“AB 285”

The California Assembly has just enacted AB 285, a law mandating Beverly Hills, and all other California school districts teach “climate change” starting in the 2024-25 school year. Current Education Code requires districts to cover three things in their science curriculum:

- Experimental Inquiry
- Ecological Systems
- Climate Change

You can be sure that climate change, once known as global warming, will not be taught as a refutable theory, but as a “settled” existential threat. Few will dare give a fair hearing to so-called deniers or explain the damages mitigation will cause -- damages like exploding the national debt, supercharging inflation by raising the cost of energy, jeopardizing national security by increasing reliance on foreign energy and decreasing competitiveness in manufacturing, and vastly expanding government’s regulatory bureaucracy.

Climate change science is required to begin in first grade (!) and continue through high school. It likely will pervade the science curriculum. Just as racial justice grifters demand everything

be viewed through the “lens” of race, so environmental activists want science “re-imagined” through the lens of climate. Reconstructing science education will be a boon to textbook publishers, consultants and trainers. It will also be a boon to self-styled climate grief counselors, who attempt to help people cope with depression resulting from the soul-crushing drumbeat that the world is ending.

Democrats will favor this mandate overwhelmingly. Most Republicans will not. So AB 285 is about politicizing science; its aim is indoctrination. After twelve years of miserable brainwashing, most young people will be scientifically illiterate, fear-filled, unquestioning disciples of climate alarmism. How do you suppose they’ll vote?

Beverly Hills Holds 9/11 Ceremony

In honor of those who lost their lives on September 11, 2001, the city held its annual ceremony at the 9/11 Memorial Garden. The event featured a wreath laying, ringing of the bell and playing of taps.

City Council Discusses Commission Applicant Residency Requirements

The City Council discussed residency requirements for commission applicants and spousal participation on city commissions, at its Tuesday Study Session.

The two-year residency requirement was first established in 1967 and reaffirmed in 2001 by the City Council. Despite this, the municipal code was not updated to include this policy, leading to its status as an "established practice" rather than a formal legal requirement. Furthermore, city staff believed it was unclear whether the two-year residency must be consecutive immediately prior to application submission or if intermittent residency is acceptable.

The City Council agreed that the two year requirement should remain consecutive, beginning at the time of application submission.

Another area under review is the policy regarding spouses serving on city commissions. The city commissioners' handbook currently discourages spouses from serving on the same commission,

either concurrently or consecutively, but allows for the possibility of spouses serving on different commissions at the City Council's discretion. The municipal code does not currently reflect this guideline, and the city is looking into if these policies should be formally codified into the municipal code.

The City Council also agreed that both spouses must wait at least one year after one serves on a commission.

Councilmember Craig Corman indicated that if the two-year requirement were not continuous, it could allow for the possibility of someone who lived in the community decades ago, but not recently, to be appointed. To avoid this, he proposed revising the municipal code to clearly reflect this ongoing residency requirement.

It was agreed that spouses cannot serve on the same or different commissions simultaneously.

There was also a concern about people from the same household serving on the same commission, as it may create potential conflicts of interest or Brown Act violations. However, the council did not provide direction to city staff regarding those concerns.

City Council Approves Acquisition and Installation of Judy Chicago's Sculpture "Trinity"

In a 4-1 vote, the City Council approved the acquisition and installation of Trinity, a sculpture by artist Judy Chicago. Councilmember Craig Corman voted against the resolution.

Initially, Beverly Gardens Park was proposed as a location for the sculpture. However, due to concerns over public interaction and the aesthetic suitability of the park, the location was later shifted to the Wallis.

Originally, the total cost of acquiring and installing Trinity was estimated at \$650,000, which included \$400,000 for the purchase of the artwork and \$250,000 for ancillary costs like transportation, site preparation, and landscaping. However, City Council requested that staff reduce these ancillary costs and scale back the height of the artwork's base to better align with the piece's design.

Subsequently, revised quotes were obtained, and adjustments were made to

reduce the cost of lighting, landscaping, and fabrication. As a result, the overall installation budget was reduced from \$250,000 to \$189,000, bringing the total project cost to \$589,000.

