Reservoir 4B Piping Upgrades Now through April 30, 2020

The City will be performing Reservoir 4B piping upgrades, which include replacing existing piping and appurtenances through open excavation within access alley. The scope includes tree removal that are within trench limits. Fire hydrant flushing will be occurring in various locations from Santa Monica Blvd. down to Wilshire Blvd.

Street and Alley Improvements Now through October 1, 2020

Various street and alley improvements are underway, which include the rehabilitation of 12 miles of roadway and seven miles of alleys. The improvements mainly consist of asphalt and concrete paving, sidewalk/curb and gutter spot repairs

New Organics Waste Program Now through December 2019

As part of the City's new organics waste program, the City will be providing green waste containers for multi-family residential buildings to dispose green waste. Commercial customers will get a site visit and a green waste container for their organic waste.

Businesses and multi-family properties of five units or more that generate 4 or more cubic yards of solid waste per week will be required to recycle its organic waste. Organic waste includes items like food scraps and landscape waste. This is part of the City's ongoing efforts in working with residents and businesses towards achieving the State's sustainability goal and reducing greenhouse gas emissions.

Phase One - Citywide Traffic Signal Upgradesm Now through November 2019

The City is currently undergoing Phase One of the Citywide Traffic Signal Upgrades. This project involves the installation of new traffic signal controllers, detection systems, closed circuit television (CCTV), emergency vehicle preemption, etc. at 41 locations throughout the City. The project locations are focused on areas affected by Metro.

If you will be impacted by the above-mentioned projects, you will receive a project notice separately.

A Statement from Board of Education Member Rachelle Marcus Regarding the Academic Calendar:

In a statement printed last week, Tristen Walker-Shuman was able to lobby for a proposed 2020-2021 calendar, which she has been highly in favor of. While I respect Tristen as a fellow board member, I feel compelled to share my thoughts on the matter with the community. To be clear, I feel quite strongly that it is counterproductive for one Board member to

demean and insult the other board members by trashing their thinking as "unsubstantiated" and "based on feelings & anecdote." Such comments are alienating and do not promote healthy dialog and discussion among board members. In addition, all five members were elected to exercise responsibility over the District as a unit, and the majority rules. Mrs. Shuman's suggestion that decisions be made by conducting district-wide surveys of parents, students and staff would circumvent the decision-making role assigned to the Board.

Regarding the proposed 2020-2021 calendar, I offer the following statements in rebuttal:

1. Looking at day-to-day attendance numbers, there WAS a 5% increase in absenteeism on the Wednesday before Thanksgiving. The two days prior have approximately the same percentage absenteeism numbers as all the other days in the month of November. For that reason, I was not opposed to adding Wednesday to the Thanksgiving break, but am opposed to two additional days. Additionally, this could create child care challenges for many working parents.

