“Mixed-Use Ordinance Gets a Verdict” [Issue #1102]

If the mixed use ordinance, which rezoned for more than three times RHNA requirements, was not enough, our City Council majority still is not done ravaging the parts of the city where they do not live.

It is doubtful that any of the over-sized building projects which are in process will be rejected, which is why the developers are investing large sums of money to proceed.

But there is more. The city enlisted Lisa Wise Consulting to draft an Economic Sustainability Plan, supposedly to recover from the COVID-19 pandemic, even though our budget shortfall was reported to be only \$7 million, and the city received a much greater amount of governmental assistance funds.

The deal was for the consulting firm to recommend increased building heights and decreased parking requirements, which was discussed during a March 25 “Economic Sustainability Well-Being Liaison Committee Meeting” viewable online at the city website.

One recommended plan of action was 2.D.1.g: “Increasing height in certain areas to accommodate new development and reinvestment . . .”

Another was 2.D.1.h: “Amending parking requirements. . .” to reduce parking requirements for restaurants, medical uses, offices, art, entertainment, and to allow new medical uses.

Apparently the extensive mixed use rezoning which will allow up to three additional stories to our height limits, and decreased parking requirements near the homes of so many residents, is not enough damage for this City Council majority to wreak.

The talk on increased height and decreased parking requirements, which I would characterize as acting, from about 24 to 33 minutes into the meeting, seemed quite innocent, as if the city intended to study these issues and to see what residents wanted, as if the city council majority actually cared what the residents wanted.

Funny how when city councilmembers were running for office, they never hinted that they planned to change our city. Of course we should have known that something was up when a PAC consisting mainly of real estate donors donated \$80K to assure the re-election of two councilmembers.

In June 2022, there will be three city council seats to fill, and we will have a chance to change our City Council majority. Hopefully we will replace two of the three city councilmembers.

Candidates should file to run by a date to be determined between mid-December to mid-February 2022. Hopefully some honorable residents who understand why Beverly Hills has been admired, and who actually care what constituents want, will step up to run.

BHUSD Expands Hybrid Learning to Five Days A Week

The BHUSD expanded in-person instruction to five days a week for elementary students Wednesday. It will also similarly expand in-person instruction for middle and high school students starting April 26.

Students enrolled in hybrid learning have been attending campus for their classes in cohorts for part of the school week and continuing virtual instruction at home the remainder of the school week. Superintendent Michael Bregy, in an email sent Friday, also announced that the size of cohorts have been increased.

“It has been an unusual year but we are on the way to full recovery,” said the BHUSD Board of Education in the email.

Cultural Heritage Commission Reviews Nominations For Golden Shield Awards

The Cultural Heritage Commission recommended several landmarks in Beverly Hills for Golden Shield Awards last

Wednesday.

Golden Shield Awards are meant to recognize historic and culturally significant places in the City of Beverly Hills. Honorees have included the iconic deli Nate n’ Al’s, longtime retailer Gearys Beverly Hills and the former residence of composers George and Ira Gershwin.

Commissioners considered the following preliminary selections for the award:

- Morocco Junction, a former train station in Beverly Hills.
- The Beverly Theater/ Fiorucci, a theater that had opened in 1925 that is now part of the Maybourne hotel.
- The Brown Derby, a restaurant that opened in 1931. It was closed and demolished in 1982.
- Romanoff’s/The Daisy, a restaurant that was popular among Hollywood stars in the 1950’s.
- Edelweiss – Grace Young’s Candy Roundup, one of the oldest confectioneries in the United States.
- Pioneer Hardware, a hardware and home goods store that has served Beverly Hills residents since 1925. According to the commission’s agenda report, it is among the oldest businesses in the city.
- Carroll and Company, a retail establishment that served celebrities such as Fred Astaire, Cary Grant and Frank Sinatra.
- Hunters Books, a bookstore that operated in Beverly Hills for 64 years.
- Harry Harris Shoes, a shoe store that operated in Beverly Hills from 1962 to 2020.
- Pixie Town, a children’s clothing store that opened in 1967.
- J.J. Newberry, a five-and-dime department store. It closed all of its stores in California in 1997.
- Francis-Orr Stationery, a stationary store that operated in Beverly Hills from 1924 to 2018.

