33 Employees Accept Supplementary Retirement Plan

The BHUSD Board of Education has approved the implementation of a Supplementary Retirement Plan (SRP) designed in collaboration with Public Agency Retirement Services (PARS). The program, aimed at encouraging early retirements, is intended to generate long-term financial savings for the district.

"Thank you to those who have served our school district, our students, and our families. The work that all of you do is not easy. Hopefully, we'll have an opportunity to honor everyone," Board member Judy Manouchehri said.

Thirty three eligible employees took part in the resignation incentives, which are set to take effect June 30, 17 of which are certificated non-management positions. According to financial projections, the district could see an estimated \$6.6 million in net fiscal savings over a five-year period, contingent upon approximately nine of the vacated positions remaining unfilled.

"This is an opportunity for us to maybe make some savings over the next five years and hopefully let some people who want to retire or relax and take it easy—they get a chance to do something else," Board President Rachelle Marcus said.

The district has not released the names of the employees who took the SRP.

Commission to Review Design for Pedestrian and Bicycle Signal at Wilshire/ Le Doux Intersection

The Traffic and Parking Commission is set to receive a presentation on the proposed pedestrian and bicycle signal at the Wilshire Boulevard and Le Doux Road intersection, at its Thursday meeting. The project is being developed in response to community feedback gathered during the Clifton-Le Doux Corridor Mobility Study.

The Clifton Way – Le Doux Road Corridor Mobility project is currently in the works and is intended to explore the feasibility of a range of traffic calming and mobility enhancement options to implement.

The study aimed to explore traffic calming measures for Clifton Way and Le Doux Road. It also sought to address high vehicle speeds, cut-through traffic, and the need for more comfortable biking and walking.

Community engagement began in October 2022 with a workshop where residents expressed interest in implementing a TOUCAN signal at Wilshire/ Le Doux. TOUCAN, short for "Two Groups Can cross," is intended to facilitate safe crossings for both pedestrians and cyclists, according to a city staff report.

The Police and Fire Departments raised no objections.

A one-day demonstration event in March 2023 showcased a traffic circle at Clifton/Le Doux and curb extensions at Clifton/Stanley, along with conceptual designs for the TOUCAN signal.

Attendees provided feedback on two options: one with a center median on Wilshire restricting left turns and another without. The community favored the option without a median to balance reduced cut-through traffic with resident accessibility, according to a city staff report.

Following the event, an online survey gathered broader community input. Of the respondents, 71% supported the implementation of the signal, prompting the city to move forward with the design phase.

The proposed signal is designed to enhance safety for pedestrians and cyclists while minimizing cut-through traffic on Le Doux Road. The signal will operate on a "right in, right out" basis, restricting left turns and through movements from Le Doux onto Wilshire, according to a city staff report. These restrictions are currently enforced with temporary measures but will be formalized with concrete islands to ensure compliance. Left turns from Wilshire onto Le Doux will remain permitted.

Cyclists will enter a designated protected space at the intersection and activate the signal via a push button. Pedestrians will have a separate push button near the crosswalk on the east side of the intersection, according to a city staff report. The signal will be triggered only when requested by pedestrians or cyclists.

New Lawsuit Filed Against UCLA Over Handling of Campus Protests

A group of 35 students, faculty members, and community activists has filed a lawsuit against UCLA, alleging civil rights violations during pro-Palestinian demonstrations last year.

WIZO Holds Sold-out Spring Luncheon

On March 25, WIZO California hosted a sold-out Spring Luncheon, bringing together a diverse group to discuss the relationship between Zionism and the Arts. The event featured artist Tomer Peretz, jewelry designer Rachie Shnay, and gallerist Shula Nazarian, with activist Yasmeen Ohebsion moderating. The discussion offered attendees an opportunity to explore how art can help preserve Jewish identity, support Zionist values, and serve as a tool for advocacy.