- 2. The statement that no academic curriculum is presented for these three days (as Mrs. Shuman states "teachers show movies & play games") puts teachers in a bad light. I am sure they do not appreciate this offensive generalization and, as a teacher, I am certainly offended.
- 3. It is not necessary for students to get an entire week off for Thanksgiving, since students will get two weeks of vacation shortly thereafter in December.
- 4. The new calendar starts one week later and ends one week later, reducing the amount of time for AP classes to cover the material for the AP exams in early May. Further, there are only about 80 days of instruction in the first semester and about 100 days in the second semester resulting in a great imbalance of instructional time between the two semesters and forcing teachers to adjust their teaching to include all curriculum in the reduced first semester, before the winter break and finals.
- 5. To say that the new calendar was overwhelmingly approved by the certificated staff is true for the 100 teachers that voted. What did the other 200+ teachers think and why was only one calendar presented to the BHEA? A Tentative agreement or contract was worked out during the summer by the negotiating team. The School Board never signed off or discussed the calendar and it should never have been presented to the BHEA as having been approved by the Board. However, this was added to the Tentative Agreement that we are asked to vote for making this a package deal. Put yourselves in our shoes, I feel like we have been duped. Yet, Mrs. Walker Shuman suggests that the Board should rubber stamp what educational experts created without our input. How is this good governance and how am I expected to do due diligence.
- 6. As for the AP scores, we have excellent results. The fact that there are other districts with higher scores is an unfair comparison. We do not know who is allowed to take AP tests in other districts. We do not know the makeup of other student bodies. Students have to pay \$89.00 per exam to take these exams. Motivation to take the exams can affect those who do not want to pay unless they are really prepared or need the scores for college applications. What percentage of students take AP exams compared to total enrollment in other districts? What is the percentage of financial aid in schools with higher scores? We all know how data can be manipulated to support a desired conclusion.
- 7. Mrs. Walker-Shuman said 418 students out of 4,000 take AP classes which is 11%. She failed to mention that there only 1335 students in the HS, including freshman who do not generally take AP. That puts the percentage above 35%.
- 8. Adding 1 day at Thanksgiving may remove the teacher absenteeism problem on Wednesday which as I said before I am not opposed to.
- 9. Even though the district staff and a committee worked on several proposed calendars and the union voted on only one option, the Board did not have the opportunity to discuss the calendar and present it for BHEA approval. Actually, it is the Board that is now shackled, due to the district's poor administrative procedure.

In all my 56 years that I have been a part of the BHU-SD, I have never witnessed this behavior of one member using social media to gain support. The Board operates in a democratic and transparent manner and everyone is entitled to their position without recriminations.

"BHPD Citizens Academy"

The Beverly Hills Police Department is one of the best trained in the world.

My husband and I were so thrilled to be a part of the Beverly Hills Police Department Citizens Academy this past summer.

We were able to see how our police dept. worked behind the scenes. We now have a better understanding of their intense amount training that goes into their job.

Our police are brave, smart, strong, focused, decisive, determined, and committed.

Every week a different Policeman would speak in depth about his work. We had the opportunity to shoot a Colt M4. With that we learned stance, grip, sight alignment, breath control, trigger control, sight picture, and follow through.

They have in-depth field training. They put in many hours for Defensive Tactics and Use of Force (Krav Maga and Ju Jitsu), Practical Scenario Training, and Emergency Vehicle Operations.

We were educated about the role of our officers regarding the K9 unit. These dogs can detect drugs and explosives. Our Officers live with these dogs and do an amazing job with them.

SWAT (Special Weapons and Tactics): you have to know what to do before the incident occurs. These guys are "faster than a speeding bullet,".....you've got the idea.

Our police deserve everyone's support because we've seen first-hand how qualified they are to entrust our public safety.

Anyone who has an opportunity to see behind the scenes like we have would agree that we have so many reasons to rave about our Beverly Hills Police Department.

Planning Commission Approves Request to Increase Height of 149-151 South Rexford Drive

Donald Dieser, on behalf of LCAP III, LLC, and the property located at 149-151 South Rexford Drive, requested a developmental plan review to increase the height of the existing multi-family residential building.

The request was made in conjunction with the addition of a new 761 square-foot third floor to the existing building located at the rear of the property, resulting in a building height of approximately 30 feet.

The project also includes the creation

of roof decks contiguous to the new third floor. The construction of the proposed new third floor would result in a total building height of approximately 30 feet and six inches, which is an increase of approximately 8 feet and eight inches from the existing condition. No additional dwelling units are proposed as part of the project and no modifications are proposed to the building located at the front of the property.

Dieser indicated that there is no plan to add more units on top of the existing structure, but instead to lower the ceiling which would thereby add more space to expand.

"Basically we are putting the living room and kitchen and putting it on the [new] top floor," Dieser said, and added that the applicants are "very sensitive about the design, [and] wanted the pitched roof and same stucco."

The proposed project involves the addition of a new 761 square foot third floor to the existing building located at the rear of the project site.

There was discussion during public comment over an excess of noise during construction. Dieser said that construction may take "about five to six months" to complete the project.

