Beverly Hills Considers Affordable Housing Development at Gale Yard

Beverly Hills is reviewing plans to issue a request for proposals (RFP) for the development of at least 125 affordable housing units at the Gale Yard property, located at 8401 Wilshire Boulevard.

A City Council study session on the Gale Yard was scheduled for Wednesday, February 11. The session occurred after the deadline for the *Weekly*.

The site consists of three parcels purchased by the City between 2017 and 2023 and was previously used by the Los Angeles Metro for D-Line construction, with temporary construction easements ending in October.

The proposed project is part of the City's Housing Element, which identifies strategies to meet the share of housing needs. The Housing Element outlines a total commitment to develop 557 units of affordable housing on City-owned properties during the current planning period. The Gale Yard site is located near the Wilshire/La Cienega Metro station and is partially zoned for mixed-use and residential development.

City staff recommended that the City Council provide guidance on issuing an RFP.

Previous public forums in 2022 sought community input on the future use of the Gale Yard, with discussion focusing on public safety, neighborhood vibrancy, parking, and housing.

Beverly High held an assembly in the newly-completed K. L. Peters Auditorium to mark International Holocaust Remembrance Day.

Speakers at the assembly included Holocaust survivors Joseph Alexander, Eva Pearlman, Abraham Yardeni, and Joseph Samuels, along with educator Susanne Reyto and scholar Shabbos Kestenbaum. The survivors shared personal experiences of

Los Angeles Marathon to Pass Through Beverly Hills on March 8

The 41st Annual Los Angeles Marathon, presented by ASICS, will take place Sunday, March 8. Runners are expected to pass through Beverly Hills during miles 16 and 17 of the course before finishing at the Avenue of the Stars in Century City.

The City of Beverly Hills has announced road closures and parking restrictions from 5 a.m. to 1 p.m. on the day of the marathon, including Doheny Drive, Burton Way, South Santa Monica Boulevard, Rodeo Drive, and Wilshire Boulevard. Detours will be in place at the western border of the city, and access to local businesses will remain open. Wider regional closures along the marathon route will be in effect from 3 a.m. to 6 p.m.

The city's police department and electronic message boards will guide drivers around the route. Drivers seeking freeway access are advised to use Wilshire Boulevard to Robertson Boulevard for the 10 Freeway or Olympic Boulevard for the 405 Freeway.

Proceeds from the race will benefit The McCourt Foundation, an organization that supports patients and families affected by neurological health challenges. Additional information is available at lamarathon.com and beverlyhills.org/marathon. A city hotline will be available

on the day of the event for questions about street closures.

Why the City Should Pause the Gale Yard Project

This week, the Beverly Hills City Council will consider issuing a Request for Proposals (RFP) for the development of affordable housing at the City-owned Gale Yard at Wilshire and

Gale. As outlined in the City's Housing Element, Beverly Hills has committed to facilitating 557 affordable housing units across multiple City-owned properties, including 125 units at the Gale Yard. Council will discuss this potential 100% affordable housing project during the February 11 Study Session.

While I support thoughtful planning for our city's future, I believe the City should pause this RFP process and re-engage the

Southeast community before moving forward.

Here's why:

- **The last Gale Yard community meeting was in 2022.** No updated community meeting has been held to ask Southeast residents what the

current needs of the neighborhood are today.

- **Public safety must be the top priority.** Since Metro did not allow the City to establish a meaningful public-safety presence at the Wilshire/La Cienega station, the City-owned Gale Yard presents a rare opportunity to include a police substation in the Southeast area.

- **Recent events underscore safety concerns.** With a recent homicide in the area, residents are understandably

we meet the challenges and opportunities ahead for Beverly Hills," Corman said.

The race is to succeed outgoing Senator Ben Allen.

"I am certain that Brian will be an excellent member of the State Senate representing our community. A Beverly Hills resident, Brian understands the challenges and needs of this city, and I am particularly impressed with the leadership role he has played in combatting antisemitism in California and around the country, a cause near and dear to my heart. Brian leads with intelligence and passion, and I am proud to endorse him and look forward to working closely with him in the future," Mirisch said.

Donna Tryfman to Run for Superior Court Judge

Former Rent Stabilization Commissioner Donna Tryfman is a candidate for Judge of the Superior Court, Office No. 131, in the upcoming June election.

