## Municipal League Holds Candidate Forum

On Thursday, April 30, the Municipal League held a candidate forum at City Hall where all 11 City Council candidates were able to make their voices heard. The event was moderated by Fred Fenster and Thomas White.

The candidates running for City Council are Andy Licht, Les Friedman, Sharona Nazarian, Russell Stuart, Barry Axelrod, Jonathan Mariande, Rebecca Pynoos, Andrew Kole, Roger Tanenbaum, Clayton Saunders, and Ariel Rofeim. All of the candidates have accepted the city's voluntary campaign contribution limits.

Pynoos criticized leadership from the city, and cited a lapse in the housing element that she said contributed to multiple builder's remedy projects. She also raised concerns about uneven representation and said development around the Metro has lacked coordinated planning and improvements.

"I will serve this city with heart and determination. I love urban planning and public policy, and I will do my best for all of us. I grew up in the flats. I live in the south. I feel I can represent both the luxury aspects of the city and the real-life livability that everyone here deserves," Pynoos said. "I am the right person for right now."

Stuart said he is running a campaign focused on public safety, education and city governance. He also said he survived a 2024 incident in which he was struck by a stolen vehicle. Stuart also said he supports stronger resources for police and fire services, streamlined city processes, the use of AI in government, and more coordination between the city and BHUSD.

"We need to support every single law enforcement officer and firefighter with everything that we have. Yes, the real-time watch center is fantastic, and the drone in a box is great, but the officers are not coming here, and you should ask the questions as to why. We've had officers who have come, who only stayed for a few weeks and went back to their home agencies. I would ask the questions why. We need to support them, we need to do it now, and we need to keep our city safe. I will make sure that that happens," Stuart said.

Nazarian highlighted her record, including launching the Real Time Watch Center and expanding surveillance and emergency response tools that she said have helped reduce crime, along with wildfire preparedness efforts, and homelessness services. She also said the city is at a pivotal moment with the opening of the Metro and ongoing development, and emphasized community engagement.

"My focus is clear, keeping Beverly Hills safe, maintaining fiscal responsibility, protecting our neighborhood and

## BHUSD Students Honored by Santa Monica Elks Lodge

Several Beverly Hills students were honored by the Santa Monica Elks Lodge. The students were recognized recently for contributions to their community and the Santa Monica Elks Lodge Drug Awareness Contests. Eleventh grader Blake Miller was honored as Student of the Month. Eighth grader Audrey Rosenfeld received first place in the Drug Awareness Essay Contest. Fourth grader Jane Dyogi received third place in the Drug Awareness Poster Contest. Twelfth grader Matilda Kohanim got second place in the Drug Awareness Video Contest.

our quality of life for seniors, families, and all our next generation. And I will continue to be a voice. I will continue to show up with integrity, transparency, and deliver results for you. Common sense governing for the people," Nazarian said.

Friedman said he was first elected to the council in 2017 and has served two terms, including as mayor during the start of the pandemic, which included the riots in the summer of 2020, and later during the 2024 wildfires, when the city coordinated response efforts. He also pointed to other initiatives like the real-time watch center.

"It is the experience and leadership that you have seen while I've been in office, that I bring to what is going to happen during the next four years, which is the World Cup coming to the Los Angeles area, where many visitors are going to be coming here. We have the Super Bowl, where our hotels are going to be occupied, and there are many more visitors coming, and last but not least, the Olympics. So this is what I bring to the table. I bring the experience and leadership of having those experiences in the past, and I bring them to council," Friedman said.

Licht said he is running to bring experienced leadership focused on public safety and efficient city government. He said he has served 14 years on city commissions, including the Planning, Traffic and Parking, and Cultural Heritage commissions. Licht said the city is facing pressures from housing mandates, the opening of the Metro and public safety concerns. He said his priorities include strengthening police and fire services, improving traffic safety, and streamlining permitting.

"We will grow our economy by supporting local businesses and smart in-

vestments, not by increasing taxes or fees on you, the residents. Protecting our community and quality of life means supporting our schools and families, helping seniors age in place, ensuring fair treatments for renters, and addressing homelessness with both compassion and accountability," Licht said.

## BHPD Arrests Suspect After Uber Hostage Standoff

An Uber driver alleged to have attempted to kill a Los Angeles County sheriff's deputy was arrested Sunday after a standoff with officers.

On Sunday, the suspect, Osvaldo DelRio, barricaded himself inside a car with a hostage. According to reports, he was an Uber driver and was in the middle of taking her to work. He released her at 11 p.m.

It is alleged that the suspect used his car earlier in the day to strike a deputy near Inglewood.

According to the *LA Times*, he was first stopped by police in the early morning on Sunday near Hawthorne Boulevard and West 104th Street. Police tried to detain him but he fled, and his car hit the officer. The deputy was not seriously injured.