"We received new [renderings] that make it very clear the proposal is to have two rooftop decks," Vice Chair Peter Ostroff said, and asked the applicant if it was possible to eliminate the roof decks.

"This looks reasonable to me, but the only way I would approve this is if we included a screened landscape area around the roof deck so that it would provide a buffer for noise," Commissioner Lori Greene

briefs cont. from page 3

Gordon said.

Commissioner Joe Shooshani indicated a request to bring the entire building up

151 Rexford Drive

to code, but added that he did not see an issue with privacy in relation to the roof deck.

"I don't see the [proposed roof deck] as a bother to anybody, you're only looking over Rexford [drive] and a synagogue," Shooshani.

Ostroff said that he did not like the idea of the deck, and that "there's no way to control how these [decks] are used."

"I see no need to make these decks, or have them accessible," Ostroff said, and voted against the findings as proposed.

The Planning Commission voted in favor of the proposed changes 4-1, with Ostroff dissenting.

The request was approved on conditions to be reviewed by the Commission at a later date.

Former Recreation Supervisor's Lawsuit Proceeds, Alleging Age Discrimination

Cynthia Brynan, former City Recreation Supervisor, has filed a lawsuit against the City and Assistant City Manager Nancy Hunt-Coffey for retaliation and harassment in violation of government code and discrimination on the basis of age and disability. The City lost a motion last week attempting to narrow these claims.

Brynan, 67, was hired in 1979 by the City as the Recreation Supervisor within the Department of Recreation and Parks. She worked in this position without any negative issues or discipline of any nature for over two decades, according to the complaint.

In 2001, Brynan was assigned responsibility to assist with the management of the Greystone Mansion Estate as well as the planning and implementation of special events. She was also given responsibility over the venue's "Concours d'Elegance," which subsequently became a signature event for the City.

When a vacancy in a managerial position opened up, Brynan said she made her interest very clear to her would-be supervisor, Hunt-Coffey.

Brynan alleges that she asked Hunt-Coffey several times as to when the Manager position would be open for [he] to apply, [and] took Ms. Hunt-Coffey's reaction to her inquiries as dismissive and [that she]

dissuaded [her] from pursuing the Manager position," according to the complaint.

Brynan also claims that Hunt-Coffey indicated that they were looking for

someone with a "fine arts background" for the position.

Brynan applied for the manager position immediately following medical leave. She had made a request for accommodation to the City to conduct her interview at a later date, but this request was denied.

Kristin Buhagiar, approximately 30 years younger than Brynan, was given

the position and became Brynan's superior. Prior to this position, Buhagiar worked as a lifeguard and later as a lifeguard supervisor for the City of Laguna Beach, and "is believed [to not] have a fine arts background, [and] no experience planning events, or experience with historic venues such as the Greystone Mansion," according to the complaint.

In 2018, Brynan was reassigned from Greystone Mansion to La Cienega Park, where she claims her duties became more menial and insignificant.

"In the months that followed, two additional Manager positions in [Brynan's] department became available for which

[she] was qualified to fill. However, the City bypassed [her] for promotion to either of these positions. Consistent with its pattern of discrimination and retaliation, The City filled the positions with less-experienced individuals who were half approximately half [Brynan's] age," according to the complaint.

The trial is set for April 2021. The reasoning behind the extended trial date is an

overload of cases, according to Sark Ohanian, who represents Brynan in the case.

"There will be various depositions but none set yet," Ohanion said. "My best guess would be we start depositions in late November."

Brynan is seeking restitution for general, special, and compensatory damages, and for reasonable attorney's fees pursuant to statue.

In relation to the lawsuit, City Public Information Manager Keith Sterling said "we find the allegations meritless and strongly disagree with the assertions being made. However, for the purposes of this motion, the court assumes that all allegations in the complaint are true. Therefore, as a result of the judge's decision, the City will answer the complaint and begin the task of proving these allegations are fabricated and possibly bring a pre-trial motion to resolve this matter. When the facts of this matter are revealed, we feel very confident that the City will prevail."

