"Two Board Members Served With Intent to Recall Petition During Contentious Board Meeting" [Issue # 1328]

To the Board of Education:

I want to begin by expressing my appreciation for the time and effort you and the Board dedicate to leading the BHUSD. The decisions you make have a profound impact on our children and the future of our community, and I understand the gravity of that responsibility.

However, I am writing to express my deep concern regarding the recent decision to terminate all elementary school administrators without any transparency, communication, or clear justification for how this action will benefit our children. As a parent of a first grader at Horace Mann, this decision feels abrupt and alarming. My daughter will be entering her fourth year at Horace Mann next year, and it will be her third time adjusting to new leadership. This lack of continuity is profoundly disruptive not only to students but also to teachers and staff who rely on consistent leadership to foster a stable learning environment.

What troubles me most is that these decisions are being made under the leadership of an acting superintendent who has been in the position for less than a month and does not yet understand the unique needs of our community. The absence of meaningful input from parents, educators, and community members undermines the very foundation of trust and collaboration that our district should be built upon.

Furthermore, the Board's explanation for these cuts—based on California Education Code Section 41372 and a supposed lack of funds—does not hold up to scrutiny. The district's own financial auditors recommended filing for a waiver from the Los Angeles County Office of Education (LACOE) due to temporary fluctuations caused by one-time COVID-19 funding. The Board had until March 15, to file this waiver, yet failed to do so. This lapse has caused unnecessary disruption to our elementary schools and placed additional strain on students, teachers, and families.

BHUSD is a Basic Aid district with annual revenues of approximately \$90 million, equating to about \$30,000 per student—more than double the funding received by neighboring districts like Culver City and San Marino. The notion that BHUSD lacks funding simply does not align with the financial facts. The district even approved a 10.5% raise for teachers last year, marking the tenth consecutive year of raises. The 2024-25 Second Interim Budget projects a

ASB Attends Youth in Government Day

On Monday, Beverly Hills Mayor Les Friedman, Vice Mayor Sharona Nazarian, Councilmember John Mirisch, Councilmember Craig Corman, Councilmember Mary Wells, the Beverly Hills High School Associated Student Body (ASB), and City Department Heads participated in Mayor Friedman's 'Youth in Government' Day. The event included discussions and ideas focused on local government and civic responsibility.

"This event was not just an educational opportunity; it was a chance for our ASB students to envision themselves as the leaders of tomorrow," said Principal Drew Stewart. "Their proactive participation and the insights they gained today are instrumental in understanding how they can impact their community and embody the spirit of our school's motto, 'Today Well Lived'."

surplus of \$14 million, with nearly \$28 million in cash on hand as of the last audit dated June 30, 2024.

This decision raises serious questions about the motives behind these actions. Is this about personal board member vendettas, political agendas, or simply poor leadership? Regardless of the reason, the outcome is clear: this disruption will harm students, teachers, and the broader community.

I respectfully urge you and the Board to pause this process and engage with the community directly. Hold a town hall meeting. Explain the strategy behind these decisions and allow parents and teachers to ask questions. Decisions of this magnitude should not be made behind closed doors. The future of our schools and the well-being of our children are too important to be sacrificed for political expediency or administrative mismanagement.

Thank you for your time and attention to this urgent matter. I trust that you will prioritize the interests of our children and act with the transparency and integrity that our community deserves.

Lily Kosner Beverly Hills

Dear Members of the Beverly Hills Board of Education:

I am writing as a concerned parent with a child at El Rodeo. I am particularly concerned about the administrative roles at El Rodeo. From what I understand, the plan appears to involve replacing the principal and assistant principal with marginally cheaper staff. While I recognize that some restructuring may have been necessary within the district, I fail to see how that rationale applies to these two critical leadership positions. Additionally, test scores have been cited as a concern, yet replacing these roles with less experienced and lower-cost hires seems counterproduc-

tive to addressing that issue.

Furthermore, my understanding is that the current budget includes a \$14 million surplus, which does not align with the justification provided for these widespread and drastic dismissals.