In addition to being a cultural event, the luncheon raised funds for WIZO's programs that benefit women, children, and families in Israel. Established in 1920, WIZO is Israel's second-largest provider of social services.

the Council on American-Islamic Relations California (CAIR-CA) and its legal partners, also names the California Highway Patrol, the Los Angeles Police Department, the UCLA Police Department, and several individuals as defendants.

The lawsuit references an incident on April 30, 2024.

"On April 30, 2024, a group of pro-Israel extremists entered the UCLA campus in the middle of the night and brutally attacked peaceful protesters in the encampment for hours, injuring several people. The assailants shot fireworks at the protesters, attacked them with chemical weapons, metal rods, poles, and boards, engaged in psychological warfare, and attempted to tear down the encampment—all while the UCLA police department and private security companies stood by and watched," according to the press release from CAIR.

The plaintiffs also allege that UCLA has a history of discriminatory actions against pro-Palestinian advocacy on campus.

"For a university whose motto is 'Fiat Lux,' or 'Let There Be Light,' that night of terror will be remembered as one of the darkest moments in UCLA's history ... This lawsuit is a strong reminder to UCLA and every thug, whether you're attacking students at a public university, or issuing orders from the oval office: free speech in this country should never be silenced just because you don't agree with it, plain and simple. Although UCLA said nothing while our clients were terrorized and beaten, we have something to say today: we'll see you in court," CAIR-LA Civil Rights Managing Attorney Dina Chehata said.

City to Present Plans for National Bike Month Events

The Traffic and Parking Commission is expected to discuss a presentation on the planned events for National Bike Month in May, at its Thursday meeting.

The initiative aims to encourage more residents to participate in biking activities throughout the month.

National Bike Month was established in 1956 to promote cycling as a healthy and sustainable mode of transportation. As part of the celebration, the city has organized several events, safety campaigns, and infrastructure updates to engage the community.

Scheduled for Wednesday, May 7, this event encourages students and families to bike, walk, or roll to school. The initiative aims to promote active commuting.

On Thursday, May 15, from 7:30 AM to 9:30 AM at Beverly Gardens Park (N. Santa Monica Blvd/Cañon Dr), cyclists commuting to work can stop for snacks, giveaways, and safety tips. The city will distribute bike lights to participants.

On Sunday, May 18, from 9:00 AM to 12:00 PM at the Beverly Hills Farmers' Market, residents can donate used bicycles and parts to Walk 'n Rollers, a non-profit organization that refurbishes bikes for those in need. If available, Walk 'n Rollers will also provide free safety inspections and minor repairs.

The city plans to launch a Bike Safety Educational Campaign, featuring messaging from its Transportation Safety Education Campaign. Additionally, the city is in discussions with "Love

to Ride" to determine if a Bike Month Challenge will be conducted this year, allowing cyclists to track rides and win

Protected bike lanes were installed on Beverly Boulevard between North Santa Monica Boulevard and Doheny Drive in 2024. The final delineation was delayed due to the need for a mini-electric sweeper, which was approved for purchase in March. If delivered on schedule in April, installation of the delineation is expected to be completed in May, according to the staff report.

The city also plans to install bike lockers for City staff at the 450 North Rexford parking garage. Additionally, a publicly accessible bike repair stand will be installed at the same location.

A spot improvement project is planned for northbound Roxbury Drive at Wilshire Boulevard to allow cyclists to travel straight through the intersection into the Business Triangle. This update is part of the ongoing efforts to enhance its 14-mile Minimum Grid Bikeway Network.

Metro Construction Continues

Construction continues at Wilshire/ La Cienega Station, with completion expected in fall 2025, according to an update on the Traffic and Parking Commission agenda.

Underground work includes elevator and escalator installations, flooring, and interior finishes, while the entrance plaza progresses.

Sidewalk restoration on the north side of Wilshire Boulevard should finish by mid-2025, with work on the south side to follow. Utility work between La Cienega and San Vicente Boulevards continues, causing nighttime lane reductions. A one-week lane reduction on La Cienega is expected in mid-2025 for bus pad construction. Temporary street closures and lane reductions will continue as needed.