On Sunday afternoon, BHPD officers located the vehicle near San Vicente and Beverly Blvds. BHPD officers attempted to conduct a traffic stop when a short pursuit ensued. The pursuit ended with the DelRio colliding with a second car near Burton Way and Robertson Blvd.

"This incident reflects the exceptional professionalism and preparedness of our officers and support staff, whose train-

ing and use of advanced technology enabled them to apprehend the suspect, safely rescue the victim, and protect our community. We are also grateful for our strong partnership with the Los Angeles County Sheriff's Department, whose collaboration and shared commitment to public safety continue to strengthen our ability to respond effectively to critical incidents," said Chief Mark Stainbrook.

## City Installs Bike Safety Signage Along North Santa Monica

The city is taking efforts to improve pedestrian and cyclist safety after the city received complaints regarding pedestrians walking within the bike lanes

Example of Signage

on North Santa Monica Boulevard, according to an informational update on the Traffic and Parking Commission's agenda.

According to Thursday's staff report, "This behavior creates safety risks for both pedestrians and cyclists. Since drivers do not expect to see pedestrians in the bike lane, they are less visible and increase their risk of being struck by a vehicle. Additionally, the presence of pedestrians in the A bike lane can obstruct cyclist travel, forcing cyclists into vehicle traffic lanes. The adjacent bridle trail, the pathway running parallel to N. Santa Monica Boulevard provides a safer facility for people walking."

To address this issue, the city installed signage providing guidance on where people walking and biking are permitted to be. For example, "Bicycles May Use Full Lane" and "Pass Three Feet Minimum" signs were installed.

The city is also expected to install signs along the bike lanes guiding pedestrians to walk in the bridle trail or on the sidewalk on the north side of the street, in an effort to educate pedestrians about where to walk on North Santa Monica Boulevard.

The city has also implemented several initiatives as part of bike programming month. This includes the following:

- May 1 to 31: Five Mile Bike Ride Challenge. Participants may download the Love to Ride app to track rides and accomplishments, as well as to provide feedback on their trips. Visit [lovetoride.net](http://lovetoride.net) for more information.
- May 6 is National Bike and Walk to

School Day.

- May 14 is Bike to Work Day Pit Stop and Bike Light Giveaway. From 7:30 AM to 9:00 AM at the Wilshire/La Cienega D Line Station, the city plans to provide giveaways.
- May 17 is Free Bike Repair, Used Bicycle Collection at Public Works Day From 9:00 AM to 12:00 PM at the Beverly Hills Farmers' Market.

## BHPD Promotes "Click It or Ticket" Campaign

The Beverly Hills Police Department is reminding residents to always buckle up and secure children in the right car seats.

This year's Click It or Ticket campaign runs from May 18 to 31. During this time, BHPD will have additional officers looking for drivers and passengers who are not wearing seat belts, including cars where kids are not secured in the appropriate safety seats for their age.

"Our priority is protecting the people in our community. Wearing a

seat belt or properly securing children in car seats or a booster seat gives everyone a better chance of surviving a crash," Police Chief Mark Stainbrook said. "We want every trip – short or long – to end safely, so please buckle up every time."

According to the National Highway Traffic Safety Administration, in 2023, 10,484 people were killed in crashes while not wearing a seat belt. In California, there were 780 people killed in crashes that same year, including 24 children. Additionally, unrestrained child fatalities in California increased by 4.3 percent from 2022 to 2023.

California law requires all children under two years old to ride in a rear-facing car seat, unless the child is 40 or more pounds or is 40 or more inches tall. All children under eight years old are still required to be secured in a car seat or booster seat. Children under eight may not ride in the front seat unless the vehicle is not equipped with a rear, forward-facing seat. Children eight and older, or those at least 4 feet 9 inches tall, may be secured in a booster seat.

## Campaign Notes/ Scouting K-Town

As you will be receiving your ballots for the June 2 election around the time that you receive this issue of the Weekly, I thought that I would give your my impressions of some of the leading candidates for the Beverly Hills City Council at this stage of the campaign.

My impressions are presented in alphabetical order and are not intended to suggest support for or opposition (with one exception) to any particular candidate.

**Les Friedman** – he has been a diligent, serious member of the Council for nine years and was a firm hand on the tiller when he was Mayor during the pandemic.

**Andy Licht** – he has served well on three City Commissions, has lived in the City for most of his life and really, really wants to be on the City Council.

**Sharona Nazarian** – just finished a productive and enthusiastic term as Mayor; she has a very large following and it is difficult to imagine that anyone else will earn more votes.

**Rebecca Pynoos** – she has served productively on two commissions, has a thorough grasp of all of the policy issues and has by far the most substantive knowledge and ideas of any per-

son I know who has not already served on the City Council.

