Planning Commission to Review Proposed Louis Vuitton Flagship Project on Rodeo and Beverly Drives

The Beverly Hills Planning Commission is expected to discuss a proposed commercial development at its Thursday meeting. The project, submitted by LVMH, requests a Development Plan Review, Conditional Use Permit, and Rooftop Dining Use Permit to allow construction of a new three-story, 45-foot-tall building with subterranean parking, two pedestrian bridges, and a tunnel spanning a public alley.

The proposed site spans four parcels located at 456–468 North Rodeo Drive

the public right-of-way are requested for portions of the building façade, specialized paving, and pedestrian connections.

The project site is located within a half-mile of the future Wilshire-Rodeo Metro D Line Station and is considered a Transit Priority Area. A local transportation analysis estimates the development would generate approximately 30 AM peak-hour trips and 325 PM peak-hour trips. The plan includes measures such as reservation-only operations and a valet system to manage traffic and circulation.

Swastika Found Outside El Rodeo Elementary School

Officials with the Beverly Hills Unified School District (BHUSD) reported that a swastika was discovered on the sidewalk outside El Rodeo Elementary School on Sunday. The incident occurred ahead of the start of Rosh Hashanah

and 449–453 & 461–465 North Beverly Drive, within the northern portion of the Beverly Hills Business Triangle. The project would replace four existing commercial buildings.

The development plan outlines a 105,214-square-foot building with retail, museum/exhibition space, a café, fine dining, and rooftop open-air dining. The project includes:

- Rodeo Drive portion: 45,433 square feet of retail space, including salons for "Very Important Clients" on the second, third, and rooftop levels. Invitation-only rooftop events are expected up to 12 times per year.
- Beverly Drive portion: 54,723 square feet with museum/exhibition space, museum-related retail, café, and a 150-seat rooftop restaurant. The museum/exhibition will operate by reservation only, admitting up to 1,500 visitors per day on weekdays and Saturdays, and 1,169 on Sundays.

The project's subterranean parking garage would provide 29 vehicle spaces, including accessible and electric vehicle spaces. A valet-only system would serve both the retail and restaurant areas, with additional on-site staging for up to 58 vehicles during special events. All loading, delivery, and trash collection would occur within a dedicated private loading area accessed from North Beverly Drive.

The proposed building includes design features such as two pedestrian bridges over the alley and a below-grade tunnel to connect the Rodeo and Beverly portions. Permanent encroachments into

The Permanent October 7 Memorial

On October 5 the City will be holding an indoor "ground-breaking" at the Beverly Hills Public Library for a permanent October 7 Memorial intended to honor the victims of the October 7, 2023 attack by Hamas in Israel.

The site for the memorial is on the south side of the Library on the east side of Rexford directly across from the 9/11 Memorial Garden

The design was chosen from numerous respondents to the City's request for a proposal (RFP). It is entitled: "40 Steps to the Sky: A memorial of light and memory by Archillusion Design Studio." It will consist of a circular staircase, approximately 23' high with elaborate lighting and a water feature. In case you were wondering, I am satisfied that this installation would not violate the Establishment Clause of the U.S. Constitution regarding the separation of church and state.

The Council initiated and, not entirely without misgivings, has unanimously supported it and announced that it had received 3100 emails in support of the concept. To those who contend that we should not be involving ourselves in a foreign matter, they point out that of all the countries in the world, only Israel has erected a memorial to the victims of 9/11. (I will leave to others the debate about equivalence.)

The Council announced initially that the "all in" cost would be \$500,000 and has said that the City has "set aside" that amount. It was suggested that contributions from the public would be solicited and implied that such contributions would offset and reduce the City's contribution.

The RFP sent to potential designers specified that the budget for the project was \$500,000. The designer selected, Archillusion, has estimated that the cost will be \$1,500,000 but, according to City Manager Nancy Hunt-Coffey, that's a "guess." A recent staff report stated that some donations and commitments have been received. I asked for more specific information regarding the amounts that have been received and have been told only that "fund-raising efforts are ongoing."

Clearly, this "train" has long left the station so the time to affect the decision to go forward with this has likely passed. Nonetheless, there are some questions that are worth considering so I have discussed it with a number of City residents. Here are some of the responses:

Gay Abrams: "There are many serious questions, concerns and red flags surrounding the council's decision in moving forward with the memorial including the process, se-

curity and general due diligence. One aspect that most people may not be aware of is that the permanent memorial for the attack on Oct 7th in Israel, significantly funded by the City will be placed in front of Beverly Hills City Hall juxtaposed across from the 9/11 Memorial. The 9/11 Memorial exists through the efforts of our Fire Department and Rotary and was privately funded. This raises a lot of complex questions and emotions and has the potential to lead to existing tensions within our community, our country and abroad."