The commission voted to recommend Morocco Junction, The Beverly Theater/ Fiorucci, The Brown Derby, Romanoff’s/ The Daisy, Edelweiss and Carroll and Company for future consideration of the award with a 5-0 vote.

Commissioner Josh Flagg said a hotel may open up at the location of the Carroll and Company store in the future. He said that means a lot of people will notice the Golden Shield Award plaque in that area.

“There’s going to be so much foot traffic on that corner that I think, especially when the hotel opens years from now, to see that plaque right there people will notice it,” Flagg said.

Chair Jill Tavelman Collins said the commission is starting with the more obvious nominations and it’ll move forward from there.

“I think that whichever ones don’t get chosen today, Commissioner [Craig] Corman will be chair next year,” Collins said. “There will be 12 more next year. We can take the ones that didn’t make it today and also the ones that were recommended and add to it.”

The city awards Golden Shield Awards based on the following criteria, according to the agenda report:

- It exemplifies a particular way of life that helps to strengthen the economy of

the city by formally recognizing important features and sites for residents, tourists and visitors.

- It fosters public appreciation and civic pride in the character and quality of the city and reinforces a sense of place associated with Beverly Hills.

- It possesses artistic or aesthetic value, or represents the unique characteristics of a particular architectural style, architectural type, architectural period, method of construction, etc.

- It is associated with community members, businesses/institutions, or events that are important to the cultural history of the city.

- It has a unique location, singular physical characteristic, educational value, or is a prominent or familiar visual feature within the cultural landscape of the community.

- The recognition is expressly agreed to by the owner of the property.

Board Reviews Audit Reports

The BHUSD Board of Education reviewed last Tuesday audit reports on the district’s use of funds, including for Measure BH and Measure E.

According to the district’s audit report, the district’s financial reports show general fund revenue and other financing sources of \$80,055,165. Its expenditures and other financing uses total \$77,516,210. This means that there is a net change of around \$2.5 million.

The report also states that the district’s changes in net position resulted in a \$34,312,016 surplus at the end of the last fiscal year.

Board member Noah Margo said it’s nice to see things are improving.

“After being here close to a decade, it’s nice to see things really are improving,” Margo said. “It’s a juggernaut of improvement, but I’m very encouraged by both audits today.”

Board President Rachelle Marcus said staff should be applauded for their work on the audit report.

“Hopefully next year’s will be even better than this one,” Marcus said.

Interview Panel Recommends New Traffic & Parking Commissioners

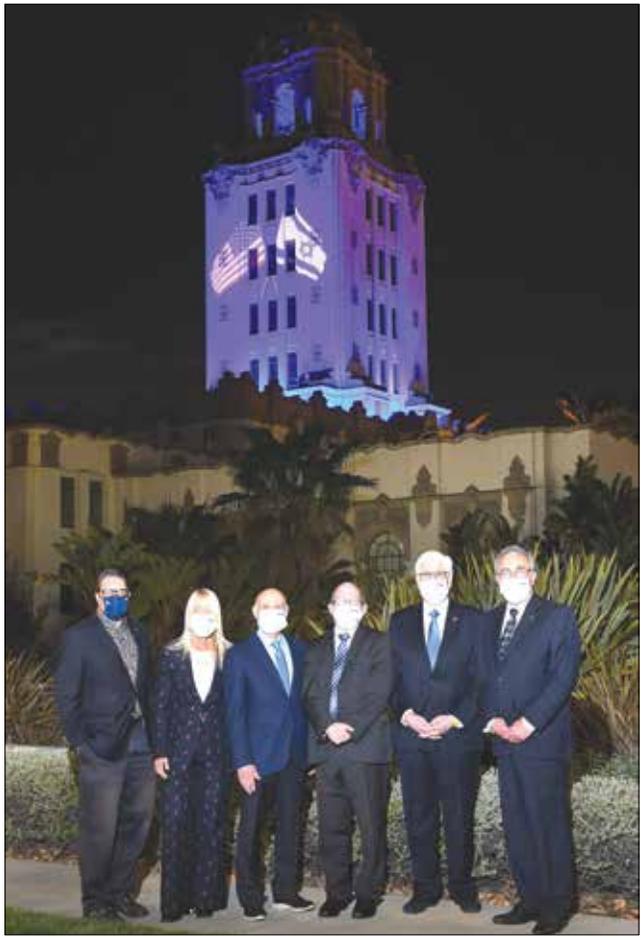

An interview panel has recommended two new members to the Traffic & Parking Commission, according to a City Council meeting Tuesday.