Taken together—Dr. Bregy's departure, politically charged social media activity by board members, and now the ill-advised removal of respected administrators at El Rodeo—these actions are eroding trust within the community. More than anything, this series of events has severely damaged the relationship between parents and the board. I am increasingly skeptical that this board remains non-partisan, as it must be, and that decisions are being made in the best interest of our children.

I respectfully request that Ms. Kaber and Mr. Painter be retained in their administrative roles at El Rodeo. Additionally, I request that the entire Board hold a town hall meeting as soon as possible to engage directly with the community before any more personnel decisions are made, namely superintendent - this would signal accountability, transparency and openness. I would also appreciate clarity on what specific additional student support will be provided as a result of these district-wide changes. Lastly, I ask for a firm commitment to actively listen to community feedback and to ensure that this input is reflected in board decisions and votes.

I appreciate your attention and look forward to your response.

Beverly Hills Considers Partnership with Paramount Pictures for Clueless 30th Anniversary

The Beverly Hills City Council Liaison Committee reviewed a proposal from Paramount Pictures to partner with the city in celebrating the 30th anniversary of the film *Clueless*. The 1995 film, set in Beverly Hills and featuring locations such as the Electric Fountain, Rodeo Drive, and the Spadena House, remains closely associated with the city, according to a city staff report. Paramount Pictures is seeking city support and waivers for specific event-related fees as part of the anniversary celebration.

Paramount has outlined a series of community-driven activations and events aimed at attracting tourists, engaging local businesses, and celebrating the film's legacy. These include:

- •A kickoff event potentially featuring a City Council declaration of *Clueless* Day, a ribbon cutting, and lighting City Hall.
- •A film screening at La Cienega Park on July 19, with local businesses involved and priority ticket access for residents.
- •A branded photo opportunity at a notable film location such as the Electric Fountain or Rodeo Drive.
- •Themed activities at various community events, including a *90s-themed* cover band performance at Concerts on Cañon (July 10) and potential tieins with summer camp programming, Farmers Market events, and local library readings of *Emma*, the Jane Austen novel that inspired the film.
- •Local business participation, such

as renaming menu items in alignment with the movie's theme and creating a "Sip n Shop" shopping experience.

•Hotel collaborations, including themed offerings like a Cher-inspired spa day and special desserts or drinks at participating establishments.

•A Rodeo Drive fashion feature showcasing styles from the film, possibly including an interview with costume designer Mona May and integration with Concours D'Elegance, pending vehicle availability.

While Paramount Pictures is not requesting direct financial contributions from the City, it is seeking waivers for certain permit fees. Specifically:

- •A fee waiver of approximately \$3,747 for the screening event at La Cienega
- •A fee waiver of approximately \$1,183 for a branded photo opportunity lasting one month.

All personnel-related costs for services would still be paid by Paramount Pictures.

The proposal does not currently request additional funding for partner organizations, as most activations are either integrated into existing programming or would be covered by Paramount, according to a city staff report.

The City Council is expected to discuss this proposal at a future meeting.

City Expanding Automated **License Plate Recognition System**

The Beverly Hills City Council approved a proposal for an agreement with Flock Group Inc. for the expansion of Automated License Plate Recognition (ALPR) technology across the city. The agreement authorizes the installation, configuration, and lease of additional Automated License Plate Recognition cameras at a cost not exceeding \$380,000 annually for the duration of

Automated License Plate Recognition technology, which captures and records vehicle license plate data, has been in use in Beverly Hills for several years, according to a city staff report. The city currently operates approximately 50 Flock Automated License Plate Recognition sensors at key locations, aiding law enforcement in identifying vehicles linked to criminal activity, including auto theft, retail theft, and burglaries. The proposed expansion aims to nearly double the number of deployed sensors.

The additional cameras would be placed at high-traffic areas, entry points, and major corridors to enhance surveillance capabilities.

The agreement with Flock Group Inc. would cover installation, configuration, maintenance, and leasing of the cameras. Each new sensor costs between \$3,000 and \$5,000 annually, depending on its model and function. Installation is expected to take several months due to necessary site planning, permitting, and scheduling. Groups of ten sensors typically require around four months for full deployment, according to a city staff report.

