"Planning Commission **Discusses Inclusionary Housing Regulation**" [Issue 1144]

At the last Planning Commission (PC) meeting, it became apparent that our Planning Commission intends to develop its own density bonus program to provide much more robust incentives to developers than provided by the state density bonus program, whether developers will provide affordable housing or not.

This is item 4 on the Planning Commission meeting agenda for this Thursday, September 9 at 1:30 p.m., and is disguised as "potential changes to inclusionary housing regulations"

At the previous PC meeting, under the lead of Planning Commissioner Peter Ostroff, the planning commissioners seemed to agree not to recommend the continuance of the soon expiring 10% affordable housing requirement for every new housing development. Further, although Ostroff acknowledged that the city is fully built-out, he announced that he would like to encourage much greater building of market rate housing and luxury condominiums, by having less of a requirement for affordable housing, or possibly no requirement for affordable housing at all.

Ostroff further suggested that the PC should develop its own city density bonus program which would provide much more robust incentives to developers than the state density bonus program—much greater height, greatly reduced parking requirements, increased density, further reduced unit sizes, etc. However, unlike the state density bonus program, Ostroff would not require developers to provide very much affordable housing, if any, in return.

Although the remaining planning commissioners seemed to be in agreement with Ostroff, Chairman Andy Licht, who is running for city council, stated that the PC would not want to appear to be against affordable housing, so the PC would recommend even much greater incentives for developments in which affordable units would be provided.

Of course, like the mixed use ordinance, these over-the-top developer incentives will be proposed for areas where none of the planning commissioners live. Meanwhile, Ostroff has always been against any increased density in the hillside area where he lives, even if it would just be a larger basement.

Unfortunately our PC seems to consist of commissioners who simply do not comprehend why Beverly Hills has been a lovely city to live in, and who have no consideration for so many other residents. It is also surprising that the planning commissioners do not understand that the entire rationale for offering incentives to

builders is the shortage of affordable housing. Building market rate and luxury condominiums may increase the wealth of their developer friends, but it does not solve the state's housing problem or justify impairing the quality of life of so many residents or violating our city's excellent long-standing height limits and parking requirements.

In addition, the PC continues to fail residents in other ways. Long ago, the PC was advised by its expert that potential guesthouses or ADU's would count toward meeting RHNA affordable housing requirements, if only the city Planning Commission would develop recommendations to make it easier for ADU's to be built. Although this would be beneficial for many residents, it would result in more affordable housing, and would spread any increased density out over the entire city, the PC has done nothing.

Ostroff also indicated at the last PC meeting that he would like to know if residents agree with his ideas. So please e-mail your views to commentPC@ beverlyhils.org with agenda item 4, inclusionary housing, in the subject line, before Thursday at 1:30 p.m. or call into the meeting at (310) 285-1020.

Class Action Lawsuit Filed Against BHPD Officers

Attorneys Bradley C. Gage and Benjamin Crump filed a class action lawsuit last week against members of the Beverly Hills Police Department (BHPD), claiming the Rodeo Drive Task Force

(L to R): Attorneys Benjamin Crump and Bradley C. Gage held a press conference outside City Hall last Wednesday.

targeted and disproportionately arrested Black people. Crump is also the attorney who represented George Floyd.

According to the Beverly Hills Police Department, the task force was created in response to a significant increase in calls in the business community. These calls included burglaries, shoplifting, street gambling, public intoxication, and more. In response to concerns from Rodeo Drive businesses, the department created the task force to ensure appropriate response times

Captain Scott Dowling was in charge of the task force from March 1, 2020 to July 1, 2021. He has since announced his retire-

The police department recovered over a quarter-million dollars in cash and fraudulent EDD cards with a potential value of \$3 million. The majority of those arrested were not California residents, despite possessing California unemployment cards.