Alan Block (land use attorney, member Cultural Heritage Commission, former Chair of Planning Commission):

"As much as I support Israel, and it is extremely important to me, probably more so than any other political issue, I don't know if public funds should be expended for this purpose. First, I believe in the separation of "church and state", and although Israel is not a religion, it's clearly analogous to Judaism, and secondly, as hard as it is for me to say this, I'm concerned with the antisemitic fallout, vandalism, maintenance and security, and possible violence and injury that might result in our community from the installation of such a Memorial. Although I personally believe an October 7th Memorial would be fantastic, I'm concerned of the consequences it could bring to our city."

Eliot Finkel (former City Treasurer):

"I have difficulty reconciling the expenditure of \$500k of City Funds at a time when the Council expresses continuing concern over our City's projected budget deficits. Spending money on projects not directly involved with City operations seems fiscally irresponsible at this time."

Lori Greene Gordon (Chair, Cultural Heritage Commission; former Planning Commissioner):

"As probably the only majority Jewish city in the USA, I think it's important and appropriate to have this memorial. I would prefer 100% private funding. But I think that it's a good tool for the incumbent's election campaigns to say they funded this memorial. Location is fine with me."

Terri Kaplan (Planning Commissioner): "Let it be privately funded."

Joel Krischer (accomplished lawyer and strong supporter of AIPAC):

"Jerusalem has a 9/11 memorial (9/11 Living Memorial Plaza). It is the only such memorial outside the United States to list the names of all of the victims.

October 7 was Israel's equivalent to 9/11 although much worse in relative terms and also much worse because of the related atrocities and the taking of hostages.

Against that background, I think it would be entirely appropriate for any American city or state (or even the federal government) to have a memorial for the victims of October 7; Israel is one of our closest allies and also one that, more regularly than the US, suffers from terrorist attacks.

That said, I am troubled about using public funds for it. The memorial in Israel was commissioned by private funds and any October 7 memorial here should be financed the same way. I have no problem with the concept of the city providing the land for such a memorial."

Tom Levyn (former three time Mayor):

"Beverly Hills has always shown leadership in using public monies to remind the world of the horrible effects of terrorism. Moreover, an October 7 Memorial is appropriate and important to so many residents of Beverly Hills and their loved ones."

Joe Shooshani (former Planning Commissioner):

"The October 7th attack has been one of the most devastating incidents to affect the Jewish community since the Holocaust. However, I have reservations about Beverly Hills being the location for a memorial at this time. Given the ongoing nature of the conflict and the uncertainty surrounding its outcome, I believe it would be prudent to wait a few years before proceeding with such a project. This would allow for a more nuanced understanding of the events and their impact, potentially leading to a more thoughtful and effective commemoration."

Ronald Richards (Top Trial Lawyer):

"I am very much in favor of the memorial and I think it is a great thing for Beverly Hills"

All of these, and many others, have helped shape my understanding of the issues to be considered.

Does this project enjoy overwhelming community support?

Ostensibly, it does. The Council is plowing ahead very quickly and, as mentioned above, received 3100 emails in support (although I have no information from whom these emails were received). As noted above, individual expressed sentiments are decidedly mixed. I spoke with several residents who supported the memorial and several who did not. However, most of the ones who did not support the memorial were not willing to be publicly quoted because of a concern that they would be branded and harassed as a "self-hating Jew" or anti-semitic. The fact that any City residents would be fearful of expressing their views is very troublesome.

Because of this fear factor we may not have an accurate sense of community sentiment

Is this the right time for installation of such a memorial?

Without detailing the obvious, circumstances and attitudes in Israel, Gaza and around the world, have changed markedly since the savage and horrendous attacks of October 7, 2023. For example, in *The Economist's* cover story this week entitled: "How Israel is Losing America", it was reported that in 2022, 42% of Americans had an unfavorable view of Israel, now 53% do."

Most importantly, we do not know what the future will bring.

I don't see the urgency. The City's September 11, 2001 Memorial was installed on September 11, 2011, ten years later. Why not wait at least until the war is over?

Does the installation of this memorial present any concerns for the City?

There is a concern that this memorial will be a target for terrorists and others who do not share our connections with the October 7 victims. Notably, the "ground-breaking" will not be outdoors as initially planned on Rexford Drive in front of the Library and BHFD Headquarters but, rather, will be indoors in the Library due to security concerns. Apparently, there have already been credible threats that have necessitated this move. That speaks volumes. Of course, neither the memorial itself nor any other part of the City will be sequestered inside the Library walls.