**Russell Stuart** – he presents an affable demeanor and calm confidence at least until challenged; he was elected to the Board of Education by committing that he would serve the entirety of his four year term; he now proposes to abandon that commitment after 18 months; he is not remotely qualified by reason of his education (none beyond some community college classes), experience or temperament to serve in any position of leadership; in my opinion, his manifest anger management issues are disqualifying; notably not one of his four Board of Education colleagues and not one of the five members of the City Council support him. Although Mr. Stuart has posted favorable comments that Mr. Mirisch made about him when running for a different office in the past, **Mr. Mirisch confirmed to me that he is not endorsing or supporting Mr. Stuart for City Council.**

**Roger Tanenbaum** – he is a pleasant and earnest young man from a great Beverly Hills family; if you are looking for a responsible conservative person who is committed to public safety, and enhanced enforcement of speeding limits on residential streets, you may

want to consider him.

Last Saturday, **Dr. Alan Dinner** and I conducted in-depth research to select the best venue for the May meeting of the BELCH eating group.

At the outset I should explain that the term BELCH is an acronym for the full name, which cannot be disclosed, of the group whose members shall also be unidentified.

Our objective was to find the best Korean barbeque venue. We knew that the only possible location was in Korea Town, one of the most interesting neighborhoods in greater Los Angeles west of the vast predominantly Asian neighborhoods generally referred to as “Monterey Park” (but encompassing numerous municipalities east of Los Angeles City Hall). I have often observed that if you live in those areas, you cannot afford to eat at home because there are so many great inexpensive restaurants.

But for Korean barbeque, K-Town was the only possible place to look. So we set off on foot, maps in hand (actually in phones) from Alan’s home in mid-city. Initially, we walked east on 8th Street but headed north to 6th Street once our progress was interrupted by the walled off fortress of Fremont Place. (Do you know anyone who lives in that enclosure of mansions?)

Our first stop was Brothers Korean BBQ [3680 W. 6th], one of four related restaurants with in a few blocks under the umbrella of Galbi Brothers, Inc. As you likely know, “galbi” means “Korean BBQ short ribs”, an essential

to any Korean BBQ. Brothers has an AYCE option (AYCE means all you can eat) which is ideally suited for the BELCH group. It is located in a small strip mall which was attractive because it offered \$3 valet parking.

Next was Moohan Premium BBQ [3435 Wilshire] which was a very large restaurant located in a plaza in the hi-rise Equitable Building. This was probably the most upscale of the places that we considered but the plaza was largely vacant and somewhat depressing.

Then we went to what I consider the beating heart of K-Town, the iconic Chapman Market located on 6th street and occupying the block between Alexandria and Kenmore [3465 W. 6th]. It was built in 1929 in a Spanish Colonial/Baroque Revival Style and its architecture is largely intact. It was designed as one of the first drive-in, drive-through shopping centers in the US. Today it is a modern Koreatown dining and nightlife center.

We considered two BBQ establishments in the market, Quarters and Origin. The name Quarters signifies that many quarter pound options are available. The name Origin signifies that it has authentic, traditional Korean BBQ roots evoking 1960s Seoul as a cultural origin moment. Both of these seemed fantastic and perfect for our group. Both offered magnificent and generous platters meats and veggies for BBQ for six persons. (For the eight of us, we will consider ordering two of those.) Ultimately, we chose Origins as it promises to be slightly quieter than Quarters (probably the noise level of an LAX runway).

After our visit in mid-May, I might report back.

### BHHS Boys’ Volleyball Team Reaches Southern Section Division 6 Quarterfinals

By Steven Herbert

Beverly High reached the Southern Section Division 6 quarterfinals with a 25-17, 25-17, 25-16 victory over San Gabriel in a second-round match at the Swim-Gym last Thursday.

The Normans were 176th in the final rankings released April 24, the Matadors 148th.

Beverly Hills was to play at 163rd-ranked Temecula Valley Wednesday in a quarterfinal that was to begin after the Beverly Hills Weekly’s deadline.

If the Normans won, they would play the winner of the Culver City-Firebaugh winner in a semifinal Saturday at 6 p.m. A Beverly Hills-Culver City match would be played at Culver City because it won the coin toss. The Normans would play host to Firebaugh because they have played

fewer home playoff matches.

Under Southern Section rules, the next home match is to be played at the school with the fewer home playoff matches. If the two teams have played the same amount of home playoff matches, the site is determined by a coin toss.

The Normans and Culver City have each played one home playoff match, while Firebaugh has played two.

Culver City is ranked 143rd, Firebaugh 181st.

The final will be play May 15 or 16 at a site to be determined after play is completed Saturday and announced on Monday.