Wilshire/Rodeo Station construction includes platform walkways, stairways, and interior walls. Work on emergency exits and ventilation rooms is ongoing, with lane reductions in place during off-peak hours.

The City Council extended the North Cañon Drive closure through September 2025 to ease traffic and noise impacts. A three-week full closure of Wilshire Boulevard between El Camino and Crescent Drive began on March 17, replacing a previous 18-weekend closure plan. Street restoration should be completed by November.

South Reeves Drive has also been closed since February 24, for deck removal

Beverly Hills Man Sentenced to 25 Years for Multi-Million Dollar Investment Fraud

A Beverly Hills man has been sentenced to 25 years in federal prison for orchestrating fraudulent investment schemes that deceived investors out of nearly \$18 million.

Mark Roy Anderson, 70, received his sentence from U.S. District Judge Fernando L. Aenlle-Rocha, who described the fraud as "breathtaking" and emphasized the significant harm caused to victims.

Anderson pleaded guilty in April 2024 to two counts of wire fraud. His schemes took place while he was on home confinement and later supervised release for a prior fraud conviction. He has been in federal custody since May 2023.

Between June 2020 and May 2023, Anderson operated two fraudulent ventures.

In the first, he claimed to own a hemp farm and promised investors substantial

returns through the sale of CBD products. In the second, he falsely promoted two companies, Bio Pharma and Verta Bottling, as manufacturers of CBD-infused products and beverages, fabricating business contracts and financial records to gain investors' trust.

Prosecutors say Anderson used investor funds for personal expenses rather than business operations. He has agreed to forfeit assets acquired through the fraud, including real estate and luxury cars, one of which was a Ferrari.

In total, Anderson raised over \$18.8 million from 45 investors, with victims losing approximately \$17.7 million.

Anderson pleaded guilty in April 2024 to two counts of wire fraud. He has been in federal custody since May 2023.

"The defendant stole more than \$18 million from dozens of investors by promising quick returns on their investments into hemp farms and other exotic investments," said Acting United States Attorney Joseph McNally. "Today's 25-year sentence takes him off the street so that he cannot harm other victims."

A restitution hearing is scheduled for June 4.

Beverly High Hosts College Fair With Over 50 Institutions

B1 Patio, was open to all students and their families, providing an opportunity to explore options and connect with admissions representatives.

"This event was about helping students take the next step with confidence," said Principal Drew Stewart. "We want every student to feel informed, inspired, and supported as they look ahead to life after high school."

Long Beach Man Sentenced to 7 Years in Federal Prison for Smash-and-Grab Robbery

A Long Beach man was sentenced to seven years in federal prison for his involvement in a smash-and-grab robbery at a Beverly Hills jewelry store in 2022, during which more than \$2.6 million worth of merchandise was stolen.

Ladell Tharpe, 39, was sentenced by United States District Judge George H. Wu, who also ordered him to pay \$2,674,600 in restitution.

Tharpe pleaded guilty in September 2024 to one count of interference with commerce by robbery.

"Brazen criminal action that directly targets our small businesses in Los Angeles County will not be tolerated," said Acting United States Attorney Joseph McNally. "The consequences for such action are

severe and penalized accordingly, and I want to thank our law enforcement partners for their exceptional and dutiful work during this investigation."

In March 2022, Tharpe and his accomplices, Deshon Bell, 22, Jimmy Lee Vernon III, 33, both from Long Beach, as well as a minor, drove three vehicles to a jewelry store on South Beverly Drive and used sledgehammers and crow bars to break the glass while employees and customers were present.

One of the vehicles driven to the jewelry store had been reported several days prior to the robbery and was left in front of the victim store.

The thieves removed at least 19 bracelets, seven pairs of earrings, four necklaces, a pair of obelisks, eight rings, and 20 watches, all of which was

valued at approximately \$2,674,600. The robbers then returned to the car in which Bell was waiting and then fled the scene.