Is this an appropriate expenditure of public funds?

The costs of the design, fabrication, installation, security and maintenance have already escalated from an "all-in" \$500,000, less any private contributions, to a "guess" of \$1,500,000 from the artist. Others have told me that they believe that the cost will more likely be between \$2,500,000 to \$5,000,000.

No one seems to know what the total cost will be. But we do know that the City is facing a budget crunch. Ironically, last week the City projected that the holiday tree lighting event was over budget by \$13,000 and had to solicit additional contributions to cover the shortfall. Rushing into an unnecessary commitment to spend between \$1,500,000 and \$5,000,000 while scrambling to find \$13,000 is, to me, odd.

Notably, the City donated the land for our 9/11 Memorial and the total cost, approximately \$600,000, was funded entirely with private donations, no City funds.

There are those who firmly believe that the project can and will be entirely funded by private donations. They may be right. If we raised \$1000 from each of the 3100 email supporters, we would be off to a good financing start. Why not defer the actual groundbreaking until the fundraising is complete and we see how much can be raised and then limit the cost the that amount? This is not the time for an unanticipated multi-million \$ expense. Build now, try to find the \$ to pay for it later is not prudent management. Quite the antithesis!

My conclusions are:

The potential impact of this installation on our residents requires that the level of City resident support be assessed in a way that residents can be fully and accurately informed about costs and express their views without fear, perhaps a referendum.

There is no rush to do this. We should wait at least until the war in Gaza is over.

We should not expend or commit City funds (beyond the site itself) but, rather, defer this project until it can be paid for entirely through private donations. The most convincing evidence of public support will come when the supporters donate the cost of construction, installation, security and maintenance.

Past themes of Nazarian's initiatives have focused on public safety, economic development, and interna-

tional relations. Previous initiatives have also included programs to support local businesses, such as the 'Spotlight with Sharona" campaign, and town hall meetings aimed at fostering dialogue between residents and city officials. She has also highlighted efforts aimed at combating hate, and emphasized the importance of stand-

ing against antisemitism. Tonight's address is expected to cover ongoing city projects and outline priorities for Beverly Hills in the coming year.

Verdi is a 1999 Beverly High graduate and was the junior varsity coach since 2016. He has also been an assistant coach and physical education assistant at Beverly Vista Middle School.

"This program shaped me as a student, an athlete and a man," Verdi said in a statement. "Now, I have the honor of leading it. We're going to build something our school and our city can be proud of. We're going to work, compete and win."

Superintendent Alex Cherniss said in a statement that "Verdi has heart, histo-

He already knows our kids, their strengths, their potential. His commitment to our student-athletes and deep roots in this community make him the ideal choice to move our program forward."

Verdi will succeed Jarvis Turner, who stepped down in August after being hired

as the athletic coordinator of the Santa Monica-Malibu Unified School District.

"While I had every intention of continuing to coach at Beverly Hills, the district has determined that my new role is incompatible with my coaching assignment," Turner said in a statement released Aug. 19. "As a result, my time as varsity baskethall coach has come to an end

When the position became open, as is customary the district listed it on ED-JOIN, which bills itself as the nation's leading educational jobsite in the nation. The posting said the new coach would receive a \$6,450 stipend for the 2025-26 school year.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website www.clearreconcorp. com, using the file number assigned to this case 135810-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website www.clearreconcorp.com, using the file number assigned to this case 135810-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. If you consult either of these resources, you should be aware that the same Lender may hold more than one mortgage or Deed of Trust on the property. Notice to Property Owner The sale date shown on this Notice of Sale may be postponed one or more times by the Mortgagee, Beneficiary, Trustee, or a court, pursuant to Section 2924g of the California Civil Code. ORDINANCE NO. 25-O-2924

ORDINANCE OF THE CITY OF BEVERLY HILLS, CALIFORNIA ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 2025-1 (ONE BEVERLY HILLS) OF THE CITY OF BEVERLY HILLS AUTHORIZING THE LEVY OF SPECIAL TAXES WITHIN IMPROVEMENT AREA NO. 1 AND IMPROVEMENT AREA NO. 2