"As a public defender, my role required

me to uphold the Constitution, protect due process, and ensure that the law is applied fairly, regardless of a person's background or resources. That responsibility demanded discipline, careful analysis of facts and law, and the ability to make difficult decisions under pressure—skills that translate directly to the work of a trial judge. After thirty years of public service in defense, I am ready to humbly continue serving the residents of Los Angeles County as a neutral from a new position of responsibility," Tryfman said.

focused on ensuring a visible and functional public-safety presence in the neighborhood.

- **Parking must be addressed now — not later.** We need sufficient parking for both **future residents and the public.** With several major projects already approved in the Southeast area that will provide **limited on-site parking due to Assembly Bill 2097**, neighborhood parking demand will only increase. As the City plans development on its own property, it should ensure this project **helps address parking needs rather than adding to the strain.**

- **The RFP direction is extremely narrow.** The primary directive is to deliver 125 affordable housing units, potentially 100% affordable, without clearly defined requirements for public safety, parking, or neighborhood-serving uses.

- **Timing matters.** With the Wilshire/La Cienega Metro station opening later this quarter, parking and traffic pressures in the Southeast area are likely to increase — making it even more important to plan this site carefully and collaboratively.

Another important question remains: Why was over 22% of the City's 557 affordable housing commitment to city-

owned property determined to be appropriate for the Southeast neighborhood without renewed engagement with Southeast residents and homeowners? That conversation has not yet happened.

Because this is City-owned property, residents should be a meaningful part of shaping what happens here. This is not another Builder's Remedy project where the City's hands are tied on parking and building size. This site is within the City's control — and that means we have the opportunity and responsibility to plan it thoughtfully.

This decision is within our hands. This is not about stopping housing. It is about getting this right.

The Gale Yard is one of the most important City-owned sites in the Southeast neighborhood. Decisions made now will shape this area for decades. Before issuing an RFP, the City should reconnect with residents, reassess community priorities, and ensure public safety and neighborhood infrastructure are part of the plan from the start.

A short pause now will lead to a stronger project and a better outcome for the entire community.

The Next 100 Columns

This column in the January 29 issue was my 100th column.

So now that requires that I give some attention to what the next 100 (good Lord willin' and the creek don't rise) will address.

My most important guiding principle is to inform and provide thoughts about issues that I think will be of value or assistance to the Beverly Hills bubble that we all, more or less, enjoy.

This is an election year so the selection of members of the City Council and Board of Education will be top of mind. In addition, we will select a new state Senator as our Senator Ben Allen from the 24th District has termed out. Also there will be a mayoral election in our neighboring City of Los Angeles.

I may weigh in on all of these likely by commenting on the qualities that we should be looking for rather than provide endorsements. On that score, the City Council and Board of Education are quite different. I can summarize the difference.

The City Council has been operating well in a responsible way that deserves our respect. The issue that I have with the City Council is that there is often a lack of follow up and little, if any, accountability. Lack of follow up and accountability is inherent in the committee form of government. I plan to address specific areas where this has been a real problem.

We will soon have a new Mayor, **Craig Corman**, and a new City Manager, **Ryan**

Gohlich. I will try to convince both that some priority should be given to improving accountability.

At present, there are three announced candidates, **Lester Friedman**, **Andy Licht** and **Sharona Nazarian** in addition to **John Mirisch** whose eligibility will be determined by a court in a few days.

I am informed that there are several others who are likely to run. So, it is prudent to refrain from firm commitments to candidates until the entire field is set.

The Board of Education is far more problematic. The obvious shortcomings of some of the members in terms of their experience, qualifications and temperaments are an issue. Further, they have allowed themselves to be distracted from their only job, attempting to improve academics, and have let personal differences to lead them to dysfunction. I am hopeful that we will see a group of candidates who will appeal to residents who will say "We Have Had Enough" and change the composition and direction of the Board.

On that score, it is important to emphasize that there is a distinction between the toxic behavior of some of the Board members and the many good things that are happening at the schools. In my next column, I plan to discuss some of those good things such as the beautiful new performing arts facilities and the academic pathways.

On Christmas Day, very early in the morning, there was a fire that destroyed three long time Beverly Hills businesses on Canon Drive, the Umberto salon that has been a City icon for more than

40 years, the popular Porta Via restaurant, and Tesoro, the "Best Gift Store Ever."

The questions that I will try to address are:

1) How did this happen two blocks from the headquarters of what many consider the best fire department in the world? and

2) what can we do to make certain that this does not happen to anyone else in the Bubble?

Of course, land use and development will continue to be an important concern. During the year we will have much more visibility into whether the Builder's Remedy or other outsized projects will actually be developed. I have expressed my view that few, if any, will actually go forward but, by the end of 2026, we will have a much better idea.

