“Board Approves Construction RFP” [Issue 1173]

Thank you to our Board of Education for authorizing the OPEN BID release for both our Construction Management Services along with our DSA Inspection Services.

Surprisingly, but not unexpectedly there was a great deal of pressure from the current no bid construction management vendor, some of his favored subs and even some anonymous community emails to apply pressure upon our Board to forego the Open Bid process and award a secretive No Bid contract. Thank you, President Mary Wells, Members Rachelle Marcus, and Mandy Stern for your vote in favor of transparency and in keeping with best practices. Also, Board member Gabe Halimi (who was out of the Country for the vote). Gabe submitted a detailed letter of support for the open bid process and urged his colleagues to support these best practices.

It is comforting to know that we have a Board who demands accountability, transparency and protecting our precious bond funds.

“Beverly Hills City Council Candidate Kick-Off”

Question, when’s Beverly Hills City Council Candidate Robin Rowe’s kick-off party?

By tradition, Beverly Hills politicians seeking office throw luxury house parties to congratulate themselves for running. Potential voters are invited to observe close up the politician in her or his natural environment, like exotic animals at the Wild Animal Park. Guests are offered catered finger food that will mostly go uneaten. The main event is a speech flattering the politician for her or his many good intentions. As guests leave, the hosts tap them for donations, beg for money. As a parting gift, guests receive a vanity yard sign emblazoned with the politician’s name.

Beverly Hills City Council candidate Robin Rowe won’t be impressing anyone with a show of wealth or giving out vanity yard signs.

Citizens who want to bring real Beverly Hills issues to Candidate Rowe’s attention, and discuss practical solutions, are invited to email Robin Rowe at robin@robinsrowe.com or call Robin’s personal number at 323-535-0952.

“City Council Election”

There will be a City Council election on June 7. Of approximately 20,000 registered voters in Beverly Hills, only 2000 to 2500 actually vote. You can choose from a number of candidates. Some candidates promote quality of life by additional police, street cameras, and preserving our residential neighborhoods. Other candidates want to change the structure of our city by increasing height and density, reducing parking, and adding more dwellings on residential lots. You may have to read between the lines to pick who you will vote for. No matter your choice, please vote, IT IS YOUR RIGHT.

False Report of Bullets in Student’s Backpack

On Monday morning a report was made to staff that a student had bullets in their backpack. However, it was later reported that this was a false alarm, according to a letter sent out by Superintendent Michael Bregy and Beverly Vista Principal Andrea Skon.

The situation has been thoroughly investigated, searches administered, witnesses interviewed and threat assessments completed by both Beverly Vista administration and the Beverly Hills Police Department (BHPD).

“We are pleased to share that all students and staff followed our exact protocol. We thank the BVMS student who had the courage to bring this information to our attention to ensure the safety of BVMS students and staff,” according to the letter.

No weapons were found, no threat was made, and a lockdown and shelter-in-place were not required as the situation was immediately contained. Appropriate disciplinary measures have been taken by the school and the district.

“The school’s normal operations were uninterrupted and the safety of students and staff was never at risk,” according to the letter.

Candidate Forums to Take Place

The Beverly Hills North Homeowners Association and the Municipal League of Beverly Hills will be hosting a 2022 Candidates Forum on Wednesday, April 27 from 7:00 to 9:00 p.m. and Thursday, April 28 from 7:00 to 9:00 p.m. in the Council Chamber at City Hall. The Southwest Beverly Hills Homeowners Association’s 2022 Candidate Forum will be held on Tuesday, May 3 at 7:00 p.m. also in the Council Chambers at City Hall.

The Beverly Hills North Homeowners Association and the Municipal League of Beverly Hills Forum will be moderated by former Beverly Hills Mayor Robert K. Tanenbaum and Thomas A. White, the respective chief executives of the sponsoring associations. The Forum will be streamed live on the government channel (BHTV) and recorded for later programming and on-demand viewing.

The Southwest Beverly Hills Homeowners Association’s forum will be moderated by Valerie Wisot, Andrea Grossman, and Ken Goldman.

A forum hosted by the Chamber of Commerce also took place on Wednesday after the Weekly’s deadline.

Board Nixes Resolution Request to Discourage Board Endorsements

At their March 22 meeting the Board of Education opted not to pursue a request from Board Vice President Noah Margo requesting a resolution or additional bylaw to discourage governing board members from endorsing local elections for both school board and city council.

“It starts to have the appearance of playing favors and it gets uncomfortable because as sitting elected officials we all get asked by a lot of candidates. It forces us to tell people no and some get elected and you didn’t support them,” Margo said.