According to the lawsuit, the task force arrested 106 people, of whom 105 were Black. Gage said the sources of the arrest figures were unidentified retired officers who shared with him the racial breakdown of who had been arrested

"In a vacuum that doesn't look like a good statistic, however, you have to look at how many people were of different racial groups in that targeted enforcement zone. That's the better question. If the answer is none, that would explain why there was a disproportionate amount of a certain group that got arrested, versus another group,' said Beverly Hills attorney Ronald Richards, who is not representing either side.

The BHPD has not confirmed this statis-

The complaint alleges that Black people were arrested for minor offenses, such as jaywalking, while white people who engaged in the same actions were not.

"It's too fact-intensive, and the fact is that Beverly Hills does not have a racist Police Department. There may be individual situations that warrant some sort of compensation, but that's true anytime you make an arrest. There's always a risk of a single officer making a mistake or having an improper motive, but to suggest that it was part of some institutional policy is not accurate," said Richards.

The only named plaintiffs in the lawsuit

are Jasmine Williams and Khalil White, who were arrested after riding scooters on a sidewalk. The lawsuit claims that no crime had been committed and the defendants were abusing their au-

Police Chief Dominick Rivetti said the plaintiffs were warned that riding a scooter on the sidewalk was prohibited and no enforcement action was taken at that time. However, they were taken into custody after committing the same violation later that same day, and also providing false information to a police of-

"If they think they are going to get millions of dollars because they got arrested on a

low-grade misdemeanor, I think that's unrealistic," said Richards.

A similar 1995 lawsuit brought by former Mayor Robert K. Tanenbaum, on behalf of several Black plaintiffs who alleged racial profiling, was ultimately settled and led to, among other things, the creation of the Human Relations Committee.

Planning Commission Expected to Discuss Forest Management Plan

The Planning Commission is expected to review the Draft Urban Forest Management Plan at their Thursday meeting.

The public tree inventory consists of approximately 25,000 trees in city parks and the public right-of-way. The first street tree plantings date back to 1907. The city has also received the Tree City USA designation from the Arbor Day Foundation for 37 years.

Past tree studies were limited to street trees, including the 1996 Street Tree Master Plan Focused Study and the 2007 Canary Island Date Palm Street Tree Master.

In 2019, the city began work on its first-ever Urban Forest Management Plan (UFMP). The UFMP takes a comprehensive look at the practices, goals, and policies that affect the urban forest.

The City Council awarded the environmental consulting firm, Dudek, an agreement to prepare the UFMP. Dudek has worked with staff from several departments and with input from the community through surveys and engagement activities to prepare the Draft UFMP.

The Dudek study found that the city's current 26% overall canopy cover is ahead of the American Forests standard of 20% for a city that was historically a grassland community.

The study concluded that the program in the city has the support of the community, has effective management practices in place and that the city's annual per tree expenditure of \$96.12 is at the upper tier when annual per tree expenditures in the care of public trees is considered.

The study identified climate change as the most critical threat to the sustainability of the city's current urban forest and its specific characteristics and suggests the focus should be given to change the species palette that considers water use and long term nursery availability, while also limiting any single tree species dependence to 5% or less.

With a goal of expanding the current level of canopy coverage trees offered to the community, the consultant suggests planting 7,500 additional trees by 2041 to improve the canopy coverage from the current 26% to 33%.

The Draft UFMP will be presented to the City Council this fall and input received from the Planning Commission will be included in the report and presentation to City Council for their consideration.

Public Works Commission to Provide Update on New Daytime Street Sweeping Schedule

The Public Works Commission will be providing an update on the new daytime street sweeping schedule, at their Thursday meeting.

On August 13, 2020, the Commission

discussed a new proposed daytime street sweeping schedule for all residential properties south of Santa Monica Boulevard. The new schedule addressed noise complaints arising from nighttime street sweeping, inefficiencies from disjointed sweeping routes, disabled placard abuse, and challenges with nighttime parking south of Santa Monica Boulevard. With the shortage of on-site parking in multi-family properties, the city allowed overnight parking by permit. However, many of those cars cannot all fit on the streets designated for daytime street sweeping, which would then overflow to the streets designated for nighttime street sweeping.

