"Street Closures"

Today, I received an automated phone call from the City of Beverly Hills, informing me that Wilshire Boulevard will be closed to traffic in both directions between Maple and Almont, between 7:00 am and 10:00 pm, Saturday 10/29 and Sunday 10/30, for filming purposes.

This would be only a minor inconvenience for City residents, were it not for the fact that there will be "loud explosions and simulated emergency vehicles.'

How could someone explain to a terrified baby, "Nothing bad is happening these loud noises are part of a movie they are making"? A baby is too young to understand. Dogs and cats are also frightened by loud noises. Dogs tremble with fear all day on the Fourth of July. And what about sick people, old people, or people who just want to sleep late or nap on the weekend?

Why can't these film makers film the simulated emergency vehicles and dub the sounds of sirens in later, along with the sounds of loud explosions? Using today's technology, that should be easy to do in a soundproof studio.

The City should accommodate the needs of the motion picture and television industries without causing trauma and distress to residents.

"Beverly Hills Traffic"

What a nice surprise being asked in a mailer to give input about the traffic problems in the city and not just the triangle.

My street corners are Monte Leon at Hillcrest Road, where we have been trying to have humps installed to deter the large numbers of bold, daring individuals who run the stop signs; but that has not happened. What the city did in good faith was to change the stop signs to ones with red flashing lights, but those proved to be useless.

So, we need the humps ASAP before someone gets hurt. The same is for Loma Vista and going up to Trousdale, drivers are fast. As I walk almost daily, I can tell you that in most corners cars barely stop, certainly in streets like Elevado on school days.

The traffic mess made by tour buses jam our city. Fedex trucks, etc, they have so much chutzpah they block the street even if their client has parking space e.g., Bank of America on Santa Monica and Beverly Drive. They could do their pick up/deliveries if the businesses have no parking at 7 am.

Furthermore, having tourist buses or large 12 or 15 passenger vans around our city streets is not good, and can increase crime

The idea that this city needs to grow and

bring more people to it is wrong, although the voters seem to love crowds. Perhaps next time things will change. The point is the more people visit, crime increases seem to be happening. The metro will be another problem but not much can be done except cameras.

The new hotel with all the exceptions will cause more traffic jams, more visitors, and onlookers equals more crime plus the hotel owner basically owns Rodeo Drive. Not a very good idea.

Planning Commission Approves South Maple Drive Project

At their Thursday meeting the Planning Commission conditionally approved a project to construct a six story, 29-unit, multi-family residential building with 72 underground parking spaces located at

Rendition of project: intersection of Charleville Bou*levard/Maple Drive*

149-159 South Maple Drive.

"It does not botter me that it is a six story building - only a little because it is surrounded by public use buildings like schools and temples," Vice Chair Gary Ross said.

The project involves the demolition of three, two-story multi-family residential buildings that currently contain a total of 12 units and would span across three lots. The building would provide six affordable units: two for low income households and four for very low income households with the remaining balance of units available for rent at market rate prices. It also includes a rooftop pool and amenities.

The applicant also requested a Density Bonus permit to allow a 50% density bonus in addition to certain incentives/ concessions from development standards. Under state law, applicants of residential projects of five or more units are entitled to a density bonus if the project provides affordable housing units.

"It is not just a beautiful project, but a project that brings affordable housing to Beverly Hills, which is few and far between," Ross said.

To mitigate potential noise impacts to neighboring residents, the commission placed a condition where use of the rooftop will be limited to 8 a.m. to 8 p.m. daily, including special events. The commission

is also requiring a noise canceling barrier.

Suspect Arrested in Connection to August Shooting on North Cañon Drive

The Beverly Hills Police Department (BHPD) announced last Thursday the arrest of a suspect in connection to a shooting in the City's business district this past Aug.

On Aug. 15, at 10:47 p.m., BHPD officers responded to the 100 block of North Cañon Drive following a report of a possible shooting. They arrived to find a gunshot victim at the scene with non-life-threatening injuries.

After a thorough investigation, Max Alexander Whitehead, a 20-year-old male resident of the United Kingdom, was identified as the primary suspect. Last month, a felony criminal complaint for the charge of attempted murder and assault with a semi-automatic firearm with significant bodily injury was filed against Whitehead by the Los Angeles County District Attorney's Office.

