BHUSD approved an agreement to name a scoreboard in the new Beverly High basketball arena after the Emrani family made a \$70,000 donation. The agreement was made in partnership with the Beverly Hills Athletic Alumni Association. Brothers Jonathan and Jacob Emrani made the donation. Jonathan Emrani is a 1993 Beverly High graduate. Beverly Hills Considers Changes to Historic Preservation Awards

The Cultural Heritage Commission was expected to discuss proposed changes to its Historic Preservation Awards program at its Oct. 14 meeting.

The discussion, which was scheduled to take place after press time, was expected to discuss simplifying applications and expanding categories.

This agenda item follows after the inaugural awards in 2026. A subcommittee recommended simplifying nominations so residents would not need to provide extensive documentation.

"The Commission expressed that the inaugural Awards and reception were a success, while improvements can be made to the application process and how the Awards were advertised to the public to accept nominations," according to a city staff report.

Other proposed changes include adding residential and commercial subcategories, renaming the Historic Awareness and Education Award after its first recipient, Phil Savenick, and exploring new venues for the 2027 ceremony.

BHUSD Superintendent Continues Student Advisory Committee

Superintendent Alex Cherniss is continuing his Student Superintendent Advisory Committee for a second year. The program is intended to give students an opportunity to share feedback on their school experiences.

"I am continually impressed by how thoughtful and invested our students are in their school community," said Cherniss. "They bring honest perspectives, ask important questions, and offer ideas that challenge us to think more deeply about how we support them. I

wanted every student who applied to have a seat at the table because that willingness to contribute deserves to be encouraged. Listening to their experiences is essential to understanding what our schools do well and where we can do better."

Cherniss met with Beverly High juniors on Oct. 2 to discuss academic preparation, student support, well-being, and planning for life after school.

We.Have.Had.Enough – Part Deux

I want to give you my analysis of why I support **Jackie Kruger** and **Kimberly Lifschitz** for the BHUSD Board of Education and why we cannot afford another four years of putative President for Life **Judith Manouchehri**.

Ms. Kruger and Ms. Lifschitz are outstanding candidates.

Jackie has seen what our schools can do from both sides: as a student, starting in seventh grade at Hawthorne and graduating from Beverly High, and as the mother of three high performing children who have all come through BHUSD. For fifteen years she has invested as a room mom, PTA member, graduation committee member, and principal advisory committee member, and led student trips.

Jackie is a trial lawyer who has learned how to work with anyone. She promises to bring back public comment, restore rotation of the board presidency, and avoid conduct that causes needless expenditures on litigation and overpriced coaches and uniforms, so every dollar goes to classrooms, students, and teachers. She advocates open books and a comprehensive, deliberate plan instead of piecemeal decisions, and to ensure a safe, disciplined environment for our children to learn and achieve.

Kim has worked for over five years as a preschool teacher, followed by fifteen years of experience in the legal field, including contracts, corporate governance, government compliance, and litigation. She has been active in BHUSD for years, serving as a room parent, PTA executive board member, and community volunteer. She has a strong personal commitment to preparation and continued learning. She has the ability to put personal conflict or preference aside in service of a common goal, and my willingness to collaborate and share credit for accomplishments instead of pursuing individual accolades.

If elected, Kim plans to focus on good governance and accountability -- fiscally, legally, and operationally. She will work to restore the district's relationship with the community, with an emphasis on civility and making parents, teachers, and residents partners instead of adversaries.

Regarding my opposition to re-election of Ms Manouchehri, it is difficult to know where to start.

Let's start with character.

Legendary UCLA basketball coach **John Wooden** said: "The true test of a person's character is what he [or she] does when no one is watching."

While Ms. Manouchehri affects an

overly sweet demeanor, behind the scenes her true character is revealed. She has attacked both her colleagues and parents. She engineered a humiliating and unlawful disregard of the District's bylaws to select a Vice President of the Board. She allowed a false press release to be sent to all colleagues of the lawyer who brought the lawsuit.

Ms. Manouchehri's attacks on her colleagues have not been solely directed at Dr. Stern.

Board member Rachelle Marcus has served the District for more than sixty years. Mrs. Marcus is loved, revered and respected by generations of District students and parents.

