City Council Approves 26-Story Housing Project on Burton Way” [Issue #1382]

Last week, *Beverly Hills Weekly* published my Letter to the Editor regarding the March 24 City Council hearing on 8844 Burton Way. I am writing to correct an important factual error in that letter.

I incorrectly attributed to Councilmember Mary Wells the moment in which the question of reimbursement for our community’s expenditures was raised. To set the record straight: during the hearing, Janet Fox raised the question of reimbursement. Mayor Sharona Nazarian followed up with a direct on-the-record request to the developer, who agreed to reimburse the Neighbors Legal Fund’s documented expenses. Mayor Nazarian deserves full and accurate credit for securing that commitment.

Mayor Nazarian’s advocacy for this community that night was genuine, substantive, and consequential. The record should reflect that clearly.

Endorsements Roll In for Beverly Hills Council Election

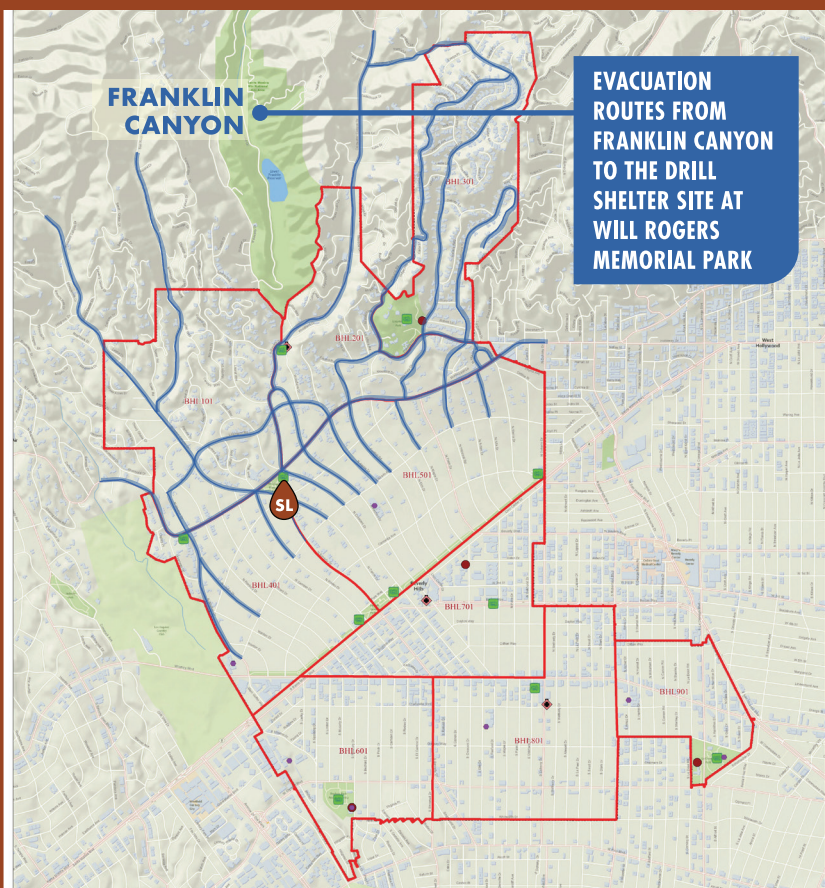

Several local organizations have announced endorsements in the City Council race, including the Beverly Hills Firefighters Association.

The Beverly Hills Firefighters Association has endorsed Mayor Sharona Nazarian, Councilmember Les Friedman, and Board of Education member Russell Stuart in the upcoming election, citing their support for public safety and city services.

In a statement, the firefighters’ union said its membership voted to back Nazarian after evaluating her record and priorities.

"As President of the Beverly Hills Firefighters Association, I can say this endorsement was not made lightly. We took the time to carefully evaluate who has truly stood up for public safety, and Mayor Sharona Nazarian has consistently proven that she does. She understands that behind every call for service are the firefighters who answer it, and that supporting them is essential to protecting this community. Her leadership has reflected that commitment time and again. With Mayor Nazarian, we are confident Beverly Hills will continue to uphold the world-class, premier level of service its residents expect and deserve," President Bruno Palmieri said.

OUR DATA SPEAKS VOLUMES

The association also announced its endorsement of Friedman, highlighting his engagement with residents and approach to governance.