City Acquires 8423 Wilshire Boulevard

The Planning Commission reviewed the proposed acquisition of land for conformity with the City's General Plan last week.

The City acquired the property at 8423 Wilshire Boulevard, also known as the "clock market property" for \$16.5 million

Pursuant to the provisions set forth in the California Environmental Quality Act (CEQA), the Planning Commission will consider finding the project exempt from further review under CEQA.

On October 2, the Parking Authority Board of Directors and City Council approved a purchase and sale agreement for acquisition of the property located at 8423 Wilshire Boulevard, which is at the northeast corner of the Wilshire Boulevard and Hamilton Drive intersection. The site is often referred to as the Clock Drive-in Market, or the "Property". The Property was added to the Beverly Hills Register of Historic Properties as Landmark #31 on June 21, 2016, and is currently leased to O'Gara Coach for use as an automobile dealership.

According to records from the Los Angeles County Assessor, the property contains approximately 19,323 square feet of land area and 8,496 square feet of building area, and is immediately adjacent to the westerly boundary of the Metro staging area, referred to as the "Gale Yard".

Ariel View of 8423 Wilshire Boulevard

The property is improved with a Spanish Colonial Revival style building, and is originally referred to as the Clock Drive-in Market, built in 1929. It is a one- and two-story L-shaped building of brick and wood-frame construction.

It was designed and built as a drivein market with a large apartment (later turned office space) upstairs and a small stand-alone gas station at its southeast corner. In more recent years, the Property operated as a Porsche-Audi dealership and continued that use until 2015 when the dealership moved to West Los Angeles. The Property is currently leased to a luxury automobile dealership tenant that sells Bentley and Lamborghini vehicles. The property has been listed on the Beverly Hills Register of Historic Properties since June 21, 2016.

The property located at 8423 Wilshire Boulevard has been previously identified as a key opportunity site in the Southeast Area of the city due to its historic nature, proximity to the future subway station, and location adjacent to the Gale staging yard, which the City will develop once subway construction is complete.

The City has not adopted any formal plans to use the site as of press time.

Changes in CEQA Law Require City to Change Transportation Impact Analysis

Changes in state law require the City to adopt new California Environmental Quality Act (CEQA) thresholds of significance for transportation impacts. For the purposes of CEQA these changes will modify how the City evaluates projects for transportation impacts.

CEQA section 15064.3 requires that the City change transportation impact analysis for the purposes of CEQA by July 1 of next year.

On September 27, 2013, former Governor Jerry Brown signed SB 743 into law and started a process intended to fundamentally change how transportation impact analysis is conducted as part of the CEQA review of projects. SB 743 eliminates Level of Service, or LOS, as the basis for determining transportation impacts under CEQA and requires the use of Vehicle Miles Traveled, or VMT instead.

The state's goal is to shift environmental analysis from measuring auto delay to measuring the amount of automobile use caused by a project. This would eliminate LOS, and replaces the standard with VMT, which would measure how much car use a particular project causes.

VMT measures the impact of driving on the region, and provides information to meet regional goals such as vehicle emission reduction and reduction to urban sprawl.

The Planning Commission first considered these changes at a July 25 meeting. The commission discussed the recommendation to develop local transportation assessment guidelines that continue to level of service measurement guidelines and local street traffic volumes in project review.

An Ad-Hoc committee that met on August 13 recommended that the commission explore which projects be exempt from VMT analysis, what is an appropriate VMT significant impact threshold, and what requirements should be incorporated into local transportation assessment guidelines.

The Ad-Hoc committee also recommended that projects that generate less than 110 daily trips would not require VMT analysis for an environmental impact document.

Commissioner Lori Greene Gordon, who was on the Ad-Hoc committee with Vice Chair Peter Ostroff, said she is pleased with how the criteria was developed, and expressed interest in enhancing the criteria.

"At least we can start with this framework, and if there is any way of enhancing this in the future [we] should do that," Gordon said.