No other board member agreed with Margo and his proposition was not moved forward. Board member Rachelle Marcus cited the First Amendment while voting against moving Margo’s proposition forward.

“My feeling is that everyone has five unalienable rights, one of which is Free-

dom of Speech. The definition of an unalienable right is a right that cannot be taken away or given away by the possessor. This proposed resolution is nothing more than an attempt to deprive someone of their right to Freedom of Speech by attempting to take away their voice to endorse or not to endorse someone who is running for an elected office, no matter what office that may be,” Marcus said.

Board President Mary Wells disagreed, citing that endorsements from elected officials inform voters on who could potentially lead the school district.

“It is part of the political process and it is each individual’s right to endorse whom they feel that they want to endorse or not endorse at all. I think it’s up to the individual and I wouldn’t want to interfere with that,” Wells said.

City Council Grants Continuance Request for North Bedford Drive Property

At their March 15 meeting the City Council granted a continuance request related to the appeal hearing scheduled to consider the Planning Commission’s decision denying a Historic Incentive Permit for the property located at 910 North Bedford Drive. The hearing is scheduled for the first meeting in Oct.

910 North Bedford Drive

HIPs allow deviations and waivers from development standards and are available to properties that are designated as local historic landmarks.

On Aug. 26 the Planning Commission adopted a resolution denying a Historic Incentive Permit to allow waivers or deviations for the property known as the Anthony-Kerry House.

The proposed project was initially reviewed by the Planning Commission at their July 22 meeting. The commission was not supportive of the requested Historic Incentive Permit and implied they would not be able to make the findings required to approve the project. The commission was specifically concerned with whether the project met the intent of a Historical Incentive Permit; the scale of the addition to the property; and maintaining the garden quality of the city.

The property is a two-story single-family residence with an area of approximately 33,971 square feet. The residence was originally constructed in 1909 on a property in Los Angeles. In 1923, the proper-

briefs cont. from page 3

ty was relocated to Beverly Hills by actor Norman Kerry after he and his wife purchased the house to avoid its demolition. The residence has retained most of its character-defining features and is known as the best example of high-style Craftsman architecture in the city.

The Cultural Heritage Commission has previewed the proposed project at various meetings in 2019 and 2020 and was unable to provide unanimous support for the proposed project. The proposed project would involve a two-story addition with a two-story subterranean basement.

On Sept. 8 the property owner filed a timely appeal of the Commission's decision, seeking City Council approval for a Historic Incentive Permit. The Council set the appeal hearing for the first Council meeting in April 2022, which would be

April 12, 2022. The property owner submitted a second request to continue the appeal hearing for an additional six months as they continue to work on redesigning the project with a new architect.

Planning Commission Approves Hillside R-1 Permit

The Planning Commission approved a proposed project that involves the construction of a new accessory structure (pool house), a retaining wall, and the conversion of an existing crawl space in the existing single-family residence to a powder room for the property located at 1801 Angelo Drive, at their March 24 meeting.

The request requires three Hillside R-1 Permits: to allow the total of the cumulative floor area developed on the site to exceed 15,000 square feet; to allow the proposed pool house to be located within 100' of the front property line on an estate lot,

and to allow a series of retaining walls to exceed 12'-0" in cumulative height.

In 1995 and in 2014, the Commission approved Hillside R-1 Permits to allow the construction of various accessory structures and allow the total cumulative floor area on the site to exceed 15,000 square feet. Currently, the existing structures on the site contain a total cumulative floor area of 28,249 square feet. The pool house would contain about 697 square feet and the powder room would create about 153 square feet, resulting in a total cumulative floor area of about 29,100 square feet.

The existing two-story single-family residence, garage, and two-story accessory structure were originally designed by architect Roland E. Coate, who is listed on the City's Master Architect List.

"The property is also one of the largest properties remaining in the City and is sig-

nificant for its association with [film mogul] Jack L. Warner, who was a prominent member of the entertainment industry and exemplified the lifestyle associated with major members of that industry," according to the staff report.

Board Discusses Water Bottle Ban

The Board of Education discussed exploring the possibility of a potential ban on single-use plastic bottles on BHUSD campuses, at their March 22 meeting. Board Vice President Noah Margo requested this to be put on the agenda.

Margo said he was not calling for an all-out ban on plastic bottles right away, but that the Board should look into what that entails.

All campuses now have touchless water refill stations.