"Councilmember Lester Friedman has demonstrated a consistent willingness to engage, listen, and serve the Beverly Hills community with thoughtfulness and dedication. We appreciate his commitment to maintaining the high level of service our residents expect, and we look forward to continuing to work collaboratively to ensure Beverly Hills remains a safe and well-served community," Palmieri said.

In a separate endorsement, the association said it also supports Stuart, citing his focus on maintaining strong emergency services and public safety staffing.

"Russell Stuart sets a standard that reflects exactly what this community deserves, nothing short of world class and premier public safety. His commitment to excellence isn't just talk, it's an expectation he carries into every decision," Palmieri stated.

Los Angeles County District Attorney Nathan Hochman has also endorsed Nazarian and Friedman, citing their positions on public safety and community leadership.

Rebecca Pynoos and Friedman also received the recommendation for endorsement for the Los Angeles County Democratic Party. Nazarian did not seek endorsement from the Los Angeles County Democratic Party, according to campaign spokesperson Jon Munoz. The full LACDP Central Committee will finalize the endorsements at their April 21 meeting.

The West Hollywood - Beverly Hills Democratic Club is expected to finalize its endorsement vote on Wednesday, which occurred after the Weekly's deadline. The organization was expected to endorse Pynoos, Nazarian and Friedman.

Historic Status Review Set For Good Shepherd Catholic School Property

The Cultural Heritage Commission was scheduled to hold a hearing on whether the Good Shepherd school property should be considered for landmark designation. The discussion was scheduled to take place at its Wednesday meeting, which occurred after the Weekly's deadline.

The Cultural Heritage Commission was expected to review the property at 148 South Linden Drive, which is part of the Church of the Good Shepherd campus, to determine whether it merits formal consideration for inclusion on the Register of Historic Properties.

The property, owned by the Archdiocese of Los Angeles, has been in continuous educational use since it opened in 1931.

The school building was designed by architect M. L. Barker and completed in 1930. It was dedicated the following year as the Beverly Hills Catholic School.

The structure was designed in the Spanish Colonial Revival style to complement the church, which is already designated as a local landmark.

The campus has evolved over time, including the addition of a kindergarten building in 1948.

The school was initially staffed by the

Closet Factory Celebrates Grand Opening

Closet Factory LA/OC in Beverly Hills celebrated its grand opening on April 6. The showroom features displays of custom organization, including walk-in closets, home offices, pantry designs, and more.

Sisters of the Holy Cross, with leadership later transitioning to the Sisters of the Immaculate Heart of Mary before moving to lay administration in 1999.

Today, the school serves students from pre-kindergarten through eighth grade and remains the only Catholic school in Beverly Hills.

The property has previously been identified as a potential contributor to a thematic grouping of historic church-related sites in citywide surveys conducted in the 1980s and updated in 2004. Staff indicated the building may also qualify for listing on the National Register of Historic Places and the California Register of Historical Resources.

If the commission determines the property qualifies for further consideration, additional research and a subsequent review process would follow before any decision on landmark status is made.

Commission To Review Golden Shield Award Nominees For Cultural Recognition

The Cultural Heritage Commission was set to review six nominees for the city's Golden Shield, at its Wednesday meeting, which occurred after the Weekly's deadline.

Commission members were expected to select four finalists from the list, which will then move forward for final approval along with proposed plaque language and installation locations.

The Golden Shield program, created in 2019, is a non-regulatory effort designed to recognize places that contribute to the city's cultural identity. To date, 35 nominations have been approved by the City Council, with three additional sites pending consideration.

Among the nominees is the former Friars Club building on South Santa Monica Boulevard. The Friars Club of Beverly Hills was founded in 1947 by comedian Milton Berle and other entertainers who had relocated from New York. Established as a West Coast counterpart to the New York Friars Club, it became a gathering place for

the entertainment community. Members included performers such as Lucille Ball, Frank Sinatra, Johnny Carson, and Elizabeth Taylor, and the club was known for its social events, charity activities, and celebrity "roasts."

Also under consideration is the former William Morris Agency complex on El Camino Drive, long associated with the entertainment industry. The agency established a West Coast office in Hollywood in the late 1920s and relocated to Beverly Hills in 1939, taking over and expanding the former United Artists building at 202 North Cañon Drive, remodeled by Douglas Honnold.

The Beverly Hills Lawn Bowling Club at Roxbury Park is another nominee.

The Beverly Hills Bowling Green Association was established in 1923 at the corner of North Camden Drive and South Santa Monica Boulevard and later evolved into the Beverly Hills Lawn Bowling Club.