City Council Opposes AB 3021

gent concerns raised by Police Chief Mark Stainbrook regarding the potential impacts of the bill on law enforcement procedures.

Assembly Bill 3021, introduced by Assemblymember Ash Kalra (D - San Jose), aimed to create new procedures for law enforcement when interviewing, questioning, or interrogating the immediate family members of individuals killed or seriously injured by peace officers.

The bill would have required peace officers to provide Miranda-like warnings to family members, informing them of their rights, including the right not to speak to law enforcement and the right to consult an attorney before an-

swering questions.

On August 29, Stainbrook urged the city to oppose AB 3021 due to concerns about the bill's impact on police operations.

With the bill scheduled for a final vote in the California Senate on August 30 and the legislative deadline for passage approaching on August 31, immediate action was needed.

Law enforcement agencies, including the California Police Chiefs Association and the California District Attorneys

Association, expressed several concerns about AB 3021. These included the following:

- AB 3021 would require peace officers to provide detailed warnings to family members, even in high-pressure situations such as mass shootings or other emergencies. This could hinder officers' ability to quickly gather information necessary to prevent further harm.

- The warnings mandated by AB 3021 could be interpreted as accusatory, potentially misleading family members who are not suspects. There is also concern that such warnings may cause confusion rather than provide clarity.

- The bill lacked clear guidelines on penalties for officers who failed to administer the warnings, raising concerns about potential legal challenges in court.

- In situations where peace officers unknowingly questioned family members without providing the required warnings, there was a risk that crucial evidence could be excluded from trials.

Following the opposition letter, AB 3021 was moved to the inactive file on August 31, effectively killing the bill for this session.

The Rotary Club of Beverly Hills

In December, the Rotary Club of Beverly Hills (Beverly Hills Rotary) will celebrate its 100th anniversary. A few weeks ago, I reflected on the unique role that the Club plays in our city.

Beverly Hills Rotary is a local service organization with 164 active members and 22 honorary members and is part of Rotary International, the largest service organization in the world with 46,000 clubs and 1.4M members. Members uniformly try to live their lives in keeping with the Rotary creed: “Service Above Self”.

Beverly Hills Rotary makes charitable donations of approximately \$100,000 annually to organizations such as The Maple Counseling Center, Special Olympics, Vista del Mar, The Wallis and Theatre 40 as well as BHPD and BHFD. Club members (Rotarians) also support Rotary International’s work around the world. It is not just a lunch club.

As we approach the centennial, I asked a number of Beverly Hills Rotarians to tell us what BH Rotary means to them.

Here is what they said:

Greg Barton (President, Beverly Hills Rotary; Chief BHFD): Rotary is a global charitable organization where members unite to serve communities, whether locally or internationally, embodying the motto “Service Above Self”. As the Beverly Hills Rotary Club celebrates its 100th anniversary this year, we honor a century of giving back and remain committed to making a difference for the next 100 years.

Barry Bernstein: The club gives me the opportunity to participate and contribute to my City and make new lasting friendships!

Frances Bilak: Rotary has meant camaraderie and service to me. collaboration with other community builders to achieve change...one day at a time.

Charles Black (past President Beverly Hills Rotary): The Rotary Club of Beverly Hills, with its motto of ‘Service Above Self,’ has been a beacon of community service and leadership for a century, embodying the spirit of giving back and making a difference. Personally, it represents a commitment to putting others first and strengthening the bonds within our community.

Dr. Michael Bregy (Superintendent, BHUSD): Being a Rotarian for 15 years signifies my longstanding

commitment to promoting community service, international understanding, and ethical leadership within Beverly Hills and beyond. It also reflects my dedication to upholding Rotary’s core values and actively working towards creating positive change in society through various projects and initiatives

Linda Briskman (former Mayor): For me after almost 25 years as a Rotarian it’s about the constant reminder that service above self should always be a priority.

J.R. Dzubak (past President Beverly Hills Rotary): Celebrating the 100th anniversary of Beverly Hills Rotary Club is a significant milestone that symbolizes a century of service, fellowship, and commitment to the community and the world. For Rotary, this celebration is more than just marking the passage of time it represents. A century of impactful service projects, from local community improvements to global initiatives like eradicating polio, highlight the club’s long-standing commitment to Rotary’s motto, “Service Above Self.” The anniversary serves as a moment to renew the club’s commitment to its values and goals, inspiring current and future members to continue the work of building a better world and a thriving Beverly Hills!