The interview panel was made up of Mayor Robert Wunderlich, Councilmember Julian Gold, Traffic and Parking Commission Chair Nooshin Meshkaty and Vice Chair Sharon Ignarro. They interviewed six applicants for two vacancies on March 19.

The panel recommended Karen Maghen and Hadar Geller, who is an architect. Councilmembers will consider formally approving the recommendations at a future date.

If approved, Maghen would begin her term on January 1, 2022 and replace Meshkaty at the end of her term. Geller

patrons during the COVID-19 pandemic, according to a City Council meeting Tuesday.

Beverly Hills implemented the "Open-BH" program during the pandemic to allow restaurants to set up outdoor dining spaces on sidewalks, in parking lots and in parklets. Restaurants can participate in the program by obtaining an OpenBH permit.

With its OpenBH permit, The Maybourne proposed to create more outdoor dining space by removing some of the landscaping on its southern sidewalk. According to the council's agenda report, the hotel would be required to restore the area after the OpenBH permit is terminated.

Councilmembers approved the proposal with a 4-0 vote. Councilmember Lester Friedman did not attend the council's Tuesday meeting. The permit will be reviewed again in six months.

Architectural Commission to Consider Modifications to Armani

The Architectural Commission was scheduled to consider facade modifications to the Giorgio Armani store on North

436 North Rodeo Drive

Rodeo Drive Wednesday afternoon. Ersilia Giacca, Armani's Store Development Director, applied for the modifications and a sign accommodation to allow multiple "Business Identification Signs."

The proposal includes adding a laminated glass storefront system, horizontal LED lights along the storefront, a logo door handle, limestone storefront tiles and three new business signs.

Architectural Commission Will Consider Updates to Brioni

The Architectural Commission was scheduled to consider facade modifications and a construction barricade for menswear store Brioni on North Beverly

447 North Rodeo Drive Wednesday.

The luxury retailer has requested an architectural review for facade modifications that include metal storefront framing, dark green canopy, black matting at the entry area and laminated glass entry doors.

In addition to the changes to the store's exterior, it has also asked for a sign accommodation for multiple "Business Identification Signs" and a construction barricade.

BHPD Focuses on Distracted Driving Enforcement

The Beverly Hills Police Department had additional officers on patrol looking for drivers that are violating the state's hands-free cell phone law Tuesday.

Under the law, drivers are not allowed to hold a phone or electronic communications device while driving. This includes talking, texting, or using an app.

"Distracted driving is a serious issue, but one that can be easily solved simply by putting the phone down," said Beverly Hills Police Chief Dominick Rivetti. "That text, phone call, email, or social media post can wait."

Beginning July 1, a violation for using a handheld cellular phone or texting while driving will result in a fine and also add a point to the driver's record for each violation occurring within 36 months of a prior conviction for the same offense.

Other distractions that increase the risk of a crash include eating, grooming, programming directions, adjusting the radio, taking off a jacket, reaching for an object on the floor, or navigating a vehicle's in-dash touchscreen.

Funding for this program is provided by a California Office of Traffic Safety grant through the National Highway Traffic Safety Administration.

Prang Speaks at Beverly Hills Rotary Club

Los Angeles County Assessor Jeff Prang was the featured speaker at the Beverly Hills Rotary Club's Real Estate Roundtable on Wednesday at 3 p.m.

He spoke about the recently-passed Proposition 19 and addressed how it may affect Beverly Hills businesses and residents.

Jeff Prang

Prang, in a statement, said there's significant logistical and administrative challenges connected with Proposition 19. He said there is a great deal of confusion sur-

rounding the proposition. "We are currently working to get legislation that will clarify and untangle those ambiguities but I can tell you that until that legislation is adopted, we're not going to have a lot of answers for you," Prang said. "I am going to try and explain this and much more about Prop 19 as well as our tax savings programs we offer when I address the Beverly Hills Rotary - Real Estate Roundtable Wednesday."