The former Scout House on Whittier Drive, built in the 1930s, is also being considered.

The Boy Scouts of America Troop No. 33 clubhouse, known as the "Scout House," was located in a wooded area north of El Rodeo. Developed in the early 1930s with sponsorship from the local Rotary Club, the building served as the primary meeting place for Boy Scouts and other youth organizations in the city.

Other nominees include a former automobile dealership at 9231 West Olympic Boulevard, originally built in 1947 as a Buick showroom, and a historically significant commercial site at 465 North Beverly Drive, considered the city's first commercial building dating back to 1907.

The site later evolved through multiple redevelopments, including use as a bank designed by architects John Parkinson and Donald Parkinson, and eventually as the Paley Center for Media in the 1990s.

The commission was expected to review the six nominees and select four to move forward in the process. Staff is then expect-

Board Approves Resolution on Intentional Technology Use and Student Screen Time

During its meeting on March 24, the Board of Education approved a resolution passed in a 3-2 vote, with Board members Rachelle Marcus and Amanda Stern voting against.

The resolution directs the District to develop a comprehensive Screen Time Policy for implementation in the 2026–2027 school year. This policy will establish research-based guidelines for appropriate technology use across grade levels, with a particular focus on limiting screen time for younger learners while maintaining robust, future-ready digital opportunities for older students. The policy will encourage reduced reliance on devices in early education through second grade, increased use of traditional learning methods such as paper and pen, and enhanced transparency for families through screen time tracking and reporting. Additionally, it will require annual parent consent for digital tools and applications and provide ongoing education around digital citizenship, safety, and responsible technology use.

“This is an exciting moment for our district, we are taking a thoughtful, forward-looking step to ensure technology supports our students in the right way, with balance, intention, and purpose,” said Board President Judy Manouchehri. “It provides for both a limitation of screen

time in the younger years, while maintaining BHUSD’s commitment to innovation, technical education and career-readiness for our older students.”

MorTorq Robotics Takes Second Place at Aerospace Valley

Beverly High’s MorTorq Robotics Team advanced to the finals and earned a second place finish at the FIRST Robotics California District Aerospace Valley Event in Lancaster. This represents the program’s first appearance in the finals in 16 years.

Competing against top teams from across the region, MorTorq was selected to join an alliance with Team 687 (California Academy of Mathematics & Science) and Team 2073 (Pleasant Grove High School).

Together, the alliance advanced through the elimination rounds and competed in the final matches, securing a second-place finish overall.

“This result reflects the work our students have put in all season,” said Robotics Teacher/Coach John Castle. “From one competition to the next, they continue to grow, collaborate, and represent Beverly Hills High School with focus and determination.”

Fine Arts Theatre to Celebrate 89 Years of Cinematic History with Classic Films and Special Tributes

The Fine Arts Theatre, a designated Beverly Hills Historic Landmark, will celebrate its 89th anniversary the weekend of April 17–19 with screenings of classic

films and special tributes. The theatre will offer 89¢ admissions for select films.

A tribute to filmmaker Rob Reiner is scheduled for April 19 with a double feature of *The Princess Bride* and *Misery*, offered at \$1.78. That day will also include a screening of the DC Comics film *Blue Beetle*, featuring introductions by actors Xolo Maridueña and Belissa Escobedo.

Other screenings during the weekend include *The Godfather Parts I and II* starring Al Pacino, *The Great Race* starring Jack Lemmon and Tony Curtis, the Batman feature film starring Adam West, and a restored 4K collection of vintage Betty Boop and other Fleischer cartoons with a Q&A moderated by film historian Justin Humphreys.

Beverly Hills Police Department Launches “Drone-in-a-Box” Program

The Beverly Hills Police Department (BHPD) announced the implementation of its innovative “Drone-in-a-Box” program, a public safety initiative designed to improve emergency response, enhance officer safety, and provide greater situational awareness across the City.

“As part of my Mayoral initiatives, I am proud to advance cutting-edge technology that keeps Beverly Hills safe ahead of the curve,” said Mayor Sharona Nazarian. “Our Police Department is already exceptional, with dedicated men and women protecting our community 24 hours a day, seven days a week. Drone-in-a-Box adds another powerful tool, delivering critical real-time, life-saving information that strengthens public safety and helps keep our City secure.”