Eliot Finkel (former Beverly Hills Treasurer): Rotary is a great place to meet and get to know active, involved, charitable members of our community. The weekly lunches help me stay in touch with what’s happening in Beverly Hills while providing interesting, informative speakers on a variety of subjects.

Murray Fischer (past President Beverly Hills Rotary): I joined Rotary in 1987 as I believed in its slogan of Service above Self. I was very lucky to have two stalwarts of the community, Warren Ackerman and Jack Freeman, as my sponsors. I have seen our club grow from a small club to a large dynamic club while still maintaining our core values. As a past president, I was able to help in instituting a way to increase our charity fund so we could give larger and more meaningful gifts to well deserving organizations.

Howard Fisher (Beverly Hills City Treasurer): I love the Beverly Hills Rotary Club for its incredible sense of camaraderie and the way it brings together like-minded individuals dedicated to making a difference. The engaging speakers always provide fresh perspectives and thought-provoking

insights, enriching our understanding of the world. Moreover, the club’s commitment to impactful charitable work, both locally and internationally, exemplifies the spirit of service and community, making every meeting a meaningful experience.

Lori Greene Gordon: My favorite part of Rotary is that it brings diverse members of our community into a collegial group with the goal of doing good deeds.

Myra Lurie (past President Beverly Hills Rotary): Active membership in The Rotary Club of Beverly Hills has been an important part of my life for twenty years, affording me meaningful opportunities to be of service locally and globally and to develop wonderful friendships throughout the community. I’m especially grateful for our club’s support of The Beverly Hills Treble Makers, the joyful weekly music program that Steven Weinglass and I produce at Roxbury Park for seniors and those with cognitive issues as a free community service.

Michael Lushing (past President Beverly Hills Rotary): It’s a wonderful combination of meeting weekly at a historical hotel, spending time with like minded community members and friends, and knowing we’re all there for the same purpose of service above self. I joined Rotary in 2010 just having returned to LA from Salt Lake City and wanted to get reconnected to the local business community. Fourteen years later, I’ve been President of our Club (when Covid broke out in 2020) and now serve as Assistant District Governor to several Clubs in the district. I joined Rotary for the wrong reasons (making it about my business) and stayed for the right reasons (being of service in my local and surrounding communities).

Judy Manouchehri (Board of Education member): Rotary of Beverly Hills has been a source of learning and gratitude for me, and those are the two factors which provide the most satisfaction in my personal life - That I can continue to learn about others, their experiences and perspectives, really inspires me. And next, to be aware of, remember and give to those who are less fortunate than ourselves, is a reminder of all that I have in my life and should be grateful for.

Shahram Melamed: Every time I pass by the Beverly Hills sign at the Lily Pond, I am reminded of the work that Beverly Hills Rotary has done in enhancing our community. Globally, the fact that Rotary has been instrumental in almost eradicating polio warms my heart.

Sharona Nazarian (City Council Member – former Club President): During my time as president of Rotary especially during the challenges of COVID, I was deeply moved by the

way our Rotary family came together. We were able to provide much-needed masks and hand sanitizer to our most vulnerable seniors when these items were hard to come by. It wasn’t just about the supplies—it was about the sense of community and care we fostered during a time of great isolation. Being part of this effort reminded me of the true spirit of service above self.

Lynda Oschin: The Rotary Club of Beverly Hills is an amazing organization that brings together people who want to make our world a better place. Each week we celebrate and learn, and recommit to doing all we can and I am so very proud to be a part of it.

Sandy Pressman: Rotary is a community working for the greater Community. It is a joy to be a part of a diverse collective that cares.

Lillian Raffel (Past President BH Rotary; past member School Board): It was my honor to be the 100th BH Rotary President. Rotary is an international service organization, and in that regard, our club has participated in international projects such as providing clean water, helping with Polio vaccinations and providing other services to countries in need. Locally, our club has provided for kids in need, families that are struggling, and people who are just having a tough time. Also Rotary has contributed to the city. My two favorite projects are the renovation of the Lily Pond and the creation of the 9/11 Memorial Garden.