Two days after the heist, Tharpe posted images of large amounts of cash on his Instagram with the text "Robbery Gang.'

Tharpe has been in federal custody since March 2023.

Bell and Vernon each pleaded guilty to one count of Hobbs Act robbery. Judge Wu sentenced Bell to one year and one day in federal prison in February 2024, as well as ordering him to pay \$2,674,000 in restitution.

Vernon, whose cellphone fell out of his sweatpants pocket during the conduct of the robbery and was recovered by investigators, was sentenced last month to 80 months in prison and was also ordered to repay \$2,674,000 in restitution.

"The Beverly Hills Police Department is committed to protecting our community and ensuring justice," said Police Chief Mark Stainbrook. "We value our partnership with the FBI and the U.S. Attorney's Office and appreciate the investigators who relentlessly pursued and prosecuted those responsible for this crime. As a reminder, crime will not be tolerated in Beverly Hills."

Beverly Hills Police to Conduct Sobriety and License Checkpoint

The Beverly Hills Police Department (BHPD) Traffic Bureau has announced a sobriety and driver's license checkpoint scheduled for Friday, April 11. The checkpoint will be set up at North Santa Monica Boulevard and Crescent Drive, operating from approximately 8:00 PM to 2:00 AM.

During this time, all traffic will be directed through the checkpoint, where uniformed officers will screen drivers for signs of alcohol or drug impairment. Officers will also verify that all motorists have a valid driver's license.

Checkpoint locations are selected based on data related to impaired driving incidents and collisions. The primary goal of these operations is to enhance public safety by identifying and removing impaired drivers from the roads.

"Impaired drivers put others on the road at significant risk," Chief Mark Stainbrook said. "Any prevention measures that reduce the number of impaired drivers on our roads significantly improves traffic safety."

Individuals convicted of a first-time DUI offense may face fines and penalties averaging \$13,500, along with a suspended driver's license.

This checkpoint is funded by a grant from the California Office of Traffic Safety, in partnership with the National Highway Traffic Safety Administration.

Sharona Nazarian: Beverly Hills Person of the Year

Sharona Nazarian is the Beverly Hills Person of the Year for 2025-2026, not only for who she is and what she has accomplished but also for what, hopefully, she will accomplish as our new Mayor.

My purpose now is to pay tribute to Sharona, report on her priorities expressed during her installation on April 1 and offer my suggestions to supplement those priorities.

Sharona has an impressive background and has come a long way from her "Valley Girl" days at Birmingham High School in Van Nuys. She is a thirty year Beverly Hills resident and mother of three accomplished sons. Her husband Danny was a classmate of mine at the Citizens Police Academy and always did much better than I did at the role-playing scenarios.

I did not know Sharona well until I watched with admiration as she led, as President, the Rotary Club of Beverly Hills with great enthusiasm and grace through the darkest days of COVID. It was truly a tour de force.

Before being elected to the City Council three years ago, Sharona had an impressive record of public service serving on both the Beverly Hills Human Relations and Public Works Commissions. She led the creation of the City's 'Civility Statement' and the 'Sustainability Ordinance' and served as a Los Angeles County Commissioner for Alcohol and Other Drugs.

At the outset of her installation speech she highlighted the importance of her family, including her sons Noah, Aaron and Jonah and her father Jacob Rashti. She explained that she

had come to this country as a result of religious persecution and pointed out that she was the first Iranian-American woman to serve as Mayor of Beverly

It has become customary for incoming Beverly Hills mayors to announce their initiatives and priorities during their installation address.

Mayor Nazarian's priorities and initiatives are unusually ambitious. They include the following:

At the outset, she explained that her vision for the Beverly Hills of tomorrow was "unity and community." This involves several initiatives that she described as a responsive and innovative government that will utilize "technology as a force multiplier."

In the area of public safety, she announced a facility called "AI Blue Scribe" that will "eliminate bureaucracy, streamline report writing and getting officers back on the streets", a public safety kiosk at the La Cienega Metro station and "BHPD Live Link" that will provide "real time updates on calls for service."