Drone-in-a-Box systems are automated drone platforms housed in secure, weather-resistant docking stations. These systems enable a rapid deployment of drones within 90 seconds, allowing officers and dispatch personnel to quickly assess incidents without delay.

“This program represents a significant advancement in how we respond to emergencies and protect our community,” said Police Chief Mark Stainbrook. “By leveraging this technology, we can make faster, more informed decisions while prioritizing the safety of both our officers and the public.”

Drones can be deployed instantly from fixed locations throughout the City, significantly reducing response times and providing critical, real-time intelligence during high-priority calls. Live aerial video allows officers to evaluate potential threats before arriving on scene, helping to de-escalate dangerous situations and minimize unnecessary exposure to risk.

Equipped with high-resolution cameras and thermal imaging capabilities, drones provide a comprehensive view of incidents. This enhanced perspective supports better coordination and more effective incident management.

With no launch lag, drones can be airborne within moments, ensuring immediate operational support when seconds matter most.

Strategically placed docking stations throughout Beverly Hills expands coverage, reduces response times, and allows drones to remain on scene longer during critical incidents.

City Hall Appointment/ Campaign News

City Hall Promotions

The City Council announced last week that, after a comprehensive and wide-ranging search, **Stephanie Harrris**, the Director of the City's Community Services Department, will take over as Assistant City Manager.

The City of Beverly Hills has 12 Departments, City Attorney, City Clerk, City Manager, City Treasurer, Community Development, Community Services, Finance, Fire Department, Police Department, Human Resources, Information Technology and Public Works.

In recent years, the City Attorney, City Clerk and City Manager report to the Council. Most other departments report directly to the City Manager but at the discretion of the City Manager, some may report to the Assistant City Manager. Under current City Manager **Nancy Hunt-Coffey**, the Departments of Community Development and Public Works reported to **Ryan Gohlich** and the rest reported directly to Ms. Hunt-Coffey. Mr. Gohlich has not announced how he will organize these reporting relationships.

As Director of Community Services, Ms. Harris has been responsible for Arts, Culture and Events, Community Services Administration, Library, Recreation, Park Rangers, Next BH and three commissions. These account for over 150 part and full-time employees.

The job of Assistant City Manager as described in the City prepared solicitation of applicants is described as follows:

"With the promotion of the Assistant City Manager to City Manager, the City of Beverly Hills, California is seeking its next Assistant City Manager to step into a critical leadership role at a pivotal moment for the organization. This is a rare opportunity

for a seasoned municipal executive to join a high-performing leadership team and play a central role in advancing the City's strategic priorities while upholding Beverly Hills' exceptional standards of service, governance, and professionalism.

"The Assistant City Manager will thrive on addressing high expectations and be a trusted partner to the City Manager, providing executive leadership across complex municipal operations, high-profile initiatives, land use matters, and cross-departmental efforts. The ideal candidate is a strong generalist with excellent judgment, emotional intelligence, political acumen, and executive presence to operate effectively in a fast-paced, highly visible environment, while building strong relationships with elected officials, staff, and the community."

The Annual Salary range set forth when the position was posted is between \$293,891.88 and \$425,279.88.

Ms. Harris is a Sylmar native and has a B.A. in Communications from Cal. State Los Angeles and an M.A. in Public Administration from Cal. State Northridge. She has been in municipal government for 23 years, starting as a recreation leader for the City of Rosemead. She joined the City as a Management Analyst in the Community Services Department and has had responsibility for the Dog Park and Beverly Gardens Park before taking over as Director of Community Services in 2023.

Her priorities are protecting public safety and ensuring the City's fiscal health. She emphasizes that she views her overall responsibility as supporting the City Manager and taking on whatever jobs he assigns.

The subway is coming just in time!! With gas prices approaching \$10 per gallon, even Beverly Hills residents might

consider giving public transportation a try.

I continue to be concerned about Metro's transparency and credibility. After alternating over the years between having its own police force and the current practice of contracting with the County Sheriff and local police forces for security services, Metro announced some time ago that it was forming its own police force again. However, this has not yet occurred and Metro has been unable or unwilling to disclose much about the status of these plans.

I remain of the view that the most significant immediate action that Metro could take is the installation of the tall security gates programmed to allow only fare-paying riders to enter or exit at all of its stations. At a minimum, our City officials should insist and ensure that such gates be installed and operating in that fashion at the Beverly Hills and nearby stations.