Alissa Roston (Past President BH Rotary; past Board of Education member): With my background in international affairs, I value our Club’s dedication to international service, which fosters global understanding and addresses humanitarian needs across borders. While we’ve always supported local initiatives, our international giving has significantly increased in both dollars and member participation. I’ve been a member for over twenty years and am grateful to be part of a community where friendships and connections have flourished.

Amie Sherry: Being that this is my home town, I didn’t know that the word “community” could run so deep. Becoming a part of the Rotary family has extended my roots to such wonderful people who selflessly give their time to others.

Mary Wells (City Council Member; past Board of Education member): The Rotary Club is a wonderful place for fellowship, service and inspiration. I am honored to be a part of this group of dedicated and caring community members, and to continue the legacy of service established by those who came before me.

Happy Centennial Anniversary, BH Rotary and best wishes for the next century.

Peter Ostroff is a retired attorney and former Beverly Hills Planning Commissioner.

CITY HOSTS ONE-DAY POP-UP EXHIBITION HONORING VICTIMS OF NOVA MUSIC FESTIVAL ATTACK

NOVA Exhibition on Display Through October 8

By Danielle Berjikian

The city, in partnership with the founders of the NOVA Music Festival Exhibition, hosted a one-day pop-up exhibition on Sunday, September 8,

to honor those killed and kidnapped during the attack at the NOVA Music Festival on October 7, 2023.

The display, held at the Wallis, co-

incided with the larger exhibition currently on display in Culver City.

The original NOVA Exhibition premiered in Tel Aviv in late 2023, followed by a spring showing in New

York City that attracted over 100,000 visitors.

The Beverly Hills exhibition featured scorched cars, structures damaged by bullets as well as personal belongings left behind by the victims.

The NOVA Exhibition will continue to be on display in Culver City through October 8.

review document for qualifying residential and mixed-use projects. The SCEA simplifies some aspects of environmental analysis while maintaining review standards for other elements, intended for a more efficient process compared to traditional Environmental Impact Reports (EIRs).

SCEAs are expected to be used more frequently for projects in Beverly Hills that meet certain environmental and land use criteria, with developers already showing interest in the process. However, under state law, the City Council is currently required to approve SCEAs before the Planning Commission can make a decision on the project itself. This has created a complicated review process that staff aimed to address with the new \$500 appeal fee, according to a city staff report.

This change would allow the Planning Commission to review and approve SCEAs concurrently with the project application, streamlining the process and making it consistent with the existing development review procedures.

Currently, appeals of Planning Commission decisions cost more than \$500, which means SCEAs must be approved by the City Council first, creating delays. The introduction of the new fee would simplify this by enabling the Planning Commission to handle SCEA decisions directly, while preserving the right for applicants or the public to appeal for a fee.

Additionally, the Community Services Department recommended an adjustment to the "Room Rental Cleaning Fee." Historically, this fee has been charged as a flat rate per rental, but an error in the fiscal year 2023-2024 budget led to it being listed as an hourly rate. The proposed change will revert the fee to a flat per rental charge, preventing situations where cleaning costs exceed the total facility rental cost.

City Council Streamlines Housing Development Appeal Process to Comply with State Law

The City Council approved changes to its appeal and review processes for housing development projects at its September 10 meeting.

The proposed changes are intended to comply with California state law, which limits the number of hearings that a city can hold for housing development projects to five.

Currently, the appeal and review process for such projects involves at least two separate City Council meetings. This process now risks exceeding the state-mandated five-hearing limit, which could hinder the ability to properly review other development commission decisions, according to a city staff report.

The ordinance aims to streamline the appeal and review process into a single City Council meeting to ensure compliance with state law.

According to the law, any public hearing, including appeals, held by the City Council is counted as one of the five allowed hearings. Each continued hearing also counts toward this limit.

Given this interpretation of what constitutes a hearing, the current process—requiring two City Council meetings—leaves only three hearings for other necessary reviews, such as those conducted by the Planning Commission or Architectural & Design Review Commission.