Horvath Announces Run for LA County Supervisor

West Hollywood Mayor Lindsey Horvath announced her run for Los Angeles County Supervisor last Thursday. Supervisor Sheila Kuehl announced she will be retiring from her position in 2022.

Lindsey Horvath

"I am ready to get to work on issues ranging from homelessness to transportation, justice to the environment, public health to an economic recovery that includes everyone," Horvath said in a press release. "I believe we as a county can move forward on these issues to greatly improve the lives of all who call Los Angeles County home."

Los Angeles voters elected Horvath to be on the West Hollywood City Council in 2015. She had served on the council previously from 2009 to 2011, but lost her run for re-election in 2011.

She is California Contract Cities Association President, a CalCities board member, among other leadership roles.

Assemblymember Richard Bloom (D-Santa Monica) announced earlier this year that he is also running for the same seat.

Superintendent of Public Instruction Endorses Bloom For Supervisor

California State Superintendent of Public Instruction Tony Thurmond announced Wednesday his endorsement of Assemblymember Richard Bloom (D-Santa Monica)'s campaign for Los Angeles County Supervisor.

Bloom is running in the 2022 open-seat race to replace outgoing Supervisor Sheila Kuehl.

Thurmond, in a statement, said Bloom is a progressive champion for public education because he understands that California's public schools and universities are the most important tools we have for improving economic mobility and supporting working families.

City Partners with Sing For Hope & The Wallis for Art Project

The City of Beverly Hills is partnering with the Wallis Annenberg Center for Performing Arts and nonprofit organization Sing For Hope to display pianos throughout the city, according to a City Council meeting Tuesday.

The project will be titled "Sing for Hope Pianos" and has been implemented in various cities throughout the United States. According to the council's agenda report, there will be between 10 to 20 pianos located throughout Beverly Hills. The pianos will be designed by various artists.

Each piano is estimated to cost approximately \$10,000. The city will allocate \$50,000 toward the project through its Department of Community Services general fund budget. The Wallis will contribute \$50,000 and the remaining \$100,000 will be funded through sponsorships efforts.

The Arts & Culture/Human Relations Commission Liaisons had recommended the art project for the council's approval in March.

ONE BEVERLY HILLS HEARINGS CONTINUE

Planning Commission Reviews Proposed \$2 Billion Project

By Ani Gasparyan

The Planning Commission considered Monday the One Beverly Hills Specific Plan Project, but continued the discussion to April 22.

One Beverly Hills is a proposed luxury hotel, condominium and botanical garden that would be located at the intersections of Wilshire and Santa Monica Boulevard next to the Beverly Hilton Hotel. The approximately 17.5 acre project would sit on four lots – the former Robinsons-May department store, a Union 76 gas station, the Beverly Hilton Hotel and the Waldorf Astoria Beverly Hills Hotel.

Commissioners previously discussed the project in an April 8 meeting, during which they approved a resolution to recommend a general plan amendment and

Rendering of One Beverly Hills proposal

zone text amendment for the project.

If the project is approved, developers Alagem Capital Group and Cain International would be able to build a hotel with 42 all-suite rooms and 37 residential units and two condominium towers with a combined total of 303 units. The towers would be the tallest buildings in Beverly Hills at a proposed 410 and 369 feet respectively.

Commissioner Myra Demeter asked about how access to the project's proposed private club would be determined. She said the proposal states that club membership will be nondiscriminatory but it's unclear what that means.

"Is it going to be first come first serve, etcetera?" Demeter said. "Is there going to be review, vetting? I don't think you

really answered that question to my satisfaction."

George Mhlsten, counsel for One Beverly Hills, said nondiscriminatory means admission to the club cannot be limited based on race, nationality, religious affiliation, gender or any other classification.

"So none of those characteristics can be a basis upon which anybody would be decided for admission to the club," Mhlsten said.

Demeter also asked who is going to make the determination to increase diversity at the club, which is stated as a goal in the project's proposal.

"The project developer will make that determination in connection with the development of the club itself," Mhlsten said. "At some point the club may well have a board of directors, but in all cases no determination will be made on the basis any of those characteristics that we've identified and are certainly identified under California law and city policy."

Commissioner Andy Licht said his biggest issue is the intersections at Wilshire Boulevard and Merv Griffin Way.

