should be all about fun, and that starts with making safe choices before making plans,” Beverly Hills Police Chief Max Subin said. “Everyone deserves to get home safely, and it starts with your everyday actions.”

The National Highway Traffic Safety Administration reported 11,904 people were killed in alcohol-impaired driving crashes nationwide in 2024, or about one death every 44 minutes.

Police are reminding motorists to plan ahead if they expect to drink, including arranging for a sober driver, using a rideshare service or taxi, or taking public transportation. Drivers are also encouraged to wear seat belts, avoid distractions, follow posted speed limits and remain alert for pedestrians and bicyclists.

Impairment can involve more than alcohol. Prescription and over-the-counter medications, as well as cannabis products, can affect a person’s ability to drive. Police advise motorists to check medication warning labels and arrange for a sober driver when necessary.

Anyone who sees a driver who appears to be impaired is encouraged to call 911.

The enforcement campaign is funded through a grant from the California Office of Traffic Safety and the National Highway Traffic Safety Administration. Visit gosafelyca.org for more traffic safety information.

Residents First!!

Almost every candidate for the Beverly Hills City Council states that the principle of “Residents First” is a cornerstone of their campaign.

For the most part, this is just a slogan without much independent meaning. But at a Council Study Session on Tuesday August 11, the Council explored an issue that placed this principle on the front burner and, I am pleased to say, implemented it without hesitation.

The issue was whether to allow an exception to our recently enacted ban on residential short term rentals during a two month period in mid 2028 during the Los Angeles Olympic and Paralympic Games (LA28).

On July 15, 2025, the City Council adopted Ordinance No. 25-O-2918 to prohibit short-term rentals and establish a minimum initial lease period of one year citywide. The ordinance was adopted in response to concerns regarding neighborhood compatibility, noise, parking, safety, housing availability, and the difficulty of enforcing the previous short-term rental regulations.

The Beverly Hills Municipal Code (BHMC) prohibits, with limited exceptions, rental of any residential property or portion thereof for parties, weddings, or events of any kind.

Notably, the Beverly Hills ban of rentals for less than a year, which I personally strongly supported, is the most restrictive that I am aware of in Los Angeles County or Orange County. Although a handful of residents who regularly rented all or parts of their homes for short terms from a few days to a month or so, there was overwhelming support for the total ban.

Apparently consideration of a carve out for LA28 was prompted by the notion that there will be many visitors to our region and City at that time. Reference was made to the possibility that countries, Olympic teams and corporate sponsors of various participants would want to rent large residences for the duration of the games, approximately two months, but have no interest in renting for 12 months or more. The purposes of such rentals would be offices, conferences and, of course, parties.

Michael Forbes, Director of Community Development, made a measured presentation with an objective outline of the pros and cons. He pointed out that there could be additional

revenue for some short term rentals in the form of additional Transit Occupancy Taxes (TOT) from rentals of less than 30 days (or even longer if a City wide election approved it), additional sales taxes. He also noted that rentals to representatives of countries could help build relationships between the City and those countries. Mr. Forbes also pointed out that enforcement of whatever rules are put in place can be challenging and the City would have to create an infrastructure to facilitate new rules and enforcement.

A few residents, spoke out for and against an LA28 carveout. I believe that any short term rentals are likely to be disruptive to their neighbors and raise security issues and this is particularly true in multi-family residences. While I do not presume to have any influence, on August 11, I sent the following email to the Council:

“Please see the story on the front page of the LA Times this morning about party houses.

“Regardless of the rules on the books, short term rentals are an enforcement nightmare....

“Think: RESIDENTS FIRST and not merchants or the small minority who might covet rental income or want to attend parties.

“Just say NO!!”

From the outset, the members of the Council expressed reservations. In response to questions, Mr. Forbes stated that substantial net revenue generation for the City was not likely and should not be a driver of the decision. It was also made clear that while we might be able to identify which prospective renters really represented countries, there could be a myriad of “team supporters” (the athletes themselves would be in an Olympic Village on the UCLA campus) and a multitude of “corporate sponsors.”

Councilmember **Rebecca Pynoos** spoke first and immediately referenced the principle of Residents First. She said that she did not favor the carve out but if there were any carve outs, there should be severe restrictions, limited to countries only, high fines and a hotline that residents could use to report violations in real time.

Councilmember **Sharona Nazarian** also urged that any carve out be carefully controlled but was somewhat receptive to allowing short term rentals to countries, teams and corporate sponsors.

Councilmember **Lester Friedman**

emphasized that the residents had just recently expressed their support for the short term ban. He said that once exceptions are allowed we would be embarking on a “slippery slope” that could lead to opening a door that we had just shut.

Vice Mayor **Mary Wells** expressed strong opposition to allowing short term rentals in residential neighborhoods. She said that this would override what the residents want and that any events should be limited to commercial areas.

Mayor **Craig Corman** expressed agreement with the comments of Vice Mayor Wells. He also pointed out that allowing countries to have their headquarters in residential neighborhoods may build strong relationships but it was a two edged sword. That if problems arose, these could lead to the opposite result.