To further expedite the process, City Council hearings for housing project appeals will now be set by the City Manager, eliminating the need for a preliminary "to set" meeting. Similarly, the Community Development Director will set commission hearings.

The city will continue to cover costs related to Council-ordered reviews within its operating budget.

Beverly Hills Police Lieutenant Receives National Recognition for Leadership in Real-Time Center Operations

The National Real-Time Crime Center Association (NRTCCA) has honored Lieutenant Eugene Kim of the Beverly Hills Police Department (BHPD) with the Real-Time Crime Center Supervisor of the Year Award.

This recognition was presented at the NRTCCA Conference on August 28, in Scottsdale, Arizona. The award highlighted Lt. Kim's leadership in advancing the Department's Real-Time Watch Center (RTWC) and positioning BHPD as a real-time crime analysis and response leader.

"Lieutenant Kim's dedication and vision have set new standards for integrating technology in policing, not just in Beverly Hills but across Southern California," said Police Chief Mark Stainbrook. "This award is a testament to his tireless work and our Department's commitment to being at the forefront of public safety innovation."

Under Lt. Kim's leadership, the RTWC has become a nationwide model for real-time crime centers.

The center's success stems from the collaborative efforts of Virtual Patrol Officers (VPOs) monitoring over 2,500 surveillance cameras around the clock, crime analysts who provide critical data to guide patrol strategies, and the innovative Drone First Responder (DFR) program. These integrated components have significantly advanced BHPD's ability to respond to crimes in progress and conduct follow-up investigations.

In addition to Lt. Kim's recognition, the BHPD was nominated for the Real-Time Crime Center of the Year and National Real-Time Crime Center Association Member of the Year awards.

Storm of Storm Palyan LLP as President-Elect; Alphonse Provinziano of Provinziano & Associates as Vice President; and Mathew S. Rosengart of Greenberg Traurig, LLP as Secretary/Treasurer. Alexander Rufus-Isaacs of Rufus-Isaacs, Acland & Grantham LLP will serve as Immediate Past President. The Association will also swear in a new cohort of local attorneys as Governors: Hon. Halim Dhanadina (Ret.) of Signature Resolution; Erin L. Grey of Enenstein Pham Glass & Rabbat; Rachael C. Kogen of Fraser, Watson & Crouch LLP; Jeffrey S. Kravitz of Alternative Resolution Centers; and Limor Mojdehiazad of Limor Law, APC.

The Association also welcomes ex officio judicial officer members Hon. Eric Harmon and Hon. Esther P. Kim, both of the Los Angeles Superior Court.

"It is an honor and a privilege to step into this role, and I do so with immense gratitude for the people who have helped shape my path. I have been involved with BHBA since starting law

school and I am grateful for the opportunity to bring all that experience to bear to help BHBA continue to redefine how a bar association can provide value to its members while developing the next generation of attorneys," Imam said. Her presidential priorities will include further expanding in-person networking opportunities, focusing on community service, and continuing to expand both membership benefits and sponsorship opportunities. "BHBA has tripled our membership since 2019, largely through revamping our membership benefits including industry-leading continuing legal education. And our in-person networking events sell out and bring together attorneys from throughout the profession. One of my key focuses will be strengthening our Barristers Section, which will provide more opportunities for young and emerging lawyers to connect, learn, and grow within our Association. I also believe that small, intimate social gatherings can complement our larger networking events, fostering deeper relationships and a stronger sense of community among our members," Imam said.

Beverly High Will Seek to Continue its Best Start Since 2010

By Steven Herbert

Beverly High will seek to continue its best start since 2010 – the last time it reached the Southern Section playoffs – when it plays host to Pasadena Poly Friday in a nonleague football game at Nickoll Field. Kickoff is set for 7 p.m.

The Normans defeated Vasquez, 26-21, to open the season Aug. 30, then defeated Loara, 47-28, Friday, in nonleague games at Nickoll Field.

Beverly Hills has not begun a season 2-0 (or 3-0) since 2010 when it won its first three games en route to a 6-5 season, its most-recent season with a winning record.

The 47 points against Loara (0-3) were the Normans' most since Aug. 29, 2019, when they defeated Sotomayor, 68-18, and most against a Southern Section op-

ponent since Nov. 5, 2010, when they defeated Morningside, 62-28.