Water bottles are heavily utilized

PROJECT: One Beverly Hills Overlay Specific Plan - Vesting Tentative Tract Map and Development Plan Review
ADDRESS: 9876, 9900, and 9988 Wilshire Boulevard

The Planning Commission of the City of Beverly Hills, at its REGULAR meeting on April 14, 2022, will hold a public hearing beginning at 1:30 PM, or as soon thereafter as the matter may be heard to consider the following requests associated with the **One Beverly Hills Overlay Specific Plan Project:**

- **Vesting Tentative Tract Map:** Subdivide the project site into a 34-lot airspace subdivision with a maximum of 340 residential condominium units; and
- **Development Plan Review:** Development Plan Review approval is required for all common interest developments.

Approved Project Description: The One Beverly Hills Overlay Specific Plan Project was conditionally approved by City Council Resolution 21-R-13550 on June 8, 2021, and authorizes construction of the following:

- **Santa Monica Residences:** 162 residential unit, 499,806 SF, 32-story, 410' tall building.
- **Garden Residences:** 141 residential unit, 424,266 SF, 28-story, 369' tall building.

- **Promenade Structure:** 127,324 SF structure containing hotel/residential amenities and 30 accessory spaces that could be used for live-in staff housing or other accessory uses.
- **Beverly Hilton Conference Center:** Replacement of the Beverly Hilton existing conference center with a 37,562 SF, 31' tall conference center, including a publically accessible restaurant.
- **Beverly Hilton Enhancement Structure:** A 72,697 SF, 4-story, 20' tall structure containing restaurant/retail uses, 36 hotel rooms, and hotel support areas.
- **Parking Structure:** New 1,865-vehicle capacity multi-level structure located below project datum level.
- **Open Space:** 12.7-acres of overall open space, including 8-acres of gardens

(4.5-acres publicly accessible).

Proposed Vesting Tentative Tract Map/Development Plan Review: The requested Vesting Tentative Tract Map and Development Plan Review are subsequent actions pursuant to the conditionally approved One Beverly Hills Overlay Specific Plan entitlements. If approved, the subject property would be subdivided into 34 lots in a manner consistent with the project features described above and create residential air space lots that could contain a maximum of 340 condominium units. Accordingly, review of this subdivision by the Planning Commission will be limited only to the issues relating to the requested Vesting Tentative Tract Map and Development Plan Review, not the project features that have already been conditionally approved as part of the One Beverly Hills Overlay Specific Plan.

Final Supplemental Environmental Impact Report (Final SEIR): This project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. The City Council adopted Resolution 21-R-13348 on June 8, 2021, certifying a Final Supplemental Environmental Impact Report (Final SEIR), which analyzes potential environmental impacts associated with development of the project consistent with the recently approved One Beverly Hills Overlay Specific Plan. The Final SEIR contemplated various future actions necessary to implement the Overlay Specific Plan, including approval of a subdivision map and related Development Plan Review. Staff reviewed the proposed Vesting Tentative Tract Map and Development Plan Review and determined that the requested entitlements, which serve to implement the approved project, were fully analyzed in the certified Final SEIR, and that no further CEQA review is required. The Planning Commission will consider the Final SEIR and staff's CEQA recommendation.

Beverly High students who take the SAT and PSAT are provided water bottles during their break times and blood drives held throughout the year also offer water bottles to donors.

In general, there was Board consensus that this could have a positive impact and is worth pursuing.

wildlife trafficking.

His sister, Stephany Perez, 25, of Oxnard, is also charged in the indictment with conspiracy.

The superseding indictment adds allegations to an indictment originally filed on Feb. 24. The new allegations include 14 overt acts in the conspiracy charge, including some accusing Jose Perez of crossing into the U.S. from Mexico by car at the San Ysidro Port of Entry on Feb. 25 with approximately 60 reptiles - including dozens of lizards and four snakes - concealed inside his jacket pockets, pants pockets, groin area, and pant legs. After initially

denying to customs officials that he had anything to declare, Perez later told them that "the animals were his pets," the indictment alleges.

From Jan. 2016 to Feb. 2022, the Perez siblings and their co-conspirators used social media to buy and negotiate the terms of the sale and delivery of wildlife in the United States, according to the indictment. The defendants allegedly advertised for sale on social media the animals smuggled from Mexico into the United States, posting photos and videos that depicted the animals being collected from the wild.

The animals - which included Yucatan box turtles, Mexican box turtles, baby crocodiles, and Mexican beaded lizards - were allegedly imported into the United States from Mexico and Hong Kong without obtaining permits required by an international treaty known as the Convention on the International Trade of Endangered Species of Wild Fauna and Flora (CITES).