Further, she announced an arrangement with District Attorney Hochman that will allow Beverly Hills to prosecute those who commit misdemeanors in the City. In an abundance of optimism, she noted that this meant that "Beverly Hills will never be the target of unwarranted attacks again.'

In the area of fire safety, she announced something called "Beverly Hills Fire Watch" which involves "a cutting edge technology system that leverages cameras and other tools to detect early signs of fire." Further, she described a BHFD Wellness Network including Just in Case, the Nurse Practitioner program and "a holistic approach to support the unhoused." I

Importantly, Mayor Nazarian explained that she would make fiscally responsible decisions and use a "zero based approach to capital improvement spending."

She made clear that she would be taking a very active approach to her new role. Specifically, she

said that she would be participating in Spotlight with Sharona" starting on April 23, "Straight Talk with Sharona" starting on May 8, "Moments of Unity", "Moments of Inspiration", "Sharona's Innovation

Circle" and "Sundays Socials with Sharona." Whew! Just listing these exhausts me!

In all, it was an uplifting and optimistic speech. Sharona can be spell binding and this was Sharona at her best. It was very well received.

Most of these initiatives are promising; some are imaginative. But all have financial consequences, some of which are substantial. Taking on the job of prosecuting those who commit misdemeanors in the City will require setting up an office of the City Prosecutor and that will be expensive.

Although the description of the public safety kiosk at the La Cienega Metro station was not specific, it will likely involve additional costs.

And the context of the financial condition of the City cannot and should not be overlooked. Given that condition, a top priority should be how to bring the City's expenditures in line with anticipated revenues.

I am planning to write about the subject of the City's expenditures in more detail and depth in the future. I will now only summarize the situation and urge that Mayor Nazarian give expense reduction the highest priority along with public safety. Mayor Nazarian's reference to fiscally responsible decision making, eliminating redundancies and a zero-based approach to capital improvement spending are steps in the right direction.

In a few weeks, the City Council will adopt a budget for the fiscal year of July 1, 2025 through June 30, 2026.

am not sure whether any of this A guiding principle will be, as it has always been, to "maintain a balance where ongoing expenditures are funded by ongoing revenues."

The current adopted budget, which included projections for the next several years, was adopted in approximately late spring of 2024. These projections showed a break-even balance of revenues and expenses through 2025-26 but a shortfall of more than \$40M for the three fiscal years from 2026-29. I understand that these projections for the current and the future years now

The shortfalls will be greater than anticipated when those projections were made. This is not sustainable and our reserves, while apparently substantial, are not appropriately used to compensate for operating deficits.

appear very optimistic.

Two years ago, then Mayor Gold recognized that sizeable deficits were realistically projected. Accordingly, he formed a "Blue Ribbon" committee under the direction of City Treasurer Howard Fisher to look at whether there are new potential sources of revenues and/or potential reductions of expenditures to bring our revenues and expenses into balance. This committee concluded that there was no reasonable prospect for material additional revenues. The job was not completed because there has been NO exhaustive look at what our city spends and

What is needed is a comprehensive examination of the expenditures. For example, "zero-based budgeting" (looking directly at everything that a city department does and asking whether it is truly necessary and/or could be done for less) should apply to all existing operations, not just new capital expenditures. We should look at all existing programs, evaluate them and, where appropriate, sunset them. We have done a bit of nibbling around the edges with the somewhat questionable and controversial combination of a few Commissions but far more is needed.

Mayor Nazarian: CONGRATULA-ΓΙΟΝS!! You are off to a very good start. I hope that you will consider my friendly suggestion.

To be continued.

BHHS Pitcher No-Hits Hawthorne

By Steven Herbert

Asher Miller pitched a no-hitter, striking out 16, as Beverly High defeated Hawthorne, 7-0, in an Ocean League baseball game March 25 at La Cienega

Shortstop Joe Rendon and second baseman Jake Carlson turned a game-ending double play that allowed Miller to complete the no-hitter.