"There's so many great things about this project – I'm very much in support of it," Licht said. "I do think one of my duties as a commissioner is to look out for the city's interest and I need to understand why a second traffic signal would be beneficial to the residents and the traffic passing through the city."

Patrick Gibson, Principal Associate with Gibson Transportation Consulting, said the two new signals the project is requesting to put in is important to the project and motorists driving past it.

"Both of those traffic signals allow us to divide the project into three different circulation systems or three different access points for the different land uses on the site," he said.

He added that the signal at Wilshire and the north south road allows them to get traffic in and out of the residential street at the same time as they get hotel and retail traffic in and out on Merv Griffin Way.

"If we do that both at the same time, both on the same traffic signal cycle, it means we can handle all of that traffic in less green time than if we have all of that on one street," Gibson said.

One Beverly Hills Spokesperson Adam Englander, in a statement, said they appreciate the commis-

sion's questions. "We appreciate the thoughtful questions from the Planning Commission and believe that the third-party experts have clearly shown that One Beverly Hills is an exciting and positive project for the city that will create eight acres of botanical gardens while not requiring any additional square footage than the existing entitlements," Englander said.

The City Council will review the project after the Planning Commission and will have the final say on if it is approved.

viding financial aid and support services," Thurmond said. "I support Richard Bloom for Los Angeles County Supervisor because I know he will champion the causes that matter most and work every day to deliver results for the people he serves."

Thurmond was sworn in as the 28th California State Superintendent of Public Instruction on January 7, 2019. Previously, he served on the Richmond City Council, West Contra Costa Unified School Board, and in the California State Assembly, representing District 15.

Bloom was elected to represent Assembly District 50, which includes Santa Monica, Beverly Hills, West Hollywood, West Los Angeles, Malibu, Agoura Hills and dozens of westside neighborhoods within the County's Third District, in 2012.

WILL WE MEET AGAIN?

Council Discusses Reopening City Hall For In-Person Services

By Ani Gasparyan

Beverly Hills City Hall will be slowly reopening for in-person services by appointment starting May 3, according to a City Council meeting Tuesday. City Council meetings will continue to be held virtually until further notice.

City Hall was closed in March 2020 in

“I definitely think that people, whether they’re watching it on the computer or watching it on TV, they want to be able to understand us and hear us. I think it’s difficult to do when we are speaking with a face covering”
—Vice Mayor Lili Bosse

accordance with the State of California’s COVID-19 Health and Safety guidelines. While several of the city’s essential departments have continued to work in-person, such as the Public Works Department and Beverly Hills Police Department, others have been working

remotely.

Assistant City Manager Nancy Hunt-Coffey said city staff have created guidelines for reopening City Hall. She said departments will also continue to provide virtual services when they reopen.

“Just a few highlights of this plan – it currently calls for City Hall to open to the public by appointment on May 3,” Hunt-Coffey said.

But in-person City Council meetings will likely not resume until at least June.

Hunt-Coffey said the Los Angeles Department of Public Health’s protocols for office worksites states in-person meetings are strongly discouraged in favor of virtual meetings. She said city staff does not recommend in-person council meetings until around June 15.

The last in-person council meeting was an emergency public session on March 16, in which councilmembers discussed an eviction moratorium and other COVID-19 health and safety regulations for the city. Councilmember John Mirisch, who was mayor at the time, had been the only councilmember physically present in the room while the remaining four spoke over the phone.

According to the LA Department of Public Health, if in-person meetings are

—Assistant City Manager Nancy Hunt-Coffey

“absolutely necessary” they must have 15 or less people and everyone must wear masks. The room must also be big enough to maintain six feet social distancing.

Vice Mayor Lili Bosse said only a few members of the public would be able to attend meetings because of the 15 person limit, which may create more of a conflict.

“Because how do we decide who the three are?” Bosse said. “I think [that] people might feel that we’re suppressing their participation, which obviously is the opposite of what we want to do.”

She said it may also be difficult for people to understand the council when they speak through masks.

“I definitely think that people, whether they’re watching it on the computer or watching it on TV, they want to be able to understand us and hear us,” Bosse said. “I think it’s difficult to do when we are speaking with a face covering.”

Councilmember Julian Gold said the City of Beverly Hills wouldn’t be the first city to reopen and he would prefer reopening for in-person meetings earlier opposed to later.