Beverly Hills Considers Portable Signage Regulations

The city is moving closer to deciding whether portable signage, including A-frame signs, should become a permanent feature of its commercial districts. On March 19, the Architectural and Design Review Commission was set to conduct a study session on draft regulations for portable and blade signage, which occurred after the Weekly's dead-

Currently, portable signs—including A-frame boards—are commonly used by restaurants, retail stores, and service providers to attract foot traffic. However, some believe these signs contribute to sidewalk clutter and detract from the city's image, according to a city staff report. Concerns have also been raised about accessibility, particularly for pedestrians with disabilities and parents

pushing strollers.

Many business owners contend that portable signs are an essential marketing tool, especially for smaller establishments that may not have the same visibility as larger storefronts. They argue that restricting signage could negatively impact local businesses, particularly those still recovering from economic downturns.

The city is considering several regulatory adjustments, including:

- •Stricter size and placement restrictions to ensure pedestrian pathways remain clear.
- •Requiring permits for portable signage, with potential design guidelines to maintain aesthetic consistency.
- •A possible ban on A-frame signs in certain high-traffic areas to prevent obstructions.

City of Beverly Hills Streamlines Accessory Dwelling Unit (ADU) Approval Process with New Program

The City of Beverly Hills has launched its Preapproved Accessory Dwelling Unit (ADU) Program, offering plans for a selection of detached ADUs that are 70% complete. The prechecked plans already meet the City's Building and Safety requirements and are ready for site-specific details.

"Preapproved plans streamline the process for homeowners to add an ADU to their property," said Michael Forbes, Director of Community Development. "Instead of starting from scratch, property owners can select one of several ADU designs that have already completed much of the review process."

Property owners must contract with the designer to use the plans and add site-specific information such as setbacks, utilities, and foundation details in order to secure a building permit.

Additional options will be available as the City continues to review and accept ADU plans submitted by qualified professionals.

To view available plans and permit requirements, visit <u>beverlyhills.org/pre-approvedadu</u>.

Colombian Man Pleads Guilty to Participating in Armed Robbery at Hotel in Beverly Hills

An illegal alien from Colombia plead-

ed guilty to a federal criminal charge for participating in the armed robbery of a victim at a Beverly Hills hotel and belonging to a robbery crew that possessed a firearm once registered to the late former Los Angeles Police Officer Christopher Dorner.

Jamer Mauricio Sepulveda Salazar, 22, pleaded guilty to one count of interference with commerce by robbery (Hobbs Act). Sepulveda has been in federal custody since August 2024.

According to his plea agreement, Sepulveda was the getaway driver during the August 7, 2024, armed robbery of a victim identified in court documents as "T.A." On that date during dinnertime, two unidentified robbers held the victim at gunpoint inside the patio of "THE Blvd," a restaurant located within the Beverly Wilshire Hotel in Beverly Hills. The robbers stole a Patek Philippe Nautilus wristwatch from T.A. at gunpoint. T.A. reported that his watch was valued at approximately \$1 million.

Sepulveda and his co-defendant, Jesus Eduardo Bryan Padron Rojas, 20, an illegal alien from Venezuela, cased the area two days before the robbery trying to find T.A. 's watch, which they and their co-conspirators valued at \$1.3 million.

The crew coincidentally stumbled upon another victim walking in Beverly Hills wearing a \$30,000 Rolex wrist-

watch. A member of Sepulveda's crew stole that wristwatch at gunpoint.

During this time, the robbery crew stayed at an Airbnb and possessed multiple firearms, including a Glock .45-caliber handgun loaded with 12 rounds of .45-caliber ammunition. The gun previously was registered to Dorner, known for committing a series of murders before dying in a standoff with law enforcement in February 2013.

United States District Judge Otis D. Wright II scheduled a July 14 sentencing hearing, at which time Sepulveda will face a statutory maximum sentence of 20 years in federal prison.

Criminal charges are still pending against Padron.

Three-Week Full Closure of Wilshire Blvd. for Construction on Wilshire/ Rodeo Metro Station Begins

Wilshire Boulevard between El Camino Drive and Crescent Drive will be closed for three weeks, from March 17 to April 7.