Ostroff agreed, adding that the commissioners tried to "balance various con-

briefs cont. from page 4

cerns," and that it is consistent with the legislation.

Pope Discusses County's Plan to Make Voting More Accessible

Retired City Clerk Byron Pope discussed the Los Angeles County Registar Recorder's plan to make voting more accessible in the March 3, 2020 election during a Beverly Hills View October 4 tap-

"We're changing voting [by] moving from precincts and moving to vote center models," Pope said.

This would make it accessible for a voter to go to any precinct or voting center in Los Angeles rather than the one that is nearest to their house, according to Pope.

Byron Pope

Traditional polling places would be replaced with fully-accessible vote centers that would available he throughout the county, and state residents would no longer be required to visit an as-

signed polling place to vote, and voting would begin 10 days before election day.

The plan also involves implementing touch-screen pads in lieu of a paper ballot. Users would be able to select their preferred language, change the font size, and adjust the brightness.

There is also an option to use the "interactive sample ballot" that voters may access on their smartphone before arriving at the polling center to generate a "poll pass" to transfer onto a ballot.

Pope said he wanted to devote time to this project despite his retirement, citing that elections were his favorite part of the job as a City Clerk.

"When I was President of the City Clerks [Association] it gave me a chance to get to know all the City Clerks in California," Pope said. "That was the crux of how I became a 'subject matter expert' on how elections should run beginning to

Luna Discusses New Trust and Innovation Portal on **Beverly Hills View**

City Auditor Eduardo Luna discussed

the City's new Trust and Innovation Portal (TIP) on an October 4 Beverly Hills View taping.

The City has launched the Portal in an ongoing effort to improve local government Eduardo Luna

and ensure transparent and effective City operations.

Luna described the program as a "kind of a broad whistleblower line."

"I was challenged by the Council to come up with something a little, that could solicit ideas and make the city run better," Luna said. "The more I thought about it, and the more I looked

around, I noticed many [other governments] do have whistleblower lines.'

Luna said the portal is available 24 hours a day, seven days a week, as a "tool to allow residents to report improper activity, but more importantly, [for the city to] receive suggestions on how residents believe the city can run better."

The City Auditor is tasked with investigating alleged improper activity and, depending on the nature of the issue, may report findings to City management or the BHPD. The Auditor will maintain the confidentiality of all complaints, associated reports, and other documents.

In addition to the TIP online portal, residents and employees may submit tips or ideas by calling 310-288-2847, or by emailing directly at TIP@beverlyhills. org. Visit https://vimeo.com/364908593 for the full interview.

Roberts Voices Concern Over La Cienega Master Plan

Tom Roberts, architect and resident, presented concerns about the La Cienega Master Plan project at the town hall on September 25.

'As far as scale goes, I think this project is grossly out of scale," Roberts said.

Roberts then presented a picture of the West Hollywood library and the proposed park side by side to demonstrate the scale. The same firm that is tasked with designing the park designed the West Hollywood library as well.

"I don't know if people realize just how big it is going to be," Roberts said, and showed a blueprint enumerating the size of the tallest height of the project at 76

Roberts listed "one of his biggest gripes" as the proposed bridge over La Cienega Boulevard that would connect two sections of the park. He cited the trees that would extend onto the over pass and the "huge wall," at about 60 feet or six stories high, as a safety concern.

"It's a park expansion, but I think it's a park reduction," he said, adding that it takes away greenery that already exists.

Trees Removed Amid Metro Piling Installation and Construction

Twenty-eight trees will be removed near the future Wilshire/Rodeo Station prior to the start of piling later this month.

Work hours will be from 8:15 pm to 7 am on weekdays and closures of traffic lanes, crosswalks, and sidewalks will be required. Tree removals are expected to be completed by mid-October. Replacement

trees will be planted during the street restoration phase of construction.

Piling operations are anticipated to begin as early as next week. During piling, a drill rig will be used to drill holes 100 feet below the surface all around the future Wilshire/Rodeo Station box. A crane will lower steel beams into each hole, then the hole will be backfilled with concrete to provide support during excavation for the station.

