anthony Newley and others.

Harpist Dorothy Victor will play numerous selections.

Proceeds from this concert will support the ongoing activities of the Beverly Hills Theatre Guild and Theatre 40.

The event will take place at Theatre 40, in the Reuben Cordova Theatre on the campus of Beverly High. There is ample free parking beneath the venue.

Admission is \$25. For reservations, call (310) 364-3606. Online ticketing can be found at www.theatre40.org

Beverly High Hosts Science and Engineering Fair

Ninety-six students, representing 57 projects, from all five of the district's schools, participated in our middle and high school Science and Engineering Fair, held at Beverly High on November 8.

The event is put on by a dedicated team of parents, teachers and professionals in the community - and funded by the Beverly Hills Education Foundation.

The Science Fair Organizing Team included Nathan Kruger, Dr. Michele Kalt, Jenn Pederson, Nancy Hunt-Coffey, Tara Leigh, Tina Wiener, Susan Kimura and Maria Sanchez.

The high school first place winners were Sienna Wolfe and Noah Pals. Wolfe is technically an 8th grader from Beverly Vista, but Pals is a 9th grader from Beverly High.

Their project was called "Reducing Overdose Deaths from Prescription

Cystic Fibrosis Activist Mallory Smith Passes

Beverly High Class of 2010 graduate Mallory Smith lost her long fight against Cystic Fibrosis Wednesday at the University of Pittsburgh Medical Center.

A graduate of Stanford University, Mallory majored in human biology, played on the club volleyball team, and worked as outreach chair of the health advocacy program. She also wrote prolifically about the

Mallory Smith

disease and its effect on her life.

Mallory, 25, was diagnosed with Cystic Fibrosis at three years old, and fought a valiant, often uphill battle that included a lung transplant earlier this year at the University of Pittsburgh Medical Center.

"I think about the short term in that every moment is extremely valuable," Mallory told the *Weekly* in issue #634. "Every moment I'm feeling good is something to be appreciated."

Mallory's survivors include her parents Mark Smith and Diane Shader Smith, and brother Micah Smith.

A memorial service will be held Saturday at 4:00 p.m. at their annual "Mallory's Garden" event.

[PURSUANT TO CIVIL CODE Section 2923.3(a), THE SUMMARY OF INFORMATION REFERRED TO ABOVE IS NOT ATTACHED TO THE RECORDED COPY OF THIS DOCUMENT BUT ONLY TO THE COPIES PROVIDED TO THE TRUSTOR.] YOU ARE IN DEFAULT UNDER A DEED OF TRUST DATED

11/9/2006. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 714-730-2727 or visit this Internet Web site www.lpsasap.com, using the file number assigned to this case, CA-RCS-17017656. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. On December 6, 2017, at 11:00 AM, BY THE FOUNTAIN LOCATED AT, 400 CIVIC CENTER PLAZA, in the City of POMONA, County of LOS ANGELES, State of CALIFORNIA, PEAK FORECLOSURE SERVICES, INC., a California corporation, as duly appointed Trustee under that certain Deed of Trust executed by JONATHAN DAVID LEDESMA, A SINGLE MAN, as Trustors, recorded on 11/28/2006, as Instrument No. 20062619129, of Official Records in the office of the Recorder of LOS ANGELES County, State of CALIFORNIA, under the power of sale therein contained, WILL SELL AT PUBLIC AUCTION TO THE HIGHEST BIDDER, for cash, cashier's check drawn on a state or national bank, check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state will be held by the duly appointed trustee as shown below, of all right, title, and interest conveyed to and now held by the trustee in the hereinafter described property under and pursuant to a Deed of Trust described below. The sale will be made, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by the Deed of Trust, with interest and late charges thereon, as provided in the note(s), advances, under the terms of the Deed of Trust, interest thereon, fees, charges and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. The amount may be greater on the day of sale. Property is being sold "as is - where is". TAX PARCEL NO. 4337-006-047. Property address: 8629 Rugby Drive, West Hollywood, CA 90069. The land referred to is situated in the State of California, County of Los Angeles, City of West Hollywood, and is described as follows: Lot "C" in Block 2 of Tract No. 4769, in the City of West Hollywood, County of Los Angeles, State of California, as per Map recorded in Book 52 Pages 23 to 25 inclusive of Maps, in the Office of the County Recorder of said County. Except therefrom that portion of said Lot "C" conveyed to Marvin E. La Hue and Helen La Hue, husband and wife by Deed recorded April 1, 1949 in Book 29735 Page 52, Official Records, and more particularly described as follows: The Easterly 1 foot measured along the South line of Lot "C" in Block 2 of said Tract 4769. Except therefrom the Northerly 10 feet. From information which the Trustee deems reliable, but for which Trustee makes no representation or warranty, the street address or other common designation of the above described property is purported to be 8629 RUGBY DRIVE, WEST HOLLYWOOD, CA 90069. Said property is being sold for the purpose

of paying the obligations secured by said Deed of Trust, including fees and expenses of sale. The total amount of the unpaid principal balance, interest thereon, together with reasonably estimated costs, expenses and advances at the time of the initial publication of the Notice of Trustee's Sale is \$1,580,014.47. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. WE ARE ATTEMPTING TO COLLECT A DEBT, AND ANY INFORMATION WE OBTAIN WILL BE USED FOR THAT PURPOSE. LA1916903 BEVERLY HILLS WEEKLY 11/16,23,30 12/7 2017