“The reality is most of our meetings don’t have that many people,” Gold said. “If we were just doing a meeting, even today’s meeting, we could’ve accommodated between the municipal chamber and the chamber itself most of the people who spoke today if they had wanted to show up in-person.”

Mirisch said the council should continue virtual meetings as long as it’s legal to do so.

“The notion of wearing masks during an entire council meeting while we’re speaking to me does not appeal.”

Mirisch said. “I don’t think it’s the best form of government either, I think we’re better off doing what we’re doing now until such time as we’re able to have our meetings and not have those masks.”

Both Bosse and Mirisch said they would like the city to continue offering a hybrid option, in which members of the public can choose to participate in meetings virtually.

“I think that we should always allow for the hybrid meetings,” Bosse said. “I think this was a positive thing that came out from COVID, the ability for people to video in and participate in that way.”

Councilmembers also gave direction on the COVID-19 health and safety protocols that will be required at City Hall when it reopens.

“If we were just doing a meeting, even today’s meeting, we could’ve accommodated between the municipal chamber and the chamber itself most of the people who spoke today if they had wanted to show up in-person”
—Councilmember Julian Gold

There appeared to be a consensus to implement COVID-19 symptom monitoring for staff and the public, which will include temperature checking and an online monitoring form attesting to if people have COVID-19 symptoms.

NOTICE TO POTENTIAL BIDDERS: If you

are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property or necessarily a 100% ownership interest in the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off or resolving ownership interest issues, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens as well as the ownership interest(s) that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **Please Note**, the sale may not be final until either 15 or 45 days after the sale date – see **Notice to Tenant**. Further, no TDUS can be issued until the sale is final. Your bid is subject to being over bid by the Tenant or "eligible bidder" after the sale and if your bid is over bid, your only remedy is to the refund of your actual bid amount without interest or payment of any other costs, expenses or funds of any kind or nature incurred by the initial successful bidder.

NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, lien holder, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call **(866) 266-7512** or visit this Internet Web site www.elitepostandpub.com using the T.S. number assigned to this case. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale.

NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call **(866) 266-7512**, or visit this internet website www.elitepostandpub.com using the file number assigned to this case **TS# 20-20099** to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a written bid along with the funds constituting the bid payable in lawful money of the United States, by cash, a cashier's check drawn on a state or national bank, check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state so that the trustee receives the bid and the funds no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase.

The beneficiary under said Deed of Trust heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a Written Notice of Default and Election to Sell. The Notice of Default and Election to Sell was recorded in the county where the real property is located, and more than three months have elapsed since such recordation.

8-102(a)(17) of the UCC, with respect thereto); (II) "proceeds," as such term is defined in Section 9-102(a)(64) of the UCC; (III) proceeds of any insurance, indemnity, warranty, or guaranty (including guaranties of delivery) payable from time to time with respect to any of the Pledged Interests, Future Rights, or proceeds thereof; (IV) payments (in any form whatsoever) made or due and payable to Pledgor from time to time in connection with any requisition, confiscation, condemnation, seizure or forfeiture of all or any part of the Pledged Interests, Future Rights, or proceeds thereof; and (V) other amounts from time to time paid or payable under or in connection with any of the Pledged Interests, Future Rights, or proceeds thereof.

The Collateral will be sold to the highest qualified bidder for cash, or the credit against outstanding indebtedness held by the Secured Party or for which the Secured Party is entitled by contract to bid. Please be advised that Secured Party, and any assignees of the Secured Party, reserve their right to credit bid, and may credit bid, at the Public Sale of the Collateral.