This activity will require full-time lane closures on Wilshire Boulevard and some weekend closures at the Beverly and South Canon intersections. "K-rail" barriers will be in place 24 hours a day, seven days a week through the completion of this work, which is expected to be July 2020. Two lanes of traffic will remain open in each direction on Wilshire Boulevard during the piling phase.

North Canon is no longer accessible from Wilshire Boulevard. A 20-foot soundwall has been installed at the intersection of North Canon and Wilshire Boulevard in an effort to mitigate traffic and noise for a minimum of two years during major construction.

North Canon, at this intersection closure, has been reconfigured into a culde-sac. Work hours to install lighting, sidewalk ramps, and pedestrian improvements will be weekdays from 7 a.m. and 4 p.m. and weekends from 8 a.m. and 6 p.m. when needed.

Installation of Traffic Signal at Clifton and Crescent **Intersection Underway**

A four-way traffic signal will be installed at Clifton Way and Crescent Drive to mitigate the anticipated traffic impact caused by the North Canon closure.

Installation of the traffic signal is expected to be completed this month. Work hours will be weekdays from 7 a.m. to 4 p.m., and weekends from 8 a.m. to 6 p.m. when needed.

The installation will require some impact to traffic lanes, sidewalks, crosswalks, and parking meters at the Clifton and Crescent intersection. Flaggers will be available to assist pedestrians in these

Writers Bloc Presents Joel Stein with Reza Aslan on October 30

The American Jewish University and Writers Bloc present Joel Stein in conversation with Reza Aslan on October 30.

Stein's new book, "In Defense of Elitism: Why I'm Better Than You And You Are Better Than Someone Who Didn't Buy This Book" takes a look at why and how Donald Trump won the 2016 presidential election.

Stein examines the anti-elitism that produced Trump's support, and he goes deep into "Trump Country," spending a great deal of time in the county that boasted the highest numbers of trump voters. He meets with "fake news" creators.

"This is a call to arms for the elite. Not an actual call to arms, since we don't think people should have those, but metaphor-

In addition to art, the show will feature a wine and beer garden, food trucks, live entertainment, and various family activities.

The Wallis Presents "Love Actually Live" November 27 Through December 29

"Love Actually Live," the multimedia concert celebration of the holiday film, and the biggest record-breaking hit in the Wallis' history, will be returning due to popular demand.

During its world premiere last December, more than 12,000 people visited the Wallis Annenberg Center for the Performing Arts to view "Love Actually Live."

"We knew we made a very special

TROUSDALE NEIGHBORS **CLASH OVER TREE-**TRIMMING AND BASIN **VIEWS**

By Allyson Aleksey

Allen Yadgari, the property owner of 570 Chalette Drive, has requested the removal of five trees and the pruning of two trees located at Louise Horvitz's property at 565 Chalette Drive.

Currently, Yadgari and Horvitz are engaged in a lawsuit over the alleged trespass and vandalism of Horvitz's property by gardeners Yadgari hired to prune trees that he says obstruct his view of the Los Angeles Area Ba-

Horvitz sued Yadgari for \$1.2 million for the alleged vandalism.

"On February 24, 2018, [Louise] found half a dozen workers in the canopy of her Jacaranda tree. She shouted at the men to get down, and they [said] they had been hired by [Yadgari's] wife to trim the trees," said David Horovitz, Louise's grandson and property representative

> Her neighbor, Jasmine Yadgari, stood in the road supervising.

When asked why he was doing this, the workers' manager, Jose Gonzales, explained that "Mrs. Yadgari has hired them to cut to cut the tree, and that she had been given permission to do so," ac-

cording to Horovitz.

"And even if she didn't, she didn't care, that she's a lawyer, she's very rich, and she didn't care how much it cost her. She wanted it down, and she was going to do it," Horvitz told the commission.