The commission discussed a new street sweeping schedule proposal on September 3, 2020, and received support and on October 27, 2020, the City Council approved a new schedule.

The city is currently implementing the schedule in a phased approach. Phases 1 through 4 are complete, and Phase 5 has

NOTICE OF PUBLIC HEARING AND NOTICE OF AVAILABILITY OF AND INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

HEARING DATE: September 23, 2021

TIME: 1:30 PM, or as soon thereafter as the matter may be heard

LOCATION: This meeting will be held via teleconference, more information is

included in this notice.

The Planning Commission of the City of Beverly Hills, at a REGULAR meeting on September 23, 2021, will hold a public hearing beginning at **1:30 PM**, or as soon thereafter as the matter may be heard to consider:

AN AMENDMENT TO THE GENERAL PLAN TO ADOPT AN UPDATED HOUSING ELEMENT FOR THE 6TH CYCLE PLANNING PERIOD FROM 2021 TO 2029; AND THE REVIEW OF A DRAFT INITIAL STUDY/MITIGATED NEGATIVE DECLARATION FOR THE UPDATE TO THE HOUSING ELEMENT

The Project involves the amendment of the City's General Plan to adopt an updated Housing Element for the next planning period from 2021 to 2029. No physical development nor construction is currently proposed as part of the Project. The Housing Element is a planning document, which contains programs and policies to guide housing development in the City. The Housing Element will include the following topics: analysis of the City's demographic characteristics and housing needs; evaluation of resources and opportunities available to address housing needs; analysis of potential constraints to meeting the City's housing needs; a review of the City's accomplishments during the previous planning period; and updated policies and programs intended to address the City's housing needs for the next 8 years. Additionally, the updated Housing Element will discuss how the City's land use and zoning regulations and programs will accommodate the City's Regional Housing Needs Assessment (RHNA), which is the number of housing units expected to be needed for the next planning period (2021-2029), and includes housing at various levels of affordability. As such, the Housing Element may call for changes to the land use and zoning regulations in the City, but will not approve specific development projects.

The Project area covers the entire City of Beverly Hills, since the Housing Element addresses housing conditions throughout the City. The Planning Commission will also review a draft Initial Study/Mitigated Negative Declaration prepared for the Project, and is expected to forward to the City Council a recommendation regarding adoption of the Mitigated Negative Declaration in conjunction with its recommendations regarding the update to the Housing Element of the General Plan. The updated Housing Element document will be available at: www.beverlyhills.org/housingelementupdate. In order to be notified about when this document becomes available to the public, please send an email to housingelement@beverlyhills.org to be added to the interested parties list.

ENVIRONMENTAL REVIEW:

The City of Beverly Hills is preparing a Draft Initial Study/Mitigated Negative Declaration (IS/MND) for the updates to the Housing Element of the General Plan (Project). The City of Beverly Hills is the lead agency, pursuant to the California Environmental Quality Act (CEQA), and is responsible for the preparation of the IS/MND. The Project description and Project location are described above. The Draft IS/MND will be available for public review beginning on September 7, 2021 and the comment period will be from September 7, 2021 to October 6, 2021. The document will be available at www.beverlyhills.org/environmental. If a digital copy cannot be obtained by an interested party, please

contact the staff listed in this notice and alternate arrangements will be made.

The Planning Commission will consider the contents for the Draft IS/MND at their meeting on September 23, 2021. The preliminary initial study analysis indicates that the Project would not result in significant impacts to Agricultural and Forestry Resources, and Mineral Resources, and less than significant impacts, with certain mitigations, related to Aesthetics, Air Quality, Biological Resources, Cultural Resources, Energy, Geology and Soils, Greenhouse Gas Emissions, Hazards and Hazardous Materials, Hydrology and Water Quality, Land Use and Planning, Noise, Population and Housing, Transportation/Traffic, Public Services, Recreation, Tribal Cultural Resources, Utilities and Service Systems, and Wildfire. Thus, it appears that the project would not result in any significant environmental impacts.