Under Southern Section rules, a pitcher must be removed from the game after throwing 110 pitches. If a pitcher reaches the 110-pitch limit while facing a batter, he can continue pitching until the batter reaches base, is retired, or the third out is recorded to complete the half-inning or game.

Miller threw 112 pitches, 63 strikes, according to statistics provided by the team. He walked four batters.

Norman coach Tom Roberts credited the no-hitter to Miller's "talent, tenacity, and intensity," saying his performance ranked "near the top" in his four years as a coach and "a few more as an assistant."

"Asher deserves a massive amount of praise and credit for his performance," Roberts said. "Our pitching is thin, so to not use any relievers in the game gave us the flexibility we needed at pitching to win the next two ballgames," referring to a 13-3 victory over Ambassador in a nonleague game March 26 and a 19-2 victory at Hawthorne March 27.

Other factors in the no-hitter including catcher Race Findley calling "one helluva of game," and Jayden Ibarra making "a spectacular catch in center field," Roberts said.

Matthew Recupero and Cameron Park each had two hits as part of the Normans' seven-hit attack. Rendon, Findley and Carlson had one each.

Carlson, Beverly Hills No. 9 hitter, reached base on all four plate appearances, with a single and three walks. He scored three times.

The Normans got the only run they would need in the third inning when Carlson led off with a single and scored on Rendon's ground out.

Carlson led off Beverly Hills' fourrun fifth with a five-pitch walk, stole second, advanced to third on a wild pitch and scored on Findley's single.

Rendon followed the walk to Carlson with walk, stole second, advanced

to third on the wild pitch and scored on Findley's single.

Findley advanced to third on Park's single and scored on Ibarra's ground

Park scored when Noah Gabayan reached base on an error by the Cougars' shortstop.

Carlson walked leading off the sixth, advanced to third on Rendon's single and scored on Park's single. Rendon moved to third on and scored on a twoout wild pitch.

What's Next?

Miller is scheduled to pitch Friday when the Normans play host to St. Pius X-St. Matthias Academy in a nonleague game at La Cienega Park beginning at 3:15 p.m., Roberts said.

Beverly Hills will resume Ocean League play Tuesday with a 3:15 game at Lawndale.

Horse Racing

Journalism, owned by a partnership founded by 1995 Beverly Hills High graduate Aron Wellman, is the 6-5 morning line favorite for Saturday's Grade I \$500,000 Santa Anita Derby.

Journalism is the 4-1 favorite in Churchill Downs' Kentucky Derby future wager pool after closing last month's pool as the 5-1 favorite.

Journalism was second behind Citizen Bull in the National Thoroughbred Racing Association's 3-year old thoroughbred pool with 230 voting points and nine of the 26 first-place votes.

Citizen Bull, who is also part of the five-horse field for the Santa Anita Derby was first with 238 points and 15 firstplace votes.

Citizen Bull was the Eclipse Award winner as the top 2-year-old in 2024 and won the Grade I Breeders' Cup Juvenile.

The field also includes Barnes, sixth in the 3-year-old poll.

After beginning his career by finishing third in a maiden special weight race at Santa Anita Nov. 27, Journalism won his next three races – a maiden special weight race at Del Mar Nov. 17, the Grade II \$200,000 Los Alamitos Futurity Dec. 14 and the Grade II San Felipe Stakes March 1 at Santa Anita.

Wellman is the president of Eclipse Thoroughbred Partners, which purchased Journalism as a yearling for \$825,000 at the Fasig Tipton Saratoga Sale.

Post time will be approximately 4:30 p.m. The race will be broadcast by CNBC and streamed on Peacock.

The beneficiary under said Deed of Trust heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstand-ing liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWN-The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a

court, pursuant to Section 2924g of the Cali-Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website www.clearreconcorp. com, using the file number assigned to this case 126998-CA. Information about post-ponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website www. clearreconcorp.com, using the file number assigned to this case 126998-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase.