After extensive discussion and consideration, a consensus was expressed that the idea of an LA28 carve out from our short term rental ban not be pursued further.

This was an excellent example of the Council practicing the Residents First principle that they have preached and all of them are to be commended.

Further to this issue, we now have a very clear rule: No rentals for any period less than 12 months. It is clear, simple and presumably easy to enforce.

But enforcement is the key. Our Councilmembers frequently say: If you violate the law in Beverly Hills, you will be caught.

For short term rentals, however, enforcement has been elusive and challenging. We send out our enforcement folks and if they find a tenant, they ask for a lease agreement which the tenant may or may not have. At most, they issue a citation of sorts and after a few violations, may impose a fine. The fine is often nominal and is treated as a cost of doing business for the rental companies who can charge very large rental amounts per day.

I have urged that our City pursue injunctions against these rental companies pursuant to the California statute (Business & Professions Code Section 17200 et seq.) which prohibits unlawful business practices. Remedies include injunctions and recovery of all revenues that the defendant has obtained from these practices. There is no question that short term rentals or advertising short term rentals that violate our ordinance are unlawful practices. The City, in my view, should pursue Superior Court actions seeking injunctive relief and recovery of all of the rental proceeds. Once this has been successfully pursued once or twice, all of the others will quickly understand that short term rentals cannot be pursued in our City.

Once again on Tuesday August 18, the Trio that, mindlessly and without any sensible restraint or adult supervision, manage the Board of Education, displayed their black belts in dysfunction.

They had received an extremely attractive offer to settle the Lipschitz lawsuit relating to their disregard of the District’s ByLaws to install one of their number as Vice President of the Board. The settlement offer required nothing more from the Board than installing Dr. **Amanda Stern** as required as Vice President for a few months. Nothing – no money, no apology, no admission of wrongdoing (all of which are entirely appropriate given their thuggish and unlawful behavior).

But once again, the President of the Board refused even to allow a vote on the settlement proposal. Specifically, the Trio enlisted the District’s legal counsel (one of four firms now employed to uphold the vindictive interests of the Trio), to exclude Dr. Stern from the closed session meeting called in part to discuss the settlement. Notably, as Dr. Stern left the meeting, she and staff and visitors in the vicinity were treated to childish insults and sarcastic comments from the President and Vice President.

The propriety of excluding Dr. Stern, but not any one of the self-interested Trio, escapes me. But the exclusion had its desired effect. There was no acceptance of the settlement that is so strongly opposed by the President (who has colluded with the other members of the Trio to revise the ByLaws so that she can be President indefinitely, subject of course to her re-election). As a result of the President’s machinations, there was not even a vote on whether to accept a settlement that she opposed. This was disclosed by the routine call out at the start of the public meeting with the statement: “No report from closed session.” Collegiality has long since been dispensed with by the Trio. Now, it seems that any semblance of democratic process has been vanquished.

The highly respected U.S. News & World Report Public High School rankings for 2026-27 were released on August 17. These are very comprehensive and based upon a set of criteria developed over a number of years. They offer a true picture of how BHUSD students perform overall and how they compare with other public schools in the Los Angeles area and the State of California. They present a far more complete picture than the soundbites that our Board of Education has recently released.

I plan to discuss these results at length in the column that will appear in next week’s issue of the Weekly.

SPOILER ALERT: You will be surprised (but not pleasantly).

BOARD OF EDUCATION CAMPAIGNS UNDERWAY

Election is Nov. 3

By Danielle Berjikian

Judy Manouchehri

Five candidates have filed to run for two seats on the Beverly Hills Unified School District Board of Education in the Nov. 3 election.

The candidates are Jackie Kruger, Kimberly Lifschitz, incumbent Judy Manouchehri, Jared Gonzales and David Cienfuegos.

Manouchehri, an attorney and mother of three, is seeking reelection after serving one term on the Board of Education.

"I'm running for re-election because the work we started is delivering real results—and there is more to accomplish. BHUSD achievement, in just the last year, increased 4% in English, 5% in Math, and 9% in Science, while four-year college applications rose by 37%. For the first time since the California Dashboard began, BHUSD is meeting every performance measure standard. We've expanded tutoring and college counseling, supported our educators, strengthened school safety, and advanced our campus modernization program with fiscal discipline," Manouchehri said. "I'm proud of our progress and ready to keep moving BHUSD forward."

Manouchehri will hold her campaign kickoff on Sunday, Aug. 23 from 1:00–

2:30 p.m. Visit <https://www.judyforbhusd.com/events.html> for more information and to RSVP for the event.

Jared Gonzales

Gonzales, a middle school math teacher who teaches at Yavneh Hebrew Academy and previously taught at Harkham Hillel Hebrew Academy, is running for the board after working in education and conflict resolution.

"I am running for the Board of Education to keep educational expertise on the Board. Beverly Hills schools deserve leadership that understands education from the inside and can apply firsthand knowledge to strengthening our district. As a classroom educator with a background in conflict resolution, I bring valuable experience working with students, families, teachers, and administrators to achieve student academic success. I'm continuing to meet with residents and community members throughout this campaign, and I look forward to holding events in the coming weeks. More information about my campaign can be found at jaredgonzales.org," Gonzales said.