Of greater immediate concern to me is whether the "Saks Project" will actually go forward or be materially delayed or ended given the challenges that are presented by the bankruptcy of the retail stores that could be central to this development. Some project or projects on the key retail areas on the South side of Wilshire will be very important to the commercial centers of our city. We shall be keeping our eyes on that. The efforts to develop the Kate Mantillini/Gibraltar Savings site on Wilshire and Doheny seem to be coming back to life and that could be important.

On a longer term, we are now nearing the end of the current RHNA cycle and a new Housing Element will be required for the period starting in 2029. There is no - ZERO - chance that building permits will be issued sufficient to construct the 3104 housing units projected for the current cycle that ends in 2028.

The Community Development Department, the Planning Commission and the City Council should attempt to understand the consequences of whatever shortfall may exist and what will be required going

forward. Notably, the principal strategy of our state government has been to impose on all local governments to bear the burden of the housing shortage and to try to grease the skids to entitlement approval by eliminating local rules. Any way you slice it, this strategy and its feckless execution has been a failure. It will be interesting to see what comes next and try to be prepared. This will not be easy.

Probably the most impactful developments in 2026 will be the opening of the La Cienega station and the continued construction of the Beverly Drive station. Although the much delayed opening of the La Cienega station may not happen in the first quarter of 2026, it is likely that it will open sometime in 2026. (I won't hazard a guess about the opening of the Beverly Drive station.)

And the question is whether we are ready for it. From a security standpoint, my strong sense is that we will be ready. Certainly the BHPD and their support system will be ready. We cannot and should not depend on Metro for anything other than to ensure that only fare paying passengers can exit the La Cienega station. It does not appear that we will be ready to entice Beverly Hills residents to use the subway. There will be little to no parking proximate to the station and there is no system to transport us from our homes to the subway and back again. A proposed "microtransit" project remains under discussion.

We have a number of trips planned for 2026 after I recover from Australia jet lag. These include Sri Lanka, Slovenia, Alaska, Mongolia and Slovakia. I may report on some of those as well as on our San Francisco visits (where we have a contentious HOA Board election coming up).

So, wish me luck as I endeavor to survive and conjure up the next 100 columns and give me your suggestions of topics to cover.

CANDIDATES BEGIN FILING FOR JUNE 2 MUNICIPAL ELECTION

By Danielle Berjikian

The filing period has opened for the upcoming Beverly Hills Municipal Election, scheduled for Tuesday, June 2. The election will include three City Council seats and the City Treasurer position.

The nomination filing period runs through Friday, March 6.

As of this week, eight individuals have pulled nomination papers with the City Clerk's Office.

Andy Licht was the first candidate to file for City Council. Licht gathered signatures in support of his candidacy at a public event held at Layla's Bagels in Beverly Hills before submitting his nomination papers. Approximately 75 people attended the event. Licht stated that his campaign priorities include public safety and maintaining the city's quality of life and community character.

"I'm incredibly grateful for the support I felt today," Licht said. "I'm running because I want Beverly Hills to

Les Friedman

be the safest city in the country, while preserving the quality of life and community character that make it so special."

City Council member

Les Friedman is seeking what would be his third and final term on the City Council.

"The security and prosperity of Beverly Hills is my priority. I have the experience, ideas and knowledge to lead the city over the next four years as we meet the challenges ahead," Friedman stated.

During his time in office, Friedman has served as mayor and worked with

Fay Benji, Andy Licht, Former Mayor Jimmy Delshad, Negar Motayaghani

Jonah Nazarian, Sharona Nazarian, Daniel Nazarian and Noah Nazarian

the City Council on public safety initiatives, including police staffing and technology investments. He has stated that his focus moving forward includes public safety and the city's financial planning.

Mayor Sharona Nazarian has also filed nomination papers for City Council. Nazarian noted she has made a

commitment to keep delivering results and emphasized listening to residents and prioritizing public safety, future planning, and maintaining Beverly Hills' quality of life.

"I am thrilled to announce my candidacy for the June 2, 2026 election. Together, we have made meaningful progress, and I am excited to continue delivering results and getting things done for our community. Listening to our residents will always be central to my leadership, and their priorities guide every decision I make. Public safety, thoughtful planning for the future, and preserving the exceptional quality of life that defines Beverly Hills remain my focus," Nazarian said.

Former Architectural Commissioner Rebecca Pynoos is rumored to be a candidate but did not respond to a request for comment from the Weekly.