But even Mrs. Marcus has not escaped Ms. Manouchehri's wrath.

She explained:

"I too was the subject of a **vicious tongue lashing** by telephone from [Ms. Manouchehri] when I had the temerity of having a view on a matter that differed from her own."

Mrs. Marcus added: "Although Ms. Manouchehri claims she is always respectful, **she has not been respectful to me or to the Board's Bylaws.**"

Ms. Manouchehri eliminated the bylaw rule restricting Board Presidents to one year terms. Thus, if she is re-elected we can look forward to several more years of Ms. Manouchehri as Board President.

I have spoken with several members of the school community who oppose Ms. Manouchehri but are afraid to speak out for fear of retaliation against them or, even worse, their children.

This fear seems well-grounded in fact. On Monday, October 12, she followed and yelled at BHUSD teacher **Judith Chan** who was canvassing on behalf of Jackie and Kim on S. Linden Drive.

What on earth would possess the President of the School Board to try to stifle a teacher's exercise of her First Amendment rights?

Notably, of the eleven former School Board Presidents and former mayors who published a letter endorsing Jackie Kruger and Kim Lifschitz and not Ms. Manouchehri, most had endorsed Ms. Manouchehri when she ran the first time. **They no longer do.**

The widespread opposition to Ms. Manouchehri is likely due, in part, to her demonstrated incompetent management.

With a \$6M deficit last year and projected more than \$3M deficit this year there will likely be a \$10M deficit through her years as Vice President and President of the Board. The deficit is caused by presumably ballooning litigation costs (see

below), \$500,000 of unnecessary expenditures on athletic uniforms, and a \$200,000 football coach salary that may distort future District/teacher salary negotiations among other things.

Then there is the fact that a person is known by the company they keep.

Ms. Manouchehri formed a slate with this **David Cienfuegos** person who has no track record and, more importantly, seems to have extraordinarily bad judgment.

An unfortunate aspect of our campaigns is the propensity of residents (generally children pranksters) to remove lawn signs of candidates that they oppose. Councilmember **Rebecca Pynoos** told me that her Jackie Kruger and Kimberly Lifschitz signs have been removed four times in the last two weeks.

This is regrettable but not high treason.

But then, "Sherlock" Cienfuegos came along. In revealing what Mr. Cienfuegos proclaimed was evidence that Ms. Kruger's teen aged son had removed one of his lawn signs, and acting as if he had solved the crime of the century, **Mr. Cienfuegos posted the Kruger family's home address on his Instagram account and at least one other account with thousands of followers.** Notably the Kruger family includes two District students who the Board should be attempting to protect. (More on this duty to protect below.)

There is no benign explanation or excuse for Cienfuegos' behavior.

The Los Angeles County Superior Court agreed and on Monday October 12 ordered Cienfuegos to stay away from the entire Kruger family finding that "the order is based on unlawful violence, a credible threat of violence, or stalking.

Further, Ms. Manouchehri has not performed at an acceptable level quite apart from the public dysfunction that the Board has displayed under her leadership.

As a member and President of the Board of Education Ms. Manouchehri's job is to provide a constructive academic and safe environment for our students.

I have often reported about the disappointing rankings of our schools including that BHHS is ranked #174 academically in the Los Angeles area, below neighboring high schools and other schools in affluent areas similar to Beverly Hills.

This ranking has fallen in the years that Ms. Manouchehri has been on the Board.

A significant cause, in my opinion, for this unfortunate rank is a culture of permissiveness and no consequences for bad behavior. Ms. Manouchehri did not create that culture but has allowed it to persist during her term of office.

One by product is a proliferation of litigation against the District. Much stems directly from allegations that the District does not provide an environment in which our children can be safe from bullying, sexual harassment or racial hostility.

Three recently filed federal court lawsuits against the District are disturbingly illustrative.

In August, 2025, ten parents of thirteen students of color filed a complaint alleging unlawful racial harassment, race discrimination and willful indifference by school officials who had been put on notice of this conduct. This case is bringing unfavorable national attention and scrutiny to BHUSD.