Whitehead was located in the City of Santa Ana. The Santa Ana Police Depart-

> ment assisted BHPD detectives in taking Whitehead into custody. A search warrant was also executed on the 2900 block of South Fairview Road, and additional evidence was recovered.

Detectives are still determining a motive.

"I never thought we could get the Brooklyn Dodgers. They were the best sports team in America," Wyman said in a Beverly Hills View interview in March of 2015.

She was the second woman to ever serve on the City Council. Her tenure ran 12 years, representing the city's Fifth District.

"Roz Wyman was an historic figure in Los Angeles history. She was the youngest ever to be elected to the City Council. She played a pivotal role in bringing the Dodgers from Brooklyn to Los Angeles. She was instrumental in securing the 1960 Democratic Convention that nominated John F. Kennedy. Roz played a significant role in L.A.'s cultural arts scene, having served on the County Arts Commission and the Music Center Board for many years. In 1975, after she was widowed, she campaigned to win back her old Council seat, but finished third, after Fran Savitch and Yaroslavsky, the eventual winner.

"I first met Roz in my first campaign in 1975. We were competitors at the time, but we treated each other with mutual respect. I edged her out by 359 votes (1%) to get into the runoff election. She endorsed me with gusto, and was instrumental in my victory. From that moment on, we became good friends. Our collaboration on the cultural arts contributed to what became the golden years of the expansion of our cultural venues throughout the county. Her political wisdom was keen, and I always turned to her for her analysis," Yaroslavsky said.

Last year, a plaque honoring Wyman was installed in the Los Angeles Memorial Coliseum Court of Honor. Los Angeles County Supervisor Janice Hahn (pictured above) asked that the Los Angeles Memorial Coliseum torch be lit in her honor. Wyman and Hahn's father, Supervisor Kenneth Hahn, were part-

ners in bringing the Dodgers to Los Angeles.

"My favorite times with Roz in recent years was when she took me to the Dodger games in her front row seats behind the Dodger dugout. One night she asked an usher to bring her a baseball to give me as a souvenir. I asked her to sign it for me.

Next Beverly Hills Committee Holds Clothing Drive

The Next Beverly Hills Committee held a clothing drive Saturday where they collected items for foster youth.

She looked perplexed. 'Why would you want me to sign your baseball?' she asked. 'I can get Clayton Kershaw to sign it for you.' I responded, 'we wouldn't be sitting here but for you.' My three most prized baseballs were signed by Sandy Koufax, Stan Musial, and Roz Wyman. And hers sits on my shelf where I can see it every day. She lived a great life which helped transform Los Angeles. She will be sorely missed," Yaroslavsky said.

City Council Approves New Human Relations Commissioner

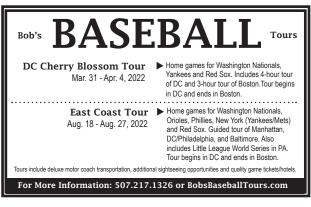

At their Tuesday Study Session the City Council agreed to appoint Pam Kraushaar

to fill the position of late Chair Rhoda Sharp on the Human Relations Commission.

The Human Relations Commission Interview Panel was composed of Mayor Lili Bosse

and Councilmember Sharona Nazarian, Human Relations Chair Noelle Freeman

and Vice Chair Laura Hornwood Margo. The panel interviewed four applicants and chose Kraushaar to join the commission.

Kraushaar must attend all Human Relations Commission meetings leading up to her appointment. If approved she will be eligible for an initial two-year term from Jan. 2023 to Dec. 2025.

The City Council will formally approve the appointment at their Nov. 15.

City Council Discusses Coldwater Traffic Striping

At their Tuesday Study Session the City Council discussed the restriping of Coldwater Cañon Drive and agreed it should be completed in advance of the upcoming water main and pavement projects.

Coldwater Cañon Drive within Beverly Hills is about one mile between Beverly and Monte Cielo Drives. The roadway is 40-ft wide and is classified as a "Major Collector" street. It carries around 24,000 cars during the week with significant commuter traffic. Coldwater faces the challenge of balancing the movement of traffic and the need to access property, according to the staff report.