"This [Jacaranda tree] was one of the first she planted in her garden, in 1970," Horovitz said. "She picked it herself from a tree farm deep in the San Fernando valley.'

NEW LATE START LAW COULD IMPACT BHUSD

By Allyson Aleksey

Legislation signed into law on Sunday by Governor Gavin Newsom will mandate later start times at most public schools across the state, and would require middle schools to begin class no earlier than 8 a.m., and high school to begin no earlier than 8:30 a.m.

Although the mandate will take effect over a phased-out period with start times implemented in the 2022 – 2023

academic year, the BHUSD has already prepared for the requirements of SB 328.

"In BHUSD we have been very proactive around this legislation. In the reconfiguration process, BHUSD [administration] was already aware of the possibility of this bill passing through government," Assistant Superintendent Dustin Seemann said. "We ensured that BVMS's bell schedule would align with

the legislation if it were to pass."

The earliest classes at Beverly Vista begin at 8 a.m., which will be mandated statewide beginning in the 2022 academic year. However, the earliest class at Beverly High begins at 8 a.m. as well, which would conflict with the mandated 8:30 a.m. start time for public high schools.

"We are also in the process of vetting out of high school bell schedule. Our goal this year is to re-align our BHHS bell schedule to meet the requirements set by the Governor while supporting our student's instructional needs," Seemann

The BHUSD is also in the process of selecting a committee that will assist with vetting bell schedule that meet a newly-developed criteria for the new bell schedule.

Beverly High will still offer "zero period" courses which begin at 7 a.m., and will not be affected under the new legislation.

The late start has been addressed amongst BHUSD board members in the past.

Board of education member Tristen Walker-Shuman advocated for a later start time over the summer for grades 6 through 12.

"I didn't have the votes to implement it for this school year, but hopeful we will lead the way in Fall 2020," Walker-Shuman said in a Facebook post.

NOTICE OF TRUSTEE'S SALE TS No. CA-19-861419-CL Order No.: DS7300-19003842 YOU ARE IN DEFAULT UNDER A DEED OF TRUST DATED 6/25/2002. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROP-ERTY, IT MAY BE SOLD AT A PUBLIC SALE IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. A public auction sale to the highest bidder for cash, cashier's check drawn on a state or national bank, check drawn by state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 to the Financial Code and authorized to do business in this state, will be held by duly appointed trustee. The sale will be made, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by the Deed of Trust, with interest and late charges thereon, as provided in the note(s), advances, under the terms of the Deed of Trust, interest thereon, fees, charges and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. The amount may be greater on the day of sale. BENEFICIARY MAY ELECT TO BID LESS THAN THE TOTAL AMOUNT DUE. Trustor(s): Feridoun Dardashti and Paridokht Dardashti, husband and wife as joint tenants Recorded: 7/1/2002 as Instrument No. 02 1483948 and modified as per Modification Agreement recorded 5/17/2007 as Instrument No. 20071200880 of Official Records in the office of the Recorder of LOS ANGELES County, California; Date of Sale: 10/31/2019 at 10:00 AM Place of Sale: Behind the fountain located in Civic Center Plaza, located at 400 Civic Center Plaza, Pomona CA 91766 Amount of unpaid balance and other charges:

\$799,694.72 The purported property address is: 1001 N HILLCREST RD, BEVERLY HILLS, CA 90210 Assessor's Parcel No.: 4391-031-044 NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 916-939-0772 for information regarding the trustee's sale or visit this Internet Web site http://www.qualityloan. com, using the file number assigned to this foreclosure by the Trustee: CA-19-861419-CL. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown. directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Pur-chaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the

Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. A Big Thank You to the Beverly Hills High Real Estate Club Meeting

On Monday, October 10th I had the honor to be invited as a guest speaker for Beverly Hills High's first real estate club meeting. Thank you Michael Newman, Yoni Kashanian, + Beverly Hills High School for having me. These teens are so inspiring, full of ideas and curiosity. It's extremely special to be able to go back to where I spent four amazing years and give back.