Also recently, separate lawsuits have been filed on behalf of two nine year old students (**Student A** and **Student B**) at El Rodeo arising out of alleged sexual harassment and bullying **by the same student (Student C)**. Both claim violating the civil rights of these young children and **willful indifference by school officials.**

When those entrusted with the safety of students learn that one student may be sexually harassing others, **doing nothing is not a lawful response.** Each failure to investigate, intervene or take effective preventive action is unlawful and may leave other students exposed to the very conduct school officials have a responsibility to prevent.

What does this have to do with Ms. Manouchehri?

Stay with me – I shall explain.

In November, 2024, Student A was allegedly sexually assaulted on the El Rodeo School playground by Student C. The parents of Student A allegedly immediately informed El Rodeo administrators but no action was taken.

Student A's mother told me the following. She had been active with the PTA and was well-acquainted with Ms. Manouchehri. In January, 2025, shortly after the alleged assault, she spoke directly to Ms. Manouchehri, informed her of her child's claims and asked Ms. Manouchehri to investigate and take action.

She told me that Ms. Manouchehri did nothing.

Over the next two months, on a number of occasions the mother of Student A told me that she spoke with Ms. Manouchehri in person, by telephone, and via text and, she told me, nothing changed. Student C remained, allegedly undisciplined, at El Rodeo.

And then what happened?

In late March, 2025, **the same Student C** allegedly sexually assaulted Student B in a restroom at El Rodeo.

Had Ms. Manouchehri taken effective action after receiving the reports about the alleged assault by Student C on Student A, perhaps the alleged assault on Student B could have been avoided.

Instead, we have at least two allegedly assaulted children and two federal court lawsuits against the District. [I have been told that Student C has recently been transferred to Horace Mann school.]

We must ask ourselves:

Can we trust Ms. Manouchehri to protect and educate our children?

And there is the larger question of whether the District needs new leadership.

I think so.

That's why I am voting for Jackie Kruger and Kim Lifschitz and urge that you do so.

ACCUSATIONS FLY IN BOARD OF EDUCATION RACE

By Danielle Berjikian

Two separate incidents have emerged in the Board of Education race. One incident involves a BHUSD teacher's encounters while canvassing and another involves a restraining order concerning David Cienfuegos and the Kruger family.

Judith Chan, a music teacher at Horace Mann, said she was canvassing on South Linden Drive when two men asked what she was doing. She said they told her canvassing was illegal in the city.

Chan said she explained that she was a teacher distributing election information. She stated one of the men filmed and photographed her and she subsequently took pictures of the men after she stated they refused to delete

the photos.

When speaking with another resident, Chan said Board of Education President and candidate Judy Manouchehri, who was sitting in her car, asked why she was wearing her BHUSD badge.

She claims that Manouchehri filmed her and yelled, "Why are you telling her that the teachers endorse those candidates when you know for a fact that they did not?" Chan claims she continued to ask, "Are you wearing the school badge? Are you now taking off the school badge?"

Chan said she walked away without responding but later saw Manouchehri's car nearby and believed Manouchehri had been following her.

"It is deeply troubling that I faced intimidation in Beverly Hills for exercising my First Amendment rights on my own time. No teacher should have to fear retaliation from any school board member for exercising those rights. We need a school board that trusts and respects teachers," Chan said.

Manouchehri claims she was picking up her child when she saw Chan canvassing.

"While picking up my child from a friend's house, I personally watched Judith Chan display her district badge to a homeowner and say she was there to tell them which candidates 'the teachers' support. That wording inaccurately suggested she was speaking for all teachers," Manouchehri said. "Using district identification while advocating for candidates raises serious concerns under California Education Code section 7054(a), which prohibits using district funds, services, supplies, or equipment to support or oppose political candidates. This occurred in public, and I witnessed it firsthand. It is disappointing to see my name dragged into the discussion while attention is diverted from the conduct that prompted this matter."

Chan has confirmed she showed her ID so that people will not think she is

an imposter.

Manouchehri was endorsed by at least 16 community leaders in 2022. Not one of them has endorsed her in the current race.

In a separate dispute, a judge issued a restraining order involving Cienfuegos and the Kruger family.

The order was based on "unlawful violence, a credible threat of violence, or stalking." According to reports, Cienfuegos posted the Kruger family's address online after claiming that candidate Jackie Kruger's son had removed one of his signs. The court granted Kruger's request for a restraining order prohibiting Cienfuegos from threatening the Krugers or going within 100 yards of their home. The court denied Cienfuegos' request for a restraining order.