City Councilmember John Mirisch has not filed nomination papers at this time. Mirisch has stated that he intends to file if the court rules in his favor in an ongoing legal challenge regarding the city's term limits ordinance. His eligibility to run is expected to be determined at a court hearing scheduled for February 23.

OBITUARIES Stanley "Stan" Kalman King

Stanley "Stan" Kalman King built his life on loyalty, discipline, and a clear sense of purpose. Born in Glendale, California, and adopted by Irving and Thema King, he

was raised in Beverly Hills alongside his brother, Robert King — a community to which Stan remained deeply connected throughout his life.

Stan attended Hawthorne Elementary School and Beverly Hills High School, where he emerged as one of the nation's fastest high school sprinters. He went on to UCLA, where he competed on the Men's Track and Field team as a member of the Class of 1958. Training and competing alongside lifelong friends such as Olympic gold medalist Rafer Johnson, Stan learned that preparation, excellence, and perseverance were not merely

athletic principles; they became the values that guided his life.

After graduating from UCLA, Stan served as a Captain in the United States Army. There, discipline and responsibility became more than ideals; they became his operating principles.

Stan's career in finance spanned more than six decades and included leadership roles at Salomon Smith Barney, UBS, and Oppenheimer & Co., where he served as a Senior Vice President. For Stan, finance was not simply about numbers, but about creating opportunity, stability, and security. His counsel was trusted, and his impact was measured in the lives he guided and supported.

Stan's Jewish faith shaped his actions and priorities throughout his life. He lived the values of justice, kindness, and community stewardship, leading by example for decades through his service with the Jewish Free Loan Association. Alongside his wife, Dianne, he was recognized for a lifetime commitment to strengthening the Jewish community. His support for Israel and Jewish causes reflected his deep belief in sustaining and protecting the Jewish people for generations to come.

Athletics remained a constant thread in Stan's life. After building his career and raising a family, he returned to

competition as a Masters athlete. Between 1985 and 1995, he competed in five World Masters Championships as a 200- and 400-meter sprinter, earning All-American honors each year and representing the United States on the world stage.

Beyond competition, Stan was a founding member of Track West, helping establish a culture rooted in discipline, respect, and purpose. For over 20 years, he coached track at Beverly Hills High School as a volunteer, shaping not only athletes but also future leaders. As a certified USA Track & Field Master Official and Treasurer of the Southern California Association for USA Track & Field, he officiated meets.

Stan also served for more than three decades as an advisor to the California Special Olympics, where he worked alongside Rafer Johnson and others to support and empower athletes with intellectual disabilities. His belief in dignity, effort, and inclusion extended far beyond the track.

Stan's commitment to service reached well beyond athletics and faith. He was a proud member of Pi Lambda Pi while at UCLA and kept lifelong friendships with his fraternity brothers. He served as First Vice President of the Friars Club of California, overseeing the club's operations,

and was a longtime board member of UCLA Bruin Hoopsters. He also supported the Arthritis Foundation and numerous other organizations.

Family was Stan's foundation. His marriage to Dianne King was a source of strength and partnership throughout his life. He was preceded in death by his brother, Robert King (1996), and sister-in-law, Marsha King (2024). He is survived by his daughters, Karen King Pollack (and her husband Stefan Pollack) and Ilene Sturrock; his granddaughters, Sophie and Elyse Pollack; and his niece and nephew, Sari King Altman and Mitch King, who brought him constant pride and joy.

Stan valued travel, particularly the adventures he shared with Dianne and close friends. But Maui held a special place in his heart. Year after year, he returned with his family, finding joy in the sun's warmth and the tradition of being together.

Stan King's legacy lives on through the lives he shaped, the values he upheld, and the generosity with which he supported others. He lived with integrity and purpose, leaving a lasting impact on his family, his community, and future generations.

In lieu of flowers, the family asks that you consider donating to Special Olympics of Southern California.

ed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website www.clearreconcorp.com, using the file number assigned to this case 010037-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website www.clearreconcorp.com, using the file number assigned to this case 010037-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. Content modifications to proposals shall not be allowed. The completed Proposal shall be without erasures or alterations.

Award of Contract
If awarded, the Contract for the work will be by action of the District's Board of Education to the Proposer that meets the qualifications established by the RFP documents.

E-rate Requirements
The project is 100% contingent upon the approval of funding from the Universal Service Fund's Schools and Libraries Program, otherwise known as E-Rate. The District may or may not proceed with the project, in whole or in part, even if E-Rate funding is approved. Execution of the project, in part or in whole, is solely at the discretion of the District. Bidders wishing to bid may do so solely at their own risk. The District is not liable or responsible for any costs, loss, fees, or expenses of any kind associated with the bid and/or a decision not to proceed with the project, even after the award of the contracts. By submitting a proposal, each Bidder agrees to bear all of its own costs, fees, expenses, and losses of any and all kind should the District cancel the project.