Public Works Commission Expected to Present an Update on Foothill Water Treatment Plant

The Public Works Commission is expected to provide an update on the Foothill Water Treatment Plant at their Thursday meeting.

During Aug., the contractor, Shimmick Construction, Inc., completed the functionality and operational testing of all individual equipment skids, pumps, valves, and other ancillary mechanical equipment. The contractor also finalized organizing the control panels and completed the installation of the overhead cable tray covers. Furthermore, the contractor commenced working on the punch list items with the coordination of city staff and NV5 inspectors and completed the coating of the treatment plant floor.

The main focus during Sept. is the facility test, process testing, and operational steady-state testing. Each phase of testing includes field instrumentation monitoring, in-depth troubleshooting of equipment, and fine-tuning of equipment process pa-

Planning Commission to Discuss Proposed Changes to Public Notification **Requirements**

The Planning Commission is expected to discuss proposed changes to public notification requirements for certain planning applications at their Thursday meet-

The planning applications are included in a draft ordinance for recommendation to the City Council.

On December 17, 2019, the City Council adopted an interim urgency ordinance that implemented new public notification requirements for certain types of planning applications. The ordinance required adjacent neighbor mailed notices and notices of pending applications for applications located in the single-family, multi-family, and commercial-residential transition

The City Council determined that changes to public notification regulations

for certain planning applications were necessary so that members of the public who are potentially impacted these projects are properly in-

formed and able to participate in land-use decisions in the community.

At their Aug. 12 meeting, the Planning Commission reviewed the proposed changes to public notification requirements for certain types of entitlement requests. The Commission recommended that staff provide a cost-benefit analysis regarding how to balance the expense to applicants and adequate notifications. The commission also recommended E-notices or email blasts may be a good option to reach more people in a cost-effective manner. They also said that a webpage and QR code are good ideas to help people get more information and that access to electronic versions of project plans earlier on in the review process would be helpful.

Staff recommends that the Commission adopt a resolution recommending approval of the draft ordinance to the City Coun-

The ordinance currently in effect will expire on Dec. 16 and may not be extended further due to limitations in State law.

California Close to **Legalizing Community Blood Banking for Animals**

On Sept. 1 the California State Senate approved Assembly Bill 1282, the California Pet Blood Bank Modernization Act, authored by Assemblymember Richard Bloom (D - Santa Monica) and Senate Republican Leader Scott Wilk (R - Santa Clarita), along with Assemblymembers (D - San Mateo), Devon Mathis (R - Visalia), and Chad Mayes (I - Yucca

The bill authorizes licensed veterinarians to operate community blood banks to produce animal blood. Currently, voluntary blood banking is not allowed in California. Instead, California is the only state that requires animal blood to come from "closed colony blood banks" that source blood from animals kept at a facility for the purpose of collecting their blood.

"This has been a three-year animal welfare policy reform effort that is now one step away from being implemented. I am elated that we are finally on the verge of replacing a long-standing inhumane practice and with a model program that will ensure the safety proper treatment of animal blood donors in California." said Assemblymember Bloom. "I am optimistic that Governor Newsom will sign AB 1282

into law soon."

"As they say, the third time is a charm. This is a long overdue and needed reform for commercial animal blood banks," said Senator Wilk. "I am glad to see this change - that will save pets' lives - finally become law."

Other supporters of the bill include the California Veterinary Medical Board, the California Animal Welfare Association. Best Friends Animal Society, San Diego Humane Society, ASPCA, Valley Humane Society, Cruelty Free International, Animal Legal Defense Fund, In Defense of Animals, Project Minnie, and GREY2K

Bloom represents California's 50th Assembly District, which includes Beverly Hills.