WHEREAS, on July 15, 2025, the City Council (the "City Council") of the City of Beverly Hills (the "City") adopted Resolution No. 25-R-13554 (the "Resolution of Intention") declaring its intention to form Community Facilities District No. 2025-1 (One Beverly Hills) of the City of Beverly Hills (the "District") and Improvement Area No. 1 ("Improvement Area No. 1") and Improvement Area No. 2 ("Improvement Area No. 2" and together with Improvement Area No. 1, the "Improvement Areas" and each an "Improvement Area") therein pursuant to the MelloRoos Community Facilities Act of 1982, as amended, comprising Chapter 2.5 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California (the "Act"), and its Resolution No. 25-R-13555 declaring its intention to incur bonded indebtedness for each of Improvement Area No. 1 and Improvement Area No. 2; and

WHEREAS, on August 19, 2025, after providing all notice required by the Act, the City Council conducted a noticed public hearing required by the Act relative to the proposed formation of the District, the designation of the Improvement Areas, the proposed levy of a special tax therein to finance certain public facilities and services described in the Resolution of Intention and to secure the payment of any bonded indebtedness of the District for the Improvement Areas, and the proposed issuance of up to \$100,000,000 of bonded indebtedness for Improvement Area No. 1 and up to \$450,000,000 of bonded indebtedness for Improvement Area No. 2, as described in the Resolution of Intention; and

WHEREAS, at the August 19, 2025 public hearing, all persons desiring to be heard on all matters pertaining to the formation of the District, the designation of the Improvement Areas and the proposed levy of the special taxes to finance the facilities and services described in the Resolution of Intention and to secure the payment of up to \$100,000,000 of bonded indebtedness for Improvement Area No. 1 and of up to \$450,000,000 of bonded indebtedness for Improvement Area No. 2 as described in the Resolution of Intention (together, the "Bonds") were heard and a full and fair hearing was held; and

WHEREAS, on August 19, 2025, the City Council adopted Resolution Nos. 25-R-13561 (the "Resolution of Formation") and 25-R-13562 which formed the District, designated the Improvement Areas and called a special election within each

of Improvement Area No. 1 and Improvement Area No. 2 on August 19, 2025 in each case on three propositions relating to the levy of a special tax within each Improvement Area, the issuance of the Bonds by the District for each Improvement Area and the establishment of an appropriations limit within the District; and

WHEREAS, on August 19, 2025, a special election was held within Improvement Area No. 1 at which the qualified electors therein approved by more than a twothirds vote Propositions A, B and C set forth in Exhibit B to the Resolution of Formation authorizing the levy of a special tax within Improvement Area No. 1 for the purposes described in the Resolution of Formation, the issuance of the Bonds for Improvement Area No. 1 as described in the Resolution of Formation and establishing an appropriations limit for the District; and

WHEREAS, on August 19, 2025, a special election was held within Improvement Area No. 2 at which the qualified electors therein approved by more than a twothirds vote Propositions D, E and F set forth in Exhibit C to the Resolution of Formation authorizing the levy of a special tax within Improvement Area No. 2 for the purposes described in the Resolution of Formation, the issuance of the Bonds for Improvement Area No. 2 as described in the Resolution of Formation and establishing an appropriations limit for the District; and

WHEREAS, the facilities to be funded by the District that are part of the previously approved One Beverly Hills Overlay Specific Plan Project were fully analyzed in a Supplemental Environmental Impact Report (known by State Clearinghouse Number 2020090048, and hereafter referred to as the "SEIR") that was prepared pursuant to the requirements of the California Environmental Quality Act ("CEQA"), and certified by the City Council by Resolution No. 21-R-13348 adopted on June 8, 2021. A Mitigation Monitoring and Reporting Plan was adopted and mitigation measures were adopted by the City Council and made binding on the Project. Because the One Beverly Hills Overlay Specific Plan facilities to be funded by the District are part of the approved Project, and are fully within the scope of the environmental analysis in the certified SEIR, no further environmental analysis of those improvements is required at this time. Pursuant to the City Facilities Funding Agreement between the City and BH LUXURY RESIDENCES LLC AND OWR HOTEL OWNER LLC, each a Delaware limited liability company, the City will receive the first \$15 million of bond proceeds with which to fund other eligible facilities that are unknown at this time. Thus environmental analysis of any such future facilities at this time would be purely speculative. At such time in the future that facilities funded with the \$15 million are proposed, the City will undertake the necessary environmental review as may be required by CEQA. Further, the formation of the District as to the incidental expenses and services described in Exhibit A to the Resolution of Formation does not constitute a project for CEQA purposes, because those components, although also covered within the scope of the SEIR, reflect the creation of government funding mechanisms or other government fiscal activities that do not involve any commit-ment to any specific project which may result in a potentially significant physical impact on the environment.