This full closure will allow for the expedited removal of deck panels and full roadway restoration as part of the Wilshire/Rodeo Metro Station construction.

Metro had originally planned on 18-weekend road closures for remov-

al of deck panels and roadway restoration of Wilshire Boulevard as the city and Metro had previously agreed to in the 2019 Memorandum of Agreement (MOA). In late 2024, Metro proposed an alternative three-week closure option to expedite the project and shorten the overall disruption to the community.

Prior to the decision being made, the city conducted community outreach, presenting both construction timeline options to residents and businesses near the street closures. The City Council reviewed the proposed deck removal alternative with a three-week closure option during meetings on January 28 and February 5.

In addition, South Reeves Drive at Wilshire Boulevard will be fully closed for approximately three weeks prior to the Wilshire Boulevard closure, starting February 24. A 16-foot sound barrier will be installed along the south side of the South Reeves Drive closure area to minimize construction noise. Access to the adjacent alley and building driveways will be maintained at all times.

It's Time for Dodgers Baseball

During the last years of the Dodgers tenure in Brooklyn, they were, not inappropriately, often referred to as the Brooklyn "Bums." They were, in terms of performance, the third New York City team behind the Yankees of the Bronx and the Giants of upper Manhattan.

And at the end of year after disappointing year, the mantra of Dodgers fans was "Wait 'til next year."

In 2024, the Dodgers won the World Series, beating the hated Yankees after putting away the pesky San Diego Padres and the New York Mets. Yet, the calendar has turned and here we are at "next year."

[Spoiler alert – this column is only for those who, like me, live and die with the Dodgers. Those who fully understand that baseball is not just a matter of life or death. It is much more important than that!!]

So, how do I see things in the 2025 season?

In 2016, the prescient and always spot on with analysis, Molly Knight, wrote a wonderful book about the Dodgers entitled: "The Team that Money Could Buy." Currently, Molly writes a terrific blog called "The Long Game" which is available on Substack and perhaps else-

Regarding the 2025 Dodgers, I re-

spectfully suggest that Molly write a sequel entitled: "The Best Team All the Money in the World Could Buy." Going into the 2025 season, I think that aptly describes the Dodgers. I will explain and then examine their prospects for success in this 2025 season.

First the numbers. In the Dodgers last year in Brooklyn, 1957, their total payroll for all players was \$530,000. The highest paid player in baseball that year was Yogi Berra (who I often quote) who earned \$65,000.

The Dodgers payroll for 2025 is \$338,000,000 plus they are paying a "competitive balance tax" of \$137,800,000 because their payroll is so high. Notably, 1000x higher than 1957. And yet, they are highly profitable because they draw 4M fans a year, have a very lucrative local TV deal and enjoy tremendous revenues from advertising in Japan due to stars such as Ohtani and Yamamoto.

So, what do I think will happen on the field in 2025? I note that many knowledgeable experts expect the Dodgers to win the World Series again. I note further that my crystal ball is broken and finally, to quote Berra: "Predictions are risky, especially when they are about the future." In an article in The Athletic on March 1, the writer said the Dodgers are "all but certain to become baseball's first repeat champion in a quarter century."

Nonetheless, here I go. Although the

Dodgers won the World Series in unicorn. No other team can approach this 2024, it could easily have gone the other way. They were lucky to beat the Padres in the Division Series Many of their best pitchers were injured and Shohei Ohtani had a year for the ages.

But the Dodgers are improved. They have added one proven top of the order pitcher in Blake Snell and it is possible that highly tout-

ed Roki Sasaki will be good. Dustin May and Tony Gonsolin will be back from injuries as will Ohtani. They have also added two outstanding relief pitchers. Offensively, they have added Michael Conforto and Hyeseong Kim but have traded away Gavin Lux, a pretty good and likely improving second baseman, for pocket lint. On paper, no team has improved as much as the Dodgers. Arguably, the Mets who added Juan **Soto** as a free agent from the Yankees have come close.