"I am hoping Mr. Cienfuegos follows the order and takes down the posts that have no reason to be up. He is harassing my family and putting us in danger for no purpose. His knowingly false accusations will have to be dealt with after the election. If he thinks this will make me back away from running for the school board, that is not something I am considering," Kruger said.

Cienfuegos did not respond to a request for comment.

The Board of Education honored Beverly High’s Girls Volleyball team at its October 13 meeting, celebrating an 11–3 record.

“This is a group that balances working hard and having fun,” said Head Coach Tanner Siegel. “I’m proud to be the head coach of this program.”

Principal Loan Sriruksa described it as the program’s best record in more than a decade.

“Being a student-athlete is a serious commitment. It means showing up every day, honoring your responsibilities to your coach and teammates, and balancing the demands of your sport with your education,” said Board of Education President Judy Manouchehri. “Those habits will serve these young women long after their final game. That is why this Board has made athletics a priority, and why we are so proud to recognize this team.”

BHHS Football Team Set to Play Homecoming Game Friday

By Steven Herbert

Beverly High is scheduled to play its homecoming football game Friday night at Nickoll Field, facing Hawthorne in an Ocean League game. Kickoff is set for 7 p.m.

“We’re hoping to play better,” Norman coach Jeff Bailey said in an interview Wednesday. “We’ve had a great week of preparation so far.”

Bailey said he hopes his team runs the ball effectively and gets “some big plays off the passing game.”

“I think our defense has a good game plan to be able to slow them down,” Bailey said.

Beverly Hills (0-8, 0-2) is 331st among 372 Southern Section teams in the computerized rankings compiled by HSRatings.com which are used to determine playoff divisions.

The Cougars (1-6, 0-1) are ranked 328th. Hawthorne has lost six consecutive games since defeating Gardena, 26-20, in its season opener Aug. 21, in-

cluding a 42-6 loss to Peninsula Oct. 2 in its most recent game.

The teams have one common opponent -- Centennial, who the Normans lost to 37-27, Aug. 28, in their closest game of the season, while Hawthorne lost to the Apaches, 30-27, Sept. 18.

Beverly Hills (0-8, 0-2) will be wearing new gray jerseys, Bailey said.

The Normans lost to the Cougars, 42-7, last season.

HSRatings.com projects a 28-26 victory for Beverly Hills, giving it a 57% chance of winning, and Hawthorne a 43% chance.

South Torrance 49, Beverly Hills 0

Bailey praised defensive end Sarp Akbulut for his play in an Ocean League game Friday night at South Torrance.

“He made a few tackles for us, and he played hard,” Bailey said. “He’s really improved through the year.”

This is the senior’s first season of playing organized football, Bailey said.

Flag Football

Lawndale 37, Beverly Hills 7

Funmi Odede caught pass deflected by a teammate for a 50-yard touchdown for the Normans in an Ocean League game at Roger Anderson Park in Lawndale Oct. 7

Kgalalelo Rapia “did a great job on defense,” Melody Meza “played well on defense pulling flags” and Odede “was our best offensive player,” Beverly Hills coach John Braddell said after the team’s fifth consecutive loss after opening the season with a 6-2 victory over Immaculate Heart.

There are homes that simply offer a place to live, and then there are homes that change the way you feel the moment you arrive. Tucked within one of the Hollywood Hills’ most enchanting enclaves, this private retreat strikes a rare balance of architecture, nature, and effortless California living. Inspired by mid-century design with a distinctly modern soul, the residence unfolds through thoughtfully connected spaces filled with natural light, warm wood floors, and curated finishes. Open living, dining, and kitchen spaces flow seamlessly outdoors, embracing the quintessential Southern California lifestyle. A bedroom and full bath on each level offer flexibility and privacy, while multiple terraces and garden escapes create an effortless connection to nature. Morning coffee among the trees. Dinner beneath glowing café lights. A quiet afternoon with a book as the breeze moves through the leaves. Crowning it all is an extraordinary private rooftop retreat, where sweeping views stretch across the Hollywood Hills toward the glittering city skyline. From sunset entertaining to quiet evenings beneath the stars, every moment feels distinctly Los Angeles.