Visit <https://www.jaredgonzales.org/> for more information.

Cienfuegos, an attorney and parent of

David Cienfuegos

three BHUSD students, is running for the board with a focus on academics, teacher support and fiscal oversight. "I'm running for the Beverly Hills Board of Education because our schools should be the best. They should prepare students for college, careers, leadership, and a rapidly changing world. As a parent of three BHUSD students, I want to raise academic expectations, expand college and career opportunities, strengthen parent involvement, and ensure fiscal accountability. I also want to expand distinctive athletic opportunities, including exploring a BHHS Equestrian & Polo Academy that promotes discipline, teamwork, and leadership. I strongly support our great teachers and am excited to work with them to help every student succeed," Cienfuegos said.

Cienfuegos will also hold his campaign launch event on Sunday, August 23 at 2:30 p.m. Visit <https://www.david4bhusd.com/events> for more information and to RSVP for the event.

Jackie Kruger

Kruger has said she is running to increase transparency, refocus the board on students and ensure education funding is directed toward classrooms. "My family immigrated to the United States in search of a better life, and by the time I was in middle school we had found our way here, drawn by the

schools. Even when things got difficult, we stayed so I could finish my education in this district. That education made my success possible, and today my own kids are proof of what these schools can do. I'm running to put kids first: to lift our rankings, curb deficit spending, and bring transparency and accountability so families and teachers stay," Kruger said.

Kruger will hold her campaign kickoff event on Sunday, Aug. 30 from 2-4p.m. RSVP to jackie@krugerforbhusd.com. Visit <https://www.krugerforbhusd.com/> for more information.

Kimberly Lifschitz

Lifschitz has said she wants to rebuild trust in the district, put students at the center of board decisions and bring what she describes as knowledgeable and responsible

leadership to the board.

"In the month or so since I launched my campaign, I've talked to Beverly Hills residents of all ages and backgrounds, individually and in groups. The sentiment I've heard most often? BHUSD needs a board that's functional, not factional. I'm running for the Board of Education to put students first, restore trust in the district, and govern responsibly. The only way to build a BHUSD that's academically strong and fiscally sound is to ensure every decision is made with the students and community in mind, without outside influence or personal agendas," Lifschitz said.

Lifschitz will hold a campaign kickoff on August 30th from 2-4p.m. RSVP to Kim@kim4bhusd.com. Visit <https://kim4bhusd.com/> for more information.

The election will fill two seats on the Board of Education. Board member Rachelle Marcus is not seeking reelection after serving two terms.

The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website www.clearrecon-corp.com, using the file number assigned to this case 148967-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website www.clearrecon-corp.com, using the file number assigned to this case 148967-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website www.clearrecon-corp.com, using the file number assigned to this case 149437-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website www.clearrecon-corp.com, using the file number assigned to this case 149437-CA to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. ONE BEVERLY HILLS

Dear Neighbors,

Following twenty years of planning, One Beverly Hills is now under construction and taking shape. With the cranes operating across the property, we are pouring foundations and going vertical with the Aman Residences and Hotel, and I am pleased to report that we remain on schedule.

As construction moves forward, we have identified two opportunities to further enhance the project and create additional benefits for Beverly Hills. We will be asking the Planning Commission to approve these targeted modifications to the Overlay Specific Plan Zone:

- **Allow up to 44 privately owned Aman Residences to participate in the hotel's reservation system, creating a unique ultra-luxury hospitality offering and significant new revenue for the City; and**
- **Introduce a limited outpatient surgery program within the Wellness Center, led by a world-renowned orthopedic surgeon and highly qualified medical staff.**

Importantly, City staff has completed its review and is recommending approval of these modifications. The City's analysis confirms that these changes do not materially alter the project's studied traffic, parking or noise impacts.

Because One Beverly Hills is governed by its Overlay Specific Plan, these requests are unique to the property and do not change City policy beyond our property. The proposed modifications are also consistent with the goals and objectives of the City's General Plan.

The approved Overlay Specific Plan already provides for additional hotel rooms at the property, allowing a limited number of privately owned residences to participate in Aman's hotel reservation system. This also represents a significant economic opportunity for the City. A CBRE study estimates \$20 million in additional annual Transient Occupancy Tax revenue to the City of Beverly Hills.

The model is already proven in Beverly Hills, where The Maybourne operates select residences through its hotel reservation system. Aman will provide the same level of professional management, security and oversight through its established reservation platform, with a successful track record managing hotel and residential offerings in markets including New York and Tokyo.

We would also like to refine and elevate the Wellness Center by offering a discreet outpatient surgery program under the auspices of a world-renowned orthopedic surgeon, whose patients are a who's who of sports, business and Hollywood. This would be a limited practice with a highly qualified medical and support staff.

We believe these modifications offer a win-win-win opportunity: ensuring we deliver on Aman's global standards while providing increased revenue and amenities for the City, all while remaining consistent with the approved plan and without materially changing the project's studied impacts on the community.

We welcome your questions and would be pleased to arrange a tour of the site to see the progress firsthand.

With warmest regards,

Senior Managing Director, Cain Development