Realistically, for all the money in the world, the Dodgers are loaded. The candidates for the starting rotation are outstanding, alphabetically, Tyler Glasnow, Tony Gonsolin, Clayton Kershaw, Dustin May, Shohei Ohtani, Roki Sasaki, Blake Snell and Yoshinobu Yamamoto with Landon Knack and Bobby Miller as possibilities. The relief pitchers are outstanding including new acquisitions Tanner Scott and Kirby Yates.

The infield is almost set with Max Muncy at third. Mookie Betts at shortstop, Hyeseong Kim (or Kike Hernandez or Tommy Edman or Chris Taylor) at second and Freddy Freeman at first. The outfield has Michael Conforto in left, Teoscar Hernandez in right and Edman (or Pages or a committee) in cen-

Betts, Freeman and Ohtani are superstars and likely hall of famers. Ohtani as a magnificent hitter and pitcher is truly a level of talent.

So, what could go wrong? Plenty.

The pitching staff has a history of arm injury. Gonsolin, May were out for all of 2024 and Ohtani was unable to pitch during the season. Ohtani had a season for the ages in which as designated hitter and leadoff hitter he hit 54 homeruns, stole 59 bases (no one has ever hit 50 homeruns while stealing 50 bases) and led the National League in runs, runs batted in, slugging % and total bases. This year he will also be pitching. What can we realistically expect? Tyler Glasnow, Yamamoto and Clayton Kershaw were out for a significant amount of 2024. **Roki Sasaki** is a question mark who has never pitched in MLB. That's a lot of "ifs".

The Dodgers are, by baseball standards, an old team. Betts will be 33 this year, Muncy 35, Freeman 36, Rojas 36, Taylor 35 and Rojas 36. While age brings experience, it also heightens the risk of injury through a long season. Injuries to key players can undermine prospects for success. And the 162 game season is a marathon while the playoffs are a sprint. Certainly the Dodgers are built for the marathon but the sprint holds significant hazards that can be revealed during the

So while the Dodgers are favored to win it all, Las Vegas gives them a 25% chance and the next highest favorites, the Yankees have an 11'% chance. That means that there is a 75% chance that the Dodgers won't win the World Series. There are a lot of other good teams including the Yankees, Padres, Mets, Braves, Phillies and Orioles.. I will go with the 75%. Some team, other than the Dodgers, who knows which one, will win the 2025 World Series and I and millions of other die-hard Dodgers fans will "Wait 'til next year."

responsible actions are encouraged. As part of this campaign, the Commission hosts an annual recognition program in October, inviting community members to nominate individuals who exemplify these values. Those selected are honored by the City Council and the community.

During its December meeting, the Commission reviewed color schemes and text placement options for the Embrace Civility logo. Following that discussion, the Embrace Civility Ad Hoc Committee was tasked with refining the design further, focusing on font and logo details. In February, the Committee presented draft logos to the Commission, and one key suggestion was to incorporate the City Hall skyline into all three logo variations.

At Thursday's meeting, city staff will provide an update to the Commission on the progress of the logo redesign and how it will be integrated into the upcoming October campaign.

Arts and Culture Committee to Discuss Fate of Developer-Owned Sculpture

On Thursday, Arts and Culture Council Liaisons will convene to discuss the future of the sculpture Fin, currently housed at 136 El Camino Drive. The

discussion follows a proposal by the property owner to donate the artwork to the city after determining it was no longer suitable for the building's lobby and entryway.

The sculpture, created by artist Alex Israel, is a high-gloss cobalt blue piece made of painted aluminum. It was originally installed in 2021 as part of the property owner's Fine Art Obligation and was valued at \$30,250 at the time. After seeking options for its removal in late 2024, the property owner proposed donating the piece to the city, along with an endowment to fund its transportation, storage, installation, insurance, and maintenance

CITY COUNCIL APPROVES MERGING HUMAN RELATIONS COMMISSION WITH HEALTH AND SAFETY COMMISSION

Charitable Solicitations Commission to be Sunsetted

By Danielle Berjikian

The Beverly Hills City Council approved changes to the structure of city

the artwork with an accompanying endowment or pay an in-lieu fee based on the greater of the artwork's original or current appraised value. The city's Arts & Culture Commission, which initially recommended declining the donation, later reversed its stance in a January

2025 meeting, voting 3-0 to support ac-

cepting the artwork and its endowment.