PROJECT NO. 17-55

**CITY OF BEVERLY HILLS
PUBLIC WORKS DEPARTMENT
345 FOOTHILL ROAD
BEVERLY HILLS, CALIFORNIA 90210**
**REQUEST FOR PREQUALIFICATION
OF BIDDERS AND PREQUALIFICATION
INSTRUCTIONS FOR:**

THERMAL STORAGE TANK REHABILITATION PROJECT – PHASE 1

Notice is hereby given that the City of Beverly Hills ("CITY") has determined that all bidders for Phase 1 (tank debris removal, cleaning & condition assessment) of the Thermal Storage Tank Rehabilitation ("Project") must be pre-qualified prior to submitting a bid on that Project. It is mandatory that all Contractors who intend to submit a bid, fully complete the prequalification questionnaire, provide all materials requested herein, and be approved by the CITY to be on the final qualified Bidders list.

No bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a bid as part of a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid. The last date to submit a fully completed questionnaire is **5:00 PM Tuesday, November 28, 2017**. Contractors are encouraged to submit prequalification packages as soon as possible, so that they may be notified of omissions of information to be remedied or of their prequalification status in advance of the prequalification deadline for this Project.

Answers to questions contained in the attached questionnaire (posted on the City's Website [Beverlyhills.org -> Business -> Bid Listings -> Prequalification Package for Thermal Storage Tank Rehabilitation – Phase 1]) are required. The CITY will use these documents as the basis of rating Contractors with respect to whether each Contractor is qualified to bid on the Project,

and reserves the right to check other sources available. The CITY's decision will be based on objective evaluation criteria.

The CITY reserves the right to adjust, increase, limit, suspend or rescind the prequalification rating based on subsequently learned information. Contractors whose rating changes sufficiently to disqualify them will be notified, and given an opportunity for a hearing consistent with the hearing procedures described below for appealing a prequalification rating.

While it is the intent of the prequalification questionnaire and documents required therewith to assist the CITY in determining bidder responsibility prior to bid and to aid the CITY in selecting the lowest responsible bidder, neither the fact of prequalification, nor any prequalification rating, will preclude the CITY from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

The prequalification packages should be submitted under seal to the **Office of the City Clerk, City of Beverly Hills, 455 North Rexford Drive, Room 290, Beverly Hills, CA 90210**. The following should be clearly marked on the outside of the package "CONFIDENTIAL PREQUALIFICATION STATEMENT FOR THE THERMAL STORAGE TANK REHABILITATION PROJECT". For any Questions regarding the questionnaire and the qualification package contact, Mandana Motahari (email: mmotahari@beverlyhills.org).

The prequalification packages submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purpose of verification, or investigation of substantial allegations, or in an appeal hearing. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify the CITY and provide updated accurate information in writing, under penalty of perjury.

The CITY reserves the right to waive minor irregularities and omissions in the information contained in the prequalification application submitted, and to make all final determinations. The CITY may also determine at any time that the prequalification process will be suspended for the Project and the Project will be bid without prequalification.

Contractors may submit prequalification packages during regular working hours on any day that the offices of the CITY are open. Contractors who submit a complete prequalification package will be notified of their qualification status no later than ten business days after submission of the information.

The CITY may refuse to grant prequalification where the requested information and materials are not provided by the due date indicated above. There is no appeal from a refusal for an incomplete or late application, but re-application for a later project is permitted. Neither the closing time for submitting prequalification packages for this Project will be changed in order to accommodate supplementation of incomplete submissions, or late submissions, unless

requested by the CITY in its sole discretion.

In addition to a contractor's failure to be pre-qualified pursuant to the scoring system set forth in the prequalification package, a contractor may be found not prequalified for either omission of or falsification of, any requested information.

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be made by the unsuccessful Contractor. An appeal is begun by the Contractor delivering notice to

the CITY of its appeal of the decision with respect to its prequalification rating, no later than two business days following notification that it is not pre-qualified. The notice of appeal shall include an address where the Contractor wishes to receive notice of the appeal hearing. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of the CITY, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal, a hearing shall be conducted

no earlier than five business days after the CITY's receipt of the notice of appeal and not later than five business days prior to the date of the Notice Inviting Bids for this Project. Prior to the hearing, the Contractor shall, in writing, be advised of the basis for the City's pre-qualification determination.

The hearing shall be conducted by a panel consisting of three members of the Public Works Department senior management staff (the "Appeals Panel"). The Appeals Panel shall consider any evidence presented by the Contractor, whether or not the evidence

is presented in compliance with formal rules of evidence. The Contractor will be given the opportunity to present evidence, information and arguments as to why the Contractor believes it should be pre-qualified. Within one day after the conclusion of the hearing, the Appeals Panel will render a written determination as to whether the Contractor is pre-qualified. It is the intention of the CITY that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.