NOW, THEREFORE, the City Council of the City of Beverly Hills, California does ordain as follows:

<u>Section 1.</u> The above recitals are all true and correct

Section 2. By the passage of this Ordinance, the City Council authorizes and levies special taxes within Improvement Area No. 1 and Improvement Area No. 2 pursuant to Sections 53328 and 53340 of the Act at the rates and in accordance with the rate and method of apportionment set forth in Exhibit C to the Resolution of Intention as to Improvement Area No. 1 and the rate and method of apportionment set forth in Exhibit D to the Resolution of Intention as to Improvement Area No. 2, which are incorporated by reference herein (each a "Rate and Method"). The special taxes are hereby levied commencing in the fiscal year specified in the Rate and Method for such Improvement Area and in each fiscal year thereafter until payment in full of the Bonds issued by the District for such Improvement Area (including any bonds issued to refund the Bonds), payment of all costs of the public facilities and services authorized to be financed by the District for such Improvement Area, and payment of all costs of administering

the District allocable to such Improvement Area.

Section 3. Each of the Mayor, the City Manager, the Assistant City Manager, the Director of Finance, or their written designees (each, an "Authorized Officer"), acting alone, is hereby authorized and directed each fiscal year to determine the specific special tax rates and amounts to be levied in such fiscal year on each parcel of real property within Improvement Area No. 1 and Improvement Area No. 2, in the manner and as provided in the Rate and Method applicable to such Improvement Area. The special tax rate levied on a parcel pursuant to each Rate and Method shall not exceed the maximum rate set forth in the Rate and Method for such parcel, but the special tax may be levied at a lower rate. Each Authorized Officer is hereby authorized and directed to provide all necessary information to the Treasurer and Tax Collector of the County of Los Angeles and to otherwise take all actions necessary in order to effect proper billing and collection of the special tax within each Improve-ment Area, so that the special tax shall be levied and collected in sufficient amounts and at times necessary to satisfy the financial obligations of the District for such Improvement Area in each fiscal year, and with respect to the special tax levied for facilities, until the Bonds issued by the District for such Improvement Area are paid in full, the facilities financed for such Improvement Area have been paid for, and provision has been made for payment of all of the administrative costs of the District.

Section 4. Properties or entities of the state, federal or other local governments shall be exempt from the special tax for each Improvement Area, except as otherwise provided in Sections 53317.3 and 53317.5 of the Act and Section G of each Rate and Method. No other properties or entities within each of the Improvement Areas are exempt from the special tax unless the properties or entities are expressly exempted in the Resolution of Formation or in a resolution of consideration to levy a new special tax or special taxes or to alter the applicable Rate and Method or an existing special tax as provided in Section 53334 of the Act.

<u>Section 5.</u> All of the collections of the special tax within each Improvement Area shall be used as provided for in the Act, the Rate and Method for such Improvement Area and the Resolution of Formation.

Section 6. The special tax within each Improvement Area shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for ad valorem taxes (which such procedures include the exercise of all rights and remedies permitted by law to make corrections, including, but not limited to, the issuance of amended or supplemental tax bills), as such procedure may be modified by law or by this City Council from time to time.

Section 7. As a cumulative remedy, if any

amount levied as a special tax for payment of the interest or principal of the Bonds issued by the District for an Improvement Area (including any bonds issued to refund such Bonds), together with any penalties and other charges accruing under this Ordinance, are not paid when due, the City Council may, not later than four years after the due date of the last installment of principal on such Bonds (including any bonds issued to refund such Bonds), order that the same be collected by an action brought in the superior court to foreclose the lien of such special tax within the applicable Improvement Area, as authorized by the Act.

<u>Section 8.</u> The Mayor of the City shall sign this Ordinance and the City Clerk shall attest to the Mayor's signature and then cause the same to be published within fifteen (15) days after its passage at least once in the Beverly Hills Courier, a newspaper of general circulation published and circulated in the City of Beverly Hills.

<u>Section 9.</u> The specific authorization for adoption of this Ordinance is pursuant to the provisions of Section 53340 of the Act.

Section 10. The City Clerk is hereby authorized to transmit a certified copy of this ordinance to the Treasurer and Tax Collector of the County of Los Angeles, and to perform all other acts which are required by the Act, this Ordinance or by law in order to accomplish the purpose of this Ordinance.

Section 11. The City Clerk shall cause this Ordinance to be published at least once in a newspaper of general circulation published and circulated in the City within fifteen (15) days after its passage in accordance with Section 36933 of the Government Code, shall certify to the adoption of this Ordinance, and shall cause this Ordinance and her certification, together with proof of publication, to be entered in the Book of Ordinances of the Council of this City.

<u>Section 12.</u> This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the thirty-first (31st) day after its passage.