While the Commission has suggested potential locations for *Fin*, including the first floor of the Public Works building, the final decision has yet to be decided. Should they support accepting the donation, city staff will work to determine a suitable location and finalize the endowment details before presenting the matter to the full City Council for final

approval.

Arts and Culture Commission to Discuss Festival Beverly Hills Planning

The Beverly Hills Arts and Culture Liaison Committee will hold a meeting on Thursday to discuss planning details for the third annual Festival Beverly Hills, scheduled for Sunday, July 20, at Beverly Gardens Park. The discussion will include event programming, marketing strategies, and potential budget adjustments.

Festival Beverly Hills is a globally inspired arts and performance event that

highlights the diverse cultures of Beverly Hills and Southern California. Since its inception in 2023, the festival has featured a range of performances, workshops, and culinary experiences, drawing thousands of attendees each year, according to a city staff report.

lations Commission by July 1, 2026.

Last year's event took place at Beverly Gardens Park, attracting an estimated 3,000 attendees and featuring more than 25 performances representing over 20 cultures. The festival included collaborations with cultural consulates, community organizations, and local artists, along with activities such as storytelling, dance performances, and a food truck hub offering international cuisine.

At Thursday's meeting, commission-

Commission with the Human Relations Commission follows an analysis of commission agendas over the past two years, which the city believes revealed substantial overlap. According to a city staff report, both commissions address issues such as public safety, mental health, and community wellness. The merger aims to improve efficiency while maintaining the scope of both commissions' work.

The merger of the Health and Safety Commission with the Human Relations would take effect on July 1, 2026, when natural attrition reduces the combined commission to seven members, eventually reaching a standard five-member structure by January 1, 2027.

Several commissioners previously expressed concerns about the proposed mergers, arguing that each commission has distinct duties requiring specialized expertise. They cautioned that consolidating commissions might dilute their effectiveness.

ers will review plans for the upcoming 2025 festival, focusing on expanding community engagement, identifying artists that reflect Beverly Hills' cultural demographics, and incorporating new performance elements.

The 2024 festival had a total budget of \$65,000, including \$47,000 from the Community Services Department and an additional \$18,000 in city funding to support the festival's relocation to Beverly Gardens Park. For the 2025 event, \$47,000 is currently allocated, but an additional \$18,000 is being considered to maintain the same scale as last year.

You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. If you consult either of these resources. you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. rescheduled time and date for the sale of this

formation regarding the trustee's sale or visit this internet website http://www.qualityloan. com, using the file number assigned to this foreclosure by the Trustee: CA-24-1001988-AB. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. **NOTICE TO TENANT:** You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 619-645-7711, or visit this internet website http:// www.qualityloan.com, using the file number assigned to this foreclosure by the Trustee: CA-24-1001988-AB to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. NOTICE TO PROSPECTIVE OWNER-OCCUPANT: Any prospective owner-occupant as defined in Section 2924m of the California Civil Code who is the last and highest bidder at the trustee's sale shall provide the required affidavit or declaration of eligibility to the auctioneer at the trustee's sale or shall have it delivered to QUALITY LOAN SERVICE CORPORATION by 5 p.m. on the next business day following the trustee's sale at the address set forth in the below signature block. To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of ROSE MEYOHAS LOMBROZO DE ACHAR AKA ROSE MEYOHAS LOMBROZO AKA ROSA MEYOHAS LOMBROSO DE ACHAR AKA ROSA MEYOHAS.

A PETITION FOR PROBATE has been filed by ARLETTE ACHAR MEYOHAS AND MARCOS ACHAR MEYOHAS in the Superior Court of California, County of LOS ANGELES. THE PETITION FOR PROBATE requests that ROBERT J. KAZDAN be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's WILL and codicils, if any, be admitted to probate. The WILL and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to adminis-

ter the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 04/21/25 at 8:30AM in Dept. 99 located at 111 N. HILL ST., LOS ANGELES, CA 90012

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attor-

ney.
IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the

court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.
YOU MAY EXAMINE the file kept by the court.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