Pasadena Poly (2-1) is ranked 276th among the 373 Southern Section 11-man teams. Beverly Hills is ranked 35rd and Loara 364th.

Normans coach Richard Rucker said he thought his team "did great" as it made its debut with a loss in an Ocean League game, in a game the Centaurs scored twice in a 24-second span in the final two minutes, 42 seconds Sept. 4 at Nickoll Field.

"We have a bunch of girls that never played before and football's brand new to them," Rucker said. "Our best player (Salma Idrissu) didn't play today.

We have a lot of work to do, but we did good."

Idrissu did not play because she had not taken her required physical, Rucker said.

Culver City opened the scoring on Naomih Bahati's 4-yard pass to Londyn Jones on its first possession 4:49 into the 24-minute first half, three plays after Cada Myles intercepted a pass by Makizi Gregory.

The Centaurs (2-5) increased their lead to 12-0 2:55 later when Melina Antonio intercepted a pass by Gregory and returned it 35 yards for a touchdown.

Sariya Schainen ran 25 yards for a touchdown with 2:42 to play. Antonio scored on a 3-yard interception return 24 seconds later.

After Gregory was 0-for-10 with three interceptions in the first half, she was replaced by Teja Wolfe at the start of the second half

Rucker described Gregory's play as "average." When asked why she was frequently throwing into coverage he responded, "Because she hasn't learned other options. She sticks to that first one. They were covering the first one double, but she still tried to get it in there."

Wolfe completed 1 of 8 passes for

zero yards with one interception.

"She was injured, but I think she did great," Rucker said. "She was better receiver than she is a quarterback, but she'll play wherever you put her."

Gregory's only second-half pass was intercepted.

When asked who played well for his team, Rucker responded, "In my opinion, the entire team."

What's Next?

The Normans are scheduled to play at Santa Monica (2-6) today at 5:30 p.m. in an Ocean League game.

Rucker said in a Sept. 4 interview he was unsure who would start at quarterback but Idrissu was an option.

The Vikings are 140th among the 199 teams Southern Section teams to have played at least three games in the rankings used to determine what divisions teams will play in during the playoffs.

However, prepayment premiums, accrued interest and advances will increase this figure prior to sale. Beneficiary's bid at said sale may include all or part of said amount. In addition to cash, the Trustee will accept a cashier's check drawn on a state or national bank, a check drawn by a state or federal credit union or a check drawn by a state or federal savings and loan association, savings association or savings bank specified in Section 5102 of the California Financial Code and authorized to do business in California, or other such funds as may be acceptable to the Trustee. In the event tender other than cash is accepted, the Trustee may withhold the issuance of the Trustee's Deed Upon Sale until funds become available to the payee or endorsee as a matter of right. The property offered for sale excludes all funds held on account by the property receiver, if applicable. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. Notice to Potential Bidders If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a Trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a Trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. Notice to Property Owner The sale date shown on this Notice of Sale may be postponed one or more times by the Mortgagee, Beneficiary, Trustee, or a court, pursuant to Section 2924g of the California Civil Code.

The law requires that information about Trustee Sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call In Source Logic at 702-659-7766 for information regarding the Trustee's Sale or visit the Internet Website address listed below for information regarding the sale of this property, using the file number assigned to this case, CA08000463-24-1. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Website. The best way to verify postponement information is to attend the scheduled sale. Notice to Tenant NOTICE TO TENANT FOR FORECLOSURES AFTER JANUARY 1, 2021 You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 702-659-7766, or visit this internet website www.insourcelogic.com, using the file number assigned to this case CA08000463-24-1 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. Case No. 24STPB09854

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of ROSE MARIE PILLER aka ROSEMARIE PILLER aka ROSA MARIA PILLER (TERZAKIAN)

A PETITION FOR PROBATE has been filed by Angela Faith Rediger & Yvonne Urwyler-Rossier in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Angela Faith Rediger & Yvonne Urwyler-Rossier be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's lost will and codicils, if any, be admitted to probate. Copies of the lost will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on Oct. 2, 2024 at 8:30 AM in Dept. No. 9 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250.