All bidders must pre-qualify at least (5) business days before the Public Sale date, by no later than April 22, 2021, by depositing \$25,000 (by bank to bank wire transfer, certified or cashier's check payable to "Give Back, LLC," or another form of payment Secured Party may agree to accept in writing) with legal counsel for Secured Party and all deposits (except that of highest bidder) shall be returned within three (3) business days of the conclusion of the bidding. Cash deposits will not be accepted. The highest bidder's deposit shall be non-refundable. The balance of the highest bid payable to Secured Party by bank to bank wire transfer, certified or cashier's check shall be delivered to Secured Party's legal counsel no later than April 30, 2021, at 1:00 p.m. (Pacific Standard Time), which may be continued, in writing, to a later time and date in Secured Party's sole discretion. If the highest bidder defaults upon payment of the balance, its deposit and any partial payments are forever forfeited and the Collateral, at Secured Party's sole option and discretion, may be sold to the next highest qualified bidder. Secured Party, directly or indirectly through nominees or assigns, reserves the right to bid at the Public Sale without tendering deposit, as required for other bidders, to credit bid, and to take title to the Collateral immediately after the Public Sale, or on such other date as Secured Party shall elect in its sole discretion. Interested parties who would like additional information should contact Ronald N. Richards, legal counsel for the Secured Party, at ron@ronaldrichards.com and glong0607@gmail.com or at (310) 556-1001.

The Public Sale may be canceled or continued from time to time, without further notice other than as given at the Public Sale date and place, at the sole and absolute discretion of Secured Party.

The Secured Party has appointed Thomas Hayward, licensed auctioneer (#NV20121668855), to conduct the Public Sale.

There will be no warranty made or provided relating to title, possession, quiet enjoyment or the like in connection with the disposition and sale of the Collateral. The Collateral shall be sold AS IS, WHERE IS, and all warranties of quality, quiet enjoyment, fitness, merchantability and all other warranties, express, implied, arising by statute, common law or otherwise are expressly excluded. Secured Party makes no representation or warranty as to (i) state or condition of title, (ii) physical, financial, or environmental condition, (iii) existence, validity, or amount of any liens or claims senior to that of Secured Party, or (iv) value of or income produced or that may be produced by the Collateral.

Pursuant to California *Commercial Code*, section 9210, Pledgor is entitled to, inter alia, an accounting of the unpaid indebtedness secured by the Collateral Secured Party intends to sell at the Public Sale. Pledgor may request an accounting pursuant to the requirements and provisions of California *Commercial Code*, section 9210, directed to counsel for Secured Party.

BEVERLY HILLS, CALIFORNIA 90210
PREQUALIFICATION OF BIDDERS
AND PREQUALIFICATION
INSTRUCTIONS FOR THE:
PUBLIC WORKS DEPARTMENT
EMERGENCY GENERATOR
REPLACEMENT PROJECT

Notice is hereby given that the City of Beverly
Hills ("CITY") has determined that all bidders
for the Public Works Department Emergen-
cy Generator Replacement Project ("Project")
must be pre-qualified prior to submitting a bid
on that Project. It is mandatory that all Con-
tractors who intend to submit a bid, fully complete
the prequalification questionnaire, provide all
materials requested herein, and be approved
by the CITY to be on the final qualified Bidders
list.

No bid will be accepted from a Contractor that
has failed to comply with these requirements. If
two or more business entities submit a bid as
part of a Joint Venture, or expect to submit a
bid as part of a Joint Venture, each entity within
the Joint Venture must be separately qualified
to bid. The last date to submit a fully completed
questionnaire is **5:00 PM , Tuesday May 11,
2021**. Contractors are encouraged to submit
prequalification packages as soon as possible,
so that they may be notified of omissions of in-

formation to be remedied or of their prequalifi-
cation status in advance of the prequalification
deadline for this Project.

Contractors must register as a vendor at the
following website in order to download the pre-
qualification package, and to receive clarifica-
tions and notifications when issued.

The Prequalification package may be viewed
on, and downloaded from the City's PlanetBids
portal:

[https://www.planetbids.com/portal/portal.cfm?-
CompanyID=39493](https://www.planetbids.com/portal/portal.cfm?-CompanyID=39493)

This item is listed as: **Prequalification Pack-
age for Public Works Department Emergen-
cy Generator Replacement Project**. Answers
to questions contained in the questionnaire are
required. The CITY will use these documents
as the basis of rating Contractors with respect
to whether each Contractor is qualified to bid
on the Project, and reserves the right to check
other sources available. The CITY's decision
will be based on objective evaluation criteria.

The CITY reserves the right to adjust, increase,
limit, suspend or rescind the prequalification
rating based on subsequently learned informa-
tion. Contractors whose rating changes suffi-
ciently to disqualify them will be notified, and
given an opportunity for a hearing consistent
with the hearing procedures described below
for appealing a prequalification rating.

