Community Matriarch and Activist Judie Fenton Passes

Judie Fenton, a leading figure in Beverly Hills politics and philanthropy over the last 50 years, passed away Tuesday evening at Cedars-Sinai. She was 83 years old.

Over several decades, Fenton and her late husband Frank Fenton recruited and elected numerous candidates for the Beverly Hills Board of Education and City Council.

Judie Fenton

Her candidate list reads like a who's who of Beverly Hills politics and included former mayors Chuck Aronberg, Les Bronte, Vicki Reynolds, Willie Brien, Julian Gold, Les Friedman and others.

Fenton's own commitment to Beverly Hills extended far beyond political campaigns. She also served on the Traffic and Parking and Recreation and Parks Commissions and led FTA, helping raise significant funds in support of both the Beverly Hills Police and Fire associations. She was also Horace Mann PTA president. Her decades of civic involvement reflected a deep commitment to the community.

Frank Fenton served on the Beverly Hills Board of Education from 1983 to 1991, City Treasurer from 2001 to 2005, and on the Beverly Hills City Council from 2005 to 2009, ending his career as mayor. He passed away in 2016. Their son, Steven Fenton, served on the Board of Education from 2007 to 2011.

Survivors include her children, Min-dy, Gary, Steven and Jenny and their families; partner Miles Lee, and a brother, Michael Goldstein.

Services will be held Monday, Sept. 28 at 10 a.m. at Hillside.

Beverly Hills Weekly will be running tributes to Judie in a future issue. To send your own memory email editor@bhweekly.com.

City Council Discusses Appointments of Members to Planning Commission

The City Council discussed the appointments of Jason Grant and Joshua Greer to the Planning Commission at its Sept. 22 meeting, which was intended to fill a current vacancy and an upcoming seat on the commission. However, due to complaints that the position was not properly advertised, and that the interviews were not made public, the City Council postponed the appointment of Greer.

The appointment of Grant was previously postponed due to complaints of violation of the Brown Act.

Grant is the Founder and Principal at Local Development LLC. Greer is the founder & Chairman at Tandem Care.

Beverly Hills Council Approves Funding for Theatre 40

The City Council approved a \$50,000 agreement with Theatre 40 for cultural programming and performances during the company's 2026-27 season.

The agreement calls for Theatre 40 to produce up to six productions during the season.

The city has provided funding to Theatre 40 since about 2006.

Planning Commission to Consider Proposed Fence Rules for Trousdale Estates Property

The Beverly Hills Planning Commission is expected to consider Sept. 24 a proposal that would change rules governing walls, fences and hedges in the front yards of Trousdale Estates properties.

The proposed Zone Text Amendment would create a process allowing solid walls, fences and hedges up to 6 feet tall within required front-yard setbacks through a Trousdale R-1 Permit. Commissioners are also expected to consider a permit for 530 Vick Place that would allow an existing 6-foot solid fence, gate and hedge within the property's 15-foot front-yard setback.

Under current rules, structures within the first 20% of a front yard are generally limited to 3 feet, while taller structures must be open to public view. The proposed amendment would allow exceptions through a Trousdale R-1 Permit if the structures would not substantially affect the streetscape or the garden quality of the city.

The request follows code enforcement activity at 530 Vick Place after the city determined an existing fence and gate did not comply with the open-to-view requirements. The property owner subsequently sought changes to the regulations that could allow the existing improvements to remain.

Warrant Provides New Details in Adva Lavie Case

A recent warrant is providing more details about the case against OnlyFans model Adva Lavie, who is accused of stealing from men and is facing multiple felony charges, according to ABC 7.

According to the Los Angeles District Attorney's office, prosecutors allege that from 2023 to 2025, Lavie used dating apps and cultivated relationships to burglarize and steal from wealthy older men and younger women in Westlake Village, West Hollywood, Los Angeles

and Beverly Hills.