BHEF Introduces New Innovative Teacher Grant Program

The Beverly Hills Education Foundation has introduced a new innovative teacher grant program that will diversify funded projects for teachers.

The district-wide initiative will dedicate \$20,000 for teachers who would like to bring visionary projects to the classroom. The Grant Program will provide teachers with the resources needed to impact student achievement throughout the Beverly Hills Unified School District.

Teachers can apply for this grant until Sept. 17. All certificated personnel in the Beverly Hills Unified School District can apply for the grant. Proposals may be submitted by individual teachers, teams of teachers, or certificated district personnel serving students within the district.

Decisions will be emailed to all applicants by Sept. 24 and a public announcement will be made on Sept. 28.

Beverly Hills Art Show Returns

The annual Beverly Hills Art Show will be returning to Beverly Gardens Park on Oct. 16 and 17 from 10 a.m. to 5 p.m. The event will include 125 participating artists and gourmet food trucks on two blocks of Santa Monica Boulevard from Beverly Drive to Crescent Drive.

"We are excited to bring the Art Show back to Beverly Gardens Park this fall, but as we continue to monitor COVID-19 and

the Delta variant, a smaller, more intimate event will allow us to manage the safety of our guests and staff," said Brooke Putich, Community Services Recreation Supervisor and Art Show Coordinator.

The art show is produced by the Community Services Department. The event is free to the public and parking is available in lots just south of Santa Monica Boule-

LENDING A HAND TO FELLOW ATHLETES IN NEED

Beverly Hills Athletic Alumni Association Founder Steven Fenton on BHAAA ASSIST and the Joe Sutton Scholarships

"There is no

By Danielle Berjikian

Tell us about BHAAA Assist and the Joe Sutton Scholarship

It has exceeded all of our expectations. We spent this first year putting together essentially a pilot program, and we couldn't be happier with the results thus

In issue #1092 of the Weekly, you said the Scholarship had raised around

\$100,000, can you provide an update on how much has been raised so far?

We are in the six-figure range.

Tell us about some the scholarship has been able to help like we got their back" people in the past year?

We've worked really hard over the past year to make sure that the process was fair, fast, and worthy of their time. No one wants to ask for financial help and we are very sensitive to that. The type of applications that have come in have ranged everywhere from someone's need to pay their electric bill, to paying their health insurance, paying their rent, groceries, and we have also had a request to help pay for hospice. One of the things I am most proud of is we have been able to get our applicants an answer very quickly. We are not going to solve anyone's financial problems, but what we can do is be a bridge, and help alleviate some sleepless nights, and be there for them to help get them to tomorrow.

How many people has the scholarship been able to help so far?

Quite a few. Our goal is to really help alleviate any anxiety they may have. A lot of us are guided by the philosophy of "What would Joe do?" Joe was the most amazing little league and AYSO coach. Joe Sutton stayed by my side my entire life. That is what we are trying to emulate for the current athletes of Beverly. We want them to know we are there for them now, and we will be there for them as adults too. I created the TEEN BHEF [Teen Beverly Hills Education Foundation 15 years ago and at that point I wanted students to understand the importance of paying it forward. It's a very similar concept to what we are doing with BHAAA ASSIST. I want our student-athletes to know we are there for them now. I think that they know that. BHAAA has been there time and

time again. I think that we have granted 98% or 99% of all the requests that have come in over the last 15 years. Now I want our student-athletes to ments and ways former teammates and know we will be there for them as adults. Just like Joe Sutton was for me, and for many of our other

-Steven Fenton committee members. Tell us more about Joe Sutton and how he inspired the scholarship

> I went to our president David Corwin and told him I had this idea. I said, "So many of our fellow alums are hurting right now. They need help. I think we should be there for them." So with David's blessing, we started to put together BHAAA ASSIST [Michael Sutton and Robby Sutton are co-founders of the Joe Sutton Scholarship]. As we are putting this together Joe was very sick, and ultimately passed away. It made a lot of sense to name the scholarship, the "Joe Sutton Scholarship." Joe led his life, he personified everything that we tried to do at BHAAA. Joe's mentoring didn't stop when youth sports ended. He stayed with so many of us through high school, through college, and our adult years. He never left our side. He never stopped coaching. He never stopped mentoring. That's what BHAAA and BHAAA AS-SIST is all about.