Notes from the Campaign Trail

Our City Council candidates are actively signing up endorsements as we approach the April 12 campaign kickoff date. Here are some who responded by press time.

Mayor **Sharona Nazarian** has announced support from several respected public safety and county leaders, including the Beverly Hills Police Officers Association, Los Angeles County District Attorney **Nathan Hochman**, the Beverly Hills Firefighters' Association, and Los Angeles County Assessor **Jeff Prang**.

On Sunday April 12, some of the candidates will host campaign kickoff events. This marks the official start of the campaign which allows for a proliferation of lawn signs promoting the candidates. Typically these involve more or less elaborate garden parties marked by the availability of more or less elaborate grub. In consideration for the free eats, the attendees will be treated to the introduction of the candidate by a former Mayor or other prominent resident or two. Then the candidates will speak. First time candidates will speak about their love for the City and their drive to "give back." Candidates running for re-election for their second or third terms will explain that they are motivated by the fact that "there is so much more to do." Do not expect **Daniel Webster**.

If you are not able to attend one or more of these events, not to worry. I will attend as many as I can and bring you up to date next week.

COMMISSION APPROVES SURVEY ON POTENTIAL PARKING RULE CHANGES

Parking Displacements Reported on Residential Blocks

By Danielle Berjikian

The Traffic and Parking Commission unanimously approved a process that is expected to gauge resident interest in possibly changing parking regulations in two parking permit zones. The proposed change stems from concerns about commuter spillover and challenges faced by residents in multi-family buildings.

In a report to the commission, staff suggested initiating an effort in portions of Zone AE and Zone GG.

Under the municipal code, changes to zones require support from at least 60% of residents. Establishing a new zone requires signatures from more than half of residents on a given block.

Residents on the 400 block of North Oakhurst Drive and the 100 block of North Swall Drive have reported difficulty finding parking, which some attribute the problem to commercial and employment corridors that draw non-resident cars.

“I would definitely support this survey, especially for North Oakhurst because it is primarily multifamily. I think that is a great idea and it is great to listen to the residents and what they like. As for Swall Drive, it is more of a balanced multi-family as well as commercial [area] but I will still defer to the residents. So, yes. I definitely support this survey,” Commissioner Negar Kamara said.

City staff noted that getting signatures in multi-family areas can be hard due to barriers, including access to buildings, tenant turnover and safety concerns.

As an alternative, the city will mail surveys to each unit, which residents may respond by mail or online.

If at least 60% of affected residents support the change, the city would proceed with more analysis, including studies and observations, before bringing recommendations to the commis-

sion and City Council.

In Zone AE, the survey would ask whether to expand stricter overnight limits already in place on part of Civic Center Drive to nearby blocks, including North Oakhurst and North Palm drives. The change would add nighttime restrictions to existing daytime limits, with exemptions for permits.

In Zone GG, residents on North Swall Drive will be asked whether to adopt stricter rules similar to those on North Clark Drive, where parking is prohibited except for permits.

A public auction sale to the highest bidder for cash, cashier's check(s) drawn on a state or national bank must be made payable to National Default Servicing Corporation, a check drawn by a state or federal credit union, or a check drawn by a state or federal savings and loan association, savings association, or savings bank specified in Section 5102 of the Financial Code and authorized to do business in this state; will be held by the duly appointed trustee as shown below, of all right, title, and interest conveyed to and now held by the trustee in the hereinafter described property under and pursuant to a Deed of Trust described below. The amount may be greater on the day of sale. The requirements of California Civil Code Section 2923.5(b)/2923.55(c) were fulfilled when the Notice of Default was recorded. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that

there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 714-730-2727 or visit this internet website www.ndscorp.com/sales, using the file number assigned to this case 25-02246-DM-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT*: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are a "representative of all eligible tenant buyers" you may be able to purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 888-264-4010, or visit this internet website www.ndscorp.com, using the file number assigned to this case 25-02246-DM-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as a "representative of all eligible tenant buyers" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. NOTICE TO POTENTIAL BIDDER(S): If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER(S): The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (866-684-2727) or visit the website <http://www.servicelinkasap.com>, using the file number assigned to this case 25-337731. Information about postponements that are very

short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT(S): Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to California Civil Code Section 2924m. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48-hours after the date of the trustee sale, you can call (866-684-2727) or visit the website <http://www.servicelinkasap.com>, using the file number assigned to this case 25-337731 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15-days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45-days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder", you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase.