The District requires the Service Provider to have a valid and current SPIN (Service Provider Identification Number) as issued by USAC (Universal Service Administration Company). The SPIN must be established at the time of the proposal submittal, and the Service Provider must include a copy of the completed SPAC (Service Provider Annual Certification) Form with the Proposal. Additionally, the Service Provider must complete and return the certificate of understanding as found in this RFP. For further information regarding the Erate Program, please reference USAC's Schools and Library Division (SLD) website: <http://www.universalservice.org/sl/>

All contracts entered into as a result of this Request for Proposal and the associated Form 470 will be contingent upon the following:

- Funding approval by the SLD.
- The approved, funded amount is equal to the funding amount as requested on the Form 471. A valid Service Provider Identification Number (SPIN) consistent with the type of service requested in this RFP.
- Certified Form 486 and a written "Notice to Proceed" from the Owner to initiate service.
- Approval from the Beverly Hills Unified School District Board of Trustees

Inquiries and Clarifications
This document is for information purposes and shall not relieve the Proposer of the requirements to fully become familiar with all the factors affecting the Project and Proposal. The Proposer is advised that all inquiries and clarifications about the RFP documents, specifica-

tions, etc., shall be submitted to the District in writing no later than **February 19, 2026, 4:00 p.m. PST**. The District will respond at earliest convenience. Verbal communication by either party with regard to the matter is invalid. Inquiries shall be made via email to JNichole@bhusd.org. All prospective respondents are hereby instructed not to contact any District staff member, other than the noted contact related to this RFQ, at any time during the process. Any such contact shall be cause for rejection of the RFP.

NOTICE OF PETITION TO ADMINISTER ESTATE OF: JULIAN B. CAPROW CASE NO. 26STPB01204

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the WILL or estate, or both of JULIAN B. CAPROW.

A PETITION FOR PROBATE has been filed by ROBERT CAPROW in the Superior Court of California, County of LOS ANGELES. THE PETITION FOR PROBATE requests that ROBERT CAPROW be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: 03/17/26 at 8:30AM in Dept. 11 located at 111 N. HILL ST., LOS ANGELES, CA 90012

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER. A public auction sale to the highest bidder for cash, cashier's check(s) drawn on a state or national bank must be made payable to National Default Servicing Corporation, a check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state; will be held by the duly appointed trustee as shown below, of all right, title, and interest conveyed to and now held by the trustee in the hereinafter described property under and pursuant to a Deed of Trust described below. The sale will be made in an "as is" condition, but without covenant or warranty, expressed or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by the Deed of Trust, with interest and late charges thereon, as provided in the note(s), advances, under the terms of the Deed of Trust, interest thereon, fees, charges and expenses of the Trustee for the total amount (at the time of the initial publication of the Notice of Sale) reasonably estimated to be set forth below. The amount may be greater on the day of sale. Trustor: Gil Romano and Karen Romano, husband and wife as community property with right of survivorship Duly Appointed Trustee: National Default Servicing Corporation Recorded 10/18/2013 as Instrument No. 20131495369 (or Book, Page) of the Official Records of Los Angeles County, California. Date of Sale: : 03/09/2026 at 11:00

AM Place of Sale: At The Courtyard located at 400 Civic Center Plaza, Pomona, CA 91766 Estimated amount of unpaid balance and other charges: \$1,178,242.90 Street Address or other common designation of real property: 2611 Deep Canyon Drive, Beverly Hills, CA 90210 A.P.N.: 4382-010-007 The undersigned Trustee disclaims any liability for any incorrectness of the street address or other common designation, if any, shown above. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse. The requirements of California Civil Code Section 2923.5(b)/2923.55(c) were fulfilled when the Notice of Default was recorded. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encour-

aged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 714-730-2727 or visit this internet website www.ndscorp.com/sales, using the file number assigned to this case 25-02981-DM-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT*: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are a "representative of all eligible tenant buyers" you may be able to purchase the property if you match the last and highest bid placed at the trustee

auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 888-264-4010, or visit this internet website www.ndscorp.com, using the file number assigned to this case 25-02981-DM-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as a "representative of all eligible tenant buyers" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. Pursuant to Section 2924m of the California Civil Code, the potential rights described herein shall apply only to public auctions taking place on or after January 1, 2021, through December 31, 2025, unless later extended.