What are some future plans for **BHAAA Assist?**

We want to continue to expand our donor base. We want to continue to get the word out that we are there for them. In order to apply for the Joe Sutton Scholarship, you had to be part of the athletic department at Beverly Hills High School. What does that mean? You had to play least one sport, one time, while at Beverly. However, if you didn't actually play a sport but you were still part of the team,

(L to R): Michael Sutton, Steven Fenton if you were a and Robby Sutton

team manager, cheerleader, if you were part of the athletic department, if you were a former coach, you are eligible for a Joe Sutton scholarship. Basically, if you touched the department in some way, shape, or form, you would be eligible for the scholarship.

Tell us more about Joe Sutton and what he has done for the community.

Joe was the type of coach that was incredibly encouraging. He was always

positive, but most importantly he was always a safe haven on any field he was at. He was the guy you could go to for anything. Whether it had to do with what was going on in the field or something that was going on outside of the field.

Tell us about the application process.

You would go to our website and fill out a very quick application. As you can imagine, it is very difficult for people to

ask for money. Let alone have to take out an application in order to ask for money. We wanted this process to be quick, easy, and seamless. We don't want anyone to feel like the application process is onerous in order to get a few thousand dollars in scholarship. A lot of this process is on the honor system. They fill out a quick application, they show proof that they were a member of a particular team at Beverly. We get the application in front of our team very quickly and we get the applicant an answer right away. In some cases, we have got an application on a particular day, and within just a few days we are already writing checks and helping pay their bills. We ask our applicants to submit the bills they need help paying; electric bills, gas bills, water bills, health insurance, medical payments, groceries. And in one case, we had heard that a former alum was gravely ill and was about to start hospice. [The] application came in for us to help, we did with our goal

vide just a little bit of relief for the family. There isn't a financial isor too small, try and tackle. Our committee members are very sympathetic, very compassiontowards their fellow al-

being to pro-

ums who are faced with uncomfortable circumstances. Typically, I am the one member on the committee who interacts with the applicant, and I am also the only one on the committee who doesn't vote. This allows me to take the applicant through the process honestly and effectively, without the appearance or ability to tilt the scales. We have worked so hard over the past year to make sure the process is fair, fast, and worthy of their

> time. Really no one wants to have to ask for financial help and we are very sensitive to that.

> I didn't want any applicant to feel like we were doing a search on their life. We know this is hard. We know confidentiality is of the utmost importance. We know they are in dire financial need. We are really sensitive to all of that. There is no problem that is so insurmountable that we can't try and help with. We want our

former teammates and fellow alums to feel like we got their back.

What has been the most gratifying part of helping people with the Joe **Sutton Scholarship?**

That we have been able to be there for our former teammates in a meaningful way. You don't stop being a team after the season ends. We want to take care of our teammates, we want to be there for them in the best way we can. We've had a lot of donors who are like-minded. The participation has been outstanding. Our committee is engaged, focused, empathetic, and they have proven over and over that they are there for their fellow teammates. I have never been more proud of a group of people than I have been with the Joe Sutton Scholarship Committee.

The final installment in the "Music @ The Wallis" series is Jennifer Holliday. The Tony and Grammy award-winning actress will return to The Wallis for a celebration of the 40th anniversary of Broadway's "Dreamgirls," accompanied by a sextet of local musicians. Holliday will perform a selection of Broadway showtunes, jazz, and some of her personal favorites on Oct. 9 at 7:30 p.m. Tickets range from \$39 to \$99.