While it is the intent of the prequalification
questionnaire and documents required there
with to assist the CITY in determining bidder
responsibility prior to bid and to aid the CITY in
selecting the lowest responsible bidder, neither
the fact of prequalification, nor any prequal-
ification rating, will preclude the CITY from a
post-bid consideration and determination of
whether a bidder has the quality, fitness, cap-
acity and experience to satisfactorily perform
the proposed work, and has demonstrated the
 requisite trustworthiness.

All qualifications package submittals are re-
quired to be submit electronically via Planet-
Bids. The electronic submittal system will close
exactly at the date and time set forth in this re-
quest for qualifications.

Any questions regarding the questionnaire and
qualification package should be submitted via
**PlanetBids or by contacting via email to
Ji Kim (email: jikim@beverlyhills.org)**. Re-
sponses to RFIs will be posted on PlanetBids.

Contractors are responsible for submitting and
having their documents accepted before the
closing time set forth in the request for qual-
ifications. **NOTE:** Pushing the submit button
on the electronic submittal system may not be
instantaneous; it may take time for the Con-
tractor's documents to upload and transmit
before the documents are accepted. It is the
Contractor's sole responsibility to ensure their
documents are uploaded, transmitted, and ar-
rive in time electronically. The City of Beverly
Hills will have no responsibility for documents
that do not arrive in a timely manner, no matter
what the reason.

The prequalification packages shall be la-
beled "**CONFIDENTIAL PREQUALIFICATION
STATEMENT FOR THE PUBLIC WORKS DE-
PARTMENT EMERGENCY GENERATOR RE-
PLACEMENT PROJECT**"

The prequalification packages submitted by
Contractors are not public records and are not
open to public inspection. All information pro-
vided will be kept confidential to the extent per-
mitted by law. However, the contents may be
disclosed to third parties for purpose of verifica-
tion, or investigation of substantial allegations,
or in an appeal hearing. State law requires
that the names of contractors applying for
prequalification status shall be public records
subject to disclosure, and the first page of the
questionnaire will be used for that purpose.

Each questionnaire must be signed under pen-
alty of perjury in the manner designated at the
end of the form, by an individual who has the
legal authority to bind the Contractor on whose
behalf that person is signing. If any information
provided by a Contractor becomes inaccurate,
the Contractor must immediately notify the
CITY and provide updated accurate informa-
tion in writing, under penalty of perjury.

The CITY reserves the right to waive minor
irregularities and omissions in the information
contained in the prequalification application
submitted, and to make all final determinations.
The CITY may also determine at any time that

the prequalification process will be suspended for the Project and the Project will be bid without prequalification.

Contractors may submit prequalification packages during regular working hours on any day that the offices of the CITY are open. Contractors who submit a complete prequalification package will be notified of their qualification status no later than ten business days after submission of the information.

The CITY may refuse to grant prequalification where the requested information and materials are not provided by the due date indicated above. There is no appeal from a refusal for an incomplete or late application, but re-application for a later project is permitted. Neither the closing time for submitting prequalifica-

tion packages for this Project will be changed in order to accommodate supplementation of incomplete submissions, or late submissions, unless requested by the CITY in its sole discretion.

In addition to a contractor's failure to be pre-qualified pursuant to the scoring system set forth in the prequalification package, a contractor may be found not prequalified for either omission of or falsification of, any requested information.

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be made by the unsuccessful Contractor. An appeal is begun by the Contractor delivering notice to the CITY of its appeal of the decision with respect to its pre-

qualification rating, no later than two business days following notification that it is not pre-qualified. The notice of appeal shall include an address where the Contractor wishes to receive notice of the appeal hearing. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of the CITY, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal, a hearing shall be conducted no earlier than five business days after the CITY's receipt of the notice of appeal and not later than five business days prior to the date of the Notice Inviting Bids for this Project. Prior to the hearing, the Contractor shall, in writing, be advised of the basis for the City's pre-qualification determination.

The hearing shall be conducted by a panel consisting of three members of the Public Works Department senior management staff (the "Appeals Panel"). The Appeals Panel shall consider any evidence presented by the Contractor, whether or not the evidence is presented in compliance with formal rules of evidence. The Contractor will be given the opportunity to present evidence, information and arguments as to why the Contractor believes it should be pre-qualified.