The street has one wide travel lane in each direction and a narrow center lane that is not wide enough to accommodate vehicles.

According to the staff report, the striping layout should be replaced when the roadway is resurfaced. The shoulders are

not wide enough for cars to park without extending into the lanes and the center section is not wide enough to fit vehicles without extending into the travel lanes.

The striping layout is also conducive to illegal speeding and passing. White edge lines were painted in July of 2020 to narrow the travel lanes to discourage speeding and plastic delineators were installed across the center section at multiple locations. Recently, the delineators in the center were upgraded to larger plastic bollards and bollards were added on the white edge line at several locations to further constrict the lane width to slow traffic to the legal speed.

To solicit community input on new striping layout options, surveys were mailed to occupants along Coldwater. The survey asked residents to select one of the two options:

Provides continuous two-way turn lanes and painted shoulders to increase space for emergency vehicles during congested hours, or provide on-street parking, except near intersections and driveways.

A total of 35 households responded to the survey, 20 of which selected the latter.

The Fire Department indicated a preference for the center turn lane option as it provides the greatest width for emergency vehicles. In addition, the Police Department Traffic Bureau expressed concern that parked cars may obstruct visibility for cars exiting driveways. Public Works staff believe that these concerns can be addressed by limiting the amount of parking along the corridor and staggering parking spaces.

The new striping layout options were presented to the Council where the majority were in favor of on-street parking. Councilember Lester Friedman and Vice Mayor Julian Gold were those in opposition.

"I feel comfortable with option two because option two would not be done without the input of the fire department," Mayor Lili Bosse said.

Water Main Replacement and Pavement Reconstruction are two projects currently planned for Coldwater.

The restriping of Coldwater is expected to take place early next year.

Traffic and Parking Commission to Review Neighborhood Traffic Calming Program

At their Thursday meeting the Traffic and Parking Commission is expected to review, and possibly approve, the draft neighborhood traffic calming program.

Traffic calming is the implementation of physical design elements and other strategies to reduce speeding and cut-through traffic in residential neighborhoods. The program consists of procedures and policies for residents to request specific traffic calming tools that can be applied in various situations.

The program consists of two main components, the Traffic Calming Toolbox, and Policies and Procedures.

The Traffic Calming Toolbox consists of 17 traffic calming tools. The tools are divided into three tiers: Tier 1, Non-physical devices, Tier 2, Speed control devices, and Tier 3, Volume control devices.

The main goals of the program are to manage traffic volumes, reduce excessive vehicle speeds, improve pedestrian and bicyclist safety, educate the community, and enhance neighborhood identity.

The draft program provides step-by-step

public can attend a Town Hall meeting tongight from 6 - 7:30 p.m. The in-person meeting at Beverly Hills City Hall will also be streamed virtually with online participation available.

The parking permit program will primarily rely on vehicle license plates, also known as Permit by Plate. The police department will utilize license plate recognition technology to further expand consistent coverage and maintain visibility within neighborhoods. There will be no parking permit policy changes or changes to the annual charge for parking permits. There will also be no change in how residents obtain guest parking permits and no charge for them.

Following the Town Hall meeting, the proposed program relaunch will be presented to the City Council. If approved, current permits will be automatically extended until Jan. 31, 2023, and residents will receive permit registration and renewal instructions starting by Jan. 3, 2023. The permit renewal process will continue through Jan. in coordination with community education and an information campaign to ensure permit program awareness. Board Receives Construction Update from New Bond Manager

At last Tuesday's meeting the Board of Education held a study session where the new Bond Manager, Fonder-Salari, Inc., provided a construction progress update.

As it stands, El Rodeo is set for completion by June of 2024. Buildings B3/B4 at Beverly High are set to be completed by June of 25.

The proposed Building C and the South Site Athletic Fields Project are still in the planning stages, along with the retaining walls. The total forecasted budget for Beverly High is currently estimated at \$110,773,511. Potential funds are expected to stand at about \$94,274,072, for a shortfall of \$16,499,438. However, the district is expected to receive a potential state seismic mitigation reimbursement totaling \$16,229,280. These are current estimates that upon further review, may change.

Current bond program challenges identified at the meeting include escalation, cost for oil wells earthwork and backfill project, approval of seismic mitigation funds, obtaining state modernization funds, and optimum phasing for future projects.