According to the DA, Lavie is accused of posing as a girlfriend to gain access to victims' residences to steal cash, and other luxury items. If convicted on all counts, Lavie faces up to 11 years, eight months in state prison.

"At her trial, we will prove beyond a reasonable doubt that this defendant exploited trust built through online relationships to gain access to victims' homes and steal from them. Her ability to deceptively influence others, whether in person or online, has now come to an end. Our office is committed to holding accountable anyone who uses deception and manipulation to prey on others," District Attorney Nathan Hochman said in March.

She previously pleaded not guilty to all charges

According to the outlet, an LAPD detective wrote that BHPD Detective Steve Own was investigating allegations that Lavie drugged her fiancé, real estate developer Stephen Cloobek, with ketamine, according to the outlet.

Cloobek was arrested in May and pleaded not guilty to witness tampering charges reportedly related to the case involving Lavie.

According to the outlet, the warrant also details an incident involving a former friend of Lavie. According to the outlet, the woman attended a dinner at Cloobek's home where Lavie was present. Afterward, the woman allegedly discovered that her purse had been moved and that an engagement ring was missing.

Lavie remains in custody while facing felony theft and burglary charges.

By Peter Ostroff

Community Roundup

We lost one of Beverly Hills' finest this week with the passing of **Judie Fenton**. I first met Judie over forty years ago when she ran the Beverly Hills Sports Camp that **Nick Ostroff** and **Natalie Anne Ostroff** attended. She was a tireless fundraiser for various City departments and charities. (See page 3).

More recently she used her comprehensive "Rolodex" to help elect some of our best members of the City Council and Board of Education including **Lester Friedman**, **Julian Gold** and her close personal advisor, **Frank Fenton**. Her son **Steven Fenton** was also a member of the Board of Education and was one of the leaders of the Beverly Hills High Athletic Alumni Association. She served as a member of the Recreation and Parks Commission (I had applied for that commission at the same time but had no chance once Judie expressed interest.). Most recently, she helped guide the One Beverly Hills project through the entitlement process.

Judie was one of a kind, irreplaceable and will be sorely missed.

Shana Epstein

Shana Epstein, who has been the Director of the Beverly Hills Department of Public Works since 2017, has announced

her retirement as Director to take a position in the private sector. City Manager **Ryan Gohlich** has stated his intention to announce a replacement "in the coming weeks." Shana has been an unusually hands-on manager of the department so her departure may mark some significant changes.

Greg Barton

Our true Beverly Hills institution, Fire Chief **Greg Barton**, is retiring as soon as his replacement is installed so I thought that I would say a few words about him.

I must correct the notion that there will be a "replacement" for a guy that at least 1,000 Beverly Hills residents regard as their best friend. While we may have a new fire chief, there will never be a replacement for Greg.

Ironically, however, he says that he wants his legacy to be that as soon as he walks out the door, things will simply carry on smoothly and he will never be mentioned or thought of again. Sorry, Chief, that is soooooo not happening.

Greg has been with the BHFD since 1995 and has risen through the ranks until he became Chief in 2017. He earned a BA degree from UC Davis and put himself through a fire fighter Academy at Solano Community College. He had intended to become a lawyer until he spent two summers with the United States Forest Service working in northern Cali-

fornia and then had a seasonal job with the USFS in Angelus National Forest.

The process of landing a job with a fire department was very challenging when Greg was in the market. He applied with approximately 30 fire departments before being one of 12 successful applicants out of 1200 who applied for spots with BHFD in 1995. He says that it is easier now but 500 have applied for 10 open spots with the department. He is confident that the ten openings will be filled promptly.

Greg grew up in Woodland Hills and went to Carmelite Crespi High School and then UC Davis where he played varsity baseball. He once told me that his team traveled to Australia where he became hooked on meat pies. So, for our farewell interview, we had steak pies from Kitchen1437/Bronzed Aussie on S. Robertson.