## WILSHIRE/LA CIENEGA STATION TO OPEN TOMORROW

### Phase One Opens After More Than 10 Years of Construction

By Danielle Berjikian

May 8 will mark the opening date of the subway expansion along Wilshire Boulevard, which will expand rail survival from Koreatown more west toward Beverly Hills.

The D line, which was originally called the Purple Line, is expected to reduce travel time between Union Station and the city to 21 minutes, and make it easier to travel between Mid-Wilshire, Miracle Mile, Koreatown, Downtown Los Angeles, and the wider Metro system.

Construction on Section 1 started on November 11, 2014.

Due to years of opposition, plans to

extend the subway west along Wilshire Boulevard stalled. Rep. Henry Waxman and the City of Beverly Hills opposed the project. Then-Councilmember and later County Supervisor Zev Yaroslavsky supported tunneling under Wilshire Boulevard.

In 1985, a chunk of Mid-Wilshire was designated a methane zone after a methane explosion. This banned tunneling. In 1986, construction of the Red Line began, but faced disruptions, cost overruns, safety issues, and more. Subsequently, in 1998, voters approved a measure that put a hold on sales tax funds for subway tunneling, which was

retired in 2005 because advancements in technology made tunneling safer. This subsequently ended the westward expansion. The line reached Wilshire/Western in 1996, which is now the western terminus of the D line.

"The extension of the D Line to La Cienega—and ultimately to the West LA Veterans Administration in the next 18 months—is a transformational moment for the Westside and the region as a whole. For the first time since the Red Car disappeared, our community will be connected to the rest of the region through public mass transit. It will dramatically shorten commutes and improve the quality of life of workers

and residents, alike. This is a great victory and testament to the proposition that Los Angeles County can undertake big things and get them done. I spilled a lot of political blood over this project, and I'm thrilled to have lived long enough to

see it open," Yaroslavsky said.

Notable destinations this section crosses include Museum Row, The Original Farmers Market and The Grove, Marciano Art Foundation, Ebell Theater, Restaurant Row, Beverly Center and other local businesses and residential neighborhoods.

A second phase of the project will add stops in Beverly Hills and Century City, which is expected to open in spring 2027. Construction on that phase is ongoing. This portion will extend service to Westwood and the West Los Angeles Veterans Affairs Medical Center.

twice.

Zain Shah, the Normans' No. 2 hitter, was 2-for-3, with an RBI and scored a run.

Beverly Hills trailed 3-1 with two outs in the bottom of the fourth and Jake Carlson on first with a single when its next seven batters would reach base.

Gabayan hit the first pitch from Lippa Ptalis for a single, advancing Carlson to third. Ramirez fell behind on the count 0-2, then hit an infield single on a 2-2 pitch, driving in Carlson.

After Joshua Wi was hit by a pitch to load the bases, Luke Ostrzega singled in Gabayan and Ramirez, giving the Normans a 4-3 lead.

Race Findley singled in Wi. Shah

doubled in Ostrzega. Ty Sayles doubled in Findley and Shah, as Beverly Hills increased its lead to 8-3.

Johnathan Olsen doubled leading off the fifth, went to third on a wild pitch and scored when Gabayan singled on the seventh pitch of the at-bat.

Wi singled in Gabayan and Ramirez, who doubled, for the Normans' final runs.

The Normans combined a leadoff walk to Wi, and two errors for a run in the third.

After Wi retired the first batter he faced, the next four Panthers reached base on an error, single, a two-run triple by Judah Hami and Judah Hirschel's single for three runs.

Wi allowed three runs (two earned) and

four hits over five innings, struck out five and walked two.

Beverly Hills reliever Tova Bodner retired all six batters he faced, striking out two.

The street address and other common designation, if any, of the real property described above is purported to be: 141 S CLARK DR UNIT 111, WEST HOLLYWOOD, CA 90048 The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein. Said sale will be held, but without covenant or warranty, express or implied, regarding title, possession, condition, or encumbrances, including fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust, to pay the remaining principal sums of the note(s) secured by said Deed of Trust. The total amount of the unpaid balance of the obligation secured by the property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of the Notice of Sale is: \$434,878.54 If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse. The beneficiary under said Deed of Trust heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website [www.clearreconcorp.com](http://www.clearreconcorp.com), using the file number assigned to this case 144585-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website [www.clearreconcorp.com](http://www.clearreconcorp.com), using the file number assigned to this case 144585-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives

it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. **NOTICE OF PETITION TO ADMINISTER ESTATE OF MONTY COMROUZ**

Case No. 26STPB02788  
To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of MONTY COMROUZ  
A PETITION FOR PROBATE has

been filed by Farin Kamrouz in the Superior Court of California, County of LOS ANGELES.

THE PETITION FOR PROBATE requests that Farin Kamrouz be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on July 29, 2026 at 8:30 AM in Dept. No. 29 located at 111 N. Hill St., Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