"I really appreciate all the work that you've done for the short amount of time that you've been here, it's so comprehensive. I appreciate you being in an open forum like this when you're still so new. I

LA City Council Approves **Resolution on Definition of** Anti-Semitism

In response to a reported increase of anti-semitic attacks on Jewish-Americans, the Los Angeles City Council approved Councilmember Paul Koretz's resolution directing the City of Los Angeles to adopt the working definition of Anti-Semitism developed by the International Holocaust Remembrance Alliance (IHRA), which has been adopted by 37 United Nations member countries, including the United States, and 320 non-federal government

entities including 22 U.S. States and several cities.

That definition recognizes

tain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities."

The definition was recently adopted by the City of Beverly Hills and the City of West Hollywood.

Fire Department Expands Age Eligibility for Girls' **Empowerment Camp**

The Beverly Hills Fire Department (BHFD) will be launching its first ever Girls' Empowerment Camp on Nov. 5th and Nov. 6th that will give young women the opportunity to see firsthand what it takes to be a firefighter. The camp will feature hands-on exercises, drills and training over two days and is now open to those between the ages of 14-21. Originally, the camp was only to allow girls in 9th through 12th grade.

"This incredible camp, put on by our amazing Beverly Hills Fire Department is exactly what is needed to show girls across our community and beyond that they can do anything and be anything they

want to be," Mayor Lili Bosse said. "We want them to feel inspired, confident and be ready to be our next generation of firefighters!"

The camp will be held in-person at the Beverly Hills Fire Department at 445 N Rexford Drive.

"We want to invite curious minds to explore this field where women are underrepresented," BHFD Fire Engineer Melissa Hillis said. "Hopefully, after spending time at our camp, we will inspire girls to join the ranks of the Beverly Hills Fire Department in the years ahead."

COVERSTORY CITY COUNCIL APPROVES DEVELOPMENT AGREEMENT FOR CHEVAL BLANC

Project to be Completed Within Five Years By Danielle Berjikian

At their Tuesday meeting, in a 4-1 vote, the City Council approved the Development Agreement for the Cheval Blanc project, a luxury hotel with public and private dining and ancillary uses, a private club, and street level retail uses facing Rodeo Drive. Councilmember John Mirisch was the sole dissenting vote.

The project site is located at 456 and 468 North Rodeo Drive, 449, 451, and 453 North Beverly Drive; and 461 through 465 North Beverly Drive.

On Sept. 20 the City Council held a public hearing for the project and by a 4-1 vote directed staff to return with draft resolutions and ordinances for conditional approval of the requested entitlements. Mirisch was the sole dissenting vote.

"This project will be a true gift to our community. It is a spectacular six star hotel," Councilmember Sharona Nazarian said.

As part of the development agreement, the developer (LVMH) is required to pay

Public Benefit Contribution	\$26 million

a \$26 million public benefit contribution within 30 days of the final approval date or by issuance of any building permit for the project, whichever is sooner. The final approval date will occur once all legal challenges and appeals have been resolved.

"Land value is \$465 million and we are getting \$26 million. \$26 million for a \$1 billion project is less than a rounding error. I think it is a bad joke," Mirsch said.

The developer is also required to pay an additional \$2 million to the City for arts and cultural purposes.

A 5% municipal surcharge on revenue from hotel rooms is required to be paid to the City. This 5% charge is in addition to the City's standard transient occupancy

dential burglary.

HERRERA, ALVELARDO, 27, arrested on 10/26/22 for resisting, delaying, or obstructing any public officer, peace officer, or emergency medical technician, carrying a concealed firearm upon a person, ex-fel-

tax (TOT) of 14%.

The agreement will expire five years from the date of the agreement or final approval date, whichever is later. LVMH must complete the project within five years of the final approval date and is required to pay \$52 million if it fails to open and operate the hotel within this time. This includes forfeiture of the \$26 million Public Benefit Contribution, the \$2 million Arts and Culture Contribution, and the payment of an additional \$24 million in liquidated damages.

The City analysis concludes that over a 30 year period, the project is projected to generate \$572.61 million in TOT and Municipal Surcharge revenue and \$725 million for the City's total General Fund.