He has had numerous high honors while chief including receiving the City's **Fred C. Cunningham** Award for Distinguished Service, serving as President of Rotary and, most significantly, serving as a charter member of the exclusive and somewhat secretive BELCH men's eating group.

As you may know, Greg is a man of faith, a devout Christian. I asked him how he fit so well in a predominantly Jewish city. He said: "People are people; I try to treat everyone with respect. Beverly Hills is a unique place; from the outset the community adopted me and my family." He makes certain that every member of the department acts and feels that way. He says: "We do not tolerate egos."

The Beverly Hills Fire Department, under Greg's watch, holds two major distinctions that place it among the

top fire service agencies in the United States. It holds a Class 1 Public Protection Rating, the highest possible rating granted by the Insurance Services Office (ISO) which helps in lowering property insurance rates. It is accredited internationally by the Commission on Fire Accreditation International (CFAI) and the Center for Public Safety Excellence (CPSE). Having both of these places BHFD is an elite among approximately less than 1% of US fire departments.

Another special aspect of BHFD is its resident service orientation. Under Greg's leadership, the orientation of the fire department is to help in every situation needed. Most of what the fire department does is respond to approximately 5000 Emergency Medical Service calls each year. There are only around one fire call per month and almost all of those are either false alarms or small kitchen fires. But the department is involved in all manner of helpful errands including rescuing exotic birds from tall trees or helping residents replace fire alarm batteries or turning off their sprinkler systems.

Greg says that this orientation stems from the Rotary credo of "Service above self."

Greg credits the community and the Council for the department's success. He says that the attitude of the Council has always been very supportive and the Council has provided everything the department has asked for. Accordingly, when I asked for his wish list, there was nothing on it.

So I will end with mine: I wish for a new Fire Chief who will carry on the legacy and high standards set by Greg Barton.

For Greg I wish nothing but the best for this paragon and his family.

"On behalf of the City Council and Beverly Hills community, I'd like to thank Shana for her outstanding leadership in Beverly Hills and for a lifetime of public service," said City Manager Ryan Gohlich. "Under Shana's watch, the legendary landscape and infrastructure of Beverly Hills have remained world-class, and the department has been a leader in sustainability, conservation and municipal services."

Shana Epstein

Epstein has led a Public Works team of more than 200 employees. Before joining the city, she served as general manager of Ventura Water. Epstein plans to take a position in the private sector. "The opportunity to lead the Beverly Hills Public Works team has truly been an honor and privilege," said Epstein. "I have enjoyed the work we have accomplished and the many colleagues that I am able to call friends. I'd like to thank members of the City Council, past and present, and community members

Career Academy Begins Fourth Year

Beverly High's Career Academy has begun its fourth year with 52 students.

"Beverly Hills is home to extraordinary people and institutions, and one of its greatest strengths is their willingness to invest in our students," said BHUSD Board of Education President Judy Manouchehri. "Career Academy turns those community relationships into opportunities our students could not experience in a traditional classroom. Our hotel partners are opening doors, sharing their expertise, and showing our students firsthand what excellence looks like."

So far, students visited six hotel

partners: The Beverly Hilton, Beverly Wilshire, L'Ermitage Beverly Hills, The Maybourne Beverly Hills, The Peninsula Beverly Hills and Waldorf Astoria Beverly Hills.

"Career Academy gives students the chance to discover careers they may never have known existed," said Cindy Dubin, BHUSD Career Education Coordinator. "When they can speak directly with professionals, walk through these environments and understand how different departments work together, careers become tangible. Students begin to see possibilities for themselves."

The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website www.clearreconcorp.com, using the file number assigned to this case 148047-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or in the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1,

2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an “eligible tenant buyer,” you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an “eligible bidder,” you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website www.clearreconcorp.com, using the file number assigned to this case 148047-CA to find the date on which the trustee’s sale was held, the amount of the last and highest bid, and the address of the trustee.