To purchase tickets and for more information, call The Wallis (310) 746-4000 or email <u>tickets@wallis.org</u>.

BHHS Football Coach to Face Former Team Friday Night

By Steven Herbert

Beverly High football coach Marquis Bowling said he expects it will be an emotional night Friday when the Normans play host to Verbum Dei who he coached in 2019 in a 7 p.m. game at Nickoll Field.

'Any player on that team that's a senior or junior I and my staff at Beverly Hills coached and all that work is coming to fruition," said Bowling, who coached the Eagles to a 2-8 record in 2019, his only season as their coach.

Verbum Dei is 3-0, including an 18-7 victory last Thursday over Maranatha, which defeated the Normans 38-0 Aug. 27.

"I love to see it because it's always about

the kids and those kids are special to me," Bowling said. "That was my first high school head coaching job in California. I have a special bond with a lot of those kids.

"It will be an emotional night. I'll sure I'll be torn between those kids that I've invested in before now and that kids I've been invested in now."

Bowling said he has remained in touch with some of the players he coached at Verbum Dei and their parents, some of whom sent him gifts for his daughter who was

Bowling became Beverly Hills' coach after what he described as Verbum Dei's

decision "to cut the program." Principal Brandi Odom Lucas described the decision as postponing the 2020-21 football season "out of concerns for the COVID pandem-

Bowling said he was looking on the Southern Section website for coaching openings and saw the opening at Beverly

"In my personal belief, it was another way of God showing his hand to me," Bowling said. "Literally I walked off the campus at Verbum Dei and maybe 25 minutes later I got the call from (Tim Ellis, the Beverly Hills Unified School District's director of district athletics) saying that I had the position."

Bowling said stopping the run is the Normans' top priority against the Eagles, whose senior running back Semaj Harris has rushed for 753 yards and six touchdowns, including 251 yards and three touchdowns on 18 carries against the Minutemen

Hoover 33, Beverly Hills 0

The Normans had several starters sidelined by injury for the nonleague game at Hoover Friday night, including quarterback Will Harris, running back Dan Menache and center Eddie Carmosino.

"The offense is pretty much geared around Will's talents and when he's not there you have to adjust," Bowling said. "Matthew Recupero for a freshman did an awesome job handling the pressure."

Harris was sidelined by what Bowling described as a shoulder sprain. Harris is expected to play against Verbum Dei, Bowling said.

Freshman running back Cameron Park was insanely impressive," Bowling said.

"He ran the ball really well, made some big plays," and took some snaps at quarterback, Bowling said.

Free safety Peter Lojdi made Beverly Hills' first interception of the season. Freshman defensive lineman Daren Berkuhim forced a fumble.

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these re-sources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call **916-939-0772** for information regarding the trustee's sale or visit this internet website http://www.qualityloan. com, using the file number assigned to this foreclosure by the Trustee: CA-17-779001-CL. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify post-ponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 916-939-0772, or visit this internet website http://www.qualityloan.com, using the file number assigned to this foreclosure by the Trustee: CA-17-779001-CL to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. The undersigned Trustee disclaims any liability for any incorrectness of the property address or other common designation, if any, shown herein. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the sale is set aside for any reason, including if the Trustee is unable to

convey title, the Purchaser at the sale shall be entitled only to a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. NOTICE OF PETITION TO ADMINISTER ES-TATE OF DEANE FRANK JOHNSON aka DEANE F. JOHNSON aka DEANE F. JOHN-SON, SR.

Case No. 21STPB08275

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of DEANE FRANK JOHNSON aka DEANE F. JOHNSON aka DEANE F. JOHN-SON, SR.

A PETITION FOR PROBATE has been filed by Kate E. Johnson in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Kate E. Johnson be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available

for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Sept. 30, 2021 at 8:30 AM in Dept. No. 5 located at 111 N. Hill St., Los Angeles, CA

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.
IF YOU ARE A CREDITOR or a con-

tingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