For the animals allegedly smuggled from Mexico, co-conspirators would retrieve the wildlife from Ciudad Juarez International Airport in Mexico and eventually ship the animals by car to El Paso, Texas. Jose Perez paid his co-conspirators

a "crossing fee" for each border crossing - the amount of which depended on the number of animals transported, the size of the package, and the risk of being detected by the authorities.

According to the indictment, Jose Perez and a co-conspirator traveled to Mexico on other occasions to purchase additional live animals that had been taken from the wild so that the animals could be smuggled into the United States.

Once the animals had been shipped to the United States, they allegedly were transported to Perez's then-residence in Missouri. But after he moved to California, the wildlife was shipped to his residence in Ventura County.

It is alleged that Stephany Perez assisted in the wildlife smuggling business, particularly during two extended periods when her brother was incarcerated.

If convicted of all charges, the defendants would face a statutory maximum sentence of five years in federal prison for the conspiracy charge. Jose Perez would face a statutory maximum sentence of 20 years in prison for each smuggling count and five years in prison for each wildlife trafficking count.

WHAT'S THE FUTURE FOR HASTAIN TRAIL?

Bankruptcy Judge Approves \$34 Million Offer

By Danielle Berjikian

A bankruptcy judge approved the sale on a \$34 million offer for the 66 - acre property of open land where Mohamed Hadid once planned to build luxury megamansions on the site known as Hastain Trail, Wednesday.

The Hastain Trail has been established for more than 65 years and is frequently used by Beverly Hills residents. The con-

troverary arises from the fact that Hadid's former vision for the land would have impeded access to the Hastain Trail.

The majority of the trail rests on public property that runs through Franklin Canyon Park, however, portions of it lied on private property that was owned by Coldwater Development LLC and Lydda Lud, LLC., which is owned by Hadid.

Beverly Hills attorney Ronald Richards represents Give Back, who is the primary creditor in the case. Give Back bought the debt in hopes to preserve the land for public use.

An auction was held on March 24 at the Beverly Hilton where the \$34.175 million offer was recorded. The debt on the property will now transfer to the new owner.

"I've been in touch with the buyer and I am comfortable that the buyer is not going to do anything differ-

ent than our philosophy," Richards said.

The Beverly Hills City Council previously said they are in support of keeping the Hastain Trail as an open space for the benefit of the public and environment in response to the ongoing bankruptcy proceeding.

"This was a very good result for everyone in Beverly Hills that uses these trails and for the people that live in the post office," Richards said.

"The City of Beverly Hills is thrilled to be presenting Janet Roston's Gatsby Redux at Greystone, as together they represent an inspired pairing of a Gatsby-era

dance performance placed within a Bohemian-aged iconic mansion. The setting will be spectacular, and the performance will feature Janet's finely-honed choreography and exquisite dancers. This will truly be one-of-a-kind special evenings that are quintessentially Beverly Hills," Ben Johnson, Manager of Arts & Culture, said.

Tickets for Beverly Hills residents

are \$15 and will be released beginning Wednesday, March 23, 2022. Non-residents can purchase tickets for \$20 beginning Wednesday, March 30.

"I am so excited that Mixed eMotion Theatrix will be presenting Gatsby Redux at Greystone. My ties to Beverly Hills run deep and it's wonderful that after touring the production it will be performed in my

home community. Greystone is the perfect site for the show; one can truly imagine attending one of Jay Gatsby's Garden Parties on the grounds of the mansion," Director/Choreographer Janet Roston said.

Roston was formerly the dance teacher at Beverly High.

count by the property receiver, if applicable. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. Notice to Potential Bidders If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a Trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a Trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. Notice to Property Owner The sale date shown on this Notice of Sale may be postponed one or more times by the Mortgagee, Beneficiary, Trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about Trustee Sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call Auction.com at 800.280.2832 for information regarding the Trustee's Sale or visit the Internet Website address www.Auction.com for information regarding the sale of this property, using the file number assigned to this case, CA08000499-19-1. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Website. The best way to verify postponement information is to attend the scheduled sale. Notice to Tenant NOTICE TO TENANT FOR FORECLOSURES AFTER JANUARY 1, 2021 You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 800.280.2832, or visit this internet website <https://tracker.auction.com/sb1079/>, using the file number assigned to this case CA08000499-19-1 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. NOTICE OF PETITION TO ADMINISTER ESTATE OF ROBERT LLOYD RUBINSTEIN

Case No. 22STPB02868

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of ROBERT LLOYD RUBINSTEIN

A PETITION FOR PROBATE has been filed by Michael Lester in the Superior Court of California, County of LOS ANGELES. THE PETITION FOR PROBATE requests that Michael Lester be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on April 28, 2022 at 8:30 AM in Dept. No. 5 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