BHHS Football Team Loses to Centennial in Season Finale

By Steven Herbert

Beverly High was unable to hold its only lead of the season, allowing 20 unanswered points in the second half of a 20-12 loss to Centennial of Compton in the season finale for both teams Friday night at Nickoll Field.

"We absolutely gave the game away," Normans coach Marquis Bowling said. "We made almost every possible bonehead mistake that you can make."

In the second half, Beverly Hills was called for personal fouls for a punch and what was described by the referee as a player "being extremely disrespectful to the referee," Bowling said.

"I've tried to pride myself on making the program one of respect, one of discipline and time and time again we go out there and we do the absolute opposite of being respectful and disciplined," Bowling said.

The Normans were also called for a personal foul on a third-down play that would have forced Centennial to punt. Beverly Hills received a sideline penalty when guests of Bowling were outside the area they should have been, he said.

Jackson Rosenberg scored on a 20-yard run early in the second quarter and Matthew Recupero threw a 7-yard touchdown pass to senior tight end Francis Molina later in the second quarter for the Normans (0-10, 0-5 in league play).

Rosenberg ran for 136 yards on 26 carries, including a 40-yard gain. Recupero completed 11 of 22 passes for 67 yards.

NOTICE OF PETITION TO AD-MINISTER ESTATE OF: MARIE GERTRUDE PASCAL-REGAN AKA SUE M. PASCAL REGAN CASE NO. 22STPB01499

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of MA-RIE GERTRUDE PASCAL-REGAN AKA SUE M. PASCAL REGAN.

A PETITION FOR PROBATE has been filed by SUSANNE JILL PETTY in the Superior Court of California, County of LOS ANGELES. THE PETITION FOR PROBATE requests that

SUSANNE JILL PETTY be appointed as per-

sonal representative to administer the estate of the decedent.

THE PETITION requests the decedent's WILL and codicils, if any, be admitted to probate. The WILL and any codicils are available for exam-

ination in the file kept by the court. THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the pro-posed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 01/09/23 at 1:30PM in Dept. 44 located at 111 N. HILL ST., LOS ANGELES, CA 90012 IF YOU OBJECT to the granting of the petition,

you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney. IF YOU ARE A CREDITOR or a contingent

creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. This sale shall be subject to a right of redemption. The redemption period within which this property interest may be redeemed ends 90 days after the date the sale is final NOTICE TO POTENTIAL BID-**DERS**: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property or necessarily a 100% ownership interest in the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off or resolving ownership interest issues, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens as well as the ownership interest(s) and salability of the property that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust or lien on the property. Please Note, the sale may not be final until either 15 or 45 days after the sale date - see Notice to Tenant. Further, no Certificate of Sale or Trustee's Deed may be issued until the sale is final. Your bid is subject to being over bid by the Tenant or "eligible bidder" after the sale and if your bid is over bid, your only reme-dy is to the refund of your actual bid amount without interest or payment of any other costs, expenses or funds of any kind or nature in-curred by the initial successful bidder. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, lien holder, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law re-quires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the re-scheduled time and date for the sale of this property, you may call (866) 266-7512 or visit this Internet Web site www.elitepostandpub. com using the T.S. number assigned to this case. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediate time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify sale or postponement information is to attend the scheduled sale. **NOTICE TO TENANT:** You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. Step one, 48 hours after the date of the trustee sale, you can call (866) 266-7512, or visit this internet website www.elitepostandpub.com using the file number assigned to this case TS# 22-22057 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Step two, you must send a written notice of in-tent to place a bid ("NOI") accompanied by an affidavit or declaration in accordance

with Civil Code Section 2924m(c)(2)(A)(B) (C)(D) so that the trustee receives it no later than 5 p.m. on the 15th day after the trust-ee's sale. Step three, you must submit a written bid along with the funds constituting the bid payable in lawful money of the United States, in the form of cash, a cashier's check drawn on a state or national bank, check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, or savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state so that the trustee receives the bid and the funds no later than 5 p.m. on the 45th day after the trust-ee's sale. Bids will only be accepted from an eligible tenant buyer or eligible bidder who has submitted a timely NOI in accordance with Step two above. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an at-torney or appropriate real estate professional immediately for advice regarding this potential right to purchase.
